ANNUAL MEETING OF SHAREHOLDERS

May 3, 2005

PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

The accompanying proxy is solicited by the board of directors of Price Communications Corporation, a New York corporation, for use at the 2005 Annual Meeting of Shareholders to be held at the offices of Proskauer Rose LLP, 1585 Broadway, New York, New York 10036-8299, on May 3, 2005, at 10:00 a.m. local time, and at any adjournments. If not otherwise specified, proxies will be voted FOR the election of the nominees to the board of directors.

Shareholders who execute proxies may revoke them at any time before they are exercised by delivering a written notice to the Secretary of our company stating that the proxy is revoked, by executing a subsequent proxy and presenting it to our Secretary at our principal executive offices, or by attending the annual meeting and voting in person. The board of directors does not know of any matters other than those specified in the notice of annual meeting of shareholders that will be presented for consideration at the annual meeting. However, if other matters properly come before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their judgment. In the event that the nominee for director is unable to serve as a director at the date of the annual meeting, the enclosed form of proxy will be voted for the nominee who is designated by the board of directors to fill such vacancy.

As of March 31, 2005, there were 56,216,445 shares of our common stock outstanding, with each such share being entitled to one vote. Only shareholders of record at the close of business on March 31, 2005 will be entitled to vote at the annual meeting, and this proxy statement and the accompanying proxy are being sent to such shareholders on or about April 7, 2005.

Under New York law and our certificate of incorporation and by-laws, the holders of a majority of our outstanding shares, present in person or represented by proxy, constitutes a quorum. If a quorum is established, the affirmative vote of a plurality of votes cast by our shareholders at the annual meeting is required for the election of directors.

Under New York Stock Exchange rules, if your broker holds shares in its name, the broker can vote on some routine proposals (including the proposal to reelect one director and elect one director to our board of directors) when it has not received your instructions.

Our company will bear the cost of soliciting proxies. Solicitations will be made primarily by mail, but our regular employees and representatives may solicit proxies personally or by mail, courier, telephone or facsimile. Arrangements also may be made with brokers, custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by

such persons. Our company may reimburse such brokers, custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding solicitation material.

ELECTION OF DIRECTORS

(PROPOSAL 1)

General

Our certificate of incorporation provides that our board of directors will have not fewer than three nor more than ten directors, with the actual number being set from time to time by resolution of our board. Our board of directors has fixed the authorized number of directors at five.

Our certificate of incorporation provides that our board of directors will be divided into three separate classes, with the classes to be as nearly equal in number as possible. One class is elected each year to serve a staggered three-year term. The terms of office of the respective classes expire in successive years. At the annual meeting, one current member of our board of directors, Stuart B. Rosenstein, is to be reelected to our board of directors to serve for a term of three years until the annual meeting of shareholders in 2008. In addition, at the annual meeting, one new nominee, Frank Osborn, is to be elected to our board of directors as the successor to John Deardourff (who served on our board until his death in December 2004) to serve for a term of three years until the annual meeting of shareholders in 2008. The nominees, Stuart B. Rosenstein and Frank Osborn, have consented to be named and to serve if elected. Our board of directors has no reason to believe that the nominees will be unable to serve if elected to office and, to the knowledge of our board of directors, the nominees intend to serve the entire term. Should a nominee become unable or unwilling to accept nomination or election, the persons named in the proxy will vote for such other person as our board of directors may recommend.

Our board of directors has determined that Robert F. Ellsworth and Stuart B. Rosenstein, current directors of our company, and Frank Osborn, a current director nominee, have no material relationship with our company (either directly or indirectly as a partner, shareholder or officer of an organization that has a relationship with our company). In addition, our board of directors has determined that John Deardourff, who served on our board of directors in 2004 until his death in December 2004, also had no material relationship with our company (either directly or indirectly as a partner, shareholder or officer of an organization that has a relationship with our company). Based on this determination and the review by our board of directors of the additional general independence requirements under the New York Stock Exchange's listing standards (the Listing Standards), our board of directors has determined that each of these directors or director nominees is an independent director under the Listing Standards.

Vote Required

The affirmative vote of a plurality of the votes cast by our shareholders at the annual meeting is required for the election of directors. Abstentions with respect to the election of directors will have no effect on the vote on this matter.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES.

Any such submission must be accompanied by the written

consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Our company will forward all proposed nominations to the Nominating and Governance Committee for consideration. The Committee may, but will not be required to, consider proposed nominations not properly submitted in accordance with this policy. The Committee may request further information from any proposed nominee. All proposed nominees properly submitted to our company (or which the Committee otherwise elects to consider) will be evaluated and considered by members of the Committee using the same criteria as nominees identified by the Committee itself.

Report of the Audit and Finance Committee

The following is the report of our Audit and Finance Committee with respect to our audited financial statements for fiscal year ended December 31, 2004. This report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall it be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate it by reference into such filing.

A copy of this charter may be obtained from the Company in the manner described elsewhere in this proxy statement. The function of the Audit and Finance Committee is to assist the board of directors in its oversight of (i) the integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the qualifications and independence of the Company's outside auditor; and (iv) the performance of the Company's outside auditor. In particular, the Committee shall serve as an independent party to monitor the Company's financial reporting processes and internal control system; discuss the audit conducted by the Company's outside auditor; and provide an open avenue of communication among the outside auditor, management and the board. The Audit and Finance Committee held eight meetings during 2004.

The Audit and Finance Committee has reviewed and discussed our audited financial statements with management. The Audit and Finance Committee has also discussed with the Company's independent auditors, BDO Seidman, LLP, matters relating to the auditors' judgments about the quality, as well as the acceptability, of our accounting principles, as applied in our financial reporting as required by Statement of Auditing Standards No. 61, as amended (Communications with Audit Committees). In addition, the Audit and Finance Committee has discussed with BDO Seidman their independence from management and us, as well as the matters in the written disclosures received from its independent auditors and required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

Based on the Audit and Finance Committee's review and discussions referred to above, the Audit and Finance Committee recommended to the board of directors that our audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Stock Option and Compensation Committee Report on Executive Compensation

Under the rules of the SEC, this report is not deemed soliciting material and is not incorporated by reference in any filing with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Stock Option and Compensation Committee of our board of directors has been composed of three non-employee directors, Robert F. Ellsworth, Stuart B. Rosenstein and (until his death in December 2004) John Deardourff. Frank Osborn has been elected to such committee subject to his election to the board of directors. Each of such persons is independent as defined under the Listing Standards. The Committee is responsible for developing and making recommendations to our board of directors with respect to our executive compensation policies and the annual compensation paid to our executive officers and administering our 2003 Long Term Incentive Plan. The Committee believes that our compensation arrangements should enable us to attract and retain highly qualified executive employees, reward individual performance and foster an identity of interest between management and us.

The main objectives of the executive compensation program are:

to align compensation opportunities with shareholder interests;

to provide compensation that is competitive when compared with various markets in which the Company competes for executive talent; and

to divide total compensation between base and incentive compensation components with significant incentive related component.

The Committee has historically viewed stock options as key elements to focus executives on increasing shareholder value.

The Company currently has no operating assets and three employees, including Mr. Price and Ms. Pressman. This report consequently describes the historical elements of our executive compensation program and the current basis on which the compensation of our chief executive officer has been determined.

Annual Compensation

Base Salary. In general, we have historically aligned base pay for executives to be competitive with market rates. The pay review considered level of experience, individual performance against annually established financial and

non-financial unit and individual objectives, and competitive market salary rates for similar positions.

Annual Bonuses. All executives have historically been eligible for annual bonuses for achieving challenging financial, leadership and operational objectives that are established at the beginning of each year. To determine annual bonus awards, the Committee performed a detailed review of our and the individual executive's performance.

Long-term Incentives

The Company has historically used stock options to link executive compensation to our longer term internal performance and to external market performance of our stock price.

Stock options have historically been granted to executives and other key personnel with an exercise price equal to the market price of the stock on the date of grant. The potential future value of stock options has been dependent solely upon the future increase in the price of our stock. Stock option award levels have been based on each recipient's position level and performance as well as the competitive level of option grants for comparably situated executives. The exercise price of option grants has historically typically been equal to 100 percent of the market price of the Company's common stock on the grant date. Options have a ten-year exercise period, and typically become exercisable in installments during the first two years following their grant.

Annual grants of restricted stock are not presently part of our executive compensation program. However, grants of restricted stock may occur in the future as warranted by changing competitive conditions.

Most of the Company's outstanding stock options (which are held by Mr. Price and Ms. Pressman) were granted with an exercise price significantly in excess of the market price of the stock on the date of grant, with the remainder having been granted with an exercise price at the then market price.

Compensation of the Chief Executive Officer

The Company currently has no operating assets. Consequently, the Committee believes that the best measure of Mr. Price's contribution to shareholder value is the long-term performance of the Company's stock in comparison to other wireless telephone companies and that, in setting compensation, the Committee should also take into account compensation received by chief executive officers of other wireless telephone companies. Mr. Price's compensation currently includes base salary and annual bonuses and has in the past included (and may in the future include) stock option grants.

Mr. Price's annual base salary for 2004 was \$850,000 and his annual bonus for 2004 was \$1,090,000. The salary and bonus figures were based on the Committee's evaluation of the long-term performance of the Company's stock in comparison to the stock of other wireless telephone companies and the compensation paid to the chief executive officers of other wireless telephone companies.

Pursuant to Section 162(m) of the Internal Revenue Code compensation exceeding \$1 million paid to our executive officers may not be deducted by us unless such compensation is performance based and paid pursuant to criteria approved by our shareholders. The Committee considered the provisions of Section 162(m) in setting 2004 compensation paid to Mr. Price.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires directors, executive officers and beneficial owners of 10% or more of any class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our securities. Directors, executive officers and 10% owners are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file. MATTERS RELATING TO OUR ACCOUNTANTS

Changes in Principal Accountants

On May 5, 2003, we dismissed Deloitte & Touche LLP as our principal accountant to audit our financial statements, and effective the same date engaged BDO Seidman, LLP in place of Deloitte & Touche. Both the dismissal of Deloitte & Touche and the engagement of BDO Seidman were approved by our board of directors and Audit and Finance Committee.

Deloitte & Touche's report on our financial statements for the year ended December 31, 2002 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. Deloitte & Touche did not issue a report on our financial statements for any periods during the years ended December 31, 2003 or December 31, 2004.

Except for the disagreement with Deloitte & Touche over the accounting for certain redeemable preferred stock issued in prior years, which disagreement was previously disclosed as an exhibit to our company's Form 8-K filed May 15, 2003 and was resolved to the satisfaction of Deloitte & Touche, during the years ended December 31, 2003 and December 31, 2004 there were no disagreements with Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Deloitte & Touche's satisfaction, would have caused Deloitte & Touche to make reference to the subject matter of the disagreements in connection with Deloitte & Touche's reports on our financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. Our board of directors and Audit and Finance Committee discussed the subject matter of the disagreement with Deloitte & Touche referred to above and has authorized Deloitte & Touche to respond fully to any inquiries of BDO Seidman concerning the subject matter of the disagreement.

During the years ended December 31, 2003 and December 31, 2004, we did not consult Deloitte & Touche or BDO Seidman regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or any of the matters or reportable events set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Principal Accountants

For the fiscal years ended December 31, 2003 and December 31, 2004, our principal independent accountants during these periods (Deloitte & Touche LLP during the period ended May 5, 2003 and BDO Seidman, LLP thereafter), billed the approximate fees set forth below.

Audit Fees. Aggregate fees billed by BDO Seidman in connection with its audit of our consolidated financial statements as of and for the year ended December 31, 2003 and its limited reviews of our unaudited condensed consolidated interim financial statements were \$146,295. Aggregate fees billed by BDO Seidman in connection with its audit of our consolidated financial statements and internal controls as of and for the year ended December 31, 2004 and its limited reviews of our unaudited condensed consolidated interim financial statements were \$149,000. Additional fees will be incurred on the audit of the internal controls.

Audit-Related Fees. During the last two fiscal years, neither Deloitte & Touche nor BDO Seidman provided our company with assurance and related services that are not principally related to the audit or review of our consolidated financial statements.

Tax Fees. During the last two fiscal years, neither Deloitte & Touche nor BDO Seidman has provided our company with services in connection with tax compliance, tax advice or tax planning.

All Other Fees. Aggregate fees billed by Deloitte & Touche for fiscal year 2003 relating to the issuance of consents were \$163,100. Aggregate fees billed by Deloitte & Touche for fiscal year 2004 relating to the issuance of consents are anticipated to be \$70,000. Neither Deloitte & Touche nor BDO Seidman billed any other fees (except as provided above) to our company for fiscal years 2003 or 2004.

Pre-Approval Policies and Procedures. The Audit and Finance Committee has adopted a policy for pre-approval of the above fees. The Audit and Finance Committee shall, to the extent required by any applicable legal or regulatory requirement, pre-approve all auditing services and permitted non-audit services provided to our company by our outside auditor. To the extent permitted by applicable laws, regulations and NYSE rules, the Committee may delegate pre-approval of audit and non-audit services to one or more members of the Committee. Such member(s) must then report to the full Committee at its next scheduled meeting if such member(s) pre-approved any audit or permitted non-audit services.

All services that are described in *Audit-Related Fees* and *All Other Fees* were approved by the Audit and Finance Committee.

Attendance of Auditors at Annual Meeting

BDO Seidman LLP has been engaged as our company's independent auditors for 2005. A representative of BDO Seidman is expected to be present at the annual meeting and available to respond to appropriate questions, and will also have the opportunity to make a statement if such representative so desires.
