**Announcement** | Lisbon | 21 June 2013

**Portugal Telecom announces the conclusion of the sale of its minority stake in CTM**

Portugal Telecom, SGPS, S.A. (PT) announces the conclusion of the sale of its minority stake in Companhia de Telecomunicações de Macau, S.A.R.L. (CTM) representing 28% of CTM's share capital, to CITIC Telecom International Holdings Limited (CITIC Telecom). At completion, PT received total proceeds of USD 443.0 million including the consideration of USD 411.6 million, as announced on 13 January 2013, plus an additional USD 31.4 million representing the proportionate share of the net cash in CTM attributable to PT and certain working capital adjustments. At current exchange rate this represents a cash-inflow of approximately Euro 330 million that will be used to increase PT's financial flexibility and reduce leverage, while at the same time focusing further PT's efforts in its core businesses and regions.

CITIC Telecom and PT also entered into a strategic alliance agreement for capitalising on their respective expertises in certain areas of collaboration in the telecom sector and in the identification of ICT investment opportunities in order to create value for their respective shareholders. Pursuant to this strategic alliance agreement, CITIC Telecom will select PT as the CITIC Telecom Group's strategic ICT service provider.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
