Item 5. Other Events

On August 12, 2003, AtheroGenics, Inc. issued the following press release:

AtheroGenics Announces Proposed Convertible Debt Offering

ATLANTA, Ga. - August 12, 2003 - AtheroGenics, Inc. (Nasdaq: AGIX) today announced that it proposes to offer a new issue of \$75 million of Convertible Notes due 2008 through a Rule 144A offering to qualified institutional buyers. These Notes will be convertible into AtheroGenics, Inc. common stock at a price to be determined.

The Notes and common stock issuable upon conversion of the Notes have not been registered under the Securities Act of 1933, as amended, or applicable state securities laws, and unless so registered, may not be offered or sold in the United States, except pursuant to an applicable exemption from the registration requirements of the Securities Act of 1933, as amended, and applicable state securities laws.

## Edgar Filing: ATHEROGENICS INC - Form 8-K

This press release shall not constitute an offer to sell or the solicitation of an offer to buy the Notes. This press release is being issued pursuant to and in accordance with Rule 135c under the Securities Act of 1933, as amended.

This press release may contain forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such statements are subject to certain factors, risks and uncertainties that may cause actual results, events and performances to differ materially from those referred to in such statements. These risks include statements which address operating performance, events or developments that we expect or anticipate will occur in the future, such as projections about our future results of operations or our financial condition, research, development and commercialization of our product candidates, anticipated trends in our business, and other risks that could cause actual results to differ materially. These risks are discussed in AtheroGenics' Securities and Exchange Commission filings, including but not limited to the risks discussed in AtheroGenics' Form 10-K for fiscal 2002 and our Quarterly Report on Form 10-Q for the first quarter of 2003. These documents may be examined at public reference facilities maintained by the SEC or accessed through the SEC's web site <http://www.sec.gov>.
