Explanatory Statement

We are filing this registration statement to register an additional 52,511,311 shares of our common stock for issuance under the McDonald's Amended and Restated 2001 Omnibus Stock Ownership Plan (the "Plan"). The increase in the number of shares authorized for issuance under the Plan, as well as certain other amendments to the Plan that are described in our definitive proxy statement for our 2004 annual meeting of stockholders, were approved by our stockholders at our 2004 annual meeting held on May 20, 2004. We previously filed a registration statement on Form S-8 (Reg. No. 333-71656) and a post-effective amendment thereto on October 16, 2001 covering 90,000,000 shares of our common stock authorized for issuance under the original version of the Plan. Pursuant to General Instruction E to Form S-8, the contents of the earlier registration statement are incorporated herein by reference except to the extent supplemented, amended or superseded by the information set forth herein. Only those Items of Form S-8 containing new information not contained in the earlier registration statement are presented herein. In accordance with Item 8(a), an opinion of counsel as to the legality of the shares of common stock to be issued under the Plan is not provided because such shares will be treasury shares.
