Item 7. FINANCIAL STATEMENTS AND EXHIBITS

The exhibits listed below are furnished pursuant to Item 12 of this Form 8-K.
(c) Exhibits
99.1 Second Quarter 2004 Press Release dated July 23, 2004.
99.2 Question and Answer document on the July 23, 2004 Press Release.
Item 12. RESULTS OF OPERATIONS AND FINANCIAL CONDITION
The Second Quarter 2004 Press Release attached hereto as Exhibit 99.1, and the Question and Answer document attached hereto as Exhibit 99.2, which are incorporated in this Item 12 by reference, were posted on the Schlumberger internet web site (www.slb.com/ir) on July 23, 2004.
In addition to financial results determined in accordance with generally accepted accounting principles (GAAP) that are included in the attached Second Quarter 2004 Press Release and Question and Answer document, these documents also include the following non-GAAP financial measures (as defined under the SEC s Regulation G):
Net debt : Net debt is gross debt less cash, short-term investments and fixed income investments held to maturity. Management believes that net debt provides useful information regarding the level of the Company s indebtedness by reflecting cash and investments that could be used to repay debt, and that the level of net debt provides useful information as to the results of the Company s deleveraging efforts.
Income from continuing operations before credits and charges, diluted earnings per share before charges and credits and effective tax rate before credits and charges:
The following is a reconciliation of:
Income from continuing operations per the Consolidated Statement of Income to Income from continuing operations before charges and credits.

Diluted earnings per share before charges and credits.

Effective tax rate before charges and credits.

Reasons for excluding charges and credits - Management believes that the exclusion of these items enables it to evaluate more effectively the Company s operations period over period and to identify operating trends that could otherwise be masked by the excluded items.

Interest expense before swap-related charges/credits. Management believes that the exclusion of the loss recognized on interest rate swaps enables it to evaluate more effectively the Company s operations period over period and to identify operating trends that could otherwise be masked by the excluded items.

The foregoing non-GAAP financial measures should be considered in addition to, not as a substitute for, or superior to, total debt, net income, cash flows or other measures of financial performance prepared in accordance with GAAP as more fully discussed in the Company s financial statements and filings with the Securities and Exchange Commission.
