Item 1.01 Material Definitive Agreements.

AtheroGenics, Inc. (the "Company") entered into individual Employment Agreements, effective December 22, 2004, with each of Mark P. Colonnese, our Senior Vice President of Finance and Administration, Chief Financial Officer and Secretary, Martin A. Wasserman, Ph.D., our Senior Vice President of Discovery Research and Chief Scientific Officer, Robert A. D. Scott, M.D., our Senior Vice President of Clinical Development and Regulatory Affairs and Chief Medical Officer, and W. Charles Montgomery, Ph.D., our Vice President of Business Development (each an "Executive").

Each agreement is effective for an initial term of one (1) year, with automatic extensions for successive one-year terms. Each agreement provides for an annual base salary as follows: Mr. Colonnese: \$272,903.53; Dr. Wasserman: \$273,000.00; Dr. Scott: \$275,712.59; Dr. Montgomery: \$250,000.00. The annual salaries may be increased from time to time at the Company's discretion. In addition, each Executive is entitled to cash incentive compensation awards each year, subject to achievement of company and personal performance goals. For 2004, the target incentive compensation is 28% of base salary for Mr. Colonnese and Drs. Scott and Wasserman, and 25% for Dr. Montgomery. The Executives are also entitled to receive stock awards and options as determined by the Company's Board of Directors, and to receive employee benefits and perquisites as provided to all the Company's executive management personnel.

Upon termination of the Executive's employment by the Company other than due to death, disability, mandatory retirement or cause (as defined in the agreement), each agreement provides for severance benefits to be paid to the Executive including: (i) one year's base salary, (ii) up to 100% of the target annual incentive, and (iii) up to 12 months' acceleration of stock option vesting. The amount of each item listed above is based on the affected Executive's level and term of employment. The Executive must sign a general release of claims in favor of the Company in order to receive the salary and annual incentive severance payment.

Upon a change of control (as defined in the agreement), each agreement provides that up to 18 months of vesting for unvested stock options will be accelerated. If within 24 months of a change of control of the Company there is a termination of employment that would entitle the Executive to severance as described above, this entitles the Executive to the following benefits (in lieu of the above) (i) a salary severance payment of up to two times annual base salary, (ii) up to 100% of target annual incentive for the year of termination, (iii) immediate vesting for all unvested stock options, and (iv) an additional excise tax gross-up payment, if applicable, for Mr. Colonnese and Drs. Scott and Wasserman.

Under the agreements, the Executives agree not to compete with the Company, to provide a one-year non-solicitation obligation, and to maintain the confidentiality of company information.
