**Item 2.01 Completion of Acquisition or Disposition of Assets.**

Equity LifeStyle Properties, Inc., through its operating partnership (collectively, the Company), previously entered into purchase and other agreements to acquire a portfolio of 75 manufactured home communities and one RV resort (the Acquisition Properties) containing 31,167 sites on approximately 6,500 acres located in 16 states (primarily located in Florida and the northeastern region of the United States) and certain manufactured homes and loans secured by manufactured homes located at the Acquisition Properties for a stated purchase price of \$1.43 billion (the Acquisition).

On December 8, 2011, the Company closed on seven of the Acquisition Properties along with certain manufactured homes and loans secured by manufactured homes located at such Acquisition Properties for a stated purchase price of approximately \$99 million. The purchase price in connection with this closing was funded with: (i) the assumption of approximately \$55 million of mortgage debt secured by the Acquisition Properties acquired and (ii) approximately \$44 million of cash. The cash was obtained from the proceeds of the previously announced \$200 million of financings originated during the quarter ended September 30, 2011.

As of December 8, 2011, the Company has closed on 75 Acquisition Properties since July 1, 2011.

See the Company's Form 8-K's dated on October 21, 2011, October 11, 2011, October 3, 2011, September 1, 2011, August 1, 2011 and July 1, 2011 for further information about the previous closings on 68 of the Acquisition Properties.

When used, words such as anticipate, expect, believe, project, intend, may be and will be and similar words or phrases, or the negative thereof, unless context requires otherwise, are intended to identify forward-looking statements and may include, without limitation, information regarding the Company's expectations, goals or intentions regarding the future, statements regarding the anticipated closing of the remainder of the pending Acquisition and the expected effect of the Acquisition on the Company. These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to:

the Company's assumptions about rental and home sales markets;

the Company's assumptions and guidance concerning 2011 and 2012 estimated net income and funds from operations;

in the age-qualified Properties, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial, credit and capital markets volatility;

results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing and competition from alternative housing options including site-built single-family housing;

impact of government intervention to stabilize site-built single family housing and not manufactured housing;

the completion of the remainder of the Acquisition and future acquisitions, if any, timing and effective integration with respect thereto and the Company's estimates regarding the future performance of the Acquisition Properties;

unanticipated costs or unforeseen liabilities associated with the Acquisition;

ability to obtain financing or refinance existing debt on favorable terms or at all;

the effect of interest rates;

the dilutive effects of issuing additional securities;

the effect of accounting for the entry of contracts with customers representing a right-to-use the Properties under the Codification Topic *Revenue Recognition*; and
