**Item 1.01. Entry into a Material Definitive Agreement.**

On July 15, 2013, Great American Group WF, LLC (the “Borrower”), a subsidiary of Great American Group, Inc. (the “Company”), entered into a Second Amended and Restated Credit Agreement and various ancillary documents (the “Restated Credit Agreement”), dated as of July 15, 2013, with Wells Fargo Bank, National Association (“Wells Fargo”), as acknowledged and agreed to by Great American Group, LLC, a subsidiary of the Company, and the Company, as limited guarantors. The Restated Credit Agreement amended and restated that certain First Amended and Restated Credit Agreement, dated as of December 8, 2010, by and between the Borrower and Wells Fargo to, among other things:

extend the term thereof by approximately five years until July 15, 2018;

remove GA Asset Advisors Limited, the Company’s subsidiary in the United Kingdom, as a party thereto and remove the related concept of borrowings thereunder for certain transactions within the United Kingdom, with respect to which the Company anticipates entering into a separate credit agreement with an affiliate of Wells Fargo (the “UK Credit Agreement”) which is anticipated to be cross collateralized and integrated in certain respects with the Restated Credit Agreement;

confirm that the maximum uncommitted revolving loan amount available thereunder remains at \$100,000,000 less the aggregate principal amount borrowed under the UK Credit Agreement (if in effect);

adjust the fees payable on letters of credit issued thereunder to (a) 1.75% per annum for any letter of credit that is fully cash collateralized and (b) 3.00% per annum for all other letters of credit, in each case multiplied by the maximum amount available from time to time to be drawn under the applicable letter of credit; and

provide the Company with further flexibility to obtain a permitted separate working capital line and the option to cause letters of credit issued in connection the Restated Credit Agreement to be issued from such separate working capital line rather than fully collateralized by cash of the Company.

The interest rate for each revolving credit advance under the Restated Credit Agreement, subject to certain terms and conditions, remains equal to the LIBOR plus a margin of 2.25% to 3.25% depending on the type of advance and the percentage such advance represents of the related transaction for which such advance is provided. The Restated Credit Agreement continues to provide for success fees payable to Wells Fargo in the amount as a percentage of the net profits, if any, earned on liquidation sales funded under the Restated Credit Agreement as set forth therein. In connection with the Restated Credit Agreement, the Company paid a renewal fee of \$375,000 and amended and restated its related guaranty agreement with Wells Fargo pursuant to a Third Amended and Restated Guaranty Agreement, dated as of July 15, 2013, by and between the Company and Great American Group, LLC, in favor of Wells Fargo to reflect the changes in the Restated Credit Agreement and to provide for certain changes to the nature of the guaranty if the Company obtains a separate working capital line.

The foregoing descriptions of the Restated Credit Agreement and Third Amended and Restated Guaranty Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Restated Credit Agreement and Third Amended and Restated Guaranty Agreement, copies of which are filed hereto as Exhibit 10.1 and Exhibit 10.2 respectively and are incorporated into this Current Report by reference.
