The following clarifications have been made to page 10 of the slides and page 4 of the transcript with respect to the company's previously announced restructuring plan to be completed over the next twelve months: (1) restructuring charges for the 2005 first quarter resulted in an after-tax charge of \$25 million (\$45 million before tax and minority interests); and (2) the company is targeting approximately \$45 million (before tax) in annualized savings from the restructuring plan when complete. For additional information, see Alcoa's press release dated April 6, 2005 filed as exhibit 99 to its Current Report on Form 8-K dated April 7, 2005.
