Item 11. Executive Compensation.

EXECUTIVE COMPENSATION

The following discussion covers the compensation arrangements of our current principal executive officer, our current principal financial officer and our current three other executive officers (the “Named Executive Officers”) and our directors and includes a general discussion and analysis of our compensation program for our executive officers as well as a series of tables containing specific compensation information for our Named Executive Officers and directors as well as certain former executive officers. This discussion contains forward looking statements that are based upon our current executive compensation program, policies and methodologies. We may make changes in this program and these policies and methodologies in the future, and if made, we could have materially different compensation arrangements in the future

Compensation Discussion and Analysis

This Compensation Discussion and Analysis is intended to provide information about our compensation objectives, policies and practices for our Named Executive Officers. The Compensation Committee of our Board of Directors oversees and approves all compensation decisions relating to our Named Executive Officers.

While our compensation program includes short-term elements, such as annual base salary, and generally annual incentive cash bonuses, a significant aspect of our compensation program includes longer term elements such as equity-based incentive awards through grants of stock options or other stock-based awards. We believe that our compensation program provides an overall level of compensation that is competitive to that offered in our industry and with executives in other companies of similar size within the healthcare industry.

The Compensation Committee intends to continue its strategy of compensating executives through programs that are linked to our achievement of our business goals and objectives, including certain financial goals, such as revenue and pre-tax profitability, and individual executives are further rewarded for exceeding those goals. The Compensation Committee believes that the total compensation of executive officers should reflect their leadership abilities, initiative, the scope of their responsibilities and our success and the past and expected future contribution of each executive to that success. The Committee seeks to foster a performance-oriented environment by tying certain compensation components to the achievement of performance targets that are important to us and to our efforts to increase stockholder value. We believe that our compensation program contributes to our employees’ and Named Executive Officers’ incentive to execute on our goals.

Objectives of our Executive Compensation Program

The Compensation Committee strives to ensure that our executive compensation programs will enable us to attract and retain superior executive talent and motivate our executives to execute our business strategy and to assist us in achieving our short-term and long-term growth and earnings goals. The primary objectives of our executive compensation program are to:

- attract, retain and fairly compensate highly talented and experienced executives in the healthcare industry for us to achieve and expand our business goals and objectives;
- ensure executive compensation is aligned with specific performance objectives;
- promote the achievement of strategic and financial performance measures by tying cash and equity incentives to the achievement of measurable corporate and individual performance goals; and
- align executives' incentives with the creation of stockholder value.

The Compensation Committee and the Board of Directors evaluate the performance of our president/chief executive officer and rely on input from our president/chief executive officer as it relates to other senior management executives. Our goal is to compensate at levels we believe are competitive with executives in other companies of similar size within the healthcare industry.

Although the Compensation Committee did not retain a compensation consultant for 2006 it did utilize the services of Diversified Search, Inc., ("Diversified") an executive search firm for the recruitment of our president and chief executive officer and our executive vice president and chief financial officer and senior vice president of research and development. In connection with these recruitment efforts, Diversified provided the Compensation Committee with compensation comparables for all of our executive positions. In January 2007 the Compensation Committee retained the consulting firm Pearl Meyer and Partners ("Pearl Meyer") as its independent compensation consultant to review our executive compensation programs and to advise it on matters relating to chief executive officer and other executive officer compensation.

Forms of Compensation Paid to Executive Officers During 2006

During the fiscal year ending December 31, 2006 we hired an entire new executive management team and we provided these executive officers with the following forms of compensation:

.	Base Salary
.	Auto Allowance
.	Signing Bonus
.	Annual Incentive Bonus Compensation
.	Equity Incentives
.	Severance and Change of Control Benefits; and
.	Retirement and other Employee Benefits.

Base Salary

Base salary represents amounts paid during the fiscal year to Named Executive Officers as direct guaranteed compensation under their employment agreements for their services to us. Base salaries are an important element of compensation and are used to provide a fixed amount of compensation for the executive's regular work. The base salaries of executive officers are reviewed on an annual basis, as well as at the time of a promotion or other change in responsibilities. Increases in salary are based on an evaluation of the individual's performance and level of pay compared to comparable companies pay levels for similar positions.

The effective date of merit increases typically is June 1st of each year. Increases in base salaries are based upon individual performance. Base salary increases can also occur upon promotion.

The base salary of each of our Named Executive Officers is fixed pursuant to the terms of their respective employment agreements with us and, when a contract is up for, or otherwise considered for, renewal, may be increased upon a review of the executive's abilities, experience and performance, as well as a review of salaries for executives for comparable positions at corporations which either compete with us in its business or of comparable size and scope of operations. The recommendations to the Board of Directors by the Compensation Committee with respect to base salary are based primarily on informal judgments reasonably believed to be in our best interests. Base salaries are used to reward individual performance of each Named Executive Officer on a day-to-day basis during the year, and to encourage them to perform at their highest levels. We also use our base salary as an incentive to attract top quality executives and other management employees from other companies. Moreover, base salary (and increases to base salary) are intended to recognize the overall experience, position within our company and expected contributions of each Named Executive Officer to us and our goals.

Employment Contracts

Between May 2006 and October 2006 we hired and entered into employment contracts with our five current Named Executive Officers. We did not have employment agreements with any other executive officer during 2006. In determining base salary the Compensation Committee, utilizing information obtained from Diversified and elsewhere, utilized a number of criteria, including executives' qualifications, experience, responsibility and comparison to other companies of similar size in the healthcare industry. The material provisions of these contracts are discussed in the narrative following the Summary Compensation Table.

Auto Allowance

During 2006 and as part of their employment agreements, we agreed to pay to our Named Executive Officers an executive automobile allowance in the amount of \$1,500 per month for Mr. Ferry and \$1,000 per month for each of Ms. Deptula-Hicks, Mr. Barnes, Ms. Stevens and Mr. Go. The executives are responsible for paying all the expenses of maintaining, insuring and operating their automobiles. The purpose of providing the allowance is to defray the Named Executive Officer's cost of owning and operating an automobile often used for business purposes; while preventing us from having to own and maintain a fleet of automobiles and is a taxable benefit for the Named Executive Officer.

Signing Bonus

During 2006, to help attract a talented and experienced management team we offered signing bonuses to our Named Executive Officers. We agreed to pay to signing bonus in the amount of \$35,000 to Mr. Ferry, and \$20,000 to each of Ms. Deptula-Hicks, Mr. Barnes, Ms. Stevens and Mr. Go. All signing bonuses were paid after commencement of their employment.

Annual Incentive Bonus Compensation

We have an Executive Incentive Bonus Plan for our Named Executive Officers. Our Named Executive Officers each have a contractual right specified in their respective employment agreements to receive an annual cash bonus, based upon goals and objectives mutually agreed by the Board of Directors and the executive, with a minimum contractual bonus for 2006. The purpose of such cash bonuses is to provide a direct financial incentive to the Named Executive Officers to achieve the goals and objectives of our company. In 2006, the following measures were taken into consideration by the Compensation Committee in evaluating the payment of cash bonuses:

1. The strong performance of our company in the third and fourth quarters of 2006 as a direct result of the new management team;
2. Positive changes in revenue and operating income compared to prior first and second quarters of 2006;
3. Individual performance; and
4. Stock performance.

In January 2007 the Compensation Committee engaged Pearl Meyer, to provide a competitive assessment of our executive compensation program. They assessed the competitiveness of our executive compensation program utilizing a peer group of nine companies, including AFP Imaging Corporation, Amicas, Inc., Bio Imaging Technologies, Inc., Clariant, Inc., CSP, Inc., Emageon, Inc., Hologic, Inc., Tripath Imaging, Inc., and Vital Images, Inc., supplemented by three published surveys. As a result of the Pearl Meyer compensation assessment and our financial results for 2006, the Board of Directors, upon recommendation of the Compensation Committee, approved 2006 bonus payments in the amounts of \$175,000 for Mr. Ferry, \$35,000 for Ms. Deptula-Hicks, \$90,000 for Mr. Barnes, \$70,000 for Ms. Stevens and \$15,000 for Mr. Go. These bonuses were in lieu of any bonuses for 2006 that the Named Executive Officer's would otherwise have been entitled to under their respective employment agreements. In addition, the amount of the incentive bonus that Ms. Stevens is eligible to receive under her employment agreement during the year ending December 31, 2007 was increased to an amount equal to 40% of her annual base salary.

Equity Incentives

The Named Executive Officers' and our other employees are eligible to receive equity incentive awards under our equity incentive plans. On occasion, we grant options outside of a formal stockholder approved plan to new employees, including new executive officers, as an inducement to their employment with us. The primary goal of the use of these incentives is to create long-term value for stockholders by providing the Named Executive Officers with an additional incentive to work towards maximizing stockholder value. The Compensation Committee views equity incentive awards as one of the more important components of our long-term, performance-based compensation philosophy. The grant of equity incentive awards to executive officers encourages equity ownership in iCAD and closely aligns the Named Executive Officers' interests to the interests of all the stockholders.

Equity awards may take the form of stock options, restricted stock, unrestricted stock, stock units including restricted stock units, performance awards and other stock-based awards. The mix of cash and equity-based awards, as well as the types of equity-based awards, granted to our Named Executive Officers may vary in the future from year to year. Consideration may be given to various factors, such as the relative merits of cash and equity as a device for retaining and motivating the Named Executive Officers, the practices of other companies, individual performance, an individual's pay relative to others, contractual commitments pursuant to employment or other agreements, and the value of already-outstanding grants of equity in determining the size and type of future equity-based awards that may be granted in the future to each Named Executive Officer.

These awards are generally provided through initial grants at or near the date of hire and through subsequent periodic grants. Equity incentive awards granted to the Named Executive Officers' and other employees in the form of stock options have exercise prices not less than the fair market value of the stock on the date of the grant or award. Equity incentive awards vest and become exercisable at such time as determined by the Compensation Committee or Board of Directors. The initial grant is designed for the level of the job that the executive holds and is designed to motivate the executive to make the kind of decisions and implement strategies and programs that will contribute to an increase in our stock price over time. Periodic additional equity incentive awards within the comparable range for the job are expected to be granted to reflect the executives' ongoing contributions to us, to create an incentive to remain in our employ and to provide a long-term incentive to achieve or exceed the our financial goals.

Severance and Change of Control Benefits

We have entered into employment agreements with each of the Named Executive Officers. Each of these agreements provides for certain payments and other benefits if the executive's employment terminates under certain circumstances, including, in the event of a "change in control". See "Executive Compensation - Narrative Disclosure to Summary Compensation Table - Employment Contracts for our Named Executive Officers" and "Severance and Change of Control Benefits" appearing after the Outstanding Equity Awards At Fiscal Year-end table for a description of the severance and change in control benefits.

Retirement and Other Employee Benefits

We provide various employee benefit programs to all employees, including medical, dental, life insurance, short and long term disability and a 401k plan to which in early 2007 we added an employer matching contribution. Executives are eligible to participate in all our employee benefit programs, in each case on the same basis as other employees. In addition, we paid a \$2,140 life insurance premium on behalf of Mr. Ferry during 2006.

Executive Compensation Tables

The following table provides information on the compensation provided during 2006 to (i) those persons who served in the capacity as our Chief Executive Officer, (ii) those persons who served in the capacity as our Chief Financial Officer, and (iii) the three highest paid executive officers other than persons who served in the capacities as our Chief Executive Officer or Chief Financial Officer, who served in such capacity during 2006 and at the end of 2006 whose total compensation exceeded \$100,000 (collectively "the Named Persons").

Narrative Disclosure to Summary Compensation Table

Employment Contracts for our Named Executive Officers

During 2006 we negotiated and entered into the following employment agreements with our Named Executive Officers and their compensation is determined based upon these employment agreements. A description of provisions of these agreements providing for certain post-termination payments upon termination of their employment are described following the "Outstanding Equity Awards At Fiscal Year-End table under the caption "Severance and Change of Control Benefits- *Termination for Cause, without Cause, or due to a Change in Control*".

Mr. Kenneth Ferry, our President and Chief Executive Officer. We entered into an employment agreement with Mr. Ferry in April 2006 that provides for his employment as our Chief Executive Officer and President for a term commencing in May 2006 and expiring on December 31, 2008, subject to automatic one-year renewals after the expiration of the initial term under certain conditions at an annual base salary of \$300,000. The agreement also provided for Mr. Ferry to receive a signing bonus of \$35,000 and for his eligibility to receive during each employment year during the term of his agreement an annual incentive bonus in each calendar year of up to \$100,000 (except for the 2006 fiscal year where the incentive bonus would not be less than \$50,000) if we achieve goals and objectives mutually agreed upon by our Board and Mr. Ferry. Mr. Ferry is also entitled to customary benefits, including participation in employee benefit plans, and reasonable travel and entertainment expenses as well as a monthly automobile allowance.

The base salary agreed to for Mr. Ferry was \$300,000, effective his date of hire of May 8, 2006. While no compensation consultant was utilized in establishing Mr. Ferry's base salary and incentive pay, based on input from Diversified and his past professional experience and credentials we believed that the compensation package provided to Mr. Ferry was comparable to that of chief executive officers for companies of similar size in the healthcare sector.

Ms. Darlene Deptula-Hicks, our Executive Vice President of Finance and Chief Financial Officer. We entered into an employment agreement with Ms. Deptula-Hicks in September 2006 that provides for her employment as our Executive Vice President of Finance and Chief Financial Officer for a term commencing on September 11, 2006 and expiring on December 31, 2008 subject to automatic one year renewals at the end of the initial term, subject to certain conditions, at an annual base salary of \$205,000. The base salary agreed to for Ms. Deptula-Hicks was \$205,000, effective her date of hire of September 11, 2006. Mr. Barnes is also entitled to customary benefits, including participation in employee benefit plans and reasonable travel and entertainment expenses as well as a monthly automobile allowance.

The base salary agreed to for Mr. Barnes was \$185,000, effective his date of hire of May 15, 2006. According to the terms of their employment agreements these Named Executive Officers are eligible to receive, for each employment year, during the term of their employment agreement the following annual incentive bonus each calendar year (i) up to \$100,000 for Mr. Ferry (which represents 33% of his base salary at December 31, 2006), (ii) up to \$82,000 for Ms. Deptula-Hicks (which represents 40% of her base salary at December 31, 2006), (iii) up to \$74,000 for Mr. Barnes (which represents 40% of his base salary at December 31, 2006), and (iv) up to \$74,000 for Mr. Go (which represents 40% of his base salary at December 31, 2006). As set forth in note (1) to the Summary compensation Table, in January 2007 the Named Executive Officers were awarded bonuses for 2006 in lieu of any contractual bonus they otherwise were entitled to receive under the terms of their respective employments agreements. Additional terms of these employment contracts are discussed in the narrative following the Summary Compensation Table, on page 12.

A description of the vesting provision of these options is set forth in footnote (1) to the Outstanding Equity Awards at Fiscal Year-End table on page 16.

SEVERANCE AND CHANGE OF CONTROL BENEFITS

As noted in the Compensation Discussion and Analysis under the subheading "Employment Contracts for our Named Executive Officers" in 2006 we entered into substantially similar employment agreements with each of our Named Executive Officers. These agreements provide for certain payments and other benefits if a Named Executive Officer's employment with us is terminated under circumstances specified in his or her respective agreement, including a "change in control" of iCAD. A Named Executive Officer's rights upon the termination of his or her employment will

depend upon the circumstances of the termination.

Under the employment agreements, a Change in Control would include any of the following events:

- any “person” as defined in Sections 13(d) and 14(d) of the Exchange Act (other than (i) the executive, iCAD or its subsidiaries or affiliates or, (ii) any fiduciary holding securities under an employee benefit plan of iCAD or its subsidiaries) becomes the “beneficial owner” of 50% or more of our voting outstanding securities;
- our stockholders approve the sale of iCAD through a merger or a sale of our assets or otherwise; or
- a majority of our directors are replaced in certain circumstances during any period of twelve (12) consecutive months (but only with respect to Mr. Ferry’s agreement).

Termination by Reason of Death or Disability

The executive’s employment under the employment agreements may be terminated without breach in the event of death or disability. In the event of the termination of the executive’s employment by reason of death or disability, we will pay the executive’s base salary through the date of termination, at the rate then in effect, and all expenses and accrued benefits arising prior to termination which are payable to the executive pursuant to his or her employment agreement through the date of termination.

Termination for Cause, without Cause, or due to a Change in Control

If a Named Executive Officer’s employment is terminated for “cause”, we will pay the executive his or her base salary through the date of termination at the rate then in effect, and all expenses and accrued benefits arising prior to such termination which are payable to the executive pursuant to his or her employment agreement through the date of termination.

If a Named Executive Officer’s employment is terminated “without cause” prior to the expiration of his or her employment agreement, we will pay to the executive all expenses and accrued benefits arising prior to the date of termination and we will continue to pay the executives base salary as then in effect for the greater of (i) the remainder of the term of the employment agreement or (ii) a period of one year from the date of termination. No later than 15 calendar days from the date that we file our Form 10-K, we are also required to pay a pro rata portion of the incentive bonus, if any, earned for that employment year through the date of termination in the discretion of the Board of Directors. Additionally, the executive will be entitled to continue to participate in all employee benefit plans that we provide generally to our senior executives.

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements to which the Named Executive Officers would be entitled if they were terminated without cause on December 31, 2006, but not in connection with a “change in control” of iCAD.

Name	Estimated Net Present Value of Remaining Salary Payments (\$)	Estimated Net Present Value of Prorata Bonus (\$)	Estimated Net Present Value of Continuing Health Benefits (\$)	Total Termination Benefits (\$)
Kenneth Ferry	564,933	172,348	8,453	745,734
Darlene Deptula-Hicks	386,038	34,470	26,463	446,970
Jeffrey Barnes	348,375	88,636	26,463	463,475
Stacey Stevens	301,298	68,939	-	370,237
Jonathan Go	348,375	14,773	26,463	389,611

In the event a named executive officers employment is terminated within six months (for Mr. Ferry, Ms. Deptula-Hicks and Mr. Go) or three months (for Mr. Barnes and Ms. Stevens) following a change in control by us without cause (for all Named Executive Officers) or by the executive for good reason (for Mr. Ferry, Ms. Deptula-Hicks and Mr. Go), then we shall pay to the executive as severance pay and as liquidated damages an amount equal to (i) (a) his or her base salary as then in effect for the greater of (x) the remainder of the original term of the employment agreement or (y) for Mr. Ferry a period of two years from the date of termination and for all other executives a period of one year from the date of termination plus (b) an amount equal to the incentive bonus which would otherwise been payable for the employment year in which the date of termination occurs in monthly installments commencing 30 days following the date of termination or (ii) a lump sum cash payment equal to the present value of the payment otherwise due under clause (i); provided that if such severance payment, either alone or together with other payments or benefits, either cash or non-cash, that the Named Executive Officer has the right to receive from us, including, but not limited to, accelerated vesting or payment of any deferred compensation, options, stock appreciation rights or any benefits payable to the executive under any plan for the benefit of employees, which would constitute an “excess parachute payment” (as defined in Section 280G of the Internal Revenue Code of 1986), then such severance payment or other benefit shall be reduced to the largest amount that will not result in receipt by the executive of a parachute payment.

If within six months (for Mr. Ferry, Ms. Deptula-Hicks and Mr. Go) or three months (for Mr. Barnes and Ms. Stevens) after the occurrence of a change in control, we terminate the executive's employment without cause (for all Named Executive Officers) or the executive terminates his or her employment for good reason (for Mr. Ferry, Ms. Deptula-Hicks and Mr. Go), then notwithstanding the vesting and exercisability schedule in any stock option agreement between us and the executive, all unvested stock options shall immediately vest and become exercisable and shall remain exercisable for not less than 180 days.

The receipt of the payments and benefits to the Named Executive Officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference and non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described in their employment will entitle us to injunctive relief restraining the commission or continuance of any such breach, in addition to any other available remedies.

The following table provides the term of such covenants following the termination of employment as it relates to each Named Executive Officer:

Covenant	Kenneth Ferry	Darlene Deptula-Hicks	Jeffrey Barnes	Stacey Stevens	Jonathan Go
Confidentiality	Infinite duration for trade secrets and five years otherwise	Infinite duration for trade secrets and five years otherwise	Infinite duration for trade secrets and five years otherwise	Infinite duration for trade secrets and five years otherwise	Infinite duration for trade secrets and five years otherwise
Non-solicitation	Two Years	Two Years	Two Years	Two Years	Two Years
Non-competition	Two Years	Two Years	Two Years	Two Years	Two Years
Non-interference	Two Years	Two Years	Two Years	Two Years	Two Years
Non-disparagement	Infinite duration	Infinite duration	Infinite duration	Infinite duration	Infinite duration

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the Named Executive Officers would be entitled upon termination of employment if we terminated their employment without cause within three or six months following a “change in control” of iCAD that (by assumption) occurred on December 31, 2006.

Name	Present Value of Salary & Bonus Payment (\$)	Value of Accelerated Vesting of Equity Awards (1) (\$)	Total Termination Benefits (\$)
Kenneth Ferry	729,705	217,082	946,787
Darlene Deptula-Hicks	418,992	93,777	512,769
Jeffrey Barnes	433,115	61,054	494,169
Stacey Stevens	367,206	42,503	409,709
Jonathan Go	362,499	65,074	427,573

(1) This amount represents the unrealized value of the unvested portion of the respective Named Executive Officer’s stock options based upon a closing price of \$2.95 of our common stock on December 29, 2006 and calculated in accordance with Section 280G of the Internal Revenue Code and the regulations promulgated thereunder.

Retirement and Other Employee Benefits

We provide various employee benefit programs to all employees, including medical, dental, life insurance, short and long term disability and a 401k plan which in early 2007 we added an employer matching contribution. Executives are eligible to participate in all our employee benefit programs, in each case on the same basis as other employees. In addition, we paid a \$2,140 life insurance premium on behalf of Mr. Ferry.

Separation Agreements with Former Officer

On April 19, 2006 we entered into a separation agreement and release with W. Scott Parr, our then Chief Executive Officer and President, providing for his resignation from those positions with us effective May 15, 2006. Pursuant to the agreement Mr. Parr received his salary through May 15, 2006 and will receive a total separation payment equal to \$480,000 less applicable taxes and withholding, payable in 24 monthly installments. In addition, the agreement provides Mr. Parr the ability to exercise his options to purchase common stock through the then existing term of the options. Mr. Parr also receives benefits under of our healthcare plans.

COMPENSATION OF DIRECTORS

Compensation of Directors is determined by the Board in conjunction with recommendations made by the Compensation Committee. The following is the 2006 compensation that was paid and the 2007 compensation to be paid to those members of the Board who are not employees of iCAD or any or any of its subsidiaries and have not been employed by iCAD or any of its subsidiaries at any time since December 31, 2005 (the “Non-Employee Directors”).

2006 Compensation:

1. Cash Compensation.

For 2006, each Non-Employee Director received an annual retainer of \$18,000 except for the Chairperson of the Board of Directors who received an annual retainer of \$35,000. In addition to the annual \$18,000 retainer the Chairperson of the Audit Committee received an annual fee of \$7,500; the Chairperson of the Compensation Committee received an annual fee of \$5,000 and the Chairperson’s of other Board committees received an annual fee of \$3,000. iCAD’s “financial expert” received an additional annual fee of \$5,000.

With respect to Board or Board Committee meetings held after October 20, 2006 but prior to January 1, 2007, each Non-Employee Directors received \$1,000 for each Board or Board Committee meeting attended in person, \$1,000 for each Board meeting attended telephonically and \$500 for each Board Committee meeting attended telephonically. These amounts were paid in January 2007.

2. Equity Compensation

In November 2006 each Non-Employee Director was granted a five-year, immediately exercisable non-qualified options to purchase 15,000 shares of common stock at an exercise price equal to the fair market value of the Common Stock on the date of issuance. These options are not subject to forfeiture as a result of the director ceasing to act as a director of iCAD.

2007 Compensation:

Cash Compensation

a) Amounts. For 2007, each Non-Employee Director will receive an annual retainer of \$18,000 except for the Chairperson of the Board who will receive an annual retainer of \$35,000. In addition to the \$18,000 retainer, the Chairperson of the Audit Committee will also receive an annual fee of \$7,500; the Chairperson of the Compensation Committee will also receive an annual fee of \$5,000 and the Chairperson's of other Board committees will also receive an annual fee of \$3,000. iCAD's designated "financial expert" will also receive an additional annual fee of \$5,000 unless the financial expert was also the Chairperson of the Audit Committee and received the \$7,500 fee for acting as such Chairperson.

Additionally, for each Board or Board Committee meeting attended in person, each Non-Employee Director will receive \$1,000. For each Board meeting attended telephonically, each Non-Employee Director will receive \$1,000. For each Board Committee meeting attended telephonically, each Non-Employee Director will receive \$500.

b) Payment Dates. The Non-Employee Director annual board retainer, Committee Chair retainer and the designated financial expert retainer is paid quarterly, in arrears on the 20th day of April, July, October and January of each year (or if such date is not a business day on the next following business day). The \$1,000 and/or \$500 fees for attendance at Board or Board Committee meetings is also to be paid in arrears on the 20th day of April, July, October and January of each year (or if such date is not a business day on the next following business day) for meetings attended in the immediately preceding quarter (each a "payment date").

c) Election to receive options in lieu of cash fees.

In lieu of receiving the cash payments set forth in 2(a) above, each Non-Employee Director was entitled to choose to receive five-year non-qualified stock options to purchase that number of shares of Common Stock that has a Black Sholes value (as determined by us using the same methodology as it uses to calculate options for purposes of its audited financial statements) on a given Payment Date equal to the value of the cash fees the director would otherwise be entitled to. Any such election must be made by the director for an ensuing year during the "open window" period (as determined under our Insider Trading Policy) during the fourth quarter of the preceding year. The election must be made in writing and delivered to our Chief Executive Officer or Chief Financial Officer at our principal executive offices. The date of the open window period is the thirty calendar day period beginning three days after we release our third quarter financial results. An election, once made, is irrevocable and covers all of the cash fees for the ensuing year. Any option issued under this election will vest immediately upon the date of issuance and will have an exercise price equal to the fair market value of the Common Stock on the applicable payment date and will not be subject to forfeiture as a result of the director ceasing to act as a director of iCAD.

Equity Compensationa.) Initial Awards of Options for New Directors.

Any person who is elected or appointed as an Non-Employee Director and who has not served as a director of iCAD in the prior calendar year automatically receives, on the date of election or appointment to the Board, an award of five-year immediately exercisable non-qualified stock options to purchase 25,000 shares of Common Stock at an exercise price equal to the fair market value of Common Stock on the date of grant and will not be subject to forfeiture as a result of the director ceasing to act as a director of iCAD.

b.) Quarterly Option Awards.

On each payment date, each Non-Employee Director will be granted five-year immediately exercisable non-qualified options to purchase shares of Common Stock. The options shall be payable in arrears for Board or Board Committee services rendered by the Non-Employee Director in the three month period immediately preceding the date of the award (the "Service Period"). The exercise price of these options will be equal to the fair market value of the Common Stock on the applicable quarterly payment date and will not be subject to forfeiture as a result of the director ceasing to act as a director of iCAD. A total of 3,750 options will be granted to each director who served for the entire Service Period. Any Non-Employee Director who served for only a portion of the Service Period will receive proportionately fewer options.

The following table provides information on director compensation paid by us during 2006.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors is responsible for, among other things, assisting the Board in overseeing our executive compensation strategy and reviewing and approving the compensation of our executive officers. During 2006 there were no interlock relationships between our executive officers and the members of our Compensation committee. As noted under Item 13-“Certain Relationships and Related Transactions and Director Independence”, in September 2006 we entered into a Note Purchase Agreement with Mr. Harlan with respect to his purchase from us of a total of \$300,000 principal amount of our 7.25% Convertible Promissory Notes.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis contained in this Annual Report on Form 10-K. Based on the review and discussion, the Compensation Committee has recommended to our Board of Directors that the Compensation Discussion and Analysis be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2006, as amended.

Item 13. Certain Relationships and Related Transactions, and Director Independence.

Review, Approval or Ratification of Transactions with related persons

Our Audit Committee is responsible for reviewing and approving or ratifying related-persons transactions. A related person is any executive officer, director, nominee for director or more than 5% stockholder of iCAD, including any of their immediate family members, and any entity owned or controlled by such persons. In addition, pursuant to our Code of Business Conduct and Ethics, all of our employees and directors who have become aware of a conflict or potential conflict of interest, are required to notify our Chief Executive Officer.

Certain Transactions

On June 13, 2006, we borrowed \$2,000,000 from Mr. Robert Howard, the Chairman of the Company's Board of Directors, pursuant to the Loan Agreement ("Loan Agreement"). At December 31, 2006, \$2,258,906 was owed by us to Mr. Howard pursuant to the Loan Agreement with \$2,741,094 available for future borrowings under the Loan Agreement. Notwithstanding the current expiration date of Loan Agreement, Mr. Howard has agreed not to request repayment of the principal amount due to him under the Loan Agreement prior to March 31, 2008. Mr. Howard has also agreed that while the Loan Agreement exists not to convert any outstanding advances under the Loan Agreement into shares of our common stock that would exceed the available shares for issuance defined as the authorized shares of iCAD's common stock less issued and outstanding common shares less any reserved shares for outstanding

convertible preferred stock, non-employee warrants and non-employee stock options.

On June 19, 2006, Dr. Lawrence Howard, who is currently a Director of iCAD, entered into a Note Purchase Agreement with respect to the purchase from us by Dr. Howard of an aggregate of \$200,000 principal amount of a 7% Convertible Note due June 19, 2008 (the "Howard Note") at a purchase price of \$200,000. Interest on the Howard Note is payable on the due date. Principal and accrued and unpaid interest under the Howard Note can be converted by the holder into shares of the Company's common stock at \$1.50 per share. Payment of principal under the Howard Note can be accelerated by the holder if we file for, or are found by a court to be, bankrupt or insolvent and we can prepay the Howard Note prior to the due date. Dr. Howard has also agreed that he will not convert any principal amount or accrued and unpaid interest outstanding under the Howard Note into shares of iCAD common stock that would exceed the number of shares of common stock then available for issuance defined as the authorized shares of common stock less issued and outstanding common shares less any reserved shares for outstanding convertible preferred stock, non-employee warrants and non-employee stock options.

On June 20, 2006, Mr. Kenneth Ferry, our Chief Executive Officer, entered into a Note Purchase Agreement with respect to the purchase from us by Mr. Ferry of an aggregate of \$300,000 principal amount of a 7% Convertible Note due June 20, 2008 (the "Ferry Note") at a purchase price of \$300,000. Interest on the Ferry Note is payable on the due date. Principal and accrued and unpaid interest under the Ferry Note can be converted by the holder into shares of iCAD common stock at \$1.50 per share. Payment of principal under the Ferry Note can be accelerated by the holder if we file for, or are found by a court to be, bankrupt or insolvent and we can prepay the Ferry Note prior to the due date. Mr. Ferry has also agreed that he will not convert any principal amount or accrued and unpaid interest outstanding under the Ferry Note into shares of common stock that would exceed the number of shares of common stock then available for issuance defined as the authorized shares of common stock less issued and outstanding common shares less any reserved shares for outstanding convertible preferred stock, non-employee warrants and non-employee stock options.

On September 12, 14, and 19, 2006 we entered into Note Purchase Agreements with respect to the purchase of a total of \$3,000,000 principal amount of 7.25% Convertible Promissory Notes ("Notes") by a total of ten accredited investors including the following: Mr. Robert Howard (as to \$1,350,000), Mr. James Harlan (as to \$300,000), Mr. Steven Rappaport (as to \$300,000) Dr. Elliott Sussman (as to \$100,000) and Dr. Lawrence Howard (as to \$100,000), all of whom are currently directors of iCAD, a total of \$700,000 from two non-affiliated investors, and \$50,000 by each of the following of our employees and/or executive officers; Mr. Jeffrey Barnes, Ms. Stacey Stevens and Ms. Annette Heroux. The Notes are due two years from the date of issue. Interest on the Notes is payable on the due date. Principal and accrued and unpaid interest under the Notes can be converted by each holder into shares of common stock at \$1.70 per share. Payment of principal under the Notes can be accelerated by the holder if we file for, or are found by a court to be, bankrupt or insolvent and we can prepay the Notes prior to the due date. The Notes issued on September 19, 2006 in the aggregate principal amount of \$1,000,000 were issued with a conversion price below the market price of \$1.80 per share and we recorded on our financial statements a discount to Notes Payable of \$58,824 to reflect the beneficial conversion feature.

On April 19, 2006 we entered into a separation agreement and release with W. Scott Parr, our Chief Executive Officer and President, providing for his resignation from those positions effective May 15, 2006. Pursuant to the agreement Mr. Parr will receive his current salary through May 15, 2006 and a separation payment equal to \$480,000 less applicable taxes and withholding, payable in 24 monthly installments. Mr. Parr also receives benefits under our healthcare plans.

Independence of the Board of Directors

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board of Directors has determined that each current member of each committee meets the applicable rules and regulations regarding independence for such committee, including those set forth in pertinent Nasdaq Marketplace Rules.

Consistent with these considerations, the Board has determined that Messrs. Harlan, Farley and Rappaport and Drs. Brem and Sussman, meet the director independence requirements under the applicable Marketplace Rule of The Nasdaq Stock Market LLC. In reaching this conclusion the Board reviewed the definition of independence under the applicable Nasdaq Marketplace Rule and the answers to annual questionnaires completed by each of the independent directors and also considered the investments in convertible notes of the Company made by certain of the independent directors during 2006. Furthermore, Mr. .Scott Parr and Mr. Herschel Sklarof, both served on our of Board of Directors during a portion of 2006. During the time of his service on the board Mr. Parr was not deemed to be an independent director but Mr. Sklaroff was deemed to be an independent director under this standard.
