INFORMATION TO BE INCLUDED IN THE REPORT

Item 12. Results of Operations and Financial Condition.

See the attached press release reporting first quarter 2004 earnings of Carlisle Companies Incorporated (the Company) hereby furnished.

The press release reports the Company's free cash flow for the first three months of 2003 and 2004. Management believes that this non-GAAP financial measure is useful to investors because free cash flow is used by the investing and lending community as a key measure of a company's ability to meet its debt payment obligations and to finance future growth of its business through acquisitions and capital investment.
