PART III NARRATIVE

State below in reasonable detail why the Form 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

Concord Camera Corp. (the "Company") is currently in the process of completing its financial statements and its assessment of internal control over financial reporting as of the fiscal year ended July 2, 2005 ("Fiscal Year 2005"), as required by Section 404 of the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley Act"). BDO Seidman, LLP ("BDO") is currently in the process of completing its first integrated audit of the Company, having been engaged by the Audit Committee of the Company's Board of Directors as the Company's independent registered public accounting firm on June 16, 2005. The integrated audit is comprised of the audit of the Company's consolidated financial statements for Fiscal Year 2005 and the audit of the Company's assessment of internal control over financial reporting in accordance with the Sarbanes-Oxley Act and the rules of the Public Company Accounting Oversight Board.

Due to the nature of the integrated audit and the complexity of the new requirements under the Sarbanes-Oxley Act, the Company requires additional time to complete its financial statements and its assessment of internal control over financial reporting and BDO requires additional time to complete its audit and its assessment of internal control over financial reporting. The Company has dedicated significant resources to the completion of the audit and the assessment of the effectiveness of the Company's internal control over financial reporting. As a result of these delays, the Company is unable to complete and file its Fiscal Year 2005 Annual Report on Form 10-K (the "Form 10-K") by the prescribed filing date without unreasonable effort or expense. The Form 10-K, which was due to be filed on September 15, 2005, is expected to be filed on or before September 30, 2005.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

[X] Yes [] No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

[X] Yes [] No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

It is anticipated that net sales for the fiscal year ended July 2, 2005 ("Fiscal Year 2005") will be significantly lower than net sales for the fiscal year ended July 3, 2004 ("Fiscal Year 2004") and that the net loss for Fiscal Year 2005 will be significantly higher than the net loss for Fiscal Year 2004, principally as a result of several of the factors impacting operating results for the nine months ended April 2, 2005 described in the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended April 2, 2005. As a consequence of the delays referred to above, the Company is not yet able to provide a reasonable estimate of its Fiscal Year 2005 operating results.

These forward-looking statements speak only as of the date hereof and are subject to risks and uncertainties that may cause actual results to differ materially. The registrant disclaims any intent or obligation to update or revise any forward looking statements.
