Item 4.01 Changes in Registrant's Certifying Accountant

Edgar Filing: ENVIRO VORAXIAL TECHNOLOGY INC - Form 8-K

(a) Previous Independent Accountants.

(i) Effective February 23, 2006, Weinberg & Company, P.A. was dismissed as the principal accountants to audit the financial statements of Enviro Voraxial Technology, Inc. (the "Registrant").

(ii) The report of Weinberg & Company, P.A. ("Former Auditor") on the financial statements of Registrant for the year ended December 31, 2004 (Former Auditor was initially engaged on March 10, 2005) contained no adverse opinion or disclaimer of opinion and were not qualified as to uncertainty, audit scope or accounting principle; however, the report was modified to include an explanatory paragraph wherein Former Auditor expressed substantial doubt about the Registrant's ability to continue as a going concern.

(iii) The dismissal of Former Auditor and subsequent engagement of new independent accountants (described below) was approved by the Registrant's Board of Directors, as the Registrant has no Audit Committee.

(iv) In connection with its audit for the most recent year and including the interim period up to and including the date of dismissal, there have been no disagreements with Former Auditor on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Former Auditor would have caused them to make reference thereto in their report on the financial statements for such year; however, the report was modified to include an explanatory paragraph wherein Former Auditor expressed substantial doubt about the Registrant's ability to continue as a going concern.

(v) During the two most recent fiscal years and including the interim period up to and including the date of dismissal, the Registrant has had no reportable events (as defined in Item 304 (a) (1) (v) of Regulation S-K).

The Registrant requested Former Auditor furnish a letter addressed to the Securities and Exchange Commission stating whether or not Former Auditor agrees with the statements made above and, if not, stating the respects in which it does not agree. A copy of this letter, dated February 24, 2006, is filed as Exhibit 16.1 to this Form 8-K.

(ii) The Registrant has not consulted with New Auditor during the last two years or subsequent interim period on either the application of accounting principles or type of opinion New Auditor might issue on the Registrant's financial statements.
