Dear Shareholder:

We are writing to inform you of the upcoming annual meeting of shareholders (the "**Shareholders**") of the Avenue Income Credit Strategies Fund, a Delaware statutory trust (the "**Fund**"), scheduled to be held on May 17, 2012 (the "**Annual Meeting**") to elect one Trustee to the Board of Trustees (the "**Board**") to serve for a three-year term to expire at the 2015 annual meeting of Shareholders and until his successor has been duly elected and qualified. This proposal is discussed in more detail in the Fund's proxy statement, which you should read carefully. The Board believes that this proposal is in the best interests of the Fund and its Shareholders, and unanimously recommends that you vote "**FOR**" the election of Darren Thompson as a Class I Trustee.

If you are a Shareholder of record as of the close of business on April 5, 2012, you are entitled to vote at the Annual Meeting and at any adjournment thereof. While you are, of course, welcome to join us at the Annual Meeting, we expect that most Shareholders will cast their votes by filling out and signing the proxy card. The Board has recommended the election of Mr. Thompson as a Class I Trustee and encourages you to vote "**FOR**" his election. If you have any questions regarding the issue to be voted on, please do not hesitate to call the Fund at 1-888-867-6963. Whether or not you are planning to attend the Annual Meeting, we need your vote. Please mark, sign, and date the proxy card and promptly return it, so that the maximum number of shares may be voted.

Thank you for taking the time to consider this important proposal and for your continuing investment in the Fund.

Sincerely,

AVENUE INCOME CREDIT STRATEGIES FUND

**PROXY STATEMENT**  
**April 12, 2012**

This proxy statement ("**Proxy Statement**") is being furnished by the Board of Trustees (the "**Board**") of the Avenue Income Credit Strategies Fund (the "**Fund**"), to the shareholders (the "**Shareholders**") of the Fund, in connection with the Fund's solicitation of Shareholders' proxies for use at its annual meeting (the "**Annual Meeting**") scheduled to be held on May 17, 2012, at 8:00 a.m., Eastern Time, at the offices of Davis Polk & Wardwell LLP located at 450 Lexington Ave., New York, New York 10017 for the purposes set forth below and in the accompanying Notice of Annual Meeting. This Proxy Statement and form of proxy card was mailed to registered Shareholders only on or about April 12, 2012 and is available on the internet at [www.avenuecapital.com/mutualstrategy.aspx](http://www.avenuecapital.com/mutualstrategy.aspx). At the Annual Meeting, the Shareholders will be asked to vote on:

1. The election of a Class I Trustee to the Board for a term of three years to expire at the 2015 annual meeting of Shareholders, or special meeting in lieu thereof, and until his successor has been duly elected and qualified.
2. The transaction of such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

**Record Date/ Shareholders Entitled to Vote.** The Fund is a recently organized closed-end management investment company registered under the Investment Company Act of 1940, as amended (the "**Investment Company Act**"). The record holders of outstanding common shares of beneficial interest, par value \$0.001 per common share (the "**Shares**") of the Fund are entitled to vote one vote per Share (and a fractional vote per fractional Share) on all matters presented at the Annual Meeting. Shareholders of the Fund at the close of business on April 5, 2012 will be entitled to be present and vote at the Annual Meeting. As of that date, there were 9,801,866 Shares of the Fund outstanding and entitled to vote, representing total net assets of approximately \$170,687,864.

**Voting Proxies.** Whether you expect to be personally present at the Annual Meeting or not, we encourage you to vote by proxy. You can do this by completing, dating, signing and returning the proxy card. In addition, Shareholders who received the Notice of Internet Availability of Proxy Materials (the "**Notice**") by mail, rather than the Proxy Statement, may vote over the internet using the control number found on the Notice. Properly executed proxies will be voted as you instruct by the persons named in the accompanying proxy card. In the absence of such direction, however, the persons named in the accompanying proxy card intend to vote "**FOR**" the election of Mr. Thompson and may vote in their discretion with respect to other matters not now known to the Board that may be presented at the Annual Meeting. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to the Secretary of the Fund, Ty Oyer, c/o Avenue Income Credit Strategies Fund, 399 Park Ave. 6th Floor, New York, NY 10022, or in person at the time of the Annual Meeting. If not so revoked, the Shares represented by the proxy will be voted at the Annual Meeting, and any adjournments or postponements thereof, as instructed. Attendance by a Shareholder at the Annual Meeting does not, in itself, revoke a proxy.

The Fund expects that broker-dealer firms holding Shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to cast their votes on the proposal before the Annual Meeting. The Fund understands that under the rules of the New York Stock Exchange, broker-dealers may, without instructions from such customers, clients and beneficial Shareholders, grant authority to the proxies designated by the Fund to vote on the election of a Trustee if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Certain broker-dealer firms may exercise

discretion over Shares held in their name for which no instructions are received by voting such Shares in the same proportion as they have voted Shares for which they have received instructions.

The election of a Trustee to the Board requires the affirmative vote of a plurality of the Shares entitled to vote for the election of such Trustee present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of Trustees, abstentions and broker non-votes will be counted as Shares present for quorum purposes, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the election of Mr. Thompson as a Class I Trustee (except to the extent they cause a quorum to be present). All properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon. Proxies received prior to the Annual Meeting on which no vote is indicated will be voted "FOR" the election of Mr. Thompson as a Class I Trustee.

**Quorum Required to Hold Annual Meeting.** In order to transact business at the Annual Meeting, a "quorum" must be present. Under the Fund's Amended and Restated Agreement and Declaration of Trust (the "Charter"), a quorum is constituted by the presence in person or by proxy of one-third (1/3) of the Shares entitled to vote which, for the avoidance of doubt, will include Shares held by brokers who provide votes and/or non-votes as to all matters.

Abstentions and broker non-votes (*i.e.*, proxies from brokers or nominees indicating that they have not received instructions from the beneficial owners on an item for which the brokers or nominees do not have discretionary power to vote) will be treated as present for determining whether a quorum is present with respect to a particular matter. Abstentions and broker non-votes will not, however, be treated as votes cast at the Annual Meeting. Abstentions and broker non-votes, therefore, will have no effect on proposals which require a plurality or majority of votes cast for approval (except to the extent they cause a quorum to be present), but will have the same effect as a vote "against" on proposals requiring any percentage of the outstanding voting Shares of the Fund for approval.

If a quorum of Shareholders is not present at the Annual Meeting, or if a quorum is present but sufficient votes to elect Mr. Thompson as a Class I Trustee are not received, the Shareholders present at the Annual Meeting or the persons named as proxies shall have the power, but are under no obligation, to propose an adjournment of the Annual Meeting without further notice other than announcement at the Annual Meeting until such quorum shall be present or in order to solicit additional votes. The Shareholders entitled to cast not less than a majority of all the votes entitled to be cast at such meeting on a matter shall also have the power to adjourn the Annual Meeting. Written notice of such an adjournment stating the place, date and hour thereof, and in the case of a special meeting, specifying the purpose or purposes thereof, shall be given to each Shareholder entitled to vote thereat, at least seven (7) days prior to the Annual Meeting, if the Annual Meeting is adjourned to a date more than one hundred twenty (120) days after the original record date set for the Annual Meeting. With respect to the election of Mr. Thompson as a Class I Trustee, the persons named as proxies will vote all proxies in favor of adjournment that voted in favor of the election, and vote against adjournment all proxies that voted against such election. Abstentions and broker non-votes will have the same effect at any adjourned meeting as noted above. Any business that might have been transacted at the Annual Meeting may be transacted at any such adjourned session(s) at which a quorum is present.

**Method and Cost of Proxy Solicitation.** Proxies will be solicited by the Fund primarily via the internet or in some cases by mail. In addition, the Fund has retained Georgeson Inc. to assist in the solicitation of proxies for a fee of \$1,500 plus reimbursement of expenses. The Fund will pay the costs of the proxy solicitation and the expenses incurred in connection with preparing, printing and mailing the Proxy Statement and its enclosures. Although it is not anticipated, the solicitation may also include telephone, facsimile, electronic or oral communications by certain officers or employees of the Fund, Avenue Capital Management II, L.P., the Fund's investment adviser (the "**Adviser**"), Avenue Europe International Management, L.P., the Fund's investment sub-adviser (the "**Sub-Adviser**," and together with the Adviser, the "**Avenue Managers**"), or State Street Bank and Trust Company, the Fund's administrator ("**State Street**"), who will not be paid for these services. The Fund, Avenue Managers or State Street may also request broker-dealer firms, custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of the Shares of the Fund held of record by such persons. If requested, the Fund shall reimburse such broker-dealer firms, custodians, nominees and fiduciaries for their reasonable expenses incurred in connection

with such proxy solicitation, including reasonable expenses in communicating with persons for whom they hold Shares of the Fund.

**Delivery of Proxy to Shareholders Sharing an Address.** Only one Notice or Proxy Statement is being delivered to multiple Shareholders sharing the same address. If requested, the Fund shall promptly provide a Proxy Statement to each Shareholder sharing an address. Such Shareholders requesting individual Proxy Statements may call 1-888-867-6963 or write to Georgeson Inc. at 199 Water Street, 26<sup>th</sup> Floor, New York, NY 10038 to place their request.

## PROPOSAL

### ELECTION OF TRUSTEES

**Background.** The Fund's By-Laws provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the present Trustees of the Fund (each, a "**Trustee**") in each class expire at the Annual Meeting in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class I, 2012, Class II, 2013, and Class III, 2014. At each subsequent annual election, Trustees chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund because staggered terms delay the replacement of a majority of the Board.

At the Annual Meeting, Shareholders will be asked to vote for the election of Mr. Thompson, to serve as a Class I Trustee for a term of three years to expire at the 2015 annual meeting and until his successor is duly elected and qualified.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon. Proxies received prior to the Annual Meeting on which no vote is indicated will be voted "**FOR**" each proposal as to which they are entitled to be voted.

Mr. Thompson has consented to be named in this Proxy Statement and has agreed to serve if elected. If Mr. Thompson should be unable to serve due to an event not now anticipated, the persons named as proxies will vote for such other nominee as may be proposed by the nominating committee of the Fund (the "**Nominating Committee**").

**Information Concerning the Nominee/ Trustees.** The following table sets forth information about Mr. Thompson and each currently-elected member of the Board, including his/her name, address, age, position with the Fund, term of office and length of service with the Fund, principal occupation or employment and other directorships held during the past five years. Mr. Thompson and each other independent Trustee is not considered to be an "interested person" of the Fund within the meaning of the Investment Company Act (each, an "**Independent Trustee**," and collectively, the "**Independent Trustees**"). Mr. Takian is considered to be an "interested person" of the Fund within the meaning of the Investment Company Act and of the Avenue Managers. The terms of the Class II and Class III Trustees do not expire this year.

**Qualifications of Board of Trustees.** The Trustees were selected to join the Board based upon the following as to each Trustee: his/her character and integrity; such person's business and/or financial experience; such person's

willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Trustee. No factor, by itself, was controlling.

The Board believes that each Trustee's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Trustees lead to the conclusion that the Board possesses the requisite attributes and skills. The Board also believes that the Trustees' ability to review critically, evaluate, question and discuss information provided to them; to interact effectively with the Avenue Managers, other service providers, counsel and the independent registered public accounting firm, and to exercise effective business judgment in the performance of their duties support this conclusion.

References to the experience, qualifications, attributes and skills of Trustees are pursuant to requirements of the Securities and Exchange Commission (the "SEC"), do not constitute holding out of the Board or any Trustee as having any special expertise, and shall not impose any greater responsibility or liability on any such person or on the Board as a whole.

**Board Structure and Oversight Function.** The Board is responsible for oversight of the Fund. The Fund has engaged the Avenue Managers to manage the Fund on a day-to-day basis. The Board is responsible for overseeing the Avenue Managers and the Fund's other service providers in the operations of the Fund in accordance with the Fund's investment objective and policies and otherwise in accordance with the requirements of the Investment Company Act and other applicable federal, state and securities and other laws, and the Fund's Charter and By-Laws. The Board meets in person at regularly scheduled meetings four times throughout the year. In addition, the Trustees may meet in person or by telephone at special meetings or on an informal basis at other times. The Trustees also regularly meet outside the presence of any representatives of the Avenue Managers. As described below, the Board has established two standing committees, an audit committee and a nominating committee. Each of the Board's committees are composed solely of "independent trustees," which is defined for purposes hereof as trustees who: (1) are not "interested persons" of the Fund as defined by the Investment Company Act and (2) are "independent" of the Fund as defined by the New York Stock Exchange listing standards. The responsibilities of each committee, including its oversight responsibilities, are described further below.

The Board's audit committee (the "**Audit Committee**") consists of Mr. Citron, Ms. Dien Ledoux and Mr. Thompson, the chairman. Among other things, the Audit Committee makes recommendations to the Board concerning the selection of the Fund's independent registered public accounting firm, reviews with such independent registered public accounting firm the scope and results of the Fund's annual audit and considers any comments which the independent registered public accounting firm may have regarding the Fund's financial statements, accounting records or internal controls. The Board has adopted a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities.

The Board's nominating committee (the "**Nominating Committee**") consists of Mr. Citron, Ms. Dien Ledoux, the chairwoman, and Mr. Thompson. The Nominating Committee identifies individuals qualified to serve as Trustees on the Board and on committees of the Board and advises the Board with respect to Board composition, procedures, committees and compensation. The Independent Trustees of the Fund select and nominate any other nominee for Independent Trustee for the Fund. While the Nominating Committee is solely responsible for the selection and nomination of the Board, the Nominating Committee shall review and consider nominations for the office of Trustee made by management and by Shareholders who have sent nominations (which include the biographical information and the qualifications of the proposed nominee) to the Chief Executive Officer of the Fund, as the Trustees deem appropriate.

The Board may establish additional committees as it deems necessary or convenient.

Currently, 75% of the Board, including the Chairman of the Board, are Independent Trustees. Mr. Citron serves as Chairman of the Board. The Chairman serves as a key point person for interaction between management and the Independent Trustees. The Board has determined that its leadership structure is appropriate. The Board also believes that its leadership structure facilitates the orderly and efficient flow of information between the Independent Trustees

and management. The Independent Trustees have also engaged independent legal counsel, and may from time to time engage consultants and other advisors, to assist them in performing their oversight responsibilities.

**Risk Oversight.** As an integral part of its responsibility for oversight of the Fund in the interests of Shareholders, the Board oversees risk management of the Fund's investment program and business affairs. The Board views risk management as an important responsibility of management. Service providers to the Fund, primarily the Avenue Managers, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management. As an integral part of its responsibility for oversight of the Fund, the Board oversees risk management of the Fund's investment program and business affairs. Oversight of the risk management process is part of the Board's general oversight of the Fund and its service providers.

The Board exercises oversight of the risk management processes through oversight by the full Board. The Fund faces a number of risks, such as investment risk, counterparty risk, valuation risk, reputational risk, risk of operational failure or lack of business continuity and legal, compliance, conflicts of interest and regulatory risk. Risk management seeks to identify and address risks, *i.e.*, events or circumstances that could have material adverse effects on the business, operations, Shareholder services, investment performance or reputation of the Fund. Under the overall supervision of the Board, the Avenue Managers and other service providers to the Fund employ a variety of processes, procedures and controls to seek to identify various of those possible events or circumstances, to seek to lessen the probability of their occurrence and/or to seek to mitigate the effects of such events or circumstances if they do occur. Different processes, procedures and controls are employed with respect to different types of risks. Various personnel, including the Fund's chief compliance officer, as well as various personnel of the Avenue Managers and other service providers such as the Fund's independent accountant, make reports to the Board with respect to various aspects of risk management, as well as events and circumstances that have arisen and responses thereto.

The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Trustees as to risk management matters are typically summaries of the relevant information. Furthermore, it is in the very nature of certain risks that they can be evaluated only as probabilities, and not as certainties. As a result of the foregoing and other factors, the Board's risk management oversight is subject to substantial limitations, and no risk management program can predict the likelihood or seriousness of, or mitigate the effects of, all potential risks.

**Communication to the Trustees.** Shareholders may contact the Trustees directly by writing to them at the principal executive offices of the Fund. Such correspondence should be sent to the Trustees, c/o Avenue Capital Management II, L.P., 399 Park Avenue, 6<sup>th</sup> Floor, New York, New York 10022.

**Board and Committee Meetings.** The Board held seven meetings during the fiscal year ended October 31, 2011, including its organization meeting, three quarterly meetings and three special meetings. The Audit Committee held three meetings and the Nominating Committee did not meet during the fiscal year ended October 31, 2011. Each Committee consists of all three of the Independent Trustees. Where deemed appropriate, the Board may constitute ad hoc committees. For the fiscal year ended October 31, 2011, each incumbent Trustee attended at least 75% of the meetings of the Board and of the Committees (of which he/she was a member) held during the period for which he was a Trustee.

**Compensation of Trustees.** Under the federal securities laws, the Fund is required to provide to its Shareholders, in connection with the Annual Meeting, information regarding compensation paid to the Trustees by the Fund as well as by the various other U.S. registered investment companies advised by the Avenue Managers during the Fund's prior fiscal year.

**Independent Registered Public Accounting Firm.** Upon the recommendation of the Audit Committee, the Board, including a majority of Independent Trustees, selected Pricewaterhouse Coopers LLP ("**PwC**"), 300 Madison Ave., New York, New York, 10017, as independent public accountant for the Fund for the year ending October 31, 2011. Representatives of PwC are not expected to attend the Annual Meeting but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

The Fund has engaged PwC to perform audit services, audit-related services, tax services and other services for the current fiscal year. "Audit services" refer to performing an audit of the Fund's annual financial statements or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years. "Audit-related services" refer to the assurance and related services provided to the Fund by the principal accountant that are reasonably related to the performance of the audit. "Tax services" refer to professional services provided to the Fund by the principal accountant for tax compliance, tax advice, and tax planning. The following table details the aggregate fees billed for the fiscal year ended October 31, 2011 for audit fees, audit-related fees, tax fees and other fees by PwC:

	<b>Aggregate total for fiscal year ended 10/31/11</b>
Audit Fees	\$ 139,000 <sup>1</sup>
Audit-Related Fees	\$ 0 <sup>2</sup>
Tax Fees	\$ 9,500
All Other Fees	\$ 0 <sup>3</sup>

The Fund's Audit Committee has adopted, and the Fund's Board has approved, an Audit and Non-Audit Services Preapproval Policy (the "Policy"), which is intended to comply with Regulation S-X Rule 2-01, and sets forth guidelines and procedures to be followed by the Fund when retaining PwC to perform audit-related services, tax services and other non-audit services. The Policy permits such services to be pre-approved in one of two ways: (1) pursuant to a general pre-approval ("General Pre-Approval"), or (2) pursuant to specific pre-approval ("Specific Pre-Approval"). Unless a type of service provided by PwC and the maximum estimated fees therefor has received General Pre-Approval, it will require Specific Pre-Approval by the Audit Committee. Under the Policy, the Chairman of the Fund's Audit Committee is authorized to provide specific pre-approval for any audit service or permissible covered service to be provided by PwC, and to approve changes to the scope of pre-approved engagements and to the maximum estimated fees, up to a limit of \$20,000 per event. Any maximum estimated fee above such dollar limit must be approved by a majority of the Fund's Audit Committee. The audit-related services, tax services and other non-audit services subject to General Pre-Approval are each subject to a per quarter limitation of \$15,000.

Edgar Filing: Avenue Income Credit Strategies Fund - Form DEF 14A

<sup>1</sup> *Includes \$34,000 from seed balance sheet audit for initial public offering and \$20,000 additional fees incurred with the regular annual audit paid by the Adviser.*

<sup>2</sup> *For the fiscal year ended October 31, 2011, PwC did not bill the Fund any fees for assurance and related services related to the performance of the audit or review of the Fund's financial statement and therefore are not reported under Audit fees.*

<sup>3</sup> *For the fiscal year ended October 31, 2011, PwC did not bill the Fund for fees other than as reported above.*

All of the audit, audit-related and tax services described above for which PwC billed the Fund fees for the fiscal year ended October 31, 2011 were pre-approved by the Audit Committee pursuant to the Policy.

For the fiscal year ended October 31, 2011, PwC billed aggregate non-audit fees of \$3,040,978 to Avenue Capital Management II, L.P. (the "Adviser") and Avenue Europe International Management, L.P. (the "Sub-Adviser," and together with the Adviser, "Avenue Managers") and to other entities controlling, controlled by or under common control with the Avenue Managers. The Audit Committee has considered whether the provision of non-audit services that relate directly to the operations and financial reporting of the Fund and were rendered to the Adviser or any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund that were not pre-approved is compatible with maintaining PwC's independence, and has concluded that the provision of such non-audit services by PwC has not compromised its independence.

**Audit Committee Report.** The Audit Committee has met and held discussions with PwC, the Fund's independent registered public accountant. The independent registered public accountant represented to the Audit Committee that the Fund's financial statements were prepared in accordance with U.S. generally accepted accounting principles. The Audit Committee (i) reviewed and discussed with management the Fund's audited financial statements for the most recently completed fiscal year; (ii) discussed with the Fund's independent registered public accountant the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and (iii) obtained from PwC written disclosures and a letter consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," regarding PwC's communications with the Audit Committee concerning independence and describing all relationships between PwC and the Fund that might bear on PwC's independence and discussed with PwC any relationships that may impact PwC's objectivity and independence and satisfied itself as to PwC's independence.

Based upon the Audit Committee's discussions with PwC and the Audit Committee's review of the representations of PwC and the report of PwC to the Audit Committee, the Audit Committee recommended to the Board that the audited financial statements be included in the Fund's annual report for the fiscal year ended October 31, 2011 filed with the SEC.

The members of the Audit Committee are Mr. Citron, Mr. Thompson and Ms. Dien Ledoux.
