- 4) In October 2008, the Company moved the Nano project from Singur in West Bengal to Sanand in Gujarat. The newly elected Government of West Bengal enacted a legislation on June 14, 2011, which was notified on June 20, 2011, to expropriate the entire property consisting buildings and leasehold land relating to project at Singur. The Company has challenged the legal validity of the legislation including the process of compensation in the Court of Law, the outcome of which is pending as of the date of approval of these financial results by the Board of Directors. Based on management's assessment no provision is considered necessary to the carrying cost of buildings at Singur.

This accounting treatment is as per accounting standard AS-21. Further, the tax expense is lower due to set off of carry forward losses of certain subsidiary companies.
- 6) The net amount of 315.64 crores (debit) and 358.99 crores (debit) for quarter and six months ended September 30, 2011 respectively (175.73 crores (debit) and 271.39 (debit) crores for the quarter and six months ended September 30, 2010 respectively), of changes in actuarial valuation of pension plans of Jaguar Cars Ltd and Land Rover, UK, have been accounted in Reserves and Surplus in accordance with IFRS principles and permitted by AS 21 in the consolidated financial statements.
