Item 1.01. Entry into a Material Definitive Agreement.

On April 28, 2011, Esterline Technologies Corporation, a Delaware corporation (Esterline), submitted an irrevocable and binding offer (the Offer) to certain sellers (the Sellers) to purchase the outstanding shares of capital stock of Souriau Technologies Holding (STH), Jupiter S.A.S. (Jupiter) and the shares of Financiere Jupiter S.A.S. (FJ) not held by Jupiter (the Proposed Acquisition). STH, Jupiter and FJ are the parent entities of the Souriau Group, a leading global supplier of highly-engineered connectors for harsh environments.

Pursuant to the Offer, Esterline has agreed to enter into a share purchase agreement with Sellers after completion of the required consultation with the French workers' councils and acceptance of the Offer by the Sellers. Esterline has also agreed to pay a purchase price of 483 million euros (approximately USD\$715 million) in connection with the Proposed Acquisition, which Esterline expects to finance through a combination of cash on hand and international debt. In addition, Esterline has agreed to place USD\$350 million in escrow as security for the purchase price.

In the event that required approvals are not received, the Offer will automatically terminate on September 30, 2011.

A copy of the press release regarding the Offer and Proposed Acquisition is attached hereto as Exhibit 99.1 and is incorporated herein by reference. The press release should be read in conjunction with the note regarding forward-looking statements, which is included in the text of the press release.
