PROXY STATEMENT

INTRODUCTION

Our Board of Directors is soliciting proxies to be voted at our Meeting of Stockholders on October 14, 2008, at 8:00 a.m. Pacific Time, and at any adjournments or postponements thereof, for the purposes set forth in the attached Notice of Meeting of Stockholders. The notice, this proxy statement and the form of proxy card enclosed are first being sent to stockholders on or about September 11, 2008. As used in this proxy statement, the terms Company, Visa, we, us, and our refer to Visa Inc.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE MEETING OF STOCKHOLDERS TO BE HELD ON OCTOBER 14, 2008.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND THE MEETING:

Question: *Why am I receiving these materials?*

Answer: Our Board of Directors is providing these proxy materials to you in connection with our Meeting of Stockholders, to be held on October 14, 2008 (the meeting). As a stockholder, you are invited to attend the meeting, and are entitled to and requested to vote on the items of business described in this proxy statement.

Question: *Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?*

Answer: Pursuant to the rules recently adopted by the Securities and Exchange Commission (SEC), we are making this proxy statement available to stockholders electronically via the Internet. On or before September 11, 2008, we mailed to our stockholders of record the Notice of Internet Availability of Proxy Materials for the Meeting of Stockholders of Visa Inc. to be held on October 14, 2008 (the notice). All stockholders will be able to access this proxy statement on the website referred to in the notice or request to receive printed copies of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the notice. We believe that this new electronic process will expedite your receipt of the proxy materials and reduce the cost and environmental impact of holding our meeting.

Question: *How can I electronically access the proxy materials?*

Answer: The notice provides you with instructions on how to view our proxy materials for the meeting on the Internet. The website on which you will be able to view our proxy materials will also allow you to choose to receive future proxy materials electronically by e-mail, which will reduce the environmental impact and provide cost savings relating to printing and mailing documents to you.

Question: *How can I obtain a full set of proxy materials?*

Answer: The notice provides you with instructions on how to request to receive printed copies of the proxy materials. You may request printed copies until one year after the date of the meeting.

Question: *What information is contained in this proxy statement?*

Answer: This information relates to the proposal to be voted on at the meeting, the voting process and certain other required information.

Table of Contents

Question: *Who is soliciting my vote pursuant to this proxy statement?*

Answer: Our Board of Directors is soliciting your vote at the meeting.

Question: *Who is entitled to vote?*

Answer: Only stockholders of record at the close of business on August 27, 2008 will be entitled to vote at the meeting. Our class A common stock, class B common stock and each series of our class C common stock will be entitled to vote at the meeting.

Question: *How many shares are eligible to be voted?*

Answer: As of August 27, 2008, we had _____ shares of class A common stock, _____ shares of class B common stock, _____ shares of class C (series I), _____ shares of class C (series II), _____ shares of class C (series III) and _____ shares of class C (series IV) common stock issued and outstanding. Stockholders of our class A, class B and each series of our class C common stock will be eligible to vote on the proposal to amend and restate our current certificate of incorporation to eliminate unnecessary provisions and synchronize the directors' terms with our annual meeting schedule. Stockholders of our class B common stock and each series of our class C common stock will be eligible to vote on the proposal on an as-converted basis, which means that each class and series will be entitled to a number of votes equal to the number of shares of class A common stock into which such shares are convertible.

Question: *What am I voting on?*

Answer: You are voting on a proposal to amend and restate our current certificate of incorporation to eliminate unnecessary provisions and synchronize the directors' terms with our annual meeting schedule.

Question: *How does our Board of Directors recommend that I vote?*

Answer: Our Board of Directors recommends that you vote **FOR** the proposal to amend and restate our current certificate of incorporation to eliminate unnecessary provisions and synchronize the directors' terms with our annual meeting schedule.

Question: *How many votes are required to hold the meeting?*

Answer: The majority of the shares of common stock outstanding on the record date must be present in person or by proxy to hold the meeting. A separate vote is required by holders of our class A, class B and each series of our class C common stock, so holders of a majority of the outstanding shares of each class and series must be present in person or represented by proxy for each class to have a quorum entitled to vote on the amendments.

Question: *How many votes are required for the proposal to pass?*

Answer: The amendment to our current certificate of incorporation to eliminate unnecessary provisions and synchronize the directors' terms with our annual meeting schedule requires the affirmative vote of the holders of a majority of the outstanding shares of our class A, class B and each series of our class C common stock voting separately as a class.

Question: *How may I cast my vote?*

Answer: You have three options for submitting your vote before the meeting: via the Internet, by telephone or by mail. If you have Internet access, we encourage you to record your vote on the Internet. If you hold your shares in your name as a registered holder you may submit your vote in person. If your shares are held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in _____ street name _____. If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Visa. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form. The vote you cast in person will supersede any previous votes that you submitted, whether by Internet, telephone or mail.

Table of Contents

Question: *How may I cast my vote in person?*

Answer: Stockholders intending to attend the meeting in person must reserve their seat by October 10, 2008 by contacting our Investor Relations department at (415) 932-2213. Due to physical space constraints at the meeting location, anyone seeking admittance that cannot prove such ownership or has not reserved their seat in advance may not be admitted. Individuals who own shares through a broker or other nominee should bring to the meeting a legal proxy, brokerage statement or written proof of ownership. Representatives of institutional stockholders should bring a legal proxy or other proof that they are representatives of a firm that held shares as of the close of business on August 27, 2008 and are authorized to vote on behalf of the institution.

Question: *How may I cast my vote over the Internet or by telephone?*

Answer:

Voting over the Internet: www.proxyvote.com

Voting by Telephone: + 1-800-454-8683

Question: *How may I revoke or change my vote?*

Answer: If you are a stockholder, you may revoke your proxy at any time before the close of the polls at 9:00 a.m. Pacific Time on October 14, 2008 by submitting your vote in person at the meeting, via the Internet, by telephone or by mail (any mailed revocations must be actually received by the Company by 8:00 a.m. Pacific Time on October 14, 2008), or by delivering instructions to our Corporate Secretary before the meeting.

Question: *Who is paying for the costs of this proxy solicitation?*

Answer: We will bear the expense of soliciting proxies, and we have retained D. F. King & Co., Inc. to solicit proxies for a fee of \$20,000 plus a reasonable amount to cover expenses. We currently estimate that this expense reimbursement will cost us more than \$15,000. The actual amount will depend on variables such as the number of proxy materials, the number of stockholders receiving electronic delivery and postage cost.

Question: *Who will count the votes?*

Answer: Wells Fargo Shareowner Services has been engaged as our independent inspector of elections to tabulate stockholder votes.

Question: *What happens if the meeting is adjourned or postponed?*

Answer: Your proxy will still be effective and may be voted at the rescheduled meeting. You will still be able to change or revoke your proxy until it is voted.

Question: *How are votes counted?*

Answer: You may vote **FOR**, **AGAINST** or **ABSTAIN** with respect to the proposal to amend and restate our current certificate of incorporation to eliminate unnecessary provisions and synchronize the directors' terms with our annual meeting schedule. If you **ABSTAIN**, it will cause your vote to be counted neither **FOR** nor **AGAINST** the proposal. Abstentions will count for the purpose of determining whether a quorum is present for conducting the meeting. If you complete the voting instructions on the proxy card and submit your proxy, the persons named as proxies will follow your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote your shares **FOR** the adoption of the proposal set forth in this proxy statement and in accordance with the discretion of the persons appointed as proxies on any other matters properly brought before the meeting for a vote.

Table of Contents

If your shares are held by your broker as your nominee in street name you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give your broker instructions, the shares will be treated as broker non-votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal. However, shares represented by such broker non-votes will be counted in determining whether there is a quorum.

Question: *How can I communicate with the Board of Directors?*

Answer: Stockholders and other interested parties may send communications in writing to any or all members of the Board (including the Lead Director, the Chairman or the non-management directors as a group) addressed c/o the General Counsel and Corporate Secretary, P.O. Box 8999, San Francisco, California 94128. Communications should be accompanied by the address, telephone number and e-mail address, if any, of the person submitting the communication. Communications not appropriate for delivery to the Board of Directors will not be delivered.

INFORMATION ABOUT THE MEETING

Our Board of Directors solicits your proxy for the meeting to be held at 8:00 a.m. Pacific Time on October 14, 2008 at the San Francisco Museum of Modern Art, 151 3rd St., San Francisco, California 94103, and at any adjournments or postponements of the meeting, for the purposes set forth in the Notice of Meeting of Stockholders. We have made copies of this proxy statement available, beginning on September 2008, to the holders of record of each of our class A, class B and class C common stock.

Record Date and Share Ownership. Only stockholders of record at the close of business on August 27, 2008 will be entitled to vote at the meeting. Because a separate class vote of each class and series is required, a majority of the outstanding shares of each class and series of common stock must be present in person or by proxy to have a quorum. On June 11, 2008, we announced a record date of September 5, 2008; however, we have changed the record date to August 27, 2008 so that we can furnish proxy materials to you over the Internet pursuant to Rule 14a-16 Internet Availability of Proxy Materials under the Securities Exchange Act of 1934.

Submitting and Revoking Your Proxy. If you complete the voting instructions on the proxy card and submit your proxy, the persons named as proxies will follow your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote your shares as follows:

FOR the amendments to our current certificate of incorporation as set forth in *Proposal 1: Amendments to our Current Certificate of Incorporation to eliminate unnecessary provisions and synchronize the directors terms with our annual meeting schedule.*

In addition, if other matters are properly presented for voting at the meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. We have not received notice of any other matter that may be properly presented for voting at the meeting.

Your vote is important. Please vote as soon as possible to ensure that your vote is recorded promptly, even if you plan to attend the meeting in person. You have three options for submitting your vote before the meeting: via the Internet, by telephone or by mail. If you have Internet access, we encourage you to record your vote on the Internet. If you are a registered holder or your shares are held in street name, you may submit your vote in person. The vote you cast in person will supersede any previous votes that you submitted, whether by Internet, telephone or mail.

The polls will close at 9:00 a.m. Pacific Time on October 14, 2008; any further votes will not be accepted after that time. We will announce preliminary results at the meeting and publish the final results on our Web site at www.investor.visa.com shortly after the meeting. If you have any questions about submitting your vote, call our Investor Relations department at (415) 932-2213.

PROPOSAL 1: AMENDMENTS TO OUR CURRENT AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE UNNECESSARY PROVISIONS AND SYNCHRONIZE THE DIRECTORS' TERMS WITH OUR ANNUAL MEETING SCHEDULE

General.

On August 22, 2008 our Board of Directors unanimously adopted resolutions approving, declaring advisable and recommending to the stockholders for approval, each of the amendments to our current certificate of incorporation set forth in this Proposal 1.

Background to the Amendments.

Our current certificate of incorporation provides for a classified board with three classes with fixed terms that expire, with certain exceptions, on the first, second and third anniversary of the first day of the closing of our reorganization, which was October 1, 2007, and that our Board of Directors will include regional directors from the date of the closing of our initial public offering of our common stock in March 2008 (IPO) until the third anniversary of our IPO. It also includes certain provisions that were required solely to facilitate the reorganization and our IPO. In light of the completion of our IPO, our management, aided by our legal advisors, has conducted a review of our current certificate of incorporation regarding any changes that might be advisable and in our interest and the interest of our stockholders.

As a result of its review, our management proposed amendments to our current certificate of incorporation to eliminate the fixed term of our directors and provide instead that the directors' terms would be synchronized with our annual meeting schedule. The proposed amendments also provide that our Board of Directors will include regional directors from the date of the closing of our IPO until the day immediately preceding the date of our annual meeting to be held in the calendar year 2011 (as opposed to the third anniversary of our reorganization). As a result of such amendment, the requirement that our Board of Directors includes regional directors will end on the day immediately preceding the date of our annual meeting to be held in the calendar year 2011, and not between the third and fourth anniversary of the IPO. Furthermore, the proposed amendments provide that the Board of Directors may fill vacancies on the Board of Directors occurring prior to April 30, 2009, by a resolution adopted by an affirmative vote of a majority of the directors then in office (without having to go through the additional nominating processes currently set forth in our current certificate of incorporation) and the term of directors so chosen will expire on the annual meeting at which the class to which such director has been elected will expire.

The proposed amendments will also eliminate certain other provisions that were required solely to facilitate our reorganization and the IPO. Such provisions will no longer serve any purpose and allowing them to remain in our current certificate of incorporation is unnecessary and could potentially confuse investors and the general public. Additionally, the amendments update all section references and definitions consistent with each substantive change.

In the event that Proposal 1 is not passed, under our current certificate of incorporation the terms of our Class I directors, the regional directors, will expire and, due to the complexity of certain terms of our current certificate of incorporation regarding the filling of vacancies, such vacancies are likely to continue to be unfilled for a period of several months while implementing the process for filling vacancies. As a result, we believe that there are compelling corporate governance reasons to approve Proposal 1 and fill the vacancies promptly.

The following table summarizes the reasons for and general effects of the proposed amendments to eliminate unnecessary provisions and synchronize the directors' terms with our annual meeting schedule; the table does not cover all aspects in which your rights as an existing stockholder may differ from your rights after the adoption of Proposal 1. For complete information, you should read the full text of the proposed amended and restated certificate of incorporation attached as Annex-A to this proxy statement. To see the proposed amendments marked against the current text, please refer to Annex-B to this proxy statement.

Reduction of Authorized Capital Stock

Under the current certificate of incorporation, the total number of shares of all classes of capital stock that Visa is authorized to issue is 2,004,559,484,030 shares consisting of:

In accordance with the terms of the current certificate of incorporation and in connection with our reorganization, all of the issued and outstanding shares of regional classes of common stock were converted into either class B common stock or class C common stock on March 17, 2008.

(i) 25,000,000 shares of preferred stock, par value \$0.0001 per share, of which none are issued,

Specifically, the regional classes of common stock include class USA common stock, class EU common stock, class Canada common stock, class AP common stock, class LAC common stock and class CEMEA common stock. As none of these shares (which are enumerated in romanettes (v) through (x) of this section) are currently issued and outstanding, and we have no further purpose for these shares, we propose to eliminate them from our capitalization.

(ii) 2,001,622,245,209 shares of class A common stock, par value \$0.0001 per share, of which 447,758,505 were issued and outstanding as of August 18, 2008,

(iii) 622,245,209 shares of class B common stock, par value \$0.0001 per share, of which 369,038,802 were issued and outstanding as of August 18, 2008,

As a result of eliminating these shares, the number of shares of all classes of capital stock that Visa is authorized to issue will accordingly be reduced to 2,003,366,656,020.

(iv) 1,097,165,602 shares of class C common stock, par value \$0.0001 per share, of which 267,134,093 were issued and outstanding as of August 18, 2008,

(v) 622,245,209 shares of class USA common stock, par value \$0.0001 per share, of which none are issued and outstanding,

(vi) 283,582,801 shares of class EU common stock, par value \$0.0001 per share, of which none are issued and outstanding,

(vii) 25,000,000 shares of class Canada common stock, par value \$0.0001 per share, of which none are issued and outstanding,

(viii) 130,000,000 shares of class AP common stock, par value \$0.0001 per share, of which none are issued and outstanding,

(ix) 90,000,000 shares of class LAC common stock, par value \$0.0001 per share, of which none are issued and outstanding, and

(x) 42,000,000 shares of class CEMEA common stock, par value \$0.0001 per share, of which none are issued and outstanding.

Regional Classes of Common Stock

Our current certificate of incorporation contains various references to the regional classes of common stock, the mechanics for the conversion thereof in connection with the IPO and adjustments to the regional conversion rate in connection with the true-up of merger consideration described in Section 4.15 of our current certificate of incorporation.

In connection with our IPO, the true-up adjustments were completed and all issued and outstanding shares of our regional classes of common stock were converted into class B or class C common stock and no regional shares of common stock are outstanding. Subsequently, all regional classes of stock were retired. Therefore it is not necessary to include these sections in the proposed amended and restated certificate of incorporation because they no longer serve any corporate purpose.

Provisions of the Proposed Amended and Restated

Certificate of Incorporation

Certain Corporate Events

True-Up Distribution Date

The current certificate of incorporation defines the true-up distribution date as the date on which each regional class of common stock will be converted into shares of class B common stock or class C common stock, as applicable, and provides the mechanics for the true-up, which occurred on March 17, 2008.

The proposed amended and restated certificate of incorporation eliminates references to and the definition and mechanics of the true-up distribution date because the date has passed and the applicable conversion of regional classes of common stock into shares of class B or class C common stock has been completed. Therefore, the eliminated provisions no longer serve any corporate purpose.

Provisions Related to our IPO

The current certificate of incorporation defines the IPO date as the date on which sales of class A common stock in the IPO are first settled in accordance with the terms of the related underwriting agreement entered into in connection with our IPO.

The IPO date occurred on March 25, 2008. The proposed amended and restated certificate of incorporation eliminates references to the IPO date where such references no longer serve any corporate purpose and amends the definitions of IPO date and final IPO date to refer to March 25, 2008, the date on which our IPO was settled and the related underwriters' over-allotment was exercised in full and settled.

Reference is made to restrictions on the issuance of class A common stock prior to the IPO date. The current certificate of incorporation provides that prior to the IPO date, no shares of class A common stock shall be issued except in connection with, or at any time after, the closing of the IPO; provided that we will have authority to issue shares of class A common stock pursuant to the terms of our equity based compensation plan approved by the Board of Directors.

As the IPO date has occurred, this provision no longer serves any corporate purpose and the amendment serves to eliminate it.

Voting Rights

Prior to True-Up Distribution Date

Provisions in the current certificate of incorporation provide for voting rights prior to the true-up distribution date for the holders of each class of common stock as follows and for the period between the true-up distribution date and the IPO date. Both the true-up distribution date and the IPO date occurred in March 2008.

The proposed amended and restated certificate of incorporation would eliminate the description of voting rights prior to the true-up distribution date and for the period between the true-up distribution date and the IPO date because the true-up distribution date occurred on March 17, 2008 and the IPO date occurred on March 25, 2008. The description of voting rights during these periods is now historical and no longer serves any corporate purpose.

Provisions of the Proposed Amended and Restated

Dividends and Distributions

The current certificate of incorporation sets forth procedures for the payment of dividends and share distributions. All holders of outstanding shares of class A common stock, class B common stock, class C common stock or, prior to the true-up distribution date, holders of outstanding shares of any regional class of common stock, as applicable, are entitled to participate ratably, on an as-converted basis, in any dividend or distribution paid on the common stock.

The proposed amended and restated certificate of incorporation would update section references and eliminate references to the true-up distribution date and the regional classes of common stock because the true-up has been completed and the regional classes of common stock have been converted into class B or class C common stock as applicable. Therefore, such references are historical and no longer serve any corporate purpose.

The current certificate of incorporation does not include a definition of beneficial ownership or reference the definition in Rule 13d-3 and Rule 13d-5 under the Securities Exchange Act of 1934.

As proposed, the addition of the defined term *Beneficially Owned* clarifies that this term will be used consistently throughout our amended and restated certificate of incorporation.

Conversion of Shares

Prohibition of Fractional Shares

The current certificate of incorporation prohibits the issuance of fractional shares, with an exception for shares of any regional class of common stock, and any shares of class B common stock or class C common stock into which any shares of any regional class of common stock may be converted.

The proposed amendment removes the reference to regional shares because the regional classes of common stock have been converted into shares of class B or class C common stock. Therefore, the eliminated references no longer serve any corporate purpose.

Board of Directors

Board Composition

The current certificate of incorporation provides certain board composition requirements that were effective prior to the IPO including a board member representing the Visa Europe region.

The proposed amendment would eliminate such provisions because they are now historical and no longer serve any corporate purpose.

The current certificate of incorporation provides that until the third anniversary of the date the underwriters exercise their overallotment option in connection with the IPO, the Board of Directors shall consist of 17 directors, 58% of which will be independent (as defined therein), six will be regional directors and one will be an executive director. The current terms of the Class I, Class II and Class III directors currently expire on the first, second and third anniversary of our reorganization respectively.

The proposed amendment would synchronize our directors' terms with our annual meeting schedule. By synchronizing our directors' terms and annual meeting schedule, we will avoid the requirement to make duplicative regulatory filings in connection with the election of our directors and the solicitation of proxies in connection with such elections. The amendment will also improve our corporate governance by ensuring that directors-elect will take office promptly after they are elected and qualified, thereby giving more immediate effect to the will of our stockholders.

Table of Contents

Provisions of the Current Certificate of

Incorporation

The current certificate of incorporation provides that until the third anniversary of the final IPO date, in the event of a vacancy on the Board of Directors resulting from the expiration of the initial term of the regional directors or the death, resignation, disqualification or removal of any regional director, the Board of Directors shall request that a representative sample of the holders of the applicable class or series of common stock that was entitled to vote for the election of such regional director, as the Board of Directors may determine, in its sole discretion, (such stockholder(s) or any individuals designated by such stockholder(s), a Regional Nominating Committee), nominate an individual to fill such vacancy, which individual is required to be a current or former senior executive of a financial institution associated with the applicable class or series of common stock which was entitled to vote for the election of such regional director.

The current certificate of incorporation provides that subject to the rights of the holders of any series of preferred stock outstanding, unless otherwise restricted by the current certificate of incorporation, any director not subject to election by the separate vote of any class or series of common stock pursuant to certain other provisions of the current certificate of incorporation, may be removed from office at any time, with or without cause, only by the affirmative vote of at least eighty percent (80%) in voting power of all of the then outstanding shares of stock of the corporation entitled to vote at an election of directors, voting together as a single class.

The current certificate of incorporation establishes and sets forth the duties of a review committee that was automatically disbanded upon the IPO pursuant to the terms of the certificate of incorporation.

Provisions of the Proposed Amended and Restated

Certificate of Incorporation

Vacancies

Our current certificate of incorporation requires consultation with our regional nominating committees to fill vacancies on the Board of Directors. This amendment dispenses with the need for that process prior to April 30, 2009.

This amendment would allow the Board of Directors to fill vacancies resulting from the expiration of the Class I (regional) directors term on October 1, 2008 by way of a resolution adopted by the affirmative vote of a majority of the directors then in office. The Board of Directors intends to use this authority to fill such vacancies with the Class I directors currently in office, to the extent not prevented by the death, resignation, disqualification or removal of such directors, until our 2009 annual meeting of stockholders.

Removal of Directors

This amendment eliminates the requirement for a class or series vote for the removal of directors elected solely by a vote of any class or series of common stock. Prior to the IPO date, the regional classes of common stock were entitled to elect directors by a class vote. Currently, only class A common stock is entitled to vote on the election of directors, therefore the eliminated provision serves no corporate purpose.

Review Committee

The IPO occurred on March 25, 2008 and all powers and duties of the review committee reverted to the Board of Directors in accordance with the terms of the current certificate of incorporation. Therefore, the proposed amendment would eliminate the provision establishing the review committee.

Amendment to Certificate of Incorporation

The current certificate of incorporation sets forth the votes required to amend our constituent documents.

The proposed amended and restated certificate of incorporation eliminates references to sections of the current certificate of incorporation which are proposed to be eliminated. It also clarifies that the voting requirements apply both to the sections set forth and also to any defined terms used in those sections.

Furthermore, the amendment will eliminate references to regional classes of common stock because such classes have been converted into class B or class C common stock as applicable. As a result, these references no longer serve any corporate purpose.

Certain Definitions

The current certificate of incorporation defines certain terms by reference to the global restructuring agreement.

Certain defined terms have been deleted from the proposed certificate of incorporation because they are no longer used due to the deletion of provisions in the current certificate of incorporation, which no longer serve any corporate purpose. Such terms are listed below.

The proposed amendment will add certain terms which were previously defined by reference to the global restructuring agreement or the loss sharing agreement, such added terms having substantially the same definitions as in the current amended and restatement certificate of incorporation. Such terms are listed below.

Votes Required.

The affirmative vote of the holders of at least a majority of the voting power of the outstanding shares of each of the class A, class B and each series of the class C common stock, each voting separately as a single class of common stock, is required to pass *Proposal 1: Amendment and Restatement of our Current Certificate of Incorporation to Eliminate Unnecessary Provisions and Synchronize the Directors Terms With Our Annual Meeting Schedule*. If our stockholders approve Proposal 1, we intend to promptly file a fourth amended and restated certificate of incorporation, included as Annex-A to this proxy statement, with the Delaware Secretary of State. The proposed amended and restated certificate of incorporation will become effective on the date the filing is accepted by the Delaware Secretary of State. Please note, however, that the proposed amendment and restatement of our current certificate of incorporation may be abandoned by the Board of Directors, without further action by the stockholders, at any time before or after the meeting if for any reason the Board of Directors deems it advisable.

Recommendation.

The Board of Directors recommends that you vote **FOR the proposal to amend and restate our current certificate of incorporation to eliminate unnecessary provisions and synchronize the directors terms with our annual meeting schedule.**

Table of Contents**VACANCIES ON OUR BOARD OF DIRECTORS**

The terms of six of our directors expire on October 1, 2008, which will result in six vacancies on our Board of Directors. Our current certificate of incorporation requires us to consult with regional nominating committees comprised of a representative sample of our clients in each of our geographic regions in order to fill these vacancies. The proposed amendments to our current certificate of incorporation would permit us to dispense with such regional nominating committees to fill any vacancies occurring prior to April 30, 2009. If the amendment to our current certificate of incorporation is passed, our Board of Directors has indicated that they intend to exercise their power under Section 5.2 to appoint directors and will appoint the directors listed below to fill the vacancies on our Board of Directors. If the proposal is not passed, our Board of Directors will follow the nominating process in our current certificate of incorporation. The directors appointed to fill such vacancies will be submitted to a vote of our stockholders at our annual meeting to be held during the calendar year 2009.

Householding

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as householding, permits us to realize significant cost savings and reduces the amount of duplicate information stockholders receive and reduces the environmental impact of printing and mailing documents to you. In accordance with notices sent to stockholders sharing a single address, we are sending only one proxy statement to that address unless we have received contrary instructions from a stockholder at that address. Any stockholders who object to or wish to begin householding may notify the Investor Relations Department orally or in writing at the telephone number or address, as applicable, at 415-932-2213 and P.O. Box 8999, San Francisco, California 94128-8999. We will send an individual copy of the proxy statement to any stockholder who revokes its consent to householding within 30 days of our receipt of such revocation.

Section 4.4 Preferred Stock. (a) Subject to the other provisions of this Certificate of Incorporation, the Board of Directors of the Corporation (the Board) is hereby expressly authorized to provide by resolution or resolutions from time to time out of the unissued shares of Preferred Stock for the issuance of one or more series of Preferred Stock, without further stockholder approval, by filing a certificate pursuant to the applicable law of the State of Delaware (hereinafter referred to as a Preferred Stock Designation), setting forth such resolution and, with respect to each such series, establishing the number of shares to be included in such series, and fixing the voting powers, full or limited, or no voting power of the shares of such series, and the designation, preferences and relative, participating, optional or other special rights, if any, of the shares of each such series and any qualifications, limitations or restrictions thereof.

(b) The authority of the Board with respect to each series of Preferred Stock shall include, but not be limited to, the determination of the following: (1) the designation of the series, which may be by distinguishing number, letter or title; (2) the number of shares of the series, which number the Board may thereafter (except where otherwise provided in the Preferred Stock Designation) increase or decrease (but not below the number of shares thereof then outstanding); (3) the amounts or rates at which dividends will be payable on, and the preferences, if any, of shares of the series in respect of dividends, and whether such dividends, if any, shall be cumulative or noncumulative; (4) the dates on which dividends, if any, shall be payable; (5) the redemption rights and price or prices, if any, for shares of the series; (6) the terms and amount of any sinking fund, if any, provided for the purchase or redemption of shares of the series; (7) the amounts payable on, and the preferences, if any, of shares of the series in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation; (8) whether the shares of the series shall be convertible into, or exchangeable or redeemable for, shares of any other class or series, or any other security, of the Corporation or any other corporation, and, if so, the specification of such other class or series or such other security, the conversion or exchange price or prices or rate or rates, any adjustments thereof, the date or dates at which such shares shall be convertible or exchangeable and all other terms and conditions upon which such conversion or exchange may be made; (9) restrictions on the issuance of shares of the same series or any other class or series; (10) the voting rights, if any, of the holders of shares of the series generally or upon specified events; and (11) any other powers, preferences and relative, participating, optional or other special rights of each series of Preferred Stock, and any qualifications or limitations of, or restrictions on, such shares as are permitted by law; provided, however, that the Board shall not

have authority to provide for the issuance of any shares of Preferred Stock that are convertible into shares of Class B Common Stock or Class C Common Stock.

(c) No series of Preferred Stock shall be issued which adversely and disproportionately affects the rights or privileges of any class or series of Common Stock in relation to any other class or series of Common Stock, assuming, for purposes of calculating the relative economic and voting rights of any such class or series of Common Stock that is directly or indirectly convertible into Class A Common Stock, that such class or series of Common Stock has been converted into Class A Common Stock; provided that, subject to Section 4.23, the foregoing shall not be construed as a limitation on the ability of the Corporation to issue Preferred Stock that affects holders of all classes and series of Common Stock on an equal and ratable basis.

Section 4.5 [Reserved]

Section 4.6 [Reserved]

Section 4.7 Voting Rights. Subject to other provisions of this Certificate of Incorporation:

(a) each holder of Class A Common Stock shall be entitled to one vote for each share of Class A Common Stock held of record by such holder on all matters on which stockholders generally are entitled to vote; and

(b) except as otherwise expressly provided herein or as required by applicable law, each holder of Class B Common Stock and each holder of any series of Class C Common Stock shall have no voting power in respect of and shall not be entitled to any votes with respect to the shares of Class B Common Stock or Class C Common Stock (as applicable) held of record by such holder on any matters on which stockholders generally are entitled to vote; provided, however, that, in addition to any other vote required by law, for so long as any shares of Class B Common Stock or Class C Common Stock remain issued and outstanding: (i) the affirmative vote of the holders of a majority of the voting power of the Class B Common Stock and Class C (Series I) Common Stock (and, prior to the conversion thereof into shares of Class C (Series I) Common Stock pursuant to Section 4.20 hereof, the Class C (Series III Common Stock and Class IV Common Stock), voting together as a single class (in which vote the Class A Common Stock and Class C (Series II) Common Stock shall not participate) separate from all other classes or series of capital stock of the Corporation, on an as converted basis as described in Section 4.8 hereof, shall be required for the approval of any consolidation, merger, combination or other transaction in which shares of Class A Common Stock are exchanged for, converted into or changed into other stock or securities, or the right to receive cash or other property, unless the shares of Class B Common Stock and Class C Common Stock of all series thereof shall be exchanged for or changed into the same per share amount of stock, securities, cash or any other property, as the case may be, for which or in which each share of Class A Common Stock is exchanged, converted or changed; and (ii) the affirmative vote of the holders of at least eighty percent (80%) of the voting power of the Common Stock of all classes and series other than the Class C (Series II) Common Stock, voting together as a single class (in which vote the Class C (Series II) Common Stock shall not participate) separate from all other classes or series of capital stock of the Corporation, shall be required to authorize the Corporation to exit its core payments business (i.e., to no longer operate a consumer debit/credit payments business).

Section 4.8 Voting on an As Converted Basis. (a) With respect to each matter upon which holders of Class B Common Stock or Class C Common Stock are entitled to vote pursuant to Section 4.7 or applicable law, each such holder shall be entitled, with respect to each share of Class B Common Stock or Class C Common Stock (other than the Class C (Series II) Common Stock), as applicable, owned of record by such holder, to a number of votes equal to the aggregate number of shares of Class A Common Stock into which each share of Class B Common Stock or Class C Common Stock (other than the Class C (Series II) Common Stock) owned by such holder, as applicable, would be converted, assuming the conversion, on the record date for such vote, of all outstanding shares of Class B Common Stock and Class C Common Stock into Class A Common Stock, based on the Applicable Conversion Rate in effect on such record date.

(b) Notwithstanding anything to the contrary contained herein, and to the fullest extent permitted by law, holders of Common Stock, as such, shall have no voting power with respect to, and shall not be entitled to vote on, any amendment to this Certificate of Incorporation (including any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Certificate of Incorporation (including any Preferred Stock Designation) or pursuant to the DGCL.

Section 4.9 Dividends and Distributions. (a) Subject to applicable law and to the provisions of this Certificate of Incorporation (including, without limitation, Section 4.19(d)) and to the rights, if any, of the holders of any outstanding series of Preferred Stock or any class or series of stock having a preference over or the right to participate with the Common Stock with respect to the payment of dividends, dividends may be declared and paid on the Common Stock out of the assets of the Corporation that are by law available therefor at such times and in such amounts as the Board in its discretion shall determine. All holders of outstanding shares of Class A Common Stock, Class B Common Stock or Class C Common Stock (regardless of series thereof) shall be entitled to participate ratably (on an "as converted" basis in the case of the holders of the Class B Common Stock, Class C Common Stock) in any dividend or distribution paid on the Common Stock (regardless of class or series), and no dividend or distribution may be declared or paid on any class or series of Common Stock (whether Class A Common Stock, Class B Common Stock or Class C Common Stock (or any series thereof)) unless an equivalent dividend is contemporaneously declared and paid (on an "as converted" basis) on each other class and series of Common Stock in accordance with the provisions of this Certificate of Incorporation. For purposes of this Section 4.9, "as converted" shall mean that each holder of Class B Common Stock and each holder of Class C Common Stock (regardless of series thereof) shall be entitled to its ratable portion of any dividend or distribution based upon the number of shares of Class A Common Stock into which the shares of Class B Common Stock or Class C Common Stock, as applicable, Beneficially Owned by such holder would be converted, based on the Applicable Conversion Rate in effect on such record date, without regard to any restrictions on the amount of Class A Common Stock any stockholder may own.

(b) Subject to the provisions of this Certificate of Incorporation (including, without limitation, Section 4.19(d)), for purposes of this Section 4.9, a share distribution consisting of shares of any class or series of securities of the Corporation or any other Person other than Common Stock (or securities that are convertible into, exchangeable for or evidence the right to purchase shares of Common Stock) may be made, either on the basis of a distribution of identical securities, on an equal per share basis, to holders of Class A Common Stock, Class B Common Stock and Class C Common Stock or on the basis of a distribution of one class or series of securities to holders of Class A Common and another class or series of securities to holders of Class B Common Stock and Class C Common Stock; provided that the securities that are so distributed (and, if applicable, the securities into which the distributed securities are convertible, or for which they are exchangeable, or which the distributed securities evidence the right to purchase) do not differ in any respect other than their relative voting rights and related differences in designation, conversion and share distribution provisions, with holders of shares of Class B Common Stock and Class C Common Stock receiving the class or series having the higher relative voting rights (without regard to whether such rights differ to a greater or lesser extent than the corresponding differences in voting rights and related difference in designation, conversion and share distribution provisions between Class A Common Stock, Class B Common Stock or Class C Common Stock); provided that if the securities so distributed constitute capital stock of a subsidiary of the Corporation, such rights shall not differ to a greater extent than the corresponding differences in voting rights, designation, conversion and share distribution provisions between the Class A Common Stock, Class B Common Stock and Class C Common Stock, and provided that, in each case, such distribution is otherwise made on an equal per share basis.

Section 4.10 Conversion of Class B Common Stock and Class C Common Stock into Class A Common Stock. In the event that any outstanding share of Class B Common Stock or Class C Common Stock shall be Transferred to a Person that is not a Visa Member or an Affiliate of a Visa Member in accordance with Section 4.25 hereof, such share shall, automatically and without further action on the part of the Corporation or any holder of Class B Common Stock or Class C Common Stock, as applicable, immediately prior to the Transfer, be converted into

Table of Contents

shares of Class A Common Stock based upon the Applicable Conversion Rate in effect on the date of such Transfer; provided, however, that in no event shall any share of Class B Common Stock or Class C Common Stock, as applicable, be converted into any shares of Class A Common Stock except in connection with (i) a sale of such shares on a securities exchange on which shares of Class A Common Stock are listed by means of a brokers transaction within the meaning of paragraph (g) of Rule 144 under the Securities Act of 1933 or (ii) a private placement of such shares to a Person who is not a Visa Member or an Affiliate of a Visa Member; and provided, further, that no such conversion shall be effected until the expiration of all applicable restrictions on Transfer of such shares set forth in Section 4.25. Shares of Class B Common Stock or Class C Common Stock so converted shall cease to be outstanding and shall no longer be issuable by the Corporation hereunder. For the avoidance of doubt shares of Class B Common Stock and Class C Common Stock shall only be convertible into shares of Class A Common Stock in connection with a Transfer described in this Section 4.10, and no holder of any shares of Class B Common Stock or Class C Common Stock shall have the right to convert, or to require the Corporation to convert, such shares into shares of Class A Common Stock at any time.

Section 4.11 Conversion of Class A Common Stock into Class C (Series D) Common Stock. In the event that, at any time after the IPO Date, any Visa Member or Similar Person shall acquire any shares of Class A Common Stock, each such share shall, automatically and without further action on the part of the Corporation or any holder of Class A Common Stock, be converted into one share of Class C (Series D) Common Stock; provided, however, that the provisions of this Section 4.11 and such automatic conversion shall not apply with respect to any shares of Class A Common Stock acquired by a Visa Member other than shares of Class A Common Stock acquired by such Visa Member for its own account as a principal investor or for the account of an Affiliate of such Visa Member that is acting as a principal investor. Without limiting the foregoing, such automatic conversion shall not apply to any shares of Class A Common Stock acquired or held by a Visa Member, a Similar Person or any of their respective Affiliates in connection with its brokerage, market making, custody, investment management or similar operations or acquired by any investment fund managed by a Visa Member, a Similar Person or any of their respective Affiliates. All Class A Common Stock converted pursuant to this Section 4.11 shall cease to be outstanding and shall no longer be issuable by the Corporation hereunder.

Section 4.12 No Fractional Shares. No fractional shares of any class of Common Stock will be issued upon conversion of any shares of any other class of Common Stock into shares of such class or upon redemption of any shares of Common Stock. In lieu of fractional shares, the Corporation shall pay cash equal to such fractional amount multiplied by the fair market value (as determined by or in accordance with procedures established by the Board in good faith and in its sole discretion) per share of the applicable class of Common Stock into which such shares are being converted, as of the conversion date or the applicable class of Common Stock from which such shares are being redeemed on the applicable redemption date, as the case may be. If more than one share of any class of Common Stock is being converted at one time by, or redeemed at one time from, the same holder, then the number of full shares issuable upon conversion will be calculated on the basis of the aggregate number of shares of Common Stock converted or redeemed, as applicable, by such holder at such time. For purposes of determining the fair market value of any share of Class B Common Stock and Class C Common Stock (other than Class C (Series II) Common Stock) in any redemption governed by this Section 4.12 (and solely for such purpose), each share of Class B Common Stock and each share of each series of Class C Common Stock (other than the Class C (Series II) Common Stock) shall be deemed to have been converted into shares of Class A Common Stock based on the Applicable Conversion Rate immediately prior to the applicable redemption.

Section 4.13 Maintenance of Authorized Capital Stock; Treatment on Recapitalizations; Etc. The Corporation shall at all times reserve and keep available, free from any preemptive rights, out of its authorized but unissued shares of each applicable class or series of Common Stock into which any other class or series of Common Stock is convertible at any time, for the purpose of effecting such conversion, the full number of shares of Common Stock of each applicable class or series issuable upon the conversion of all outstanding shares of each other class or series that is convertible into such class or series of Common Stock. The Corporation shall not reclassify, subdivide or combine any class of Common Stock without also reclassifying, subdividing or combining each other class of Common Stock on an equal per share basis.

Section 4.14 Adjustments to Conversion Rate.

(a) If the Corporation (i) subdivides, reclassifies or splits any of its outstanding shares of any class or series of its Common Stock into a greater number of shares; (ii) combines or reclassifies any of its outstanding shares of any class or series of Common Stock into a smaller number of shares; or (iii) issues by reclassification of any class of its Common Stock any shares of any class of its Common Stock, then the Applicable Conversion Rate in effect immediately prior to such action for each share of Class B Common Stock or Class C Common Stock then outstanding shall be adjusted by multiplying the Applicable Conversion Rate in effect immediately prior to such action by a fraction (A) the numerator of which shall be the number of shares of all classes of Common Stock outstanding immediately after such action (giving pro forma effect to the exercise of all then outstanding convertible securities) and (B) the denominator of which shall be the number of shares of all classes of Common Stock outstanding immediately prior to such action on the record date applicable to such action, if any (giving pro forma effect to the exercise of all then outstanding convertible securities). The adjustment shall become effective immediately after the record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, combination or reclassification. In the event that such dividend or distribution is not so paid or made or such subdivision, combination or reclassification is not effected, the Applicable Conversion Rate shall again be adjusted to be the Applicable Conversion Rate which would then be in effect if such record date or effective date had not been so fixed.

(b) Whenever the Applicable Conversion Rate is adjusted, the Corporation shall promptly mail to holders of Class B Common Stock or Class C Common Stock then outstanding, at the addresses appearing on the stock register, a notice of the adjustment. The Corporation shall keep with its records such notice and a certificate from the Corporation's Chief Financial Officer briefly stating the facts requiring the adjustment and the manner of computing it. The certificate shall be conclusive evidence that the adjustment is correct, absent manifest error.

(c) After an adjustment to the Applicable Conversion Rate for outstanding shares of Class B Common Stock or Class C Common Stock pursuant to this Section 4.14, any subsequent event requiring an adjustment pursuant this Section 4.14 shall cause an adjustment to the Applicable Conversion Rate for outstanding shares of Class B Common Stock and Class C Common Stock as so adjusted.

Section 4.15 [Reserved]

Section 4.16 [Reserved]

Section 4.17 [Reserved]

Section 4.18 Mandatory Redemption of Class B Common Stock and Class C Common Stock Other than Class C (Series II) Common Stock.

(a) The Litigation Committee shall act in good faith to determine a reasonable amount in light of prevailing facts and circumstances (expressed as a percentage of the expected net proceeds to be received by the Corporation from the offering of shares of Class A Common Stock in the IPO) (such amount, the Escrow Amount) and shall notify Visa Inc. in writing of the Escrow Amount not less than twenty (20) Business Days prior to the IPO Date. Not later than four (4) Business Days after the IPO Date, the Corporation shall determine the Initial Aggregate Redemption Amount. As promptly as practicable, and in any event within five (5) Business Days, after the IPO Date, the Corporation shall cause the Escrow Amount to be deposited into the Escrow Account, subject to the terms and conditions of the Escrow Agreement and of the rights of the holders of Class B Common Stock as set forth herein. Except as set forth in the immediately preceding sentence, no funds of the Corporation other than the Escrow Amount (including any amounts deposited into the Escrow Account from the proceeds of any sale of any Loss Shares in accordance with Section 4.26 of this Certificate of Incorporation) shall be held in the Escrow Account or otherwise co-mingled with the Escrow Amount. Prior to the Escrow Termination Date, no disbursements shall be made from the Escrow Account except in accordance with the terms and conditions of the Escrow Agreement. From and after the Escrow Termination Date, any and all funds remaining on deposit in the Escrow Account shall be disbursed to and retained by the Corporation.

(b) After the IPO Date, the Corporation shall redeem from the holders of Class B Common Stock and Class C Common Stock (other than the Class C (Series II) Common Stock, and other than any holder of Common Stock that is a Subsidiary of the Corporation) the applicable Redemption Shares (as defined below) in accordance with the provisions of this Section 4.18.

(c) Each share of Class B Common Stock and Class C Common Stock (other than the Class C (Series II) Common Stock and any shares of Common Stock owned by any Subsidiary of the Corporation) is subject to mandatory redemption by the Corporation as provided in this Section 4.18. Promptly, and in any event (i) within four (4) Business Days after the IPO Date, the Corporation shall determine the Initial Aggregate Redemption Amount, and (ii) within five (5) Business Days after the Final IPO Date, the Corporation shall determine the Final Aggregate Redemption Amount.

(d) Within five (5) Business Days after the IPO Date, the Corporation shall deliver to each holder of Class B Common Stock and to each holder of Class C Common Stock (in each case, other than the Class C (Series II) Common Stock and other than any Common Stock owned by any Subsidiary of the Corporation), at its respective address shown in the stock register, a notice (a First Tranche Redemption Notice), setting forth: the (i) the Initial Aggregate Redemption Amount, (ii) the Escrow Amount, (iii) the number of shares of Class B Common Stock or Class C Common Stock (other than the Class C (Series II) Common Stock), as applicable, to be redeemed by the Corporation from such holder pursuant to such First Tranche Redemption Notice, (iv) the date (the First Tranche Redemption Date) on which such redemption is to occur, which shall be a date not later than ten (10) Business Days after the date on which the First Tranche Redemption Notice is delivered, and (v) if applicable, the place where certificates representing such shares of Class B Common Stock or Class C Common Stock, as applicable, are to be surrendered for payment of the applicable redemption price.

(e) Subject to Section 4.18(j), on the First Tranche Redemption Date, the Corporation shall be required to redeem, out of the capital of the Corporation and not out of surplus:

(i) from the holders of Class B Common Stock (other than any Common Stock owned by any Subsidiary of the Corporation), and each such holder shall be required to surrender to the Corporation for redemption the certificates representing such shares, ratably in accordance with its record ownership of shares of Class B Common Stock and for a price per share equal to the IPO Price, an aggregate number of shares of Class B Common Stock (the Class B First Tranche Redemption Shares) equal to ((X) the sum of ((I) the Initial Aggregate Redemption Amount and (II) the Escrow Amount), multiplied by the Class B Percentage, minus (Y) the Escrow Amount) and divided by (Z) the IPO Price; and

(ii) from the holders of Class C Common Stock (other than the Class C (Series II) Common Stock), and each such holder shall be required to surrender to the Corporation for redemption the certificates representing such shares, ratably in accordance with its record ownership of shares of Class C Common Stock and for a price per share equal to the IPO Price, an aggregate number of shares of Class C Common Stock (the Class C First Tranche Redemption Shares and, together with the Class B First Tranche Redemption Shares, the First Tranche Redemption Shares) equal to (X) the sum of ((I) the Initial Aggregate Redemption Amount and (II) the Escrow Amount), multiplied by (Y) the Class C Percentage, divided by (Z) the IPO Price; provided that the ratable portion of the Class C (Series III) Common Stock and the Class C (Series IV) Common Stock so redeemed shall be determined by treating the Class C (Series III) Common Stock and Class C (Series IV) Common Stock as a single series for such purpose and redeeming from the holders of such series of Class C Common Stock, first, a number of shares of Class C (Series III) Common Stock equal to the lesser of (x) an amount equal to the number of Class C First Tranche Redemption Shares attributable to such series and (y) all outstanding shares of Class C (Series III) Common Stock, ratably from such holders and, second, to the extent necessary, an amount of shares of Class C (Series IV) Common Stock which, when aggregated with the shares of Class C (Series III) Common Stock previously redeemed, equals the Class C First Tranche Redemption Shares attributable to such series, ratably from such holders.

(f) The Corporation shall pay to each holder of Class B Common Stock and Class C Common Stock (other than the Class C (Series II) Common Stock), ratably to each holder in accordance with its respective holdings of Class B Common Stock or Class C Common Stock, on a pari passu basis, but subject to the priority of payments in 4.18(e), upon surrender of the certificates representing such holder's First Tranche Redemption Shares (properly endorsed or assigned for transfer, if the Board shall so require and if so stated in the First Tranche Redemption Notice), out of the capital of the Corporation and not out of surplus, an aggregate amount equal to the number of First Tranche Redemption Shares so surrendered by such holder multiplied by the IPO Price (with respect to each such holder, its Applicable First Tranche Class B/C Redemption Price). In case fewer than all of the shares represented by such certificate are First Tranche Redemption Shares, a new certificate shall be issued representing the unredeemed shares without cost to the holder thereof. From and after the First Tranche Redemption Date, unless the Corporation shall fail to have sufficient capital, all First Tranche Redemption Shares shall no longer be deemed to be outstanding (regardless of whether the certificates representing such First Tranche Redemption Shares have been surrendered), and shall be retired and canceled and all rights of the holder thereof as a holder thereof (except for the right to receive the Applicable First Tranche Class B/C Redemption Price from the Corporation) shall cease and be terminated with respect to such First Tranche Redemption Shares. If necessary, and to the extent permitted by the DGCL and other applicable law, the Board shall increase the capital of the Corporation by directing that any surplus be transferred to capital in order to ensure that there is sufficient capital to pay the aggregate Applicable First Tranche Class B/C Redemption Prices out of capital.

(g) Promptly, and in any event within ten (10) Business Days after the Final IPO Date (but only to the extent the Final Aggregate Redemption Amount is greater than zero dollars (\$0.00)), the Corporation shall deliver to each holder of Class B Common Stock and to each holder of Class C Common Stock (in each case, other than the Class C (Series II) Common Stock and other than any Common Stock owned by any Subsidiary of the Corporation), at its respective address shown in the stock register, a notice (a Final Tranche Redemption Notice), setting forth: (i) the Final Aggregate Redemption Amount, (ii) the number of shares of Class B Common Stock or Class C Common Stock (other than the Class C (Series II) Common Stock), as applicable, to be redeemed by the Corporation from such holder pursuant to such Final Tranche Redemption Notice, (iii) the date on which such redemption is to occur, which shall be a date not later than fifteen (15) Business Days after the date (the Final Tranche Redemption Date) on which the Final Tranche Redemption Notice is delivered, and (iv) if applicable, the place where certificates representing such shares of Class B Common Stock or Class C Common Stock, as applicable, are to be surrendered for payment of the applicable redemption price.

(h) To the extent required by Section 4.18(g) and subject to Section 4.18(j), on the Final Tranche Redemption Date, the Corporation shall be required to redeem, out of the capital of the Corporation and not out of surplus:

(i) from the holders of Class B Common Stock (other than any Common Stock owned by any Subsidiary of the Corporation), and each such holder shall be required to surrender to the Corporation for redemption the certificates representing such shares, ratably in accordance with its record ownership of shares of Class B Common Stock and for a price per share equal to the IPO Price, an aggregate number of shares of Class B Common Stock (the Class B Final Tranche Redemption Shares) equal to (X) the Final Aggregate Redemption Amount, multiplied by (Y) the Class B Percentage, and divided by (Z) the IPO Price; and

(ii) from the holders of Class C Common Stock (other than the Class C (Series II) Common Stock), and each such holder shall be required to surrender to the Corporation for redemption the certificates representing such shares, ratably in accordance with its record ownership of shares of Class C Common Stock and for a price per share equal to the IPO Price, an aggregate number of shares of Class C Common Stock (the Class C Final Tranche Redemption Shares) and, together with the Class B Final Tranche Redemption Shares, the Final Tranche Redemption Shares) equal to (X) the Final Aggregate Redemption Amount, multiplied by (Y) the Class C Percentage, divided by (Z) the IPO Price; provided that the ratable portion of the Class C (Series III) Common Stock and the Class C (Series IV) Common Stock so redeemed shall be determined by treating the Class C (Series III) Common Stock and Class C (Series IV) Common

Stock as a single series for such purpose and redeeming from the holders of such series of Class C Common Stock, first, a number of shares of Class C (Series III) Common Stock equal to the lesser of (x) an amount equal to the number of Class C Final Tranche Redemption Shares attributable to such series and (y) all outstanding shares of Class C (Series III) Common Stock, ratably from such holders and, second, to the extent necessary, an amount of shares of Class C (Series IV) Common Stock which, when aggregated with the Class C (Series III) Common Stock previously redeemed, equals the Class C Final Tranche Redemption Shares attributable to such series, ratably from such holders.

(i) To the extent required by Section 4.18(g), the Corporation shall pay to each holder of Class B Common Stock and Class C Common Stock (other than the Class C (Series II) Common Stock), ratably to each holder in accordance with its respective holdings of Class B Common Stock or Class C Common Stock, on a pari passu basis, but subject to the priority of payments in Section 4.18(j), upon surrender of the certificates representing such holder's Final Tranche Redemption Shares (properly endorsed or assigned for transfer, if the Board shall so require and if so stated in the Final Tranche Redemption Notice), out of the capital of the Corporation and not out of surplus, an aggregate amount equal to the number of Final Tranche Redemption Shares so surrendered by such holder multiplied by the IPO Price (with respect to each such holder, its Applicable Class B/C Final Tranche Redemption Price). In case fewer than all of the shares represented by such certificate are Final Tranche Redemption Shares, a new certificate shall be issued representing the unredeemed shares without cost to the holder thereof. From and after the Final Tranche Redemption Date, unless the Corporation shall fail to have sufficient capital, all Final Tranche Redemption Shares shall no longer be deemed to be outstanding (regardless of whether the certificates representing such Final Tranche Redeemed Shares have been surrendered) and, shall be retired and canceled and all rights of the holder thereof as a holder thereof (except for the right to receive the Applicable Class B/C Final Tranche Redemption Price from the Corporation) shall cease and be terminated with respect to such Final Tranche Redemption Shares. If necessary, and to the extent permitted by the DGCL and other applicable law, the Board shall increase the capital of the Corporation by directing that any surplus be transferred to capital in order to ensure that there is sufficient capital to pay the aggregate Applicable Class B/C Final Tranche Redemption Prices out of capital.

(j) Notwithstanding anything to the contrary contained in this Certificate of Incorporation, the redemption of the applicable Class C Redemption Shares Beneficially Owned by Visa Europe Limited (Visa Europe) shall not, unless Visa Europe so elects by delivery of a written notice to the Corporation, occur until the date that is the later of the IPO Date (or the Final IPO Date, as applicable) and the date that is three hundred sixty-nine (369) calendar days after the date on which the Inovant US Holdco Merger Effective Time occurs (or, if such date is not a Business Day, until the next succeeding Business Day) (such later date, the Deferred Redemption Date), and (i) the Corporation shall be obligated to redeem such Class C Redemption Shares on the Deferred Redemption Date out of the capital of the Corporation, (ii) the Applicable Class B/C First Tranche Redemption Price or the Applicable Class B/C Final Tranche Redemption Price, as the case may be, in respect of such Class C Redemption Shares shall be payable on the Deferred Redemption Date, without interest and (iii) until such time, such Class C Redemption Shares shall remain subject to all applicable restrictions on Transfer as set forth in Section 4.25 hereof but, in all other respects, Visa Europe shall continue to enjoy full economic and beneficial entitlement to such Class C Redemption Shares.

Section 4.19 Redemption of Class C (Series II) Common Stock.

(a) Each share of Class C (Series II) Common Stock outstanding at any time shall be subject to redemption by the Corporation (or at the option of Visa Europe) as provided in this Section 4.19.

(b) The Corporation shall be entitled, by written notice to Visa Europe (a Corporation Redemption Notice) delivered at any time after the later of (x) the date that is three hundred sixty-nine (369) calendar days after the date on which the Inovant US Holdco Merger Effective Time occurs and (y) the IPO Date (or the Final IPO Date, as applicable), to redeem, and Visa Europe shall be entitled, by written notice to the Corporation (a VE Redemption Notice) delivered at any time after the later of (x) the date that is four hundred twenty-nine (429) days after the date on which the Inovant US Holdco Merger Effective Time occurs and (y) the date that is

sixty (60) days after the IPO Date (or the Final IPO Date, as applicable), to require the Corporation to redeem, in either such case out of the capital of the Corporation, all, but not less than all, of the outstanding shares of Class C (Series II) Common Stock. Upon receipt of a Corporation Redemption Notice by Visa Europe or a VE Redemption Notice by the Corporation, the Corporation shall be irrevocably obligated to redeem from each holder thereof, out of the capital of the Corporation and not out of surplus, and each such holder shall be irrevocably obligated to surrender for redemption, on the date specified in the Corporation Redemption Notice or VE Redemption Notice, as applicable (which date shall not be earlier than five (5) days after the date on which such notice is delivered (the Series II Redemption Date), all but not less than all of the shares of Class C (Series II) Common Stock owned by each such holder on the Series II Redemption Date, for a redemption price per share, payable in cash, equal to (i) the Aggregate Series II Redemption Amount divided by (ii) the aggregate number of shares of Class C (Series II) Common Stock issued and outstanding on the Series II Redemption Date (the Series II Per Share Redemption Price).

(c) On the Series II Redemption Date, each holder of Class C (Series II) Common Stock shall surrender to the Corporation the certificate or certificates representing all of its Class C (Series II) Common Stock, and thereupon, with respect to each such holder, an amount equal to the number of shares of Class C (Series II) Common Stock owned by such holder multiplied by the Series II Per Share Redemption Price (with respect to each such holder, its Applicable Series II Redemption Amount) shall be payable in cash to the order of the Person whose name appears on such certificate or certificates as the owner thereof and each surrendered certificate shall be canceled. From and after the Series II Redemption Date, unless there shall have been a default in payment of any Applicable Series II Redemption Amount, all rights of the holders of shares of Class C (Series II) Common Stock, as holders of Class C (Series II) Common Stock (except the right to receive the Applicable Series II Redemption Amount, without interest, upon surrender of the certificate or certificates representing their Class C (Series II) Common Stock) shall cease with respect to such shares, and such shares shall be retired and canceled. If necessary, and to the extent permitted by the DGCL and other applicable law, the Board shall increase the capital of the Corporation by directing that any surplus be transferred to capital in order to ensure that there is sufficient capital to pay the Aggregate Series II Redemption Amount out of capital. If the capital of the Corporation legally available for redemption of shares of Class C (Series II) Common Stock on the Series II Redemption Date is insufficient to pay the Aggregate Series II Redemption Amount on such date, such capital will be used to redeem the maximum possible number of such shares ratably among the holders of such shares to be redeemed. The shares of Class C (Series II) Common Stock not redeemed shall remain outstanding and entitled to all the rights and preferences provided herein, and a new certificate shall be issued representing the unredeemed shares. As soon as practicable thereafter when additional capital of the Corporation is legally available for the redemption of shares of Class C (Series II) Common Stock, such capital will immediately be used to redeem the balance of the shares that the Corporation has become obliged to redeem on the Series II Redemption Date but that it has not redeemed.

(d) Notwithstanding anything to the contrary contained in this Certificate of Incorporation, in the event that, at any time prior to the date that is three hundred sixty-nine (369) days after the date on which the Inovant US Holdco Merger Effective Time occurs, there shall occur, pursuant to the terms of this Certificate of Incorporation or otherwise, any transaction, action, development or other circumstance (including, for the avoidance of doubt, the occurrence of the IPO, any conversion of shares, or any issuance of shares or debt by the Corporation, but excluding any Transfer of any shares of Common Stock by Visa Europe or any holder of any shares of capital stock of Visa Europe) as a result of which the shares of Class C (Series II) Common Stock, Class C (Series III) Common Stock, Class C (Series IV) Common Stock (or the Common Stock into which any such Common Stock may convert or has been converted), owned by Visa Europe and VESI would represent, in the aggregate, less than ten percent (10%) of: (i) the ordinary share capital (within the meaning of Section 832 Income and Corporation Taxes Act 1988) of the Corporation, (ii) the profits available for distribution to equity holders of the Corporation (computed in accordance with Schedule 18 Income and Corporation Taxes Act 1988, as adapted by paragraph 8 Schedule 7AC of the TGCA) and (iii) the assets that would be available to equity holders of the Corporation upon a dissolution or other winding up of the Corporation (computed in accordance with Schedule 18 Income and Corporation Taxes Act 1988, as adapted by paragraph 8 Schedule 7AC of the TGCA) (or any

Table of Contents

such other event with respect to the share capital or debt of the Corporation occurs as would cause Visa Europe to fail the substantial shareholding test as set out in paragraph 8 Schedule 7AC of the TGCA in respect of its holding of shares of Common Stock) then such transaction, action, development, circumstance or issuance shall be void ab initio and shall have no effect unless the Corporation shall issue to Visa Europe, prior thereto, a number of shares of Class C (Series II) Common Stock such that, immediately after giving effect to such issuances, the shares of Class C (Series II) Common Stock, Class C (Series III) Common Stock and Class C (Series IV) Common Stock (or the Common Stock into which any such Common Stock may convert or has been converted) owned by Visa Europe and VESI represent, in the aggregate, at least ten percent (10%) of (i) the ordinary share capital (within the meaning of Section 832 Income and Corporation Taxes Act 1988) of the Corporation, (ii) the profits available for distribution to equity holders of the Corporation and (iii) the assets that would be available to equity holders of the Corporation upon a dissolution or other winding up of the Corporation, such that the test referred to above would be satisfied. In consideration for each issuance of any such additional shares of Class C (Series II) Common Stock to Visa Europe, Visa Europe shall pay to Visa Inc. an amount equal to the fair market value of such shares, as determined by the Board in its reasonable good faith discretion (such amount, the Subscription Price), which shall be payable in cash in two installments as follows: (x) the first installment shall be paid to Visa Inc. in cash on the date of (and contemporaneously with) the issuance of such shares of Class C (Series II) Common Stock in an amount equal to the aggregate number of shares of Class C (Series II) Common Stock issued on such date multiplied by the par value per share of such Class C (Series II) Stock (such amount, with respect to any such issuance of Class C (Series II) Common Stock, the Subscription Price First Installment) and (y) the second installment shall be payable not later than the Series II Redemption Date in an amount (such amount, with respect to any such issuance of Class C (Series II) Common Stock, the Subscription Price Balance Payment) equal to the Subscription Price minus the Subscription Price First Installment; provided, however, that, for the avoidance of doubt, the payment of each Subscription Price Balance Payment (the aggregate amount of all Subscription Price Balance Payments being referred to herein as the Aggregate Subscription Price Balance Amount) to the extent not previously paid, shall be made by means of an offset against the Aggregate Series II Redemption Amount payable pursuant to Section 4.19(b).

Section 4.20 Conversion of Certain Series of Class C Common Stock into Class C (Series I) Common Stock. (a) Immediately after the completion of the final tranche of the redemption contemplated by Section 4.18 of this Certificate of Incorporation, each outstanding share of Class C (Series III) Common Stock and Class C (Series IV) Common Stock shall, automatically and without any action to be taken by any of the holders thereof or by the Corporation, be converted into one share of Class C (Series I) Common Stock. Each holder of any shares of Class C (Series III) Common Stock and Class C (Series IV) Common Stock shall be entitled to exchange the certificates representing the Class C Common Stock of the applicable series for certificates representing the Class C (Series I) Common Stock into which such shares of Class C Common Stock have been converted.

(b) Effective immediately upon the conversion, pursuant to Section 4.20(a), of each outstanding share of Class C (Series III) Common Stock and Class C (Series IV) Common Stock into shares of Class C (Series I) Common Stock, all of the shares of Class C (Series III) Common Stock and Class C (Series IV) Common Stock so converted shall be canceled and retired and may not be reissued and the Corporation shall file a certificate of retirement with respect to such shares with the Secretary of State of the State of Delaware in accordance with Section 243 of the DGCL, and thereafter such certificate of retirement shall have the effect of eliminating from this Certificate of Incorporation all references to all such stock so converted.

Section 4.21 Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation and of the preferential and other amounts, if any, to which the holders of Preferred Stock, if any, shall be entitled, the holders of all outstanding shares of Common Stock shall be entitled to receive the remaining assets of the Corporation available for distribution ratably in proportion to the number of shares held by each such stockholder on an as converted basis. For purposes of this paragraph

Table of Contents

as converted shall mean that each holder of Class B Common Stock and each holder of Class C Common Stock shall be entitled to its ratable portion of any assets available for distribution based upon the number of shares of Class A Common Stock into which the shares of Class B Common Stock or Class C Common Stock, as applicable, Beneficially Owned by such holder would be converted, assuming, immediately prior to the liquidation, dissolution or winding up, as applicable, the conversion of all outstanding shares of Class B Common Stock and Class C Common Stock into Class A Common Stock, based on the Applicable Conversion Rate then in effect. For the purposes of this Section 4.21, neither the voluntary sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all the property or assets of the Corporation nor the consolidation or merger of the Corporation with or into one or more other corporations shall be deemed to be a liquidation, dissolution or winding-up of the Corporation, voluntary or involuntary, unless such voluntary sale, conveyance, exchange, transfer, merger or consolidation shall be in connection with a dissolution or winding-up of the business of the Corporation.

Section 4.22 Mergers, Consolidation, Etc. In the event that the Corporation shall enter into any consolidation, merger, combination or other transaction in which shares of Common Stock are exchanged for, converted into, or otherwise changed into other stock or securities, or the right to receive cash or any other property, such shares of Common Stock shall be exchanged for or changed into the same per share amount of stock, securities, cash or any other property, as the case may be, into which or for which each share of any other class of Common Stock is exchanged or changed, on an as converted basis. For purposes of this paragraph as converted shall mean that each holder of Class B Common Stock and each holder of Class C Common Stock shall be entitled to its ratable portion of any stock, securities, cash or other consideration in such consolidation, merger, combination or other transaction, as the case may be, based upon the number of shares of Class A Common Stock into which the shares of Class B Common Stock or Class C Common Stock, as applicable, Beneficially Owned by such holder would be converted, assuming, immediately prior to the consummation of such consolidation, merger, combination or other transaction, as applicable, the conversion of all outstanding shares of Class B Common Stock and Class C Common Stock into Class A Common Stock, based on the Applicable Conversion Rate then in effect. For the purposes of this Section 4.22, neither the voluntary sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all the property or assets of the Corporation nor the consolidation or merger of the Corporation with or into one or more other corporations shall be deemed to be a liquidation, dissolution or winding-up of the Corporation, voluntary or involuntary, unless such voluntary sale, conveyance, exchange, transfer, merger or consolidation shall be in connection with a dissolution or winding-up of the business of the Corporation.

Section 4.23 No Preemptive Rights. (a) Without limitation of Section 4.19(d), the holders of Class A Common Stock, Class B Common Stock, Class C Common Stock (including any series thereof) or any series of Preferred Stock shall have no preemptive rights, as such, to subscribe for any shares of any class or series of capital stock of the Corporation whether now or hereafter authorized, except as expressly set forth in this Certificate of Incorporation, any Preferred Stock Designation, any resolution or resolutions providing for the issuance of a series of stock adopted by the Board, or any agreement between the Corporation and its stockholders.

(b) Until the Escrow Termination Date, except as expressly contemplated by the Global Restructuring Agreement, neither the Corporation nor any of its Subsidiaries shall issue any shares of its capital stock to any Person without the prior written consent of a majority of the members of the Litigation Committee (acting pursuant to their contractual rights and obligations pursuant to the Litigation Management Agreement), other than (subject to Section 4.19(d)) any issuance of: (i) shares of Common Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation) on or prior to the date hereof; (ii) shares of Common Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation) after the date hereof pursuant to the terms of the Global Restructuring Agreement or any other Transaction Document, including any Loss Shares, any shares of Class C (Series II) Common Stock issued pursuant to Section 4.19(d) hereof and any securities issued upon the conversion or exchange of any shares of Common Stock issued pursuant to the terms of this Agreement that are convertible into or exchangeable for shares of Common Stock (including, for the avoidance of doubt, any shares of Class A Common Stock issuable upon the conversion of any shares of Class B

Common Stock or Class C Common Stock); (iii) shares of Common Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation) issued upon the direct or indirect conversion of any options or convertible securities issued pursuant to any option plan or other employee incentive plan approved by the Board; (iv) shares of Common Stock issued to the Stockholders Representative in full or partial payment of the Option Exercise Price following an exercise of the Put Option or the Call Option (as such capitalized terms are defined in the Visa Europe Put-Call Option Agreement); (v) shares of Class A Common Stock in connection with any public offering of Class A Common Stock that the Board shall have determined in good faith is desirable in order to reduce the percentage ownership of Common Stock represented by the holders of Class B Common Stock and Class C Common Stock, in the aggregate, to less than fifty percent (50%), including, without limitation, the IPO; (vi) shares of Class A Common Stock (whether or not such shares constitute Loss Shares hereunder) sold in a public offering the proceeds of which are to be used, as determined in good faith by the Board, to fund operating losses or other extraordinary losses or liabilities, including, without limitation, losses in connection with any litigation or settlement thereof, or in other exigent circumstances as determined by the Board in good faith; (vii) shares of Common Stock or Preferred Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation) issued as consideration in any merger or recapitalization of the Corporation or issued as consideration for the acquisition of another Person or any assets of another Person; (viii) shares of Common Stock or Preferred Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation) issued to any Person (in an aggregate number of shares, with respect to each such Person, not to exceed (immediately after giving effect to such issuance) ten percent (10%) of the issued and outstanding capital stock of the Corporation of all classes and series, in each case if such issuance is to a Person as to which the Board has determined that a relationship with such Person would result in a material strategic benefit to the Corporation; (ix) shares of Common Stock or Preferred Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation), in an aggregate number of shares, not to exceed (immediately after giving effect to such issuance) three percent (3%) of the issued and outstanding capital stock of the Corporation of all classes and series, issued as part of any financing transaction approved by the Board, so long as such securities are not a material component of such financing transaction; and (x) shares of Common Stock (or other applicable equity interests in the case of any Subsidiary of the Corporation) issued in connection with any stock split or stock dividend of the securities of the Corporation to all holders of such securities on a pro rata basis.

Section 4.24 Limitations on Beneficial Ownership of Class A Common Stock.

(a) No Visa Member or Similar Person shall Beneficially Own more than five percent (5%) of the aggregate outstanding shares or voting power of Class A Common Stock or other Common Stock entitled at any time to vote for the election of directors (such other Common Stock, Other Voting Stock). Any Beneficial Ownership in violation of this Section 4.24(a) (including any Beneficial Ownership of a Person that shall thereafter become a Visa Member or Similar Person) shall be subject to the provisions set forth in Sections 4.24(e) through (k).

(b) No Person shall Beneficially Own (i) shares of Class A Common Stock representing more than fifteen percent (15%) of the aggregate outstanding shares or voting power of Class A Common Stock; (ii) shares of any class or series of Other Voting Stock representing more than fifteen percent (15%) of the aggregate outstanding shares or voting power of such class or series of Other Voting Stock; or (iii) shares of Class A Common Stock and Other Voting Stock representing more than fifteen percent (15%) of the aggregate voting power of all the then outstanding shares of stock of the Corporation entitled to vote at an election of directors, voting as a single class, unless, in each case, the Board shall have approved in advance the acquisition by such Person of such Beneficial Ownership of such shares of Class A Common Stock or such Other Voting Stock. Any Beneficial Ownership in violation of this Section 4.24(b) shall be subject to the provisions set forth in Sections 4.24(e) through (k).

(c) Notwithstanding anything to the contrary contained in Section 4.24 (a) or (b) above, (i) no Visa Member shall be deemed in violation of the limitations contained in such Sections as a result of owning the number of shares of any applicable Regional Class of Common Stock owned by such Visa Member as of immediately after the Restructuring Closing (or any number of shares of any other Common Stock into which such shares may

subsequently be converted pursuant to the terms hereof or any other shares of Common Stock issuable to such Visa Member pursuant to the terms of the Global Restructuring Agreement or any other Transaction Document) and (ii) no Initial VE Transferee (as defined in Section 4.25 below) shall be deemed in violation of the limitations contained in such Sections as a result of owning the number of shares of Class C Common Stock owned by it immediately after the first Transfer of any shares of Class C Common Stock by Visa Europe to such Initial VE Transferee. Notwithstanding Sections 4.24(a) and (b), any underwriter that participates in a public offering or as principal or initial purchaser in a placement of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) may Beneficially Own shares of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) in excess of the limitations on Beneficial Ownership set forth in Sections 4.24(a) and (b), but only to the extent necessary (in the sole judgment of the Board) to facilitate such public offering or placement.

(d) A Person (including, without limitation, a Visa Member or Similar Person) shall not be deemed to Beneficially Own shares of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) for purposes of Section 4.24(a) or (b), as applicable, if such shares of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) are held for the benefit of third parties or in customer or fiduciary accounts in the ordinary course of such Person's business.

(e) If any Transfer is purportedly effected which, if effective, would result in any Person Beneficially Owning shares of Class A Common Stock or Other Voting Stock in violation of Section 4.24(a) or (b), then the intended Transferee shall acquire no rights in respect of the shares in excess of the amount permitted by Section 4.24(a) or (b), as applicable (Excess Shares), including, without limitation, voting rights or rights to dividends or other distributions with respect to such Excess Shares and, subject to Section 4.24(h) hereof, the Transfer of that number of shares of Class A Common Stock or Other Voting Stock that otherwise would cause any Person to violate Section 4.24(a) or (b) shall be null and void ab initio.

(f) If the Board shall at any time determine in good faith that a Transfer or other event has purportedly taken place that, if effected would result in a violation of Section 4.24(a) or (b) or that a Person intends to acquire or has attempted to acquire Beneficial Ownership of any shares of Class A Common Stock or Other Voting Stock in violation of Section 4.24(a) or (b) (whether or not such violation is intended), such shares of Class A Common Stock or Other Voting Stock shall be redeemable for cash or property or exchangeable for other shares of capital stock of the Corporation, in each case, at the option of, and for the amount determined by, the Board in good faith and in its sole discretion, and the Board shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem shares, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfer or attempted Transfer or other event in violation of Section 4.24(a) or (b) shall be null and void ab initio irrespective of any action (or non-action) by the Board.

(g) A Person who acquires or attempts or intends to acquire Beneficial Ownership of shares of Class A Common Stock or Other Voting Stock that will or may violate Section 4.24(a) or (b) shall immediately give written notice to the Corporation of such event, or in the case of such a proposed or attempted transaction, give at least fifteen (15) days prior written notice, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation.

(h) Nothing in this Section 4.24 shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange or any other securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Section 4.24 and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Section 4.24.

(i) In the case of an ambiguity in the application of any of the provisions of this Section 4.24, the Board shall have the power to determine, in good faith and in its sole discretion, the application of the provisions of this Section 4.24, to any situation based on the facts known to it. In the event Section 4.24(f) requires an action by the Board and this Certificate of Incorporation fails to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of this Section 4.24. Absent a decision to the contrary by the Board (which the Board may make in its sole and absolute discretion), if a Person would have (but for provisions of Section 4.24(f)) acquired Beneficial Ownership of Class A Common Stock or Other Voting Stock in violation of Section 4.24(a) or (b), such provisions (as applicable) shall apply first, to the shares of Class A Common Stock or Other Voting Stock which, but for such provisions, would have been owned directly by such Person, second, to the shares which, but for such provisions, would have been wholly Beneficially Owned (but not owned directly) by such Person, and thereafter, to the shares which, but for such remedies, would have been Beneficially Owned by such Person, pro rata among the Persons who directly own such shares of Class A Common Stock or Other Voting Stock based upon the relative number of the shares of Class A Common Stock and/or Other Voting Stock held by each such Person.

(j) The Corporation is authorized specifically to seek equitable relief, including injunctive and necessary relief, to enforce the provisions of this Section 4.24.

(k) No delay or failure on the part of the Corporation or the Board in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the Board, as the case may be, except to the extent specifically waived in writing as authorized by the Board.

(l) Any certificate representing shares of Class B Common Stock, Class C Common Stock or any Regional Class of Common Stock shall bear a legend that the shares represented by such certificates are subject to the restrictions on transferability set forth in this Section 4.24, which legend shall be removed from such certificate upon release from such restrictions.

Section 4.25 Limitations on Transfer. (a) Until (x) in the case of the Class B Common Stock, the later of the third anniversary of the IPO Date and the Escrow Termination Date and (y) in the case of the Class C Common Stock, the third anniversary of the IPO Date (such period, as applicable, and as such period may be modified by the Board pursuant to Section 4.25(b) or (c) hereof the Lock-Up Period), no shares of Class B Common Stock or Class C Common Stock shall be Transferable, except for:

(viii) any Transfer of any shares of Class B Common Stock or Class C Common Stock by any Person that is a Group Member (as such term is defined in the Second Restated Visa International By-Laws) of Visa International to any Person that is a stockholder, member, or other equity holder of such Group Member (each, an Initial Group Member Transferee); provided that such Transfer is made in accordance with applicable securities Laws and is made to each Initial Group Member Transferee ratably in accordance with their respective entitlements to dividends or other distributions from such Group Member, in accordance with the applicable constituent documents of such Group Member;

(ix) any Transfer by a holder of Class B Common Stock or Class C Common Stock to any Person who succeeds to all or substantially all of the assets of such holder, whether by merger, consolidation, amalgamation, sale of substantially all assets or other similar transaction or to an Affiliate of such Person;

(b) The Board may approve one or more exceptions to foregoing Transfer restrictions in the case of any proposed Transfer by a holder of Class C Common Stock, in which case such restrictions shall not apply to such Transfer; provided that such exception applies to all holders of Class C Common Stock equally on a ratable basis (or, if such exception does not apply to all holders of Class C Common Stock equally on a ratable basis, if such exception is also approved by at least seventy-five percent (75%) of the Independent Directors) and (B) at any time after the Escrow Termination Date, the Board may approve one or more exceptions to the foregoing Transfer restrictions in the case of any proposed Transfer by a holder of Class B Common Stock, in which case such restrictions shall not apply to such Transfer; provided that such exception applies to all holders of Class B Common Stock and Class C Common Stock equally on a ratable basis (or, if such exception does not apply to all holders of Class B Common Stock and Class C Common Stock equally on a ratable basis, if such exception is also approved by at least seventy-five percent (75%) of the Independent Directors). The provisions of Section 4.24 shall apply to this Section 4.25 mutatis mutandis. Any certificate representing shares of Class B Common Stock or Class C Common Stock shall bear a legend that the shares represented by such certificates are subject to the restrictions on transferability set forth in this Certificate of Incorporation, which legend shall be removed from such certificate upon release from such restrictions. If any shares of Class B Common Stock or Class C Common Stock are not represented by a certificate, the Corporation reserves the right to require that an analogous notification be used in order to reflect on the books and records of the Corporation such restrictions with respect to such shares of Class B Common Stock or Class C Common Stock, as the case may be.

(c) The Board may, by resolution adopted by a majority of the Board, extend the three (3) year component of the Lock-Up Period (i.e., in the case the Class B Common Stock, not including any period by which the Escrow Termination Date exceeds such three (3) year period) with respect to any portion of the outstanding

shares of Class B Common Stock and Class C Common Stock for a period of not more than one year after the date on which the Lock-Up Period would otherwise terminate pursuant to Section 4.25(a); provided that (i) contemporaneously with any such extension of the Lock-Up Period with respect to any portion of such shares of Class B Common Stock and Class C Common Stock, the Board has approved one or more reductions to the Lock-Up Period with respect to another portion of such shares of Class B Common Stock and Class C Common Stock, such that at all times the weighted average period of the Lock-Up Period with respect to all outstanding shares of Class B Common Stock and Class C Common Stock is not more than three (3) years and (ii) such extension of the Lock-Up Period applies to all holders of Class B Common Stock and Class C Common Stock equally on a ratable basis (or, if such extension does not apply to all holders of Class B Common Stock and Class C Common Stock equally on a ratable basis, if such extension is also approved by at least seventy-five percent (75%) of the Independent Directors).

Section 4.26 Sale of Loss Shares. (a) Sale at Election of the Corporation. Except as the Corporation may otherwise agree pursuant to contract, the Corporation shall be entitled to sell Loss Shares at any time and for any reason, and on such terms as the Board may determine in its sole discretion; provided that the net proceeds of any such sale shall be deposited in the Escrow Account in accordance with the provisions of the Escrow Agreement.

(b) Sale at the Direction of the Litigation Committee. The Corporation shall, at the request of the Litigation Committee, use all commercially reasonable efforts to sell in an underwritten public offering pursuant to the terms of the Loss Sharing Agreement, additional shares of Class A Common Stock which shall constitute Loss Shares in an amount not to exceed the number of shares of Class A Common Stock into which the issued and outstanding Class B Common Stock is then convertible immediately prior to the sale of such Loss Shares; provided, however, that the Litigation Committee shall not be entitled to make any such request (x) more frequently than twice in any twelve (12) month period or (y) with respect to any requested offering that is not reasonably expected to yield net proceeds of at least \$100,000,000, in either such case, unless the Corporation or any of its Affiliates shall have actually incurred a Liability in respect of any Visa Litigation Obligation at the time of such request and there shall be no funds on deposit in the Escrow Account at such time); and provided, further, that the net proceeds of the sale of such Loss Shares shall be deposited into the Escrow Account. Notwithstanding the foregoing, the Corporation may delay the filing or effectiveness of a registration statement with respect to such Loss Shares for a period of time not to exceed an aggregate of one hundred twenty (120) days in any twelve (12) month period if (i) the Board determines, in good faith, that the disclosure of an event, occurrence or other item at such time could reasonably be expected to have a material adverse effect on the business, assets, operations, condition (financial or otherwise), performance, property or prospects of the Corporation and its Subsidiaries, taken as a whole, or (ii) such disclosure otherwise relates to a material business transaction or potential business transaction which has not been publicly disclosed and the Board determines, in good faith, that any such disclosure could jeopardize the consummation or success of such transaction or that disclosure of the transaction is prohibited pursuant to the terms thereof.

(c) Any shares of Class A Common Stock to be issued as Loss Shares pursuant to paragraph (a) or (b) of this Section 4.26 shall be so designated by resolution of the Board.

Section 4.27 Limitation on Initial Public Offering. The Corporation shall not consummate any IPO if, immediately after the consummation of the IPO (assuming the exercise in full of any greenshoe option or underwriters over-allotment option granted in connection with such IPO and giving effect to (x) the redemption of any outstanding Common Stock out of the net proceeds of such IPO pursuant to Section 4.18 of this Certificate of Incorporation and (y) any adjustment to the Applicable Conversion Rate as a result of the deposit of any net proceeds of such IPO into the Escrow Account), the issued and outstanding Class A Common Stock constitutes more than sixty percent (60%) of the issued and outstanding Common Stock of the Corporation, calculated on a as converted basis, unless such IPO shall have been approved by the affirmative vote of at least two-thirds (2/3) of the entire Board and approved by the unanimous affirmative vote of the members of the Review Committee.

(a) The business and affairs of the Corporation shall be managed by or under the direction of the members of the Board, with the number of directors comprising the full Board to be determined from time to time by resolution adopted by affirmative vote of a majority of the Board.

(b) [Reserved]

(c) From the IPO Date, until the day of the annual meeting of the Corporation held in the calendar year 2011, the Board shall consist, subject to this Certificate of Incorporation and the By-Laws of the Corporation (as amended, supplemented or otherwise modified from time to time, the By-Laws) of seventeen (17) directors, having the following composition (subject to Section 5.2 hereof): (i) a number of directors equal to not less than fifty-eight percent (58%) of the total number of directors comprising the full Board shall be Independent Directors elected by a plurality of the votes cast by the holders of outstanding shares of Common Stock of all classes present in person or represented by proxy at the meeting and entitled to vote on the election of such directors; (ii) two directors shall be USA Directors; (iii) one director shall be a Canada Director; (iv) one director shall be an AP Director; (v) one director shall be an LAC Director; (vi) one director shall be a CEMEA Director; and (vii) the Executive Director shall be elected by a plurality of votes cast by the holders of all classes and series of Common Stock entitled to vote, voting together as a single class. All directors other than the Executive Director and the Regional Directors shall be Independent Directors.

(d) From and after the day of the annual meeting of the Corporation occurring in the calendar year 2011, the Board shall consist, subject to this Certificate of Incorporation and the By-Laws, of such number of directors as shall from time to time be fixed exclusively by resolution adopted by the affirmative vote of the majority of the Board; provided, however, that at least fifty-eight percent (58%) of the Board shall at all times be comprised of Independent Directors. Directors shall (except as hereinafter provided for the filling of vacancies and newly created directorships) be elected by the holders of a plurality of the votes cast by the holders of shares of Common Stock of all classes present in person or represented by proxy at the meeting and entitled to vote on the election of such directors.

(e) The Board, other than as may be expressly provided as to any directors who may be elected by the holders of any series of Preferred Stock, if any, shall be divided into three (3) classes, designated Class I, Class II and Class III. Each Regional Director shall be designated a Class I director, and shall be elected for a term commencing on the Restructuring Closing Date and expiring on the date of the annual meeting of the Corporation held in the calendar year 2008 (or, if no annual meeting is held in the calendar year 2008 after the Restructuring Closing Date, the first annual meeting of the Corporation held after the Restructuring Closing Date). The Executive Director and one or more of the Independent Directors shall be designated a Class II director, and shall be elected for a term commencing on the Restructuring Closing Date and expiring on the date of the annual meeting of the Corporation held in the calendar year 2009. One or more of the Independent Directors shall be designated a Class III director, and shall be elected for a term commencing on the Restructuring Closing Date and ending on the date of the annual meeting of the Corporation held in the calendar year 2010. Successors to each class of directors whose term is expiring shall be elected by the stockholders at the annual meeting of stockholders on which the terms of directors of such class are scheduled to expire, and shall be elected for a term expiring at the third annual meeting of stockholders immediately following the annual meeting at which such successor director is elected; provided that the term of the Class I Directors elected at the first annual meeting held after the Restructuring Closing Date shall, in any event expire on the day of the annual meeting of the Corporation held in the calendar year 2011. Each class shall consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board. The foregoing notwithstanding, each director shall serve until his or her successor shall have been duly elected and qualified, unless he or she shall die, resign, retire, become disqualified or be removed. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, except as may be expressly provided as to any directors who may be elected by the holders of

any series of Preferred Stock. Any additional director of any class elected to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class. In no case shall a decrease in the number of directors remove or shorten the term of any incumbent director.

(f) A majority of the total number of directors then in office shall constitute a quorum for the transaction of business, but shall be no less than one-third (1/3) of the total authorized number of directors. Except as otherwise provided by law, this Certificate of Incorporation or the By-Laws, the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board.

(g) Directors need not be elected by written ballot unless the By-Laws shall so provide.

Section 5.2 Vacancies; Newly-Created Directorships; Qualification. The Board shall, at the next scheduled meeting of the Board or any special meeting called for such purpose, vote upon any nominee submitted by the Regional Nominating Committee. If such nominee is elected by a majority of the full Board present at a meeting at which there is a quorum, such nominee shall be elected as a member of the Board. If such nominee fails to be elected at such meeting, then the Board shall call a special meeting of the stockholders of the Corporation for the purpose of voting to elect a director to fill such vacancy. Any person elected to the Board in the manner provided in this Section 5.2 shall be a Regional Director for purposes of Section 5.1 hereof.

(b) Except as provided in Section 5.2(a), and subject to the rights of the holders of any series of Preferred Stock then outstanding and to the By-Laws, newly created directorships resulting from any increase in the authorized number of directors or any vacancies on the Board resulting from death, resignation or other cause shall be filled only by a resolution adopted by the affirmative vote of a majority of the directors then in office, even if less than a quorum, and each director so chosen shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which such director has been elected expires and until his or her successor shall have been duly elected and qualified, or until his or her earlier death, resignation, retirement, disqualification, removal from office or other reason.

(c) Notwithstanding anything to the contrary in this Certificate of Incorporation, a candidate nominated to stand for election as a director of the Corporation at any annual meeting of the Corporation (or any special meeting of the Corporation held for the purpose of electing Class I directors) held on or after January 1, 2008 and on or before April 30, 2009, shall meet the following qualifications: (i) such candidate shall be a senior executive or former senior executive of a Visa Member (or shall be a serving director of the Corporation who has been nominated for re-election upon the expiration of his or her term); and (ii) such director shall have been approved by the then-serving Regional Directors. This Section 5.2(c) shall have no further effect from and after May 1, 2009.

Section 5.3 Removal of Directors. Subject to the rights of the holders of any series of Preferred Stock then outstanding, unless otherwise restricted by this Certificate of Incorporation, any director may be removed from office at any time, with or without cause, only by the affirmative vote of at least eighty percent (80%) in voting power of all of the then outstanding shares of stock of the Corporation entitled to vote at an election of directors, voting together as a single class.

ARTICLE VII

Section 7.1 Limited Liability of Directors. No director of the Corporation will have any personal liability to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or hereafter may be amended. No amendment, alteration or repeal of this Article VII shall eliminate or reduce the effect thereof in respect of any matter occurring, or any cause of action, suit or claim that, but for this Article VII would accrue or arise, prior to such amendment, alteration or repeal.

ARTICLE VIII

Section 8.3 Non-Exclusivity of Indemnification and Advancement of Expenses. The provisions of this Article VIII shall not be deemed to preclude the indemnification of any person who is not specified in Section 8.1 of this Article VIII but whom the Corporation has the power or obligation to indemnify under the provisions of the DGCL, or otherwise. The corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the DGCL, or by any other applicable law.

Section 8.5 Certain Definitions. For purposes of this Article VIII, references to the Corporation shall include, in addition to this corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors or officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued. Section 8.10 Subrogation. In the event of payment under this Article VIII, the Corporation shall be subrogated to the extent of such payment to all of the rights of recovery of the indemnitee, who shall execute all papers required and shall do everything that may be necessary to secure such rights, including the execution of such documents necessary to enable the Corporation effectively to bring suit to enforce such rights.

Without limiting Section 9.3 hereof, neither the Corporation nor any holder of Class B Common Stock or Class C Common Stock nor any Controlled Affiliate thereof by virtue of this Certificate of Incorporation shall have any rights in or to any Permitted Activity or the income or profits derived therefrom, regardless of whether or not such Permitted Activity was presented to a Permitted Person as a direct or indirect result of its or his connection with the Corporation. Without limiting Section 9.3 hereof, no Permitted Person shall have any obligation to present any Permitted Activity to the Corporation, even if the Permitted Activity is one that the Corporation might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so and no Permitted Person shall be liable to the Corporation or any holder of Class B Common Stock, Class C Common Stock or any Regional Class of Common Stock (or any Controlled Affiliate or Related Party thereof) for breach of any fiduciary or other duty by reason of the fact that a Permitted Person pursues or acquires such business opportunity, directs such business opportunity to another Person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation.

Any Person purchasing or otherwise acquiring any interest in shares of the capital stock of the Corporation shall be deemed to have notice of and to have consented to this Article IX.

Section 9.4 Confidential or Proprietary Information. Nothing in this Article IX shall prevent or otherwise restrict the Corporation from promulgating policies regarding the safeguarding and handling of Confidential or Proprietary Information by the officers, directors and employees of the Corporation. days after the date on which the Inovant US Holdco Merger Effective Time occurs (or, if such date is not a Business Day, until the next succeeding Business Day) (such later date, the Deferred Redemption Date), and (i) the Corporation shall be obligated to redeem such Class C Redemption Shares on the Deferred Redemption Date out of the capital of the Corporation, (ii) the Applicable Class B/C First Tranche Redemption Price or the Applicable Class B/C Final Tranche Redemption Price, as the case may be, in respect of such Class C Redemption Shares shall be payable on the Deferred Redemption Date, without interest and (iii) until such time, such Class C Redemption Shares shall remain subject to all applicable restrictions on Transfer as set forth in Section 4.25 hereof but, in all other respects, Visa Europe shall continue to enjoy full economic and beneficial entitlement to such Class C Redemption Shares.

Section 4.19 Redemption of Class C (Series II) Common Stock.

(a) Each share of Class C (Series II) Common Stock outstanding at any time shall be subject to redemption by the Corporation (or at the option of Visa Europe) as provided in this Section 4.19.

(b) The Corporation shall be entitled, by written notice to Visa Europe (a Corporation Redemption Notice) delivered at any time after the later of (x) the date that is three hundred sixty-nine (369) calendar days after the date on which the Inovant US Holdco Merger Effective Time occurs and (y) the IPO Date (or the Final IPO Date, as applicable), to redeem, and Visa Europe shall be entitled, by written notice to the Corporation (a VE Redemption Notice) delivered at any time after the later of (x) the date that is four hundred twenty-nine (429) days after the date on which the Inovant US Holdco Merger Effective Time occurs and (y) the date that is sixty (60) days after the IPO Date (or the Final IPO Date, as applicable), to require the Corporation to redeem, in either such case out of the capital of the Corporation, all, but not less than all, of the outstanding shares of Class C (Series II) Common Stock. Upon receipt of a Corporation Redemption Notice by Visa Europe or a VE Redemption Notice by the Corporation, the Corporation shall be irrevocably obligated to redeem from each holder thereof, out of the capital of the Corporation and not out of surplus, and each such holder shall be irrevocably obligated to surrender for redemption, on the date specified in the Corporation Redemption Notice or VE Redemption Notice, as applicable (which date shall not be earlier than five (5) days after the date on which such notice is delivered (the Series II Redemption Date), all but not less than all of the shares of Class C (Series II) Common Stock owned by each such holder on the Series II Redemption Date, for a redemption price per share, payable in cash, equal to (i) the Aggregate Series II Redemption Amount divided by (ii) the aggregate number of shares of Class C (Series II) Common Stock issued and outstanding on the Series II Redemption Date (the Series II Per Share Redemption Price).

(c) On the Series II Redemption Date, each holder of Class C (Series II) Common Stock shall surrender to the Corporation the certificate or certificates representing all of its Class C (Series II) Common Stock, and thereupon, with respect to each such holder, an amount equal to the number of shares of Class C (Series II) Common Stock owned by such holder multiplied by the Series II Per Share Redemption Price (with respect to each such holder, its Applicable Series II Redemption Amount) shall be payable in cash to the order of the Person whose name appears on such certificate or certificates as the owner thereof and each surrendered certificate shall be ~~cancelled~~canceled. From and after the Series II Redemption Date, unless there shall have been a default in payment of any Applicable Series II Redemption Amount, all rights of the holders of shares of Class C (Series II) Common Stock, as holders of Class C (Series II) Common Stock (except the right to receive the Applicable Series II Redemption Amount, without interest, upon surrender of the certificate or certificates representing their Class C (Series II) Common Stock) shall cease with respect to such shares, and such shares shall be retired and canceled. If necessary, and to the extent permitted by the DGCL and other applicable law, the Board shall increase the capital of the Corporation by directing that any surplus be transferred to capital in order to ensure that there is sufficient capital to pay the Aggregate Series II Redemption Amount out of capital. If the capital of the Corporation legally available for redemption of shares of Class C (Series II) Common Stock on the Series II Redemption Date is insufficient to pay the Aggregate Series II Redemption Amount on such date, such capital ~~that is~~ will be used to redeem the maximum possible number of such shares ratably among the holders of such shares to be redeemed. (d) Notwithstanding anything to the contrary contained in this Certificate of Incorporation, in the event that, at any time prior to the date that is three hundred sixty-nine (369) days after the date on which the Invoant US Holdco Merger Effective Time occurs, there shall occur, pursuant to the terms of this Certificate of Incorporation or otherwise, any transaction, action, development or other circumstance (including, for the avoidance of doubt, the occurrence of the IPO, any conversion of shares, or any issuance of shares or debt by the Corporation, but excluding any Transfer of any shares of Common Stock by Visa Europe or any holder of any shares of capital stock of Visa Europe) as a result of which the shares of ~~Class EU (Series I) Common Stock and Class EU (Series II) Common Stock and Class EU (Series III) Common Stock~~, Class C (Series II) Common Stock, Class C (Series III) Common Stock, Class C (Series IV) Common Stock (or the Common Stock into which any such Common Stock may convert or has been converted), owned by Visa Europe and VESI would represent, in the aggregate, less than ten percent (10%) of: (i) the ordinary share capital (within the meaning of Section 832 Income and Corporation Taxes Act 1988) of the Corporation, (ii) the profits available for distribution to equity holders of the Corporation (computed in accordance with Schedule 18 Income and Corporation Taxes Act 1988, as adapted by paragraph 8 Schedule 7AC of the TGCA) and (iii) the assets that would be available to equity holders of the Corporation upon a dissolution or other winding up of the Corporation (computed in accordance with Schedule 18 Income and Corporation Taxes Act 1988, as adapted by paragraph 8 Schedule 7AC of the TGCA) (or any such other event with respect to the share capital or debt of the Corporation occurs as would cause Visa Europe to fail the substantial shareholding test as set out in paragraph 8 Schedule 7AC of the ~~TCGATGCA~~ in respect of its holding of shares of Common Stock) then such transaction, action, development, circumstance or issuance shall be void ab initio and shall have no effect unless the Corporation shall issue to Visa Europe, prior thereto, a number of shares of Class ~~EU (Series II) Common Stock~~ (if prior to the True Up Distribution Date) or Class C (Series II) Common Stock (if after the True Up Distribution Date) such that, immediately after giving effect to such issuances, the shares of Class ~~EU (Series I) Common Stock, Class EU (Series II) Common Stock, Class EU (Series III) Common Stock, Class C (Series II) Common Stock, Class C (Series III) Common Stock and Class C (Series IV) Common Stock~~ (or the Common Stock into which any such Common Stock may convert or has been converted) owned by Visa Europe and VESI represent, in the aggregate, at least ten percent (10%) of (i) the ordinary share capital (within the meaning of Section 832 Income and Corporation Taxes Act 1988) of the Corporation, (ii) the profits available for distribution to equity holders of the Corporation and (iii) the assets that would be available to equity holders of the Corporation upon a dissolution or other winding up of the Corporation, such that the test referred to above would be satisfied. In consideration for each issuance of any such additional shares of Class ~~EU (Series II) Common Stock or Class C (Series II) Common Stock~~, as applicable, to Visa Europe, Visa Europe shall pay to Visa Inc. an amount equal to the fair market value of such shares, as determined by the Board in its reasonable good faith discretion (such amount, the Subscription Price), which shall be payable in cash in two installments as follows: (x) the first installment shall be paid to Visa Inc. in cash on the date of (and contemporaneously with) the issuance of such shares of Class ~~EU (Series II) Common Stock or Class C (Series II) Common Stock~~, as applicable, in an amount equal to the aggregate number of shares of Class ~~EU (Series II) Common Stock or Class C (Series II) Common Stock~~, as applicable, issued on such date multiplied by the par value per share of such Class ~~EU (Series II) Common Stock or Class C (Series II) Stock~~ (such amount, with respect to any such issuance of ~~Class EU (Series II) Common Stock or Class C (Series II) Common Stock~~, the Subscription Price First Installment) and (y) the second installment shall be payable not later than the Series II Redemption Date in an amount (such amount, with respect to any such issuance of Class ~~EU (Series II) Common Stock or Class C (Series II) Common Stock~~, the Subscription Price Balance Payment) equal to the Subscription Price minus the Subscription Price First Installment; provided, however, that, for the avoidance of doubt, the payment of each Subscription Price Balance Payment (the aggregate amount of all Subscription Price Balance Payments being referred to herein as the Aggregate Subscription Price Balance Amount) to the extent not previously paid, shall be made by means of an offset against the Aggregate Series II Redemption Amount payable pursuant to Section 4.19(b).

(a) No Visa Member or Similar Person shall Beneficially Own more than five percent (5%) of the aggregate outstanding shares or voting power of Class A Common Stock or other Common Stock entitled at any time to vote for the election of directors (such other Common Stock, Other Voting Stock). Any Beneficial Ownership in violation of this Section 4.24(a) (including any Beneficial Ownership of a Person that shall thereafter become a Visa Member or Similar Person) shall be subject to the provisions set forth in Sections 4.24(e) through (k).

(b) No Person shall Beneficially Own (i) shares of Class A Common Stock representing more than fifteen percent (15%) of the aggregate outstanding shares or voting power of Class A Common Stock; (ii) shares of any class or series of Other Voting Stock representing more than fifteen percent (15%) of the aggregate outstanding shares or voting power of such class or series of Other Voting Stock; or (iii) shares of Class A Common Stock and Other Voting Stock representing more than fifteen percent (15%) of the aggregate voting power of all the then outstanding shares of stock of the Corporation entitled to vote at an election of directors, voting as a single class, unless, in each case, the Board shall have approved in advance the acquisition by such Person of such Beneficial Ownership of such shares of Class A Common Stock or such Other Voting Stock. Any Beneficial Ownership in violation of this Section 4.24(b) shall be subject to the provisions set forth in Sections 4.24(e) through (k).

(c) Notwithstanding anything to the contrary contained in Section 4.24 (a) or (b) above, (i) no Visa Member shall be deemed in violation of the limitations contained in such Sections as a result of owning the number of shares of any applicable Regional Class of Common Stock owned by such Visa Member as of immediately after the Restructuring Closing (or any number of shares of any other Common Stock into which such shares may subsequently be converted pursuant to the terms hereof or any other shares of Common Stock issuable to such Visa Member pursuant to the terms of the Global Restructuring Agreement or any other Transaction Document) and (ii) no Initial VE Transferee (as defined in Section 4.25 below) shall be deemed in violation of the limitations contained in such Sections as a result of owning the number of shares of Class C Common Stock owned by it immediately after the first Transfer of any shares of Class C Common Stock by Visa Europe to such Initial VE Transferee. Notwithstanding Sections 4.24(a) and (b), any underwriter that participates in a public offering or as principal or initial purchaser in a placement of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) may Beneficially Own shares of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for

Class A Common Stock or Other Voting Stock) in excess of the limitations on Beneficial Ownership set forth in Sections 4.24(a) and (b), but only to the extent necessary (in the sole judgment of the Board) to facilitate such public offering or placement.

(d) A Person (including, without limitation, a Visa Member or Similar Person) shall not be deemed to Beneficially Own shares of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) for purposes of Section 4.24(a) or (b), as applicable, if such shares of Class A Common Stock or Other Voting Stock (or securities convertible into or exchangeable for Class A Common Stock or Other Voting Stock) are held for the benefit of third parties or in customer or fiduciary accounts in the ordinary course of such Person's business.

(e) If any Transfer is purportedly effected which, if effective, would result in any Person Beneficially Owning shares of Class A Common Stock or Other Voting Stock in violation of Section 4.24(a) or (b), then the intended transferee shall acquire no rights in respect of the shares in excess of the amount permitted by Section 4.24(a) or (b), as applicable (Excess Shares), including, without limitation, voting rights or rights to dividends or other distributions with respect to such Excess Shares and, subject to Section 4.24(h) hereof, the Transfer of that number of shares of Class A Common Stock or Other Voting Stock that otherwise would cause any Person to violate Section 4.24(a) or (b) shall be null and void ab initio.

(f) If the Board shall at any time determine in good faith that a Transfer or other event has purportedly taken place that, if effected would result in a violation of Section 4.24(a) or (b) or that a Person intends to acquire or has attempted to acquire Beneficial Ownership of any shares of Class A Common Stock or Other Voting Stock in violation of Section 4.24(a) or (b) (whether or not such violation is intended), such shares of Class A Common Stock or Other Voting Stock shall be redeemable for cash or property or exchangeable for other shares of capital stock of the Corporation, in each case, at the option of, and for the amount determined by, the Board in good faith and in its sole discretion, and the Board shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem shares, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfer or attempted Transfer or other event in violation of Section 4.24(a) or (b) shall be null and void ab initio irrespective of any action (or non-action) by the Board.

(g) A Person who acquires or attempts or intends to acquire Beneficial Ownership of shares of Class A Common Stock or Other Voting Stock that will or may violate Section 4.24(a) or (b) shall immediately give written notice to the Corporation of such event, or in the case of such a proposed or attempted transaction, give at least fifteen (15) days prior written notice, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation.

(h) Nothing in this Section 4.24 shall preclude the settlement of any transaction entered into through the facilities of the New York Stock Exchange or any other securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Section 4.24 and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Section 4.24.

(i) In the case of an ambiguity in the application of any of the provisions of this Section 4.24, the Board shall have the power to determine, in good faith and in its sole discretion, the application of the provisions of this Section 4.24, to any situation based on the facts known to it. In the event Section 4.24(f) requires an action by the Board and this Certificate of Incorporation fails to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of this Section 4.24. Absent a decision to the contrary by the Board (which the Board may make in its sole and absolute discretion), if a Person would have (but for provisions of Section 4.24(f)) acquired Beneficial Ownership of Class A Common Stock or Other Voting Stock in violation of Section 4.24(a) or (b), such provisions (as applicable) shall apply first, to the shares of Class A Common Stock or Other Voting Stock which,

(j) The Corporation is authorized specifically to seek equitable relief, including injunctive and necessary relief, to enforce the provisions of this Section 4.24.

(k) No delay or failure on the part of the Corporation or the Board in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the Board, as the case may be, except to the extent specifically waived in writing as authorized by the Board.

(l) Any certificate representing shares of Class B Common Stock, Class C Common Stock or any Regional Class of Common Stock shall bear a legend that the shares represented by such certificates are subject to the restrictions on transferability set forth in this Section 4.24, which legend shall be removed from such certificate upon release from such restrictions.
