COPA AIRLINES REPORTS 87.5% ON-TIME PERFORMANCE FOR 2008

The airline has one of the best on-time performance records in commercial aviation

Panama City, Panama, Jan. 15, 2009 -- Copa Airlines, a subsidiary of Copa Holdings, S.A. (NYSE: CPA), registered an on-time performance of 87.5 percent for its flights in 2008, as well as a flight-completion factor of 99.6 percent. The airline measures on-time performance according to international aviation-industry standards.

“At Copa we strive to provide our passengers a world-class service and on-time performance is one of the keys to our success,” said Pedro Heilbron, CEO of Copa Airlines. “All passengers want to arrive at their destinations on time, whether they are traveling on business or for pleasure, and that is a major reason why they continue to make Copa part of their travel plans year after year.”

Copa Airlines maintains one of the best on-time performance records in the aviation industry. Skytrax, the well-known independent aviation-research company, selected Copa “Best Airline in Central America and the Caribbean” in 2008.
