### Item 3.02 Unregistered Sales of Equity Securities

As previously disclosed by Webster Financial Corporation (Webster) in its Current Report on Form 8-K filed with the SEC on July 31, 2009, pursuant to an Investment Agreement (the Agreement), dated July 27, 2009, between Webster and Warburg Pincus Private Equity X, L.P. (Warburg Pincus), Webster agreed to issue certain securities (the Second Closing Securities) to Warburg Pincus contingent upon the satisfaction of certain conditions set forth in the Investment Agreement. The Second Closing Securities consist of (i) 3,018,400 shares of common stock; (ii) 44,570 shares of Perpetual Participating Preferred Stock, Series C (Series C Preferred Stock), which are mandatorily convertible into 4,457,000 shares of Webster common stock, par value \$0.01 per share (Common Stock) following receipt of Webster shareholder approvals; (iii) an A-Warrant, Series 2 (the A2 Warrant) to purchase 67,819 shares of Series C Preferred Stock prior to the receipt of Webster shareholder approvals or 6,781,900 shares of Common Stock following receipt of Webster shareholder approvals (or in certain circumstances in which Warburg Pincus might otherwise hold more than 24.9% of Webster's voting securities, shares of Non-Voting Perpetual Participating Preferred Stock, Series D (Series D Preferred Stock)); and (iv) a B-Warrant, Series 2 (the B2 Warrant) to purchase 43,247 shares of Series C Preferred Stock, which will only become exercisable (at a strike price of \$2.50 per underlying common share) if Webster shareholder approvals are not obtained prior to February 28, 2010. The B2 Warrant expires immediately upon receipt of Webster shareholder approvals. The A2 Warrant will initially have a strike price of \$10.00 per underlying common share, with the strike price increasing to \$11.50 per share on October 15, 2011 and to \$13.00 per share on October 15, 2013. Webster issued the Second Closing Securities to Warburg Pincus on October 15, 2009 in consideration for a cash payment of \$74,754,000.

Actual results could differ materially from management expectations, projections and estimates. Factors that could cause future results to vary from current management expectations include, but are not limited to, general economic conditions, legislative and regulatory changes, monetary and fiscal policies of the federal government, any failure to receive the approval of Webster's shareholders in connection with the remaining funding of Warburg Pincus' investment, changes in tax policies, rates and regulations of federal, state and local tax authorities, changes in interest rates, deposit flows, the cost of funds, demand for loan products, demand for financial services, competition, changes in the quality or composition of Webster's loan and investment portfolios, changes in accounting principles, policies or guidelines, and other economic, competitive, governmental and technological factors affecting Webster's operations, markets, products, services and prices. Some of these and other factors are discussed in the annual and quarterly reports of Webster previously filed with the SEC. Such developments, or any combination thereof, could have an adverse impact on the company's financial position and results of operations. Except as required by law, Webster does not undertake to update any such forward looking statements.
