**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On September 16, 2005, BioDelivery Sciences International, Inc. (the **Company**) announced that on September 15, 2005 it received a written deficiency notification from the staff of the Nasdaq Stock Market (the **Staff**) indicating the Staff's view that: (i) Donald L. Ferguson, a director of the Company, is not independent under NASD Rule 4200(a)(15) and (ii) therefore, the Company's board of directors is not comprised of a majority of independent directors as required by NASD Rule 4350(c)(1). Accordingly, the Staff indicated its position that the Company does not meet the independent director requirement for continued listing on the Nasdaq Stock Market.

As a result of the Staff's determination, Mr. Ferguson and Alan Pearce, a director of the Company who is not independent, have resigned from the Company's board of directors effective September 15, 2005. The Company's board of directors is now comprised on seven members, four of whom are independent under NASD rules. The Company notified the Staff of this action and, as a result, the Staff provided the Company with a written notification that the Company has regained compliance with NASD rules and that this matter is closed.

Please see the disclosure under Item 3.01 of this Current Report on Form 8-K for information regarding the resignations of Donald L. Ferguson and Alan Pearce from the Company's board of directors.
