Item 4.01 Changes in Registrant's Certifying Accountant.

On August 11, 2006, the Audit Committee of the Board of Directors (the "Audit Committee") of Entravision Communications Corporation (the "Company") (i) terminated the engagement of McGladrey & Pullen LLP ("M&P") as the Company's independent registered public accounting firm and (ii) engaged PricewaterhouseCoopers LLP ("PWC") as the Company's independent registered public accounting firm.

The reports of M&P on the consolidated financial statements of the Company as of and for the years ended December 31, 2004 and 2005 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the years ended December 31, 2004 and 2005 through August 11, 2006, there were no disagreements with M&P on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of M&P, would have caused M&P to make reference to the subject matter of the disagreement in its reports on the Company's consolidated financial statements for such periods.

The Company has requested that M&P furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of such letter is filed herewith as Exhibit 16.1.

No consultations occurred between the Company and PWC during the years ended December 31, 2004 and 2005 and through August 11, 2006, regarding either (i) the application of accounting principles to a specific completed or proposed transaction, the type of audit opinion that might be rendered on the Company's financial statements, or other written or oral information provided that was an important factor considered by the Company in reaching a decision as to an accounting, auditing, or financial reporting issue, or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.
