Strategic Rationale

Leverages core competitive strengths

The most secure endpoint is a well-managed endpoint

A shared focus on the endpoint (desktops, laptops, servers, converged devices)

Complementary channels

Targets same IT buyer

Strengthens SME presence

Common OEM partners

Capitalizes on future technology trends

Virtualization, Intel vPro, mobile devices, Software-as-a-service

Symantec and Altiris: A Winning
Combination

For Altiris this means:

New opportunities for growth through combining solutions
with Symantec's security expertise
For Symantec this means:

Increased capability to leverage strengths on the
enterprise endpoint

Summary

The most secure endpoint is a well-managed endpoint

Symantec and Altiris
leverage respective competitive
strengths

Symantec: endpoint security, compliance and backup

Altiris: endpoint management and remediation

Combined, we create the most comprehensive endpoint
suite available

Complementary channel strengths through VARs, SIs,
and OEMs

Focus on the SME segment

We expect this transaction to be accretive to our FY08
operating plan

Altiris Employees

We Need You!

This acquisition is about the expertise and deep industry knowledge of the team

Approximately 62% of Symantec's workforce today joined through an acquisition

Symantec has acquired 20 companies in the last 4 years, adding more than 9,000 employees to its workforce

PowerPoint Style Guide

2007-2009 Symantec Confidential

What's Next?

Maintain momentum of current plans and projects.

Business as usual
mindset

Designated team will conduct joint planning across product management, sales and marketing, engineering, infrastructure, and HR.

Quiet Period under HSR (Hart Scott Rodino Act)

Restricted communications between companies

Limited access to information

Your management team will update you with as much information as possible considering HSR restrictions

Position alignment to Symantec structure

Once acquisition is finalized, Altiris
will operate as a new business
unit within Symantec

Greg Butterfield will continue to lead the team and will report to John Thompson

Employee Compensation Overview

Pay for Performance

All of Symantec's compensation programs are based on this philosophy. The objectives of our pay program are to recognize differences in individual performance, provide monetary rewards for outstanding performers, and maintain a pay system that is internally fair and externally competitive.

Total Compensation

Symantec's focus is on your Total Compensation package, which includes base pay, profit sharing, commissions, and a wide array of employee benefits.
