#### Proxy Statement

The accompanying proxy is solicited by the Board of Directors of Universal Security Instruments, Inc., a Maryland corporation (the "Company"), in connection with the Annual Meeting of Shareholders to be held on October 10, 2011, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying notice of the meeting. The Board of Directors has fixed the close of business on August 11, 2011 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the meeting. On that date, there were outstanding 2,387,887 shares of the Company's Common Stock par value \$.01 per share (the "Shares").

Pursuant to the e-proxy rules and regulations adopted by the United States Securities and Exchange Commission ("SEC"), we have elected to provide access to our proxy materials over the Internet. On or about August 18, 2011, we mailed to our shareholders a notice (the "E-Proxy Notice") containing instructions on how to access online our 2011 Proxy Statement, and Annual Report to Shareholders. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting proxy materials included in the E-Proxy Notice. These materials will be available free of charge and will be sent to you within three business days of your request. Our Annual Report to Shareholders does not constitute a part of the proxy solicitation material, but provides you with additional information about the Company.

Each record holder of Shares on the Record Date is entitled to one vote for each Share held on all matters to come before the meeting, including the election of directors. Because most of our shareholders cannot attend the Annual Meeting in person, it is necessary for a large number to be represented by proxy. Shareholders may vote by completing a proxy card and mailing it to us at our address above. Please check the information forwarded by your bank, broker or other holder of record to see what options are available to you. A proxy may be revoked at any time before its exercise by the filing of a written revocation with James B. Huff, Corporate Secretary of the Company, by timely providing a later-dated proxy, or by voting by ballot at the Annual Meeting. Mere attendance at the Annual Meeting will not revoke a proxy, and if you are a beneficial owner of shares not registered in your own name, you will need additional documentation from your record holder to vote personally at the Annual Meeting.

A quorum for the Annual Meeting consists of a majority of the issued and outstanding Shares present in person or by proxy and entitled to vote. Under Maryland law, unless a corporation's charter or bylaws provide otherwise, directors are elected by a plurality of all votes cast at a meeting at which a quorum is present, and for all other matters (except for certain extraordinary matters for which Maryland law requires a higher proportion) a majority of the all of the votes cast at a meeting at which a quorum is present is sufficient for approval. The Company's Bylaws provide that the affirmative vote of the holders of a majority of all of the votes cast at a meeting at which a quorum is present is necessary for the election of directors or for the taking or authorization of any action by the shareholders.

#### Beneficial Ownership

The following table reflects the names and addresses of the only persons known to the Company to be the beneficial owners of 5% or more of the Shares outstanding as of the Record Date. For purposes of calculating beneficial ownership, Rule 13d-3 of the Securities Exchange Act of 1934, as amended ("Exchange Act") requires inclusion of Shares that may be acquired within sixty days of the Record Date. Unless otherwise indicated in the footnotes to this table, beneficial ownership of Shares represents sole voting and investment power with respect to those Shares.

## Election of Directors

The Board of Directors currently consists of four directors. The Company's directors are divided into three classes and are elected for terms of three years each and until their successors are elected and qualify. At the Company's 2010 Annual Meeting, there were insufficient votes cast to re-elect the 2010 nominees to the Board. Accordingly, Mr. Cary Luskin and Mr. Ira F. Bormel currently serve until their successors are elected and qualified. The Board has re-nominated Mr. Luskin and Mr. Bormel for election as directors at the 2011 Annual Meeting to serve for the remaining two years of their term and until their successors are elected and qualified. In addition, the Board has nominated Mr. Harvey B. Grossblatt, for election as a director at the 2011 Annual Meeting to serve for a term of three years and until his successor is elected and qualified. If no nominee receives the requisite vote, Mr. Luskin, Mr. Bormel and Mr. Grossblatt will continue to serve as directors until their successors are duly elected and qualified. A majority of the all of the votes cast at a meeting at which a quorum is present is necessary for the election of directors. Withholding of votes will have the effect of a vote against, and abstentions and broker non-votes with respect to Shares otherwise present at the Annual Meeting in person or by proxy will have no effect on the result of the vote although they will be considered present for purposes of determining the presence of a quorum.

Unless contrary instruction is given, the person(s) named in the proxies solicited by the Board of Directors will vote each such proxy for the election of the named nominee. If the nominee is unable to serve, the Shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may reduce the size of the Board to eliminate the vacancy. At this time, the Board does not anticipate that the nominee will be unavailable to serve.

The following table sets forth, for the nominees and each continuing director, his name, age as of the Record Date, the year he first became a director of the Company, the expiration of his current term, and whether such individual has been determined by the Board to be "independent" as defined in Section 803.A. of the NYSE Amex Company Guide. There are no known arrangements or understandings between any director or nominee for director of the Company and any other person pursuant to which such director or nominee has been selected as a director or nominee.

Name	Age	Director Since	Current Term to Expire	Independent
<b>Board Nominees for Term to Expire in 2013</b>				
Cary Luskin	54	2002	2010	Yes

Dr. Seff has served on the Audit and Compensation Committees of the Company for eight years and has a broad understanding of the Company and its management and operations.

### Corporate Governance

**Board of Directors.** During the fiscal year ended March 31, 2011, the Board met four times. No incumbent director attended fewer than 75% of the total number of meetings of the Board of Directors of the Company held during the year and the total number of meetings held by all committees on which the director served during such year. Board members are expected to attend the Annual Meeting of Shareholders, and all incumbent directors, other than Mr. Luskin, attended the 2010 Annual Meeting of Shareholders.

The Board has the following committees, each of which meets at scheduled times:

**Audit Committee.** The Audit Committee is appointed by the Board to assist the Board in its duty to oversee the Company's accounting, financial reporting and internal control functions and the audit of the Company's financial statements. The Committee's responsibilities include, among others, direct responsibility for hiring, firing, overseeing the work of and determining the compensation for the Company's independent auditors, who report directly to the Audit Committee. The members of the Audit Committee during the fiscal year ended March 31, 2011 were Mr. Bormel (Chairman), Dr. Seff and Mr. Luskin. None of the Audit Committee members is an employee of the Company and each is independent under existing NYSE Amex and SEC requirements. The Board has examined the SEC's definition of "audit committee financial expert" and determined that Mr. Bormel satisfies this definition. Accordingly, Mr. Bormel has been designated by the Board as the Company's audit committee financial expert. During the fiscal year ended March 31, 2011, the Audit Committee met four times. The Board has adopted a written charter for the Audit Committee.

**Nominations.** The independent members of the Company's Board of Directors acts as a nominating committee for the annual selection of its nominees for election as directors, and the Board held one meeting during the 2011 fiscal year in order to make nominations for directors. The Board has not adopted a charter with respect to the nominating committee function. The Board of Directors believes that the interests of the Company's shareholders are served by relegating the nominations process to the Board members who are independent from management. While the Board will consider nominees recommended by shareholders, it has not actively solicited recommendations from the Company's shareholders for nominees, nor established any procedures for this purpose. In considering prospective nominees, the Board will consider the prospect's relevant financial and business experience, the integrity and dedication of the prospect, his independence and other factors the Board deems relevant. The Board of Directors will apply the same criteria to nominees recommended by shareholders as those recommended by the full Board. Nominations for director may be made by shareholders, provided such nominations comply with certain timing and informational requirements set forth in the Company's Bylaws. See "Other Matters" elsewhere in this Proxy Statement.

Compensation Committee. The Board's Compensation Committee consists of Mr. Luskin (Chairman), Dr. Seff and Mr. Bormel, none of whom is an employee of the Company and each of whom is independent under existing NYSE Amex and SEC requirements. The Compensation Committee is charged with reviewing and determining the compensation of the Chief Executive Officer and the other executive officers of the Company. The Board has not adopted a charter with respect to the Compensation Committee. The Compensation Committee met one time during the fiscal year ended March 31, 2011.

#### Director Compensation

During the Company's fiscal year ended March 31, 2011, Mr. Grossblatt, the Company's president and chief executive officer, received no additional compensation for serving as a director. For the Company's fiscal year ended March 31, 2011, each outside director was entitled to a \$10,000 annual fee for annual service as a director. Directors' compensation is payable in cash or Shares (computed at the closing price as reported by the NYSE Amex on the date of the payment).

The following table summarizes the compensation paid to directors for the fiscal year ended March 31, 2011:

Name (a)	Fees Earned or Paid in Cash (b)	Stock Awards (c)	Total (h)
Cary Luskin	\$10,000	--	\$10,000
Ronald A. Seff, M.D.	\$10,000	--	\$10,000
Ira F. Bormel	\$10,000	--	\$10,000

#### Transactions with Management

Pursuant to its written charter, the Audit Committee of the Board of Directors of the Company reviews all transactions with related persons that are required to be disclosed under applicable regulation. During the fiscal year ended March 31, 2011, there were no transactions with related persons which are required to be disclosed.

#### Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics that is designed to promote the highest standards of ethical conduct by the Company's directors, executive officers and employees. The Company will furnish, without charge, a copy of its Code of Business Conduct and Ethics to each shareholder who forwards a written request to the Secretary, Universal Security Instruments, Inc., 11407 Cronhill Drive, Suite A, Owings Mills, Maryland 21117.

#### Communications with the Board

Any shareholder desiring to contact the Board, or any specific director(s), may send written communications to: Board of Directors (Attention: (Name(s) of director(s), as applicable)), c/o the Company's Secretary, 11407 Cronhill Drive, Suite A, Owings Mills, Maryland 21117. Any proper communication so received will be processed by the Secretary. If it is unclear from the communication received whether it was intended or appropriate for the Board, the Secretary will (subject to any applicable regulatory requirements) use his judgment to determine whether such communication should be conveyed to the Board or, as appropriate, to the member(s) of the Board named in the communication.

#### Leadership Structure and Risk Oversight

While the Board believes that there are various structures which can provide successful leadership to the Company, the Company's Bylaws provide that the Chairman of the Board, if one is elected by the Board, serves as Chief Executive Officer, and if a Chairman is not so elected, the President of the Company serves as Chief Executive Officer. Currently, the Board has not elected a Chairman and, accordingly, the Company's President is Chief Executive Officer and is also a member of the Board. All other members of the Board are independent. The Company's independent directors bring experience, oversight and expertise from outside the Company, while the Chief Executive Officer brings company-specific experience and expertise. The Board believes that the strong emphasis on Board independence provides effective independent oversight of management.

Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, management discusses with the Board members strategy and the risks facing the Company. The independent members of the Board provide strong, independent oversight of the Company's management and affairs through its standing committees and, when

necessary, meetings of independent directors in executive session.

The Company's 2011 contributions to the plan on behalf of named executive officers are included in the "All Other Compensation" column in the "Summary Compensation Table" above.

#### Executive Employment Agreements

The Chief Executive Officer's compensation is governed largely by his employment agreement with the Company, originally effective April 1, 2002, as amended. The current employment agreement expires on July 31, 2012. The employment agreement currently provides that Mr. Grossblatt's base annual salary beginning July 18, 2005 was \$300,000, increased to \$325,000 on August 1, 2006, and increasing to \$350,000 on August 1, 2007. Additionally, Mr. Grossblatt is entitled to bonus compensation for each fiscal year of the Company in which the Company earned pre-tax net income in excess of an amount equal to 4% of shareholders' equity as of the start of the fiscal year ending

March 31, 2012, as follows: 3% of all (after the 4% threshold) pre-tax net income up to \$1 million, 4% of pre-tax net income from \$1-\$2 million, 5% of pre-tax net income from \$2-\$3 million, 6% of pre-tax net income from \$3-\$4 million, 7% of pre-tax net income over \$4 million. Mr. Grossblatt is also entitled to life, health and disability insurance benefits, medical reimbursement, automobile allowance, and Company paid retirement plan contributions.

If the Employment Agreement is not renewed by the Company or is terminated by Mr. Grossblatt for good reason, Mr. Grossblatt is entitled to receive his compensation through any balance of the employment term plus a lump sum payment equal to his last 12 months base salary and bonus, health benefits for three years, and an additional lump sum payment payable on each of the first three anniversaries of the termination equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company.

If Mr. Grossblatt's employment is terminated following or in anticipation of a "change of control" of the Company, Mr. Grossblatt will be entitled to receive a lump sum payment equal to his base salary for the balance of the Employment Agreement's term and the amount of Mr. Grossblatt's last bonus. In addition, Mr. Grossblatt is entitled to receive health benefits for three years, and an additional lump sum payment payable on the anniversary of the termination equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company. Furthermore, Mr. Grossblatt will receive an amount equal to three times his base salary for the last 12 months and the amount of his last bonus, limited to 2.99 times Mr. Grossblatt's average annual taxable compensation from the Company which is included in his gross income for the five taxable years of the Company ending before the date on which the change of control occurs.

If the Employment Agreement is terminated by the Company due to Mr. Grossblatt's death, Mr. Grossblatt's estate is entitled to receive a lump sum payment equal to his base salary for the greater of the balance of the Employment Agreement's term or one year, reduced by any individual life insurance benefits the premiums for which are paid for by the Company, plus the amount of his last bonus and the amount of the Company's last 401(k) plan contribution made on behalf of Mr. Grossblatt. In addition, Mr. Grossblatt's estate is entitled to the health insurance and medical reimbursement benefits for the longer of the balance of the term or three years following the date of death, or the cash equivalent thereof.

If the Employment Agreement is terminated by the Company due to Mr. Grossblatt's disability, Mr. Grossblatt is entitled to the continuation of the payment of his base salary for the balance of the term, reduced by any group or individual disability income insurance benefits the premiums for which are paid for by the Company and Social Security disability benefits paid to Mr. Grossblatt. In addition, Mr. Grossblatt is entitled to the health insurance and medical reimbursement benefits and a payment equal to the 401(k) plan contribution the Company would have made on behalf of the Company had he remained employed by the Company, for the longer of the balance of the term or three years following the date of disability, or the cash equivalent thereof.

The Employment Agreement generally prohibits Mr. Grossblatt from competing with the Company during the term and during any subsequent period during which he receives compensation from the Company.

#### Proposal to Adopt the 2011 Non-Qualified Stock Option Plan

##### The Plan

From 1978 until 2008, the Company maintained a Stock Option Plan for the grant of options to employees, officers and directors of the Company and its subsidiaries to purchase Shares. This plan expired in 2008.

The Company's Board of Directors has determined that it is advisable to provide equity-based incentive awards to the Company's and its subsidiaries' employees, directors and consultants, thereby continuing to align the interests of such individuals with those of the stockholders. Accordingly, on July 12, 2011, the Board of Directors approved and adopted the Company's 2011 Non-Qualified Stock Option Plan (the "Plan"), subject to shareholder approval. A total of 120,000 Shares (as may be adjusted for stock dividends) have been reserved for issuance under the Plan. Options may be granted under the Plan to employees, officers and directors of the Company and its subsidiaries.

The Plan will be administered by the Compensation Committee of the Company's Board of Directors (the "Committee"). The Committee has the authority, within limitations as set forth in the Plan, to interpret the terms of the Plan and establish rules and regulations concerning the Plan, to determine the persons to whom options may be granted, the number of Shares to be covered by each option, and the exercise price and other terms and provisions of

the option to be granted. In addition, the Committee has the authority, subject to the terms of the Plan, to determine the appropriate adjustments in the terms of each outstanding option in the event of a change in the Common Stock or the Company's capital structure.

Options granted under the Plan are non-qualified stock options ("NQSOs"). The exercise price of an option will be fixed by the Committee on the date of grant. Any options granted must expire within five years from the date of grant. Shares subject to options granted under the Plan which expire, terminate, or are canceled without having been exercised in full become available again for option grants.

On July 25, 2011, the last sale price per Share, as reported on NYSE Amex Equities, was \$6.48.

#### Federal Income Tax Aspects

Employees and non-employee directors optionees generally do not recognize any taxable income upon the grant of NQSOs, and the Company is not entitled to a federal income tax deduction by reason of such grant. The optionee generally will recognize ordinary compensation income at the time of exercise of the NQSO in an amount equal to the excess, if any, of the fair market value of the Shares on the date of exercise over the exercise price. The Company may be required to withhold income tax on this amount. When the optionee sells the shares acquired through the exercise of a NQSO, he or she generally will recognize a capital gain or loss in an amount equal to the difference between the amount realized upon the sale of the Shares and his or her basis in the stock (generally, the exercise price plus the amount taxed to the optionee as ordinary income). If the optionee's holding period for the Shares exceeds 12 months, such gain or loss will be a long-term capital gain or loss.

The Company generally should be entitled to a federal income tax deduction when ordinary income is recognized by the optionee pursuant to the exercise of a NQSO, provided the Company timely reports the income and timely provides the optionee with a Form W-2 or 1099, whichever is applicable.

An optionee may be entitled to exercise a NQSO by delivering Shares to the Company in payment of the exercise price. If an optionee exercises a NQSO in such fashion, special rules will apply. Special rules apply if the Shares acquired through the exercise of a NQSO are subject to vesting, or are subject to certain restrictions on resale under federal securities laws applicable to directors, officers or 10% stockholders.

#### Board Recommendation

The Board of Directors unanimously recommends that you vote FOR approval of the proposed Plan. The affirmative vote of holders of a majority of the all of the votes cast at a meeting at which a quorum is present is needed to approve the proposed Plan. Consequently, abstentions and broker non-votes with respect to Shares otherwise present at the Annual Meeting in person or by proxy will have no effect on the result of the vote although they will be considered present for purposes of determining the presence of a quorum.

#### Report of the Audit Committee

The Audit Committee has reviewed and discussed with management the annual audited financial statements of the Company and its subsidiaries.

The Audit Committee has discussed with Grant Thornton LLP, the independent auditors for the Company for the fiscal year ended March 31, 2011, the matters required to be discussed by Statement on Auditing Standards 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Rule 3526, Communication with Audit Committees Concerning Independence, as adopted by the Public Company Accounting Oversight Board and has discussed with the independent auditors the independent auditors' independence.

Based on the foregoing review and discussions, the Board of Directors approved the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2011 for filing with the Securities and Exchange Commission.

Authorization for Appointment of Auditors

Selection of Auditors

Grant Thornton LLP has served as the Company's independent public accountants since 1999 and is expected to be retained by the Audit Committee of the Board of Directors to be the Company's independent auditors for the 2012 fiscal year. Representatives of Grant Thornton LLP are expected to be present at the meeting, and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

## Board Recommendation

The Board of Directors recommends a vote FOR the proposal to authorize the Board of Directors to accept the selection of the Audit Committee of an outside auditing firm for the ensuing year. The affirmative vote of holders of a majority of the all of the votes cast at a meeting at which a quorum is present is needed to approve the proposal. Consequently, abstentions and broker non-votes with respect to Shares otherwise present at the Annual Meeting in person or by proxy will have no effect on the result of the vote although they will be considered present for purposes of determining the presence of a quorum.

## Disclosure of Independent Auditor Fees

The following is a description of the fees billed to the Company by Grant Thornton LLP (the "Auditor") during the fiscal years ended March 31, 2011 and 2010:

**Audit Fees.** Audit fees include fees paid by the Company to the Auditor in connection with the annual audit of the Company's consolidated financial statements, and review of the Company's interim financial statements. Audit fees also include fees for services performed by the Auditor that are closely related to the audit and in many cases could only be provided by the Auditor. Such services include consents related to Securities and Exchange Commission and other regulatory filings. The aggregate fees for audit services rendered to the Company for the years ended March 31, 2011 and 2010 totaled \$177,500 and \$177,500, respectively.

**Audit Related Fees.** Audit related services include due diligence services related to accounting consultations, internal control reviews and employee benefit plan audits. There were no audit related services provided in either year.

**Tax Fees.** Tax fees include corporate tax compliance, advisory and planning services. The aggregate fees billed to the Company by the Auditor for the tax related services rendered to the Company for the years ended March 31, 2011 and 2010 totaled \$0 and \$0, respectively.

## Approval of Independent Auditor Services and Fees

The Company's Audit Committee reviews all fees charged by the Company's independent auditors, and actively monitors the relationship between audit and non-audit services provided. The Audit Committee must pre-approve all audit and non-audit services provided by the Company's independent auditors and fees charged.

## Other Matters

The Board of Directors is not aware of any other matter which may be presented for action at the 2011 Annual Meeting of Shareholders, but should any other matter requiring a vote of the shareholders arise at the 2011 Annual Meeting, it is intended that the proxies will be voted with respect thereto in accordance with the best judgment of the person or persons voting the proxies, discretionary authority to do so being included in the proxy.

The cost of soliciting proxies will be borne by the Company. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Shares held of record by such persons, and the Company will reimburse them for their reasonable out-of-pocket expenses. Officers and directors may also solicit proxies.

As a matter of policy, the Company will accord confidentiality to the votes of individual shareholders, whether submitted by proxy or ballot, except in limited circumstances, including any contested election, or as may be necessary to meet legal requirements. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the

Company and will determine whether or not a quorum is present. Abstentions will be treated as Shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain Shares to vote on a particular matter, those Shares will not be considered as present and entitled to vote with respect to that matter.

Any shareholder desiring to present a proposal at the 2012 Annual Meeting of Shareholders and wishing to have that proposal included in the proxy statement for that meeting must submit the same in writing to the Secretary of the Company at 11407 Cronhill Drive, Suite A, Owings Mills, Maryland 21117, in time to be received by April 20, 2012. In addition, if a shareholder desires to bring business (including director nominations) before the 2012 Annual Meeting of Shareholders that is not the subject of a proposal timely submitted for inclusion in the Company's Proxy Statement, written notice of such business, as currently prescribed in the Company's Bylaws, must be received by the Company's Secretary between March 21, 2012 and April 20, 2012. For additional requirements, a shareholder should refer to Article I, Section 8 of the Company's Bylaws, "Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals," a copy of which may be obtained from the Company's Secretary or from the Company's SEC filings. If the Company does not receive timely notice pursuant to the Bylaws, the nomination or proposal will be excluded from consideration at the meeting.

The persons designated by the Company to vote proxies given by shareholders in connection with the Company's 2012 Annual Meeting of Shareholders will not exercise any discretionary voting authority granted in such proxies on any matter not disclosed in the Company's 2012 proxy statement with respect to which the Company has received written notice no later than July 5, 2012 that a shareholder (i) intends to present such matter at the 2012 Annual Meeting, and (ii) intends to and does distribute a proxy statement and proxy card to holders of such percentage of the Shares required to approve the matter. If a shareholder fails to provide evidence that the necessary steps have been taken to complete a proxy solicitation on such matter, the Company may exercise its discretionary voting authority if it discloses in its 2012 proxy statement the nature of the proposal and how it intends to exercise its discretionary voting authority.

Shareholders who do not plan to attend the Annual Meeting are urged to vote by telephone or to complete, date, sign and return the enclosed proxy in the enclosed envelope, to which no postage need be affixed if mailed in the United States. Prompt response is helpful and your cooperation will be appreciated.

APPENDIX TO PROXY STATEMENT FILED VIA EDGAR

Universal Security Instruments, Inc.  
2011 Non-Qualified Stock Option Plan

1. purpose.

The purpose of the Universal Security Instruments, Inc. (the “Company”) 2011 Non-Qualified Stock Option Plan (the “Plan”) is to promote the financial interests of the Company, including its growth and performance, by encouraging directors, officers, employees of and consultants to the Company and its subsidiaries to acquire an ownership position in the Company, enhancing the ability of the Company and its subsidiaries to attract and retain employees of outstanding ability, and providing directors, employees and consultants with a way to acquire or increase their proprietary interest in the Company’s success.

2. shares subject to the plan.

Subject to adjustment as provided in Section 13 hereof, up to 120,000 of shares of common stock, par value \$.01 per share, of the Company (the “Shares”) shall be available for the grant of options under the Plan. The Company shall reserve and keep available such number of Shares as will satisfy the requirements of all outstanding options granted under the Plan. Shares subject to an option that expires unexercised, that is forfeited, terminated or canceled, in whole or in part, shall thereafter again be available for grant under the Plan.

3. administration.

The Plan shall be administered by the Compensation Committee (the “Committee”) of the Board of Directors of the Company (the “Board”) or, if the Board does not create the Committee, by the Board which shall function as the Committee. A majority of the Committee shall constitute a quorum, and the acts of a majority shall be the acts of the Committee.

Subject to the provisions of the Plan, the Committee shall (i) from time to time select directors, officers and employees of and consultants to the Company and its subsidiaries who will participate in the Plan (the “Participants”), (ii) determine the Shares subject to option, (iii) have the authority to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, (iv) determine the terms and provisions of any agreements entered into hereunder, and (v) make all other determinations necessary or advisable for the administration of the Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any option in the manner and to the extent it shall deem desirable to carry it into effect. The determinations of the Committee in the administration of the Plan, as described herein, shall be final and conclusive.

4. eligibility.

All directors, officers and employees of the Company and its subsidiaries and, subject to the following sentence, consultants to the Company and its subsidiaries, all as determined by the Committee, are eligible to be Participants in the Plan. As used herein, an eligible Participant which is a “consultant” means any consultant or adviser to the Company and its subsidiaries if: (i) the consultant or adviser renders bona fide services to the Company or any subsidiary of the Company; (ii) the services rendered by the consultant or adviser are not in connection with the offer or sale of securities in a capital-raising transaction and do not directly or indirectly promote or maintain a market for the Company’s securities; and (iii) the consultant or adviser is a natural person who has contracted directly with the Company or any subsidiary of the Company to render such services.

5. options; exercise price.

Options under the Plan will be non-qualified stock options. The Committee shall establish the option price at the time each stock option is granted.

---

6. exercise of options.

Except as herein provided, options shall be exercisable for such period as specified by the Committee. In no event may options be exercisable more than 10 years after their date of grant. The option price of each Share as to which a stock option is exercised shall be paid in full at the time of such exercise. Such payment shall be made in cash, by tender of Shares owned by the Participant valued at fair market value as of the date of exercise and in such other consideration as the Committee deems appropriate, or by a combination of cash, Shares and such other consideration. To exercise the option, the optionee or his successor shall give written notice to the Company's Chief Financial Officer at the Company's principal office, setting forth the number of Shares being purchased and the date of exercise of the option, which date shall be at least five days after the giving of such notice unless otherwise agreed to by the Committee and the optionee. Such notice shall be accompanied by full payment of the option exercise price for Shares being purchased and a written statement that the Shares are purchased for investment and not with a view toward distribution. However, this statement shall not be required in the event the Shares subject to the option are registered with the Securities and Exchange Commission. If the option is exercised by the successor of the optionee, following his death, proof shall be submitted, satisfactory to the Committee, of the right of the successor to exercise the option. Shares issued pursuant to this Plan which have not been registered with the Securities and Exchange Commission shall be appropriately legended. No Shares shall be issued pursuant to the Plan until full payment for such Shares has been made. The optionee shall have no rights as a shareholder with respect to optioned Shares until the date of exercise of the option with respect to such Shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to such date of exercise, except as otherwise provided herein. The Company shall not be required to transfer or deliver any certificates for Shares purchased upon any exercise of any option until after compliance with all then applicable requirements of law. Any fraction of a Share required to satisfy such obligation shall be disregarded and the amount due shall instead be paid in cash to the Participant.

7. option agreements.

The granting of an option shall take place only when a written Option Agreement substantially in the form of Exhibit A hereto is executed by the Company and the optionee and delivered to the optionee. All options under this Plan shall be evidenced by such written Option Agreement between the Company and the optionee. Such Option Agreement shall contain such further terms and conditions, not inconsistent with the foregoing, related to the grant or the time or times of exercise of options as the Committee shall prescribe.

8. withholding.

The Company shall have the right to deduct from any payment to be made pursuant to the Plan, or to require prior to the issuance or delivery of any Shares or the payment of cash under the Plan, any taxes required by law to be withheld therefrom. The Committee, in its sole discretion, may permit a Participant to elect to satisfy such withholding obligation by having the Company retain the number of Shares the fair market value of which equals the amount required to be withheld.

9. nontransferability.

No option shall be assignable or transferable, and no right or interest of any Participant shall be subject to any lien, obligation or liability of the Participant, except by will or the laws of descent and distribution.

10. no right to employment.

No person shall have any claim or right to be granted an option, and the grant of an option shall not be construed as giving a Participant the right to be retained in the employ or as a director of the Company or its subsidiaries. Further, the Company and its subsidiaries expressly reserve the right at any time to dismiss a Participant free from any liability, or any claim under the Plan, except as provided herein or in any agreement entered into hereunder.

ii

---

11. termination of rights; death.

All unexercised or unexpired options granted or awarded under this Plan will terminate, be forfeited and will lapse immediately if such Participant's employment or relationship with the Company and its subsidiaries is terminated for any reason, unless the Committee permits the exercise of such options for a period not to exceed 90 days after the date of such termination. If a Participant's employment or relationship with the Company is terminated by reason of his death, such Participant's personal representatives, estate or heirs (as the case may be) may exercise, subject to any restrictions imposed by the Committee at the time of the grant, any option which was exercisable by the Participant as of the date of his death for a period of 180 days after the date of the Participant's death.

12. registration.

If the Company shall be advised by its counsel that any Shares deliverable upon any exercise of an option are required to be registered under the Securities Act of 1933, or that the consent of any other authority is required for the issuance of such Shares, the Company may effect registration or obtain such consent, and delivery of Shares by the Company may be deferred until registration is effected or such consent is obtained.

13. adjustment of and changes in shares.

In the event of any change in the outstanding Shares by reason of any Share dividend or split, recapitalization, merger, consolidation, spinoff, combination or exchange of Shares or other corporate change, or any distributions to shareholders other than regular cash dividends, the Committee may make such substitution or adjustment, if any, as it deems to be equitable, as to the exercise price, number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan and to outstanding options.

14. amendment.

The Board of Directors may amend or terminate the Plan or any portion thereof at any time, provided that no amendment shall be made without shareholder approval if such approval is necessary by law or regulation.

15. effective date.

The Plan has been adopted by the Board of Directors of the Company and, upon approval of the Shareholders of the Company, shall be effective as of August 1, 2011. Unless extended or earlier terminated by the Board of Directors, the Plan shall continue in effect until, and shall terminate on, the tenth anniversary of the effective date of the Plan. Unless so extended, no additional options may be granted on or after the tenth anniversary of the effective date of the Plan.
