In this proxy statement, we refer to Chicago Mercantile Exchange Holdings Inc. as "CME Holdings" and to Chicago Mercantile Exchange Inc. as "CME". In this proxy statement, the terms "we," "us" and "our" refer to CME Holdings and CME.

All holders of Class A and Class B common stock on February 25, 2004, the record date for the Annual Meeting, are invited to attend the Annual Meeting. If you attend, you may be asked to present valid picture identification, such as a driver's license or passport, and, if you are not a shareholder of record, evidence from your broker that you are a shareholder and are eligible to attend the meeting. Shareholders will not be allowed to use cameras, recording devices and other electronic devices at the meeting.

What proposals are we being asked to vote on?

Why is this proxy statement being sent to me?

We sent you these proxy materials because our Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement summarizes the information you need to vote at the Annual Meeting. On March 11, 2004, we began mailing these proxy materials to all of our holders of record of each class of Class A and Class B common stock, as of the close of business on February 25, 2004.

How do I vote?

You may vote by proxy or in person at the Annual Meeting. If you want to vote by proxy, please complete, sign and date the enclosed proxy card and return it in the enclosed postage-prepaid envelope. You may also cast your vote by telephone by calling the number on your proxy card or electronically over the Internet by going to the Web site designated on your proxy card. If you plan to attend the meeting and vote in person, we will give you a ballot when you arrive.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting also will be offered to shareholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it to the Annual Meeting in order to vote.

If you vote by proxy, the individuals named on the proxy card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for Equity Directors and, if applicable, Class B directors or Class B Nominating Committee members, and whether your shares should be voted for or against the ratification of our independent auditors.

Your vote is important. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares by returning the enclosed proxy card in the accompanying envelope, casting your vote by telephone or over the Internet. Voting by proxy will not affect your right to attend the meeting and vote your shares in person.

What if I return my proxy card but do not provide voting instructions?

If you sign, date and return the proxy card without indicating your instructions on how to vote your shares, the proxies will vote your shares as follows:

FOR the election of the seven nominees for Equity Directors;

ABSTAIN from voting for Class B directors, if applicable;

ABSTAIN from voting for Class B Nominating Committee members, if applicable; and

FOR the ratification of our Audit Committee's appointment of Ernst & Young LLP as our independent auditors for the 2004 fiscal year.

If any other matter is presented at the Annual Meeting, your proxies will vote in accordance with their best judgment. At the time this proxy statement went to press, we knew of no matters to be addressed at the Annual Meeting beyond those described in this proxy statement.

Can I change my mind after I vote?

Yes, if you attend the Annual Meeting, you may change your vote at any time before the voting closes at the meeting. If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in the following ways:

You may sign and deliver another proxy with a later date;

You may vote by telephone or over the Internet at a later date;

You may deliver a written revocation to our Corporate Secretary, Kathleen M. Cronin, before the Annual Meeting; or

You may attend the meeting and vote in person.

Your most current vote is the one that is counted. Simply attending the Annual Meeting will not automatically revoke your proxy. You must vote in person at the meeting in order to revoke your proxy. If you do not attend the Annual Meeting, your vote or revocation must be received by our proxy tabulator, Computershare Investor Services, by noon, Central Time, on April 21, 2004 to be counted.

Is my vote confidential?

All proxies, ballots and tabulations that identify the vote of a particular shareholder will be kept confidential, except as necessary to allow the inspectors of election to certify the voting results or to meet legal requirements. Representatives of Computershare Investor Services, our transfer agent, will act as the inspectors of election and will count the votes.

Comments written on proxy cards or ballots may be provided by Computershare to our Corporate Secretary, Kathleen M. Cronin, with the name and address of the shareholder. Each comment will be provided without reference to the vote of the shareholder, unless the vote is mentioned in the comment or unless disclosure of the vote is necessary in order to understand the comment. At our request, the inspectors of election may provide us with a list of shareholders who have not voted and periodic status reports on the aggregate vote. These status reports may include breakdowns of vote totals by different types of shareholders, although it is expected that we will not be able to determine how individual shareholders voted.

How many votes must be present to hold the Annual Meeting?

Your shares will be counted as present at the Annual Meeting if you attend the meeting and vote in person, if you properly return a proxy card or if you vote by telephone or over the Internet. In order for us to conduct the meeting, shareholders possessing at least one-third of the votes entitled to be cast on each proposal as of February 25, 2004, must be present. This is referred to as a quorum.

Proxies marked `withhold` or `abstain` and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker does not vote on some matter on the proxy card because the broker does not have discretionary voting power for that particular item and has not received instructions from

the beneficial owner. To ensure that there will be a quorum for each of the proposals to be voted on, please vote before the Annual Meeting, and allow your shares to be represented at the meeting by your proxies. Voting before the Annual Meeting will not prevent you from voting in person at the meeting. If you vote in person at the meeting, your previous vote will be revoked automatically.

How many votes are needed to approve the various proposals?

Each of the proposals presented at the Annual Meeting will be considered separately. Assuming that a quorum is present for the particular proposal, the following votes are required to approve each of the proposals:

<u>Proposal</u>	<u>Vote Required to Approve</u>
Election of Equity Directors	Seven nominees receiving the highest number of FOR votes from all classes of Class A and Class B common stock, voting together as a single class, will be elected
Election of each Class B director	Two Class B-1 nominees and one Class B-2 nominee receiving the highest number of FOR votes in his or her class will be elected as a Class B director for that class
Election of Class B Nominating Committee members	Five nominees receiving the highest number of FOR votes in their class will be elected to the Class B Nominating Committee for that class
Ratification of Ernst & Young LLP as our independent auditors	Must receive a FOR vote from holders of a majority of the shares present at the Annual Meeting

Under the rules of the New York Stock Exchange (NYSE), if you hold your shares through a bank or broker, your broker is permitted to vote your shares on the election of the Equity Director nominees and ratification of Ernst & Young LLP as our independent auditors, even if the broker does not receive instructions from you.

PROPOSAL 1

ELECTION OF DIRECTORS

Our certificate of incorporation provides that our Board of Directors be composed of 20 members. Our Board of Directors is divided into two classes, Class I and Class II, each of whose members serve for a staggered two-year term. At each Annual Meeting of Shareholders, the term of one class of directors expires, and the shareholders vote at that meeting to elect the directors nominated for that expiring class to hold office for a two-year term.

At this year's Annual Meeting, ten Class I directors will be elected. Seven Equity Directors will be elected by all shareholders voting together as a single class. Additionally, the holders of Class B-1 shares will elect two directors and the holders of Class B-2 shares will elect one director. Other than Mr. Chookaszian, Ms. Harrington and Mr. Pollock, each of the Equity Director nominees presented in this proxy statement is currently a director. If elected, each director's term will last until the 2006 Annual Meeting of Shareholders or until he or she is succeeded by another qualified director who has been elected or appointed by the Board.

MEETINGS OF OUR BOARD AND BOARD COMMITTEES

Our Board held 15 meetings during 2003. In addition to meetings of the full Board, some directors also attended meetings of Board committees on which they serve. Each incumbent director attended at least 75% of the Board meetings and meetings of committees of which he or she was a member during the 2003 fiscal year, except for Mr. Scholes. Mr. Scholes attended more than 75% of the meetings of the Board, but attended less than 75% of the meetings of certain committees of which he was a member. The non-management directors also meet periodically in executive sessions without management. The Chairman of the Board, currently Mr. Duffy, presides over these executive sessions. The Board of Directors has nine standing committees: Executive, Audit, Board Steering, Compensation, Electronic Transition, Governance, Marketing and Public Relations Advisory, Nominating and Strategic Implementation. Set forth below is a brief summary of each committee, its members and the number of meetings it held during 2003. As of December 31, 2003, Mr. McNulty resigned from our Board and its committees. Information Regarding Our Process for Identifying Equity Director Nominees

Our Board seeks directors from diverse professional backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. In selecting candidates, the Board endeavors to find individuals of high integrity who have a solid record of accomplishment in their chosen fields and who display the independence of mind and strength of character to effectively represent the best interests of our shareholders. Candidates are selected for their ability to exercise good judgment and to provide practical insights and diverse perspectives. The Nominating Committee, comprised entirely of directors who are independent under NYSE listing standards, reviews the qualifications and backgrounds of potential directors and recommends to the Board the slate of Equity Director nominees to be nominated for election at the Annual Meeting of Shareholders. In evaluating potential director nominees, the Nominating Committee will take into consideration, among other factors, whether the nominee:

has the highest professional and personal ethics and values;

is independent of management under our Independence Standards;

has the relevant expertise and experience required to offer advice and guidance to our Chief Executive Officer;

meets the industry diversity of interest composition requirements set forth in our bylaws;

has the ability to make independent analytical inquiries;

has sufficient time to carry out his or her duties and responsibilities;

is committed to enhancing shareholder value;

would be considered an audit committee financial expert or financially literate, as such terms are defined in applicable rules, regulations and listing standards; and

has an understanding of our business, products, market dynamics and customer base.

The Nominating Committee solicits candidates from its current directors and, if deemed appropriate, retains, for a fee, recruiting professionals to identify and evaluate candidates. The Nominating Committee also considers Equity Director nominees recommended by shareholders if the recommendations are submitted in writing, accompanied by a description of the proposed nominee's qualifications and other relevant biographical information and evidence of consent of the proposed nominee to serve as a director if elected. Recommendations should be addressed to the Nominating Committee, in care of Kathleen M. Cronin, Managing Director, General Counsel and Corporate Secretary, Chicago Mercantile Exchange Holdings Inc., 20 South Wacker Drive, Chicago, Illinois 60606. In considering a shareholder recommendation, the Nominating Committee may seek input from an independent advisor, legal counsel and/or other directors, as appropriate, and will reach a conclusion using its standard criteria. In 2003, two individuals submitted their names to the Nominating Committee for consideration. The Nominating Committee evaluated each individual's credentials against the Committee's standard criteria and the current needs of the Board and decided that they were not an appropriate fit. Of the three new Equity Director nominees, one was recommended by a third-party search firm retained by the Nominating Committee and the other two were recommended by current non-management directors. A copy of our Nominating Committee's charter is available on our Web site.

INDEPENDENCE OF DIRECTORS

The experience and diversity of our directors has been, and continues to be, critical to our success. In October of 2002, the Board adopted categorical Independence Standards consistent with the proposed listing standards of the NYSE. On November 4, 2003, the SEC approved the final listing standards of the NYSE, including its independence standards for directors. In March 2004, the Board adopted revised Independence Standards, which incorporate the NYSE final listing standards. Our Independence Standards provide that a director who acts as a floor broker, floor trader, employee or officer of a futures commission merchant, CME clearing member firm or other similarly situated person that intermediates transactions in or otherwise uses CME products and services shall be presumed to be independent, if he or she otherwise satisfies all of our other Independence Standards. A copy of our Independence Standards may be found on our Web site.

Pursuant to our Corporate Governance Principles, the Board of Directors undertook a review of director independence with respect to our continuing directors and our Equity Director nominees. During this review, the Board of Directors considered relationships and transactions between each director, any member of his or her immediate family, his or her affiliates, charitable organizations with which he or she was affiliated, and us. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. As a result of its review, the Board determined that as of the Annual Meeting, more than a majority of our directors will be independent as defined by our Independence Standards. Following our Annual Meeting, all of the members of our Audit, Compensation, Governance and Nominating Committees will also be independent.

All communications received will be compiled by the Office of the Corporate Secretary and submitted to the Governance Committee on a quarterly basis or more frequently as appropriate. The Governance Committee will report to the Board on communications received as necessary or appropriate. Emails received via directors@cme.com are screened for junk commercial email and general solicitations.

We maintain a toll-free telephone number (877-338-4545) for receiving complaints regarding accounting, internal control over financial reporting or auditing matters. Concerns related to our accounting, internal control over financial reporting or auditing matters will be referred to the Chairman of the Audit Committee and are handled in accordance with procedures adopted by the Audit Committee with respect to such matters.

We strongly encourage, but do not require, our directors to attend the annual meeting. Last year, 16 of our 20 directors attended the annual meeting of shareholders.

PROPOSAL 3**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

As required by Section 301 of the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE, our Audit Committee is directly responsible for the appointment, compensation and oversight of our independent auditors. The Audit Committee has appointed Ernst & Young LLP to serve as our independent auditors for the fiscal year ending December 31, 2004. Ernst & Young LLP served as our independent auditors for the fiscal year ended December 31, 2003. Representatives of Ernst & Young LLP will be present at the Annual Meeting, will be available to respond to appropriate questions and may make a statement if they so desire. Although we are not required to seek shareholder approval of this appointment, we believe it to be sound corporate governance to do so. If the appointment of Ernst & Young LLP is not ratified by our shareholders, our Audit Committee will investigate the reasons for the shareholder rejection and will consider appointing other independent auditors.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE 2004 FISCAL YEAR.

Principal Accountant Fees and Services

Fees paid to Ernst & Young LLP for each of the last two fiscal years are listed in the following table. Certain amounts for fiscal year 2002 have been reclassified to conform to the 2003 presentation.

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

Year Ended	Audit	Audit-Related Fees	Tax Fees	All Other Fees
December 31,	Fees			
2003	\$ 458,625	\$ 140,800	\$ 128,600	\$ 0
2002	\$ 969,000	\$ 10,000	\$ 11,300	\$ 0

Audit fees include fees for professional services rendered for the audit of our annual financial statements and review of our financial statements included in our Quarterly Reports on Form 10-Q and for other services that are normally provided by our independent auditors in connection with statutory and regulatory filings or engagements, including services provided in connection with our initial and secondary public offerings. The 2002 audit fees also include Ernst & Young's audit of our consolidated financial statements for each of the three years ended December 31, 2001.

Audit-related fees include fees for assurance and related services that are reasonably related to the performance of the audit and review of our financial statements, other than those services described under Audit Fees. These fees were primarily for services in connection with employee benefit plan audits and miscellaneous consultations.

Tax fees consist of services performed by our independent auditors' tax division, except those related to the audit, and include fees for tax compliance, tax planning and tax advice. In 2003, \$37,700 of our tax fees were for tax advice.

There were no fees billed for other services rendered by our independent auditors that would be included in all other fees for the years ended December 31, 2003 and 2002.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the auditors' independence. All of the services described above were pre-approved by the Audit Committee in accordance with our Audit and Non-Audit Services Policy.

Audit Committee Pre-Approval Policy

The Audit Committee is responsible for the appointment, retention, compensation and oversight of our independent auditors. The Audit Committee has adopted policies and procedures for pre-approving all services (audit and non-audit) performed by our independent auditors. In accordance with such policies and procedures, the Audit Committee is required to pre-approve all audit and non-audit services to be performed by the independent auditors in order to assure that the provision of such services is in accordance with the rules and regulations of the SEC and does not impair the auditors' independence. Under the policy, pre-approval is generally provided up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may pre-approve additional services on a case-by-case basis. For each additional proposed service, our independent auditors are required to provide detailed back-up documentation at the time of approval and the auditors and our Chief Financial Officer must attest as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The Audit Committee has delegated specific pre-approval to the Chairperson of the Audit Committee provided the estimated fee of the proposed service does not exceed \$100,000. The Chairperson must report any decisions to the Audit Committee at its next scheduled meeting. Periodically, but not less than quarterly, our Chief Financial Officer will provide the Audit Committee with a report of audit and non-audit services provided and expected to be provided by the independent auditors. A copy of our Audit and Non-Audit Services policy is available on our Web site.

Change in Independent Auditors

On May 15, 2002, our Board of Directors adopted the recommendation of our Audit Committee that Arthur Andersen LLP be dismissed as our independent auditors. Effective May 15, 2002, our Board of Directors, based upon a recommendation of our Audit Committee, retained Ernst & Young LLP as our independent auditors to audit our consolidated financial statements for the year ending December 31, 2002. Ernst & Young LLP was subsequently retained to audit our consolidated financial statements for each of the three years in the period ended December 31, 2001.

During the two most recent fiscal years ended December 31, 2001, and through May 15, 2002, there were no disagreements between us and Arthur Andersen on any matter of accounting principles, financial statement disclosure or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the matter of the disagreement in connection with their reports. The audit reports of Arthur Andersen on our consolidated financial statements as of and for the years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were these opinions qualified or modified as to uncertainty, audit scope or accounting principles.

During our two most recent fiscal years ended December 31, 2001, and through May 15, 2002, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During our two most recent fiscal years ended December 31, 2001, and during the interim period through May 15, 2002, we did not consult with Ernst & Young LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. The Audit Committee consists of four independent directors as defined in the listing standards of the New York Stock Exchange. Its duties and responsibilities are set forth in the Audit Committee Charter adopted by our Board of Directors, which was reviewed and revised in November 2003 and which is attached to this proxy statement as Exhibit A. In September 2003, in accordance with Section 301 of the Sarbanes-Oxley Act of 2002, the Audit Committee adopted a Procedure for Handling Complaints about Accounting Matters, providing for the receipt, retention and treatment of complaints received by the company regarding accounting, internal controls, or auditing matters (collectively, Accounting Matters) and the confidential, anonymous submission by company employees of concerns regarding Accounting Matters. In November 2003, the Audit Committee adopted revisions to the Audit and Non-Audit Services Policy for pre-approving all audit and non-audit services provided by the independent auditors. The Board of Directors has determined that William P. Miller II meets the SEC's definition of audit committee financial expert.

As set forth in more detail in the Audit Committee Charter, the primary responsibilities of the Audit Committee fall into three broad categories:

to serve as an independent and objective party to monitor our financial reporting process and internal control system;

to review and appraise the audit efforts of the independent auditors and internal audit department; and

to provide an open avenue of communication among the independent auditors, accountants, financial and senior management, the internal audit department and the Board of Directors.

The Audit Committee, during the course of each fiscal year, devotes the attention that it deems necessary and appropriate to each of the matters assigned to it under the Audit Committee Charter. To carry out its responsibilities, the Audit Committee met 14 times during fiscal year 2003 and three times during 2004 in regards to fiscal year 2003.

In the course of fulfilling its responsibilities, the Audit Committee has:

reviewed and discussed with management and the independent auditors all financial statements prior to their issuance and any significant accounting issues and been advised by management that all financial statements were prepared in accordance with generally accepted accounting principles;

discussed with the company's senior management and independent auditors the process used for certifications by the company's chief executive officer and chief financial officer, which are required for certain of the company's filings with the Securities and Exchange Commission;

reviewed, revised and discussed with management the Audit Committee Charter;

discussed with representatives of the independent auditors, Ernst & Young LLP, the matters required to be discussed pursuant to Statement on Auditing Standards No. 61, (Codification of Statements on Auditing Standards, AU §380);

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

received the written disclosures and the letter from our independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees;

discussed with the independent auditors their independence from the company and management;

reviewed payments to and pre-approved services of our independent auditors in accordance with the Audit and Non-Audit Services Policy; and

considered whether the provision by the independent auditors of non-audit services is compatible with maintaining their independence.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ended December 31, 2003 be included in CME Holdings' Annual Report on Form 10-K for that year.

Management is responsible for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The independent auditors are responsible for auditing those financial statements. The members of the Audit Committee are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including matters regarding auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors.

- (1) The option values were calculated based on the closing price of our Class A common stock on December 31, 2003 (the last business day of the fiscal year) of \$72.36, less the option exercise price, multiplied by the number of shares. An option is in-the-money if the market value of the common stock subject to the option is greater than the exercise price.
- (2) Mr. McNulty's stock option is divided into two tranches. Each tranche of the option entitles Mr. McNulty to purchase up to 2.5% of all classes of our common stock that were issued upon our demutualization. Mr. McNulty's option was vested with respect to 80% of the shares subject thereto as of February 7, 2003. The remaining 20% did not vest as Mr. McNulty's employment ended on December 31, 2003. For additional information regarding the terms of Mr. McNulty's stock option, please see the section of this Proxy Statement entitled "Employment Agreements." McNulty Employment Agreement. Effective December 31, 2003, Mr. McNulty resigned from his position as Chief Executive Officer.
- (3) Mr. McNulty's option value at December 31, 2003 was based on the excess of the estimated value of the option over the option exercise price for each tranche of the option. The estimated value of the Class B shares included in Mr. McNulty's option generally represents the last sales price of each Class B share, if a sale occurred within the last 15 business days preceding December 31, 2003. If no sale occurred within that time period, the average of the bid and offer at December 31, 2003 was used to value each of the Class B shares. The share prices used to calculate the estimated option value at December 31, 2003 were as follows: Class A \$72.36; Class B-1 \$355,000; Class B-2 \$335,000; Class B-3 \$184,500; Class B-4 \$31,500.

Employment Agreements

McNulty Employment Agreement. In February 2000, we entered into an employment agreement with Mr. McNulty to serve as our President and Chief Executive Officer. The agreement was amended effective December 31, 2002 and expired as of December 31, 2003. Under the agreement, Mr. McNulty received a minimum annual base salary of \$1.0 million. He was also eligible for an annual incentive bonus based upon the achievement of goals set by our Board of Directors, which bonus could not exceed the lesser of \$1.5 million or 10% of our net income. The agreement provided that Mr. McNulty was eligible to participate in the benefit plans available generally to our senior officers, including our Senior Management Supplemental Deferred Savings Plan and Supplemental Executive Retirement Plan and certain other non-qualified benefit plans as disclosed in the Summary Compensation Table.

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

Mr. McNulty also was granted a non-qualified stock option designed to reward him for increasing our value after the commencement of his employment. The exercise price of the option is fixed at an aggregate of \$54.6 million, based on the estimated value of the exchange on February 7, 2000, the date of grant, which was estimated to be approximately \$874 million. The option was granted prior to the time of the demutualization when the company had no shares of common stock outstanding. The value of the company was determined by

multiplying the average sale price in the previous six months for each membership class by the number of memberships in each class. Exchange memberships were used to determine the value of the exchange as it was anticipated that these memberships would be converted to common stock as part of the planned demutualization. Mr. McNulty's option is divided into two tranches, each representing 2.5% of each class of our common stock at the time of our demutualization on November 13, 2000 and adjusted for our holding company reorganization on December 3, 2001, representing an aggregate of 5.0% of each class of common stock outstanding. Upon exercise, Tranche A of the option would enable Mr. McNulty to realize 2.5% of the increase above our valuation on February 7, 2000, and Tranche B would enable him to realize 2.5% of any increase in excess of 150% of our valuation on February 7, 2000. Mr. McNulty may exercise one tranche independent of the other. However, Mr. McNulty may only exercise for a percentage of all shares in a tranche. We may elect to issue solely shares of our Class A common stock or cash or any combination of Class A common stock and cash upon any exercise of the option by Mr. McNulty.

The agreement provides that the number of shares and exercise price of a class of common stock subject to the option must be adjusted as a result of an equity restructuring, such as a stock dividend, spin-off, stock split, rights offering or recapitalization through a special, large nonrecurring dividend that causes the market value per share of the stock underlying the option to decrease or increase. The agreement further provides that a large nonrecurring dividend will be deemed to have been paid in the event that a nonrecurring cash dividend has been paid that is 1.5 or more times the prior calendar year's S&P 500 average dividend yield. The amount of the adjustment will equal the excess of the amount of the nonrecurring dividend less such 1.5 times measure. The option was adjusted to include 5% of the additional Class A shares issued in connection with our reorganization.

The option expires and is no longer exercisable following the date that is the earlier of (a) the 10-year anniversary of the grant date, (b) the date on which Mr. McNulty is notified of his termination for cause, (c) in the event of death, following payment to Mr. McNulty's estate in accordance with the terms of the employment agreement, or (d) 180 days after Mr. McNulty terminates his employment without good reason. The option may be exercised only as to the portion of the option that has vested. The option was vested with respect to 80% of the shares subject thereto as of February 7, 2003. The remaining 20% did not vest as Mr. McNulty's employment ended on December 31, 2003. The option is non-transferable except with the written consent of the Compensation Committee of our Board of Directors.

Mr. McNulty may exercise the option by delivering to us written notice of the percentage of shares covered by the option with respect to which the option is being exercised, accompanied by full payment of the exercise price for such shares. The exercise price of the shares purchased must be paid in full by any of the following methods, or any combination thereof, selected by Mr. McNulty: (i) in cash; (ii) in Class A common stock valued at its fair market value on the date of exercise; (iii) in Class B common stock valued at its fair market value on the date of exercise; (iv) in cash by a broker-dealer to whom Mr. McNulty has submitted an exercise notice consisting of a fully endorsed option; (v) by agreeing to surrender a portion of the option then exercisable, valued at the fair market value of the shares covered by the option, minus the exercise price for such shares; or (vi) by directing us to withhold such number of shares otherwise issuable upon exercise of the option having an aggregate fair market value on the date of exercise equal to the exercise price of the option. Shares of Class A common stock distributed pursuant to exercise of the option are transferable by Mr. McNulty. On April 28, 2003 and September 8, 2003, Mr. McNulty exercised a portion of his option. For additional information regarding these exercises, please see the table included in this Proxy Statement entitled "Aggregated Option Exercises in Last Fiscal Year and Option Values at December 31, 2003."

Other Employment Agreements. We entered into employment agreements with Mr. Donohue, Mr. Gill, Mr. Gomach and Mr. Krause, effective January 1, 2004, January 1, 2004, January 1, 2003 and January 1, 2003, respectively. Under these employment agreements, Mr. Donohue, Mr. Gill, Mr. Gomach and Mr. Krause will each receive a minimum annual base salary of no less than \$700,000, \$600,000, \$250,000 and \$250,000, respectively. Mr. Donohue and Mr. Gill are eligible to receive bonuses under our Annual Incentive Plan. Mr. Gomach and Mr. Krause are participants in our Annual Incentive Plan as well. The agreements provide that each of the executive officers are entitled to insurance, vacation and other employee benefits commensurate with their position in accordance with our policies for executives in effect from time to time.

Mr. Donohue's and Mr. Gill's agreements terminate on December 31, 2006, and December 31, 2007, respectively, unless sooner terminated by us or the executive officer. Mr. Gomach's and Mr. Krause's agreements terminate on December 31, 2005, unless sooner terminated by us or the executive officer. We may terminate each of the employment agreements pursuant to their terms due to the executive officer's death or disability, or with or without cause. In addition, the executive officer may terminate the agreement at any time upon 60 days written notice. If the executive officer's employment is terminated because of his death or disability or by us with or without cause, he or his beneficiary will receive accrued base salary through the date of termination and other employee benefits to which he is entitled at such time in accordance with the terms of our plans and programs. In addition, in the event of a termination with cause by us, the executive officer will forfeit any unvested or unearned compensation or long-term incentives, unless otherwise provided in the employment agreement or specified in the terms of our plans and programs. Mr. Donohue's and Mr. Gill's agreements provide that, in the event of a termination without cause by us, the executive officer shall be entitled to receive a one-time lump sum severance payment equal to two times his base salary as of the date of termination for the remaining term of the agreement, if any, or 24 months, whichever period is shorter. Mr. Gomach's and Mr. Krause's agreements provide that, in the event of a termination without cause by us, the executive officer shall be entitled to receive a one-time lump sum severance payment equal to 24 months base salary.

Benefit Plans with Change in Control Provisions

Omnibus Stock Plan

We have adopted the CME Holdings Amended and Restated Omnibus Stock Plan under which awards of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock and other equity-based awards may be made to our employees and those of our affiliates. A total of approximately 4.0 million shares of our Class A common stock are authorized for issuance under the Plan (subject to adjustment in the event of a merger, reorganization or similar corporate event involving us) of which approximately 2.7 million are subject to outstanding or exercised options or restricted share awards. The Plan is administered by the Compensation Committee of our Board, which has the responsibility for designating recipients of awards under the Plan, determining the terms and conditions of these awards and interpreting the provisions of the Plan.

The Plan contains a change in control provision. A change of control generally occurs under the Plan upon the occurrence of the following events:

any person acquires more than 50% of our then outstanding shares of Class A common stock or more than 50% of the combined voting power of the then outstanding shares of common stock;

individuals who comprised our Board on February 7, 2000 (generally including any person becoming a director who was nominated or approved by those persons) cease to constitute at least a majority of our Board;

a reorganization, merger, consolidation, or sale of all or substantially all of our assets under circumstances where (i) our shareholders prior to the transaction own less than 50% of the then outstanding shares or less than 50% of the combined voting power of the surviving or resulting corporation, (ii) the members of our Board immediately prior to the transaction do not constitute a majority of the Board of Directors of the resulting or surviving corporation or (iii) an individual or entity acquires 50% or more of the common stock or combined voting power of the surviving or resulting entity; or

the approval by our shareholders of a complete liquidation or dissolution of CME Holdings.

The Plan generally provides that, in the event of a change in control as a result of which our shareholders receive registered common stock, all unvested options issued under the Plan shall become vested and exercisable, restrictions shall lapse with respect to any restricted stock issued under the Plan and performance goals

applicable to outstanding awards shall be deemed to have been achieved. If the consideration to be received by our shareholders pursuant to the change in control is not registered common stock, outstanding awards will be cancelled in exchange for a cash payment equal to the value of such award (as defined in the Plan).

Pension Plan

We maintain a non-contributory defined benefit cash balance pension plan for eligible employees. To be eligible, an employee must have completed a continuous 12-month period of employment with us and have reached the age of 21. Effective January 15, 1995, the pension plan was amended to provide for an age-based contribution to a cash balance account, and to include cash bonuses in the definition of considered earnings. Our policy is to fund currently required pension costs. Participants become vested in their accounts after five years of service. An individual pension account is maintained for each plan participant. During employment, each individual pension account is credited with an amount equal to an age-based percentage of that individual's considered earnings plus the greater of 4% or the December yield on one-year Treasury constant maturities. The pension account is portable, and vested balances may be paid out when participants end their employment with us. Alternatively, a participant may elect to receive the balance in the account in the form of one of various monthly annuities. The following is the schedule of the employer contributions based on age:

Age	Employer Contribution
	Percentage
Under 30	3%
30 - 34	4
35 - 39	5
40 - 44	6
45 - 49	7
50 - 54	8
Over 54	9

The individuals named below have projected annual retirement benefits, based on current accumulated balances, a future annual interest credit rate of 6% and future service to age 65 at current salary levels, as follows: Mr. McNulty, \$0; Mr. Donohue, \$108,695; Mr. Gill, \$101,762; Mr. Gomach, \$91,781; Mr. Johnston, \$95,341 and Mr. Krause \$51,895.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee consists of four directors. The primary purpose of the Compensation Committee is to oversee the compensation of our employees with a special focus on executive compensation. A complete description of the Committee's function may be found in its charter, a copy of which may be found on our Web site.

Compensation Philosophy and Objectives

The Compensation Committee applies a consistent philosophy to compensation for all employees. This philosophy is based on the premise that our achievements result from the coordinated efforts of all employees working toward our business objectives. The goal of our executive compensation policy is to ensure that an appropriate relationship exists between pay, our financial performance and the creation of shareholder

value. When reviewing and approving compensation, or making recommendations regarding compensation to the Board, the Compensation Committee considers:

Alignment between pay and performance. It is the Committee's underlying principle that compensation should have a direct relationship with shareholder value, our business and financial objectives and an employee's performance.

Ability to attract and retain talented and qualified employees. The Committee's objective is to attract and retain highly qualified employees in a manner which provides incentives to create shareholder value.

Balance between rewarding short- and long-term performance. The Committee's goal is to design a compensation program that provides an appropriate mix of fixed and variable pay, balances short-term operational performance with long-term stock price performance, and encourages executive retention.

The Compensation Committee's primary mission is to structure and administer a range of compensation programs designed to enable us to attract and retain executive talent in a highly competitive marketplace. To help it fulfill this mission, the Compensation Committee periodically evaluates the competitiveness of our executive compensation programs, using information drawn from a variety of sources, such as published survey data on other financial and service institutions, information supplied by consultants and its own experience in recruiting and retaining executives. Each year, the Committee reviews management's recommendations for new staff officers, as well as compensation and benefit plan modifications and the funding of those plans. The Committee approves the annual total cash compensation of each of the Named Executive Officers, including the Chief Executive Officer, and the company's other executive officers. Once approved, base salary adjustments and bonus awards are paid in the first quarter of the following year.

During 2003, the Compensation Committee conducted several meetings on executive compensation. There are three primary forms of executive compensation: base salary, annual bonuses, and long-term equity compensation, each of which is intended to complement the other and, taken together, to satisfy our compensation objectives. The Committee's policies with respect to each of these components, including the basis for the compensation awarded to our former and current Chief Executive Officers, are discussed below.

Base Salary

The Committee uses base salary to provide competitive market salaries based on the position's duties and level of responsibility. Base salaries are reviewed annually to determine if such salaries fall within a competitive range. Individual salaries set within a competitive range are also based upon an evaluation of other factors, such as individual past performance, potential with the company, level and scope of responsibility, and internal equity. While executive base salaries are evaluated annually, we typically adjust salaries for those at more senior levels less frequently.

The base salary of each Named Executive Officer in 2003 is set forth in the Summary Compensation Table on page 31.

Annual Bonuses

Annual bonuses reflect both performance of the company and individual performance. The impact made on meeting or exceeding the goals of the company's business plan is a key consideration. Bonus awards to our officers are granted under the company's Annual Incentive Plan, approved by our shareholders in April 2003. The purpose of the Annual Incentive Plan is to align the interests of our management with those of our shareholders by encouraging management to achieve goals intended to increase shareholder value. Pursuant to the Plan, the Committee determines the criteria and objectives that must be met during the applicable performance period in order to earn an award under the Plan. For the 2003 Plan year, cash earnings was the metric used in determining performance against pre-established cash earnings goals for the year. For 2003, we exceeded our cash earnings target. Based on 2003 performance, the Committee approved individual executive bonuses to reflect efforts and achievements during 2003.

The bonuses awarded to each Named Executive Officer in 2003 are set forth in the Summary Compensation Table on page 31.

Long-Term Equity Compensation

The company provides long-term incentive awards through its Omnibus Stock Plan, which is administered by the Committee. The goal of our long-term, equity-based compensation is to align the interests of employees with shareholder interests, to encourage employees to work with a long-term view of our performance and to reinforce their long-term affiliation with the company.

Executives receive competitive long-term incentive awards as part of their annual compensation package. The Omnibus Stock Plan gives the Compensation Committee the flexibility to grant various types of equity vehicles, such as stock options, restricted stock and performance units. The types of awards granted each year reflect both the specific objectives intended, such as aligning employees' interests with shareholders' interests, and competitive practice. Currently, the two vehicles in use at the senior executive level are stock options and restricted stock. All other executives receive equity grants solely in the form of stock options. For 2003, the Committee approved equity grants for all executives, subject to the terms and provisions of the Plan.

The equity grants awarded to each Named Executive Officer in 2003 can be found in the Summary Compensation Table on page 31.

Former Chief Executive Officer Compensation

Mr. McNulty, our former Chief Executive Officer, stepped down when his contract expired on December 31, 2003. Under his employment agreement, Mr. McNulty received a minimum annual base salary of \$1.0 million. He was also eligible for an annual incentive bonus based upon the achievement of goals set by our Board, which bonus could not exceed the lesser of \$1.5 million or 10% of our net income. The agreement also provided that Mr. McNulty would be eligible to participate in the benefit plans available generally to the company's executives.

Under the agreement, Mr. McNulty was granted a non-transferable, non-qualified stock option, which was designed to reward him for increasing our value. If total value increases, exercise of the option would generally enable Mr. McNulty to realize 2.5% of the increase above the company's valuation on February 7, 2000, and 2.5% of any increase in excess of 150% of the company's valuation on February 7, 2000. We may elect to issue solely shares of our Class A common stock or cash or any combination of Class A common stock and cash upon any exercise of the option by Mr. McNulty. The option expires after 10 years. It may be exercised only as to the portion of the option that has vested. The option was vested with respect to 80% of the shares subject thereto as of February 7, 2003. The remaining 20% did not vest as Mr. McNulty's employment ended on December 31, 2003.

During 2003, the Board Steering Committee reviewed Mr. McNulty's performance and made recommendations to the Compensation Committee regarding his overall compensation. Mr. McNulty received a base salary of \$1.0 million in 2003 pursuant to his employment agreement and was eligible for an annual incentive bonus based upon the achievement of goals set by our Board, where the bonus could not exceed the lesser of \$1.5 million or 10% of our net income. Based on the achievement of pre-established economic, strategic and leadership performance goals for the 2003 year, the Compensation Committee approved an annual incentive bonus of \$1,250,000 for Mr. McNulty.

Current Chief Executive Officer Compensation

In November 2003, we entered into an employment agreement with Mr. Donohue to serve as our Chief Executive Officer, effective January 1, 2004 through December 31, 2006, subject to renewal by mutual agreement of the parties. The agreement provides for a minimum base salary of

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

\$700,000 per year. Mr. Donohue is eligible for an annual incentive bonus under the company's Annual Incentive Plan and may participate in the Equity Incentive Plan. Mr. Donohue is also entitled to participate in other benefit plans generally available to the company's executives.

Limit on Tax-Deductible Compensation

Section 162(m) of the Internal Revenue Code imposes a \$1 million limit on the deduction that the company may claim in any tax year with respect to compensation paid to the Chief Executive Officer and certain other senior executive officers. Certain types of performance-based compensation are exempted from this \$1.0 million limit. Performance based compensation can include income from stock options, restricted stock, and certain formula driven compensation that meets the IRS requirements. Last year, the shareholders approved the Annual Incentive Plan, which provides that amounts payable to the Chief Executive Officer and certain other senior executive officers will not be subject to the deduction limitations of Section 162(m). We reserve the authority, however, to authorize payments that may not be deductible if we believe that it is in the best interests of the company and its shareholders.

PROXY SOLICITATION

We will pay the costs of soliciting proxies. In addition to mailing proxy solicitation material, our directors and employees also may solicit proxies in person, by telephone or by other electronic means of communication. We will not compensate these directors and employees additionally for this solicitation, but we may reimburse them for any out-of-pocket expenses that they incur in the process of soliciting the proxies. We will arrange for brokers and other custodians, nominees and fiduciaries to forward the solicitation materials to their beneficial owners, and we will reimburse them for any out-of-pocket expenses that they reasonably incur in the process of forwarding the materials. EXHIBIT A

CHICAGO MERCANTILE EXCHANGE HOLDINGS INC.

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

CHARTER

I. Purpose

The Audit Committee (the "Committee") is a committee of the Board of Directors (the "Board") of Chicago Mercantile Exchange Holdings Inc. ("CME"). The primary purpose of the Committee is to provide independent and objective oversight of the financial statement and financial reporting process, the systems of internal accounting and financial controls, the internal audit function and the annual independent audit of CME's financial statements, including without limitation, (a) assisting the Board's oversight of (i) the integrity of the CME's financial statements, (ii) CME's compliance with legal and regulatory requirements, (iii) CME's independent auditors' qualifications and independence and (iv) the performance of CME's independent auditors and CME's internal audit function, and (b) preparing a report as required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in CME's annual proxy statement. In doing so, it is an objective of the Committee to provide an open avenue of communication between the Board, management, internal auditors and the independent auditors.

II. Membership & Organization

The members of the Committee and its Chairperson shall be appointed by the Board annually at or before the first Board meeting following the organizational meeting of the Board.

The Committee shall consist of no fewer than three directors who, as determined by the Board, are qualified to serve on the Committee pursuant to the requirements of the New York Stock Exchange (the "NYSE") listed company rules and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules and regulations promulgated by the SEC pursuant to the Exchange Act. Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee must have accounting or related financial management expertise, as such qualification is interpreted by the Board in its business judgment. Further,

At least one member of the Committee shall qualify as an audit committee financial expert, as such term is defined in the rules and regulations promulgated by the SEC pursuant to the Exchange Act. The Board shall determine who is an audit committee financial expert, not the Committee or the Committee Chairperson. No director may serve as a member of the Committee if such director simultaneously serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee. Any such determination must be disclosed in CME's proxy statement.

It is the responsibility of the Committee Chairperson to schedule all meetings of the Committee and provide the Committee with a written agenda for all meetings. A quorum of the Committee shall be declared when a majority of the appointed members of the Committee are in attendance. The Committee may ask members of management or others to attend the meeting and provide pertinent information as necessary.

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

In the event a Committee member faces a potential or actual conflict of interest with respect to a matter before the Committee, that Committee member shall be responsible for alerting the Committee Chairperson, and in the case where the Committee Chairperson faces a potential or actual conflict of interest, the Committee Chairperson shall advise the Chairperson of the Board. In the event that the Committee Chairperson, or the Chairperson of the Board, concurs that a potential or actual conflict of

A-1

interest exists, an independent substitute director may be appointed as a Committee member until the matter, posing the potential or actual conflict of interest, is resolved.

III. Committee Meetings, Tasks and Authority

General

The Committee shall meet as often as it determines necessary to carry out its duties and responsibilities but no less frequently than 4 times annually, keep minutes of its proceedings, report regularly to the Board and meet periodically with the independent auditors, director of internal audit and management in separate executive sessions to discuss any matters that the Committee or these groups believe should be discussed privately.

The Committee shall perform its responsibilities in accordance with this Charter and applicable regulatory requirements.

The Committee shall have the sole authority and direct responsibility to appoint, retain, compensate, evaluate and terminate CME's independent auditors. The independent auditors shall report directly to the Committee.

The Committee may retain independent counsel, accountants or other advisors as it determines necessary to carry out its duties and responsibilities and may direct the proper officers of CME to pay the reasonable fees and expenses of any such advisor.

Financial Reporting and Control Review Activities

The Committee shall review and discuss with the independent auditors and management:

CME's audited financial statements;

all critical accounting policies and practices to be used, audit conclusions regarding significant accounting estimates, audit adjustments, disagreements between the independent auditors and management and any other matters required to be brought forth by AICPA Statement of Auditing Standards No. 61 or under generally accepted auditing standards;

assessments of the adequacy of internal controls, including any identified material weaknesses and reportable conditions in internal controls over financial reporting and the identification of instances of management override or compromise of the internal control system;

reports issued with respect to the annual financial statements, internal control structure and procedures for financial reporting and compliance with certain specified laws and regulations and the basis for such reports;

significant issues regarding accounting principles and financial statement presentations, including any significant changes in CME's selection or application of accounting principles, and major issues as to the adequacy of CME's internal controls and any special audit steps adopted in light of material control deficiencies;

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

any analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the ramifications and effects of alternative generally accepted accounting principles on CME's financial statements;

all alternative treatments of financial information within generally accepted accounting principles that have been discussed by CME's independent auditors and management, the ramifications of the use of such alternative disclosures and treatments and the treatment preferred by the independent auditors;

A-2

all other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences;

the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of CME; and

the Annual Report on Form 10-K and each Quarterly Report on Form 10-Q prior to its filing, including CME's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations, and the results of the independent auditors' review and the certifications required under the Sarbanes-Oxley Act of 2002.

The Committee shall determine whether to recommend to the Board that the audited financial statements be included in CME's Annual Report on Form 10-K and the annual report to shareholders.

The Committee shall meet annually with the general counsel of CME, and outside counsel when appropriate, to review legal and regulatory matters, if any, that may have a material impact on the financial statements, including, without limitation, any matters involving potential or ongoing material violations of law or breaches of fiduciary duty to CME.

The Committee shall discuss in a general manner CME's earnings press releases, including the type and presentation of information to be included therein (paying particular attention to any use of pro forma or adjusted information not prepared in accordance with generally accepted accounting principles), as well as financial information and earnings guidance provided by CME to analysts and rating agencies.

Other Review Activities

The Committee shall annually review and discuss the independence of the auditors by, among other things:

securing from and discussing with the independent auditors the written disclosure and letter required by the AICPA Independence Standards Board Standard No.1, including any disclosed relationships or services that may impact the independent auditors' objectivity and independence, and take, or recommend that the full Board take, appropriate action to oversee the independence of the independent auditors;

ensuring that the lead audit partner and reviewing audit partner responsible for the current fiscal year audit of CME's financial statements have not performed audit services for CME for more than the previous four consecutive years;

ensuring that the chief executive officer, chief financial officer, chief accounting officer or controller (or other person serving in a financial reporting oversight role as defined in Rule 2-01(f) under the Exchange Act) was not, within one year prior to the initiation of the audit, an employee of the independent auditors who participated in any capacity in CME's audit;

obtaining assurances from the independent auditors that the independent auditor is in compliance with the provisions of Rule 2-01(c)(8) under the Exchange Act prohibiting compensation of audit partners based on the sale of non-audit services to the partner's audit clients;

considering whether there should be regular rotation of the independent auditors;

establishing CME hiring policies for employees or former employees of CME's current or former independent auditors; and

obtaining a report describing all relationships between the independent auditors and CME (including a description of each category of services provided by the independent auditors to CME and a list of the fees billed for each category).

The Committee should present its conclusions with respect to the above matters, including its review of the lead partner and the reviewing partner of the independent auditors, and its reason whether there should be regular rotation of the independent auditors, to the Board.

A-3

The Committee shall review and approve in advance the scope of the independent auditors' annual financial statement audit, the estimated fees and such other matters pertaining to such audit as the Committee may deem appropriate.

The Committee shall review and approve in advance all permitted non-audit engagements and relationships between CME and the independent auditors in accordance with CME's Audit and Non-Audit Services Policy.

The Committee shall review and oversee the resolution of all disagreements between the independent auditors or the internal auditors and management regarding financial reporting.

The Committee shall review and discuss CME's guidelines and policies governing the process by which senior management and the relevant departments and committees of CME assess and manage CME's exposure to risk, as well as CME's major financial risk exposure and the steps management has taken to monitor and control such exposures.

The Committee shall obtain and review no less frequently than annually a report by the independent auditors describing:

the independent auditors' internal quality-control procedures; and

any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by any governmental or professional authority, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues.

The Committee shall review on a regular basis with CME's independent auditors any problems or difficulties encountered by the independent auditors in the course of any audit work, including management's response with respect thereto, any restrictions on the scope of the independent auditors' activities or on access to requested information and any significant disagreements with management. In connection therewith, the Committee should review with the independent auditors:

any accounting adjustments that were noted or proposed by the independent auditors but were rejected by management (as immaterial or otherwise);

any communications between the audit team and the independent auditors' national office respecting auditing or accounting issues presented by the engagement; and

any management or internal control letter issued, or proposed to be issued, by the independent auditors to CME.

The Committee shall review the adequacy and effectiveness of CME's accounting and internal control policies and procedures on a regular basis, including the responsibilities, budget and staffing of CME's internal audit function, through inquiry and discussions with the independent auditors and management; and

The Committee shall review the yearly report prepared by management, and attested to by the independent auditors, assessing the effectiveness of CME's internal control over financial reporting and stating management's responsibility to establish and maintain adequate internal control over financial reporting, prior to its inclusion in CME's annual report, to the extent such report is required to be prepared, attested to and included pursuant to the rules and regulations of the SEC.

The Committee shall review with the chief executive officer and chief financial officer and independent auditors, periodically:

all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which could adversely affect CME's ability to record, process, summarize and report financial data, including any material weaknesses in internal controls identified by the independent auditors;

A-4

any fraud, whether or not material, that involves management or other employees who have a significant role in CME's internal control over financial reporting; and

any significant changes in internal control over financial reporting or in other factors that could significantly affect internal control over financial reporting, including any corrective actions with regard to significant deficiencies and material weaknesses.

The Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received by CME regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submission by employees of CME of concerns regarding questionable accounting or auditing matters.

The Committee shall obtain from the independent auditor assurance that the auditor is not aware of any matters required to be reported under Section 10A(b) of the Exchange Act (concerning detection of illegal acts).

With respect to the Internal Audit Department:

the Committee shall approve the appointment and replacement of the senior internal auditing executive; and

the senior internal audit executive shall report to the Committee and, for administrative purposes, shall report to the head of the legal department.

The Committee shall review such other matters and perform such additional activities, within the scope of its responsibilities, as the Committee or the Board deems necessary or appropriate.

IV. Reporting Activities

The Committee Chairperson, on behalf of the Committee, shall make regular reports to the Board. In connection therewith, the Committee Chairperson should review with the Board any issues that arise with respect to the quality or integrity of CME's financial statements, CME's compliance with legal or regulatory requirements, the performance and independence of the auditors, or the performance of the internal audit function.

The Committee shall prepare a report for inclusion in CME's proxy statement setting forth the basis for the Committee's recommendation to the Board with respect to inclusion of the audited financial statements in the Annual Report on Form 10-K and annual report to shareholders.

The Committee shall reassess the adequacy of this Charter no less frequently than annually and submit any recommended changes to the full Board for approval.

The Committee shall evaluate its performance on an annual basis and establish criteria for such evaluation. The Committee shall report to the Board regarding the results of the evaluation.

V. Limitation on the Role of the Audit Committee

Edgar Filing: CHICAGO MERCANTILE EXCHANGE HOLDINGS INC - Form DEF 14A

While the Committee has the duties and responsibilities set forth in this charter, the Committee is not responsible for preparing or certifying the financial statements, for planning or conducting the audit or for determining whether the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles.

In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of CME, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside CME from which it receives information, (ii) the accuracy of the financial and other information

provided to the Committee absent actual knowledge to the contrary (which shall be promptly reported to the Board) and (iii) statements made by management or third parties as to any information technology, internal audit and other non-audit services provided by the independent auditors to CME.

Nothing contained in this charter is intended to create, or should be construed as creating, any responsibility or liability of the members of the Committee, except to the extent otherwise provided under the applicable laws of State of Delaware which shall continue to set the legal standard for the conduct of the members of the Committee.
