COPA HOLDINGS S.A. COMPLIES WITH REQUIREMENTS OF SARBANES-OXLEY ACT

PANAMA, July 5, 2007 - Copa Holdings S.A. (NYSE: CPA) announces that it has successfully concluded all work required by Section 404 of the Sarbanes-Oxley Act (SOX) related to internal controls over financial reporting.

“Copa Holdings’ successful completion of its internal control evaluation process underscores our commitment to high ethical standards of corporate governance, ongoing transparency and the effectiveness of our financial controls and processes”, stated Mr. Victor Vial, Chief Financial Officer of Copa Holdings.S.A.

Created to protect shareholders of publicly-held companies against accounting fraud risks and improve the reliability of financial reporting, Section 404 of SOX requires companies to document and evaluate their internal controls over financial reporting. This includes maintenance of records to fairly reflect transactions and provide reasonable assurance regarding preparation of financial statements and prevention or timely detection of unauthorized acquisition, use, or disposition of our assets that could have a material effect on our financial statements.

Another requirement of Section 404 of SOX is that our independent auditors perform an audit of our internal controls over financial reporting; this audit has been carried out and has concluded that our internal controls over financial reporting were effective and that management's evaluation of the effectiveness of controls was fairly stated.
