PROXY STATEMENT

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 9, 2008

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share ("Common Stock") of Napco Security Systems, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting following Fiscal Year 2008, to be held on December 9, 2008, and at any adjournment thereof (the "Meeting"), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company's office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy will first be mailed to the stockholders on or about November , 2008. A copy of the 2008 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on November 3, 2008 (the "Record Date") are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of 19,092,473 shares of Common Stock.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote. At the Meeting, the holders of record of Common Stock will vote on Item 1, the election of two directors; Item 2, amendment of the Amended and Restated Certificate of Incorporation to change the name of the Company to Napco Security Technologies, Inc.; and the transaction of any other business as may properly come before the Meeting and require a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

The affirmative vote of the holders of a majority of the shares outstanding and entitled to vote on the matter, will be required for approval of the amendment to the Company' Amended and Restated Certificate of Incorporation. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

-2-

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters. Shares represented by such "broker non-votes" will, however, be counted in determining if there is a quorum.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE
AND RETURN THE ENCLOSED PROXY CARD.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Directors

The Board currently consists of seven directors, four of whom the Board has affirmatively determined have no relationship with the Company or its subsidiaries which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent as defined by the applicable NASDAQ Listing Standards. The four independent directors are Paul Stephen Beeber, Randy B. Blaustein, Arnold Blumenthal and Andrew J. Wilder.

Board Structure and Committee Composition

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

The Board maintains three standing committees: Audit, Compensation/Stock Option, and Nominating. Each Committee is composed entirely of independent directors as defined in the applicable NASDAQ Listing Standards.

During fiscal 2008, the Board held five meetings. Each director attended at least 75% of all Board meetings and meetings of committees of which such director was a member.

Directors are expected to attend the Company's annual meetings of stockholders. All directors attended the last annual meeting of stockholders on December 4, 2007.

NAPCO maintains an "Investors" section on its website, www.napcosecurity.com, setting forth the Company's committee charters for the Audit, Compensation/Stock Option and Nominating Committees.

In addition, the Committee renders its report for inclusion in the Company's annual proxy statement.

The Audit Committee held five meetings in fiscal year 2008. The current members of the Audit Committee are Andrew J. Wilder (Chairman), Paul Stephen Beeber and Arnold Blumenthal, each of whom meets the NASDAQ Listing Standards for the independence of audit committee members. Compensation/Stock Option Committee

The Compensation/Stock Option Committee assists the Board in discharging its responsibilities relating to compensation of the Company's Chief Executive Officer and other executives. EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION & ANALYSIS

Compensation Program Objective

The objective of our executive compensation program is to allow us to successfully retain and motivate executives who enable us to achieve short and long term growth and operational excellence.

Oversight of Our Executive Compensation Program

The Compensation Committee of the Board of Directors (the "Committee") assists the Board in discharging its responsibilities relating to compensation of the Chief Executive Officer and other executive officers. The Committee's responsibilities are detailed in its charter, which can be found at www.napcosecurity.com

The Committee's process includes executive sessions where the Committee meets alone, without the presence of management.

Components of the Executive Compensation Program-Description of Elements and Evaluation Process

The named executive officers, including our Chief Executive Officer, have a compensation program that includes the following components:

- Base salary
- Annual incentives
- Long-term incentives in the form of stock options awards
- Employee benefits
- Perquisites

Compensation Mix. We do not have policies that define specific percentage allocations for fixed and variable compensation, or cash and non-cash compensation. We do, however, intend to deliver a portion of total compensation in the form of performance-based cash incentives and in awards of stock options, to achieve our objective of offering rewards for successful business results and shareholder value creation.

Base Salaries. Base salaries are used to compensate each of our executives for their positions and levels of responsibility. Each of Messrs. Soloway, Hevia and Carreri have employment agreements, which provide for a minimum base salary and a minimum annual cost-of-living adjustment. For fiscal 2008 Messrs. Soloway, Hevia and Carrieri's salaries were determined pursuant to such Employment Agreements.

Mr. Buchel's salary for the 2008 fiscal year was in an amount recommended by the CEO. The considerations entering into the determination by the CEO of the salary recommendation for Mr. Buchel were the CEO's subjective evaluations of the ability and past performance of Mr. Buchel and the CEO's judgment of Mr. Buchel's potential for enhancing the Company's profitability.

Annual Cash Incentives. The Committee's policy is that named executive officers, other than the CEO, should receive short term incentive compensation in the form of bonuses based, in part, on targeted sales and earnings recommended by the CEO. For fiscal 2008, the Company did not achieve targeted sales and earnings. Based on the CEO's recommendation, each named executive officer (including the CEO) received a cash bonus determined using a formula comparing actual operating income against budgeted operating income and multiplying that formula by each NEO's targeted bonus. In addition, Mr. Buchel's bonus reflects his work in overseeing the consummation of the successful Marks USA acquisition.

Long-term Incentive Awards. The purpose of the granting of stock options is to retain the services of the named executive officers and our key employees, and encourage them to improve our operating results and to become shareholders of the Company, all of which is intended to result in increased shareholder value.

The Committee's policy is generally to grant options to the named executive officers other than the CEO under the Company's Stock Option Plans after consideration of the amounts recommended periodically by the CEO. The recommendations of the CEO for option grants reflect the subjective judgment of the CEO of the performance of such executives and the potential benefit to the Company from the grant of this form of incentive compensation. Based upon the recommendation of the CEO, each of Messrs. Hevia, Carrieri and Buchel were granted options in fiscal 2008 to purchase 5,000 shares at an exercise price of \$5.35 per share. Mr. Soloway was granted options to purchase 25,000 in fiscal 2008 at an exercise price of \$5.89 per share.

Employee Benefits, Perquisites and Other Personal Benefits. As a general rule, we do not provide special benefits to senior executives and the named executive officers participate in the same plans - including term life insurance, health and disability insurance - available to all salaried employees. We do, however, pay the premiums on additional health and life insurance policies for the benefit of each of the named executive officers. See footnote to the Summary Compensation Table.

We offer one retirement plan, a qualified profit sharing 401(k) plan to all employees, including the named executive officers.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

We have provided certain perquisites to the named executive officers, as summarized in footnote 2 to the "Summary Compensation Table."

-10-

Employment Agreements

Change in Control, Severance Agreements. Under Mr. Soloway's Employment Agreement, if during its term there should be a change in control, then Mr. Soloway is entitled to terminate his employment and is entitled to receive a termination payment equal to 299% of the average of the prior five calendar years' compensation, subject to certain limitations. If the Company terminates Mr. Soloway's employment other than for Cause, as defined, or if Mr. Soloway terminates his employment with the Company for Good Reason, as defined, the Company shall pay a lump sum payment equal to (i) Mr. Soloway's annual base salary plus the bonus paid for the prior fiscal year multiplied by (ii) the greater of the number of years or portion thereof remaining in the term of the Agreement or three years.

Each of the agreements with Mr. Hevia and Mr. Carrieri provide for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment of the officer without cause. In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause.

We believe these changes in control and severance arrangements help to retain these executive talents by providing them with a sense of commitment by the Company to them.

Material Tax Implications

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the CEO and other named executive officers. Because of the range of compensation paid to its executive officers, the Committee has not established any policy regarding annual compensation to such executive officers in excess of \$1,000,000.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors hereby reports as follows:

1. The Compensation Committee has reviewed, and discussed with Management, the Company's Compensation Discussion & Analysis ("CD&A") appearing on pages 9-11 of this proxy statement.
2. Based on the review and discussions referred to in paragraph 1 above, the Compensation Committee recommended to the Board of Directors that the CD&A be included in this proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2008 filed with the Securities and Exchange Commission.

Employment Agreements and Potential Payments Upon Termination or Change in Control

The Company has employment agreements with Richard L. Soloway, Jorge Hevia and Michael Carrieri. The agreement with Mr. Soloway, entered into on June 26, 2003 for a five year period, and then year to year unless notice of termination is given at least six months prior to the end of the then applicable term, provides for a minimum annual salary to be adjusted for inflation and discretionary annual incentive compensation. Mr. Soloway's agreement contains non-compete restrictions during his employment and for one year after termination for any reason. The agreement also provides for termination payments to Mr. Soloway upon death, disability, termination by the Company other than for Cause, as defined, termination by Mr. Soloway for Good Reason, as defined, and termination by Mr. Soloway in the event of a change in control. In the event of death, the termination payment equals one year's salary payable over one year plus a bonus calculated on a pro rata basis through the end of the fiscal quarter immediately preceding death. In the event of disability, the Company must pay Mr. Soloway an amount equal to 60% of his annual salary through the term of the agreement plus his bonus on a pro rata basis through the end of the fiscal quarter preceding the sixth month of his disability. In the event the Company terminates Mr. Soloway other than for Cause or if Mr. Soloway terminates for Good Reason, the Company must pay Mr. Soloway, in a lump sum, an amount equal to three times his annual salary plus the bonus paid to him for the year prior to his termination. If during the term there should be a change in control, then Mr. Soloway is entitled to terminate his employment, and the Company is required to pay him, an amount equal to 299% of the average of the prior five calendar years' total compensation, subject to certain limitations. The Company's option plans provide for the accelerated vesting of unvested options upon a change in control.

Had Mr. Soloway's employment terminated on June 30, 2008 after a change in control, the Company would have been required to pay him \$2,027,279 pursuant to such agreement. In addition, assuming a change in control on June 30, 2008, vesting of options to purchase 72,500 shares of Company Common Stock would have been accelerated. The closing price per share of the Company's Common Stock on

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

the NASDAQ Global Market on June 30, 2008 (\$4.53) was less than the exercise prices of such accelerated options.

Under such agreement, had Mr. Soloway's employment terminated on June 30, 2008 on account of (i) death, (ii) disability or (iii) by the Company other than for Cause, or by Mr. Soloway for Good Reason, the Company would have been required to pay him \$621,171, \$391,993, and \$1,863,513, respectively.

Mr. Hevia's agreement terminates in October 2010. The agreement, as amended, provides for annual salaries of \$274,401 and \$288,121 during fiscal 2009 and 2010, respectively, as well as certain bonus provisions based on sales and profits. Mr. Hevia's agreement provides for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or upon a change in control of the Company. Had either of such events occurred on June 30, 2008, the Company would have been required to pay him \$202,410.

Mr. Carrieri's agreement terminates in August, 2010. The agreement provides for annual salaries of \$248,212 and \$260,023 during fiscal 2009 and 2010, respectively, as well as certain bonus provisions based on sales and profits. Mr. Carrieri's agreement provided for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause. Had Mr. Carrieri been terminated non-voluntarily without cause on June 30, 2008, the Company would have been required to pay him \$183,704.

In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause. Had Mr. Buchel's employment been terminated on June 30, 2008 non-voluntarily without cause, the Company would have been required to pay him \$188,149 pursuant to such severance agreement.

In the event of a change in control on June 30, 2008, vesting of options to purchase 16,000 shares would have been accelerated for each of Messrs. Hevia, Carrieri and Buchel. The closing price per share of the Company's Common Stock on the NASDAQ Global Market on June 30, 2008 (\$4.53) was less than the exercise prices of such accelerated options.

Each of the agreements with Messrs. Hevia, Carrieri and Buchel contains non-compete restrictions for three years after the employee's termination of employment.

Item 2: Amendment of the Amended and Restated Certificate of Incorporation to change the name of the Company to Napco Security Technologies, Inc.

On September 15, 2008, the Board of Directors of the Company unanimously adopted a resolution approving the amendment of the Company's Amended and Restated Certificate of Incorporation to change the name of the Company to Napco Security Technologies, Inc. (the "Amendment"). The Board of Directors further directed that the Amendment be submitted for consideration by stockholders at the Company's 2008 Annual Meeting. In the event the Amendment is approved by stockholders, the Company will thereafter execute and submit to the Delaware Secretary of State for filing a Certificate of Amendment of the Amended and Restated Certificate of Incorporation providing for the Amendment. The Amendment will become effective at the close of business on the date the Certificate of Amendment is accepted for filing by the Secretary of State.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form PRE 14A

The Board of Directors considers the proposed name change desirable because it more closely identifies its corporate name with its ongoing research and development efforts as well as its recent acquisition of Marks, which engages in, among other things, the door lock technology business. .

In the event stockholders approve the Amendment, Article First of the Company's Amended and Restated Certificate of Incorporation will be amended to change the name of the Company to Napco Security Technologies, Inc. and will read as follows:

"FIRST: The name of the corporation (hereinafter called the "Company") is Napco Security Technologies, Inc."

Approval of the Amendment will require the affirmative vote of a majority of the outstanding shares entitled to vote thereon. Proxies received in response to the Board's solicitation will be voted "FOR" approval of the Amendment if no specific instructions are included thereon for Item 2.

The Board of Directors believes adoption of the Amendment will be in the best interests of

the stockholders and, accordingly, recommends a vote FOR this proposal, which is ITEM 2 on the Proxy Card.
