ABOUT THE 2013 ANNUAL MEETING OF SHAREHOLDERS

WHAT AM I VOTING ON?

You will be voting on the following items:

Election to the Board of Directors of the ten persons named in Election of Directors below;

Ratification of the appointment of KPMG LLP as the independent registered public accounting firm of the Company for the fiscal year ending February 2, 2014 (Fiscal 2013);

An advisory vote to approve executive compensation, also referred to as say-on-pay ;

Approval of the material terms of officer performance goals under our Management Incentive Plan (the MIP);

Approval of our Amended and Restated 2005 Omnibus Stock Incentive Plan (the Amended and Restated 2005 Plan);

Two shareholder proposals described in this Proxy Statement; and

Transaction of any other business properly brought before the Meeting.

WHO IS ENTITLED TO VOTE?

Holders of record of shares of the Company's common stock as of the close of business on March 25, 2013, the record date for the Meeting, are entitled to vote. Each share of common stock is entitled to one vote on each matter presented for a vote of the shareholders. As of March 25, 2013, we had 1,482,171,404 shares of common stock outstanding.

HOW DO I VOTE BEFORE THE MEETING?

If you are a registered shareholder, which means you hold your shares in certificate form or through an account with our transfer agent, Computershare Trust Company, N.A., you have three options for voting before the Meeting:

Over the Internet, at www.proxyvote.com, by following the instructions on the Notice of Internet Availability of Proxy Materials (the Notice) or proxy card;

By telephone, by dialing 1-800-690-6903; or

By completing, dating, signing and returning a proxy card by mail.

Edgar Filing: HOME DEPOT INC - Form DEF 14A

If you are a beneficial holder, meaning you hold your shares in street name through an account with a bank or broker, your ability to vote over the Internet or by telephone depends on the voting procedures of your bank or broker. Please follow the directions on the voting instruction form that your bank or broker provides.

MAY I VOTE AT THE MEETING?

Yes. If you are a registered shareholder, you may vote your shares at the Meeting if you attend in person. If you hold your shares through an account with a bank or broker, you must obtain a legal proxy from the bank or broker in order to vote at the Meeting. A legal proxy is an authorization from your bank or broker to vote the shares it holds in its name on your behalf. Even if you plan to attend the Meeting, we encourage you to vote your shares before the Meeting. See How Can I Attend the Meeting below.

MAY I REVOKE MY PROXY AND/OR CHANGE MY VOTE?

Yes. You may revoke your proxy and/or change your vote by:

Signing another proxy card with a later date and delivering it to us before the Meeting;

Voting again over the Internet or by telephone prior to 11:59 p.m., Eastern Time, on May 22, 2013;

Voting at the Meeting before the polls close if you are a registered shareholder or have obtained a legal proxy from your bank or broker; or

Notifying the Company's Corporate Secretary in writing before the Meeting.

WHAT IF I SIGN AND RETURN MY PROXY BUT DO NOT PROVIDE VOTING INSTRUCTIONS?

Proxies that are signed, dated and returned but do not contain voting instructions will be voted:

For the election of all of the ten named director nominees;

For the ratification of KPMG LLP;

For the advisory vote to approve executive compensation;

For the approval of the material terms of officer performance goals under the MIP;

For the approval of the Amended and Restated 2005 Plan;

Against each shareholder proposal; and

On any other matters properly brought before the Meeting, in accordance with the best judgment of the named proxies. If your shares are held through an account with a bank or broker, see Will My Shares Be Voted If I Do Not Provide My Proxy or Voting Instruction Form? below.

Table of Contents

ABOUT THE 2013 ANNUAL MEETING OF SHAREHOLDERS

HOW DO I VOTE IF I PARTICIPATE IN ONE OF THE COMPANY'S RETIREMENT PLANS?

You may vote your shares over the Internet, by telephone or by mail as if you were a registered shareholder, as described in this Proxy Statement. By voting, you are instructing the trustee of your plan to vote all of your shares as directed. If you do not vote, the shares credited to your account will be voted by the trustee in the same proportion that it votes shares in other accounts for which it received timely instructions. If, however, you hold shares through the self-directed brokerage window of your plan, or you participate in one of the Company's Canada-based retirement plans, and, in either case, you do not vote those shares, those shares will not be voted.

WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY OR VOTING INSTRUCTION FORM?

If you are a registered shareholder and do not provide a proxy by voting over the Internet, by telephone or by signing and returning a proxy card, you must attend the Meeting in order to vote.

If you hold shares through an account with a bank or broker, the voting of the shares by the bank or broker when you do not provide voting instructions is governed by the rules of the New York Stock Exchange (the "NYSE"). These rules allow banks and brokers to vote shares in their discretion on routine matters for which their customers do not provide voting instructions. On matters considered non-routine, banks and brokers may not vote shares without your instruction. Shares that banks and brokers are not authorized to vote are referred to as broker non-votes.

The ratification of KPMG LLP as the Company's independent registered public accounting firm for Fiscal 2013 is considered a routine matter. Accordingly, banks and brokers may vote shares on this proposal without your instructions, and there will be no broker non-votes with respect to this proposal.

The other proposals will be considered non-routine, and banks and brokers therefore cannot vote shares on those proposals without your instructions. Please note that if you want your vote to be counted on these proposals, including the election of directors, you must instruct your bank or broker how to vote your shares. If you do not provide voting instructions, no votes will be cast on your behalf with respect to those proposals.

HOW MANY VOTES ARE NEEDED TO APPROVE THE PROPOSALS?

With respect to the election of directors, each director nominee receiving a majority of votes cast with respect to that director nominee's election will be elected as a director. If any of the director nominees does not receive a majority of votes cast, under Delaware law he or she would continue to serve on the Board until a successor is elected. However, our By-Laws provide that any director who fails to receive a majority of votes cast must promptly tender his or her resignation to the Board for consideration. The Nominating and Corporate Governance Committee will then recommend to the Board whether to accept or reject the resignation or to take any other action. The Board will act on that recommendation and publicly disclose its decision within 90 days following certification of election results. The director who tenders his or her resignation will not participate in the Nominating and Corporate Governance Committee's recommendation or in the Board's decision.

The ratification of KPMG LLP as the Company's independent registered public accounting firm, the approval of the material terms of officer performance goals under the MIP, the approval of the Amended and Restated 2005 Plan and each of the shareholder proposals require a majority of votes cast to be approved.

Under the Company's By-Laws, the advisory vote to approve executive compensation also requires a majority of votes cast to be approved. While this proposal is advisory in nature and not binding on the Company, our Leadership Development and Compensation Committee ("LDC Committee") and Board will consider the results of the voting on this proposal in formulating future executive compensation policy.

A majority of votes cast means the number of For votes exceeds the number of Against votes. A proxy marked Abstain with respect to any proposal therefore generally will not have any effect on the outcome of the vote on that proposal. Similarly, broker non-votes will not be counted as votes cast and therefore generally will have no effect on the outcome of the vote on any proposal.

HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

Edgar Filing: HOME DEPOT INC - Form DEF 14A

In order for us to conduct the Meeting, holders of a majority of our outstanding shares of common stock

ABOUT THE 2013 ANNUAL MEETING OF SHAREHOLDERS

as of the close of business on March 25, 2013 must be present in person or by proxy. This is referred to as a quorum. Your shares are counted as present if you attend the Meeting and vote in person or if you properly return a proxy over the Internet, by telephone or by mail. Abstentions and broker non-votes will be counted for purposes of establishing a quorum. If a quorum is not present at the Meeting, the Meeting may be adjourned from time to time until a quorum is present.

HOW CAN I ATTEND THE MEETING?

To attend the Meeting, you will need to bring (1) an admission ticket if your shares are registered in your name or a legal proxy from the bank or broker that is the record owner of your shares and (2) valid picture identification. If your shares are registered in your name and you received a Notice, the Notice is your admission ticket. If your shares are registered in your name and you received proxy materials by mail, your admission ticket is your proxy card. If you hold shares through an account with a bank or broker, you will need to contact your bank or broker and request a legal proxy, which will serve as your admission ticket.

If you do not have valid picture identification and either an admission ticket or a legal proxy, you will not be admitted to the Meeting.

You may indicate whether you plan to attend the meeting by either checking the appropriate box on your proxy card or voting instruction card or making the appropriate selection at the bottom of the screen after entering your control number at www.proxyvote.com.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE NOTICE, PROXY CARD OR VOTING INSTRUCTION FORM?

This means that your shares are registered in different names or are held in more than one account. To ensure that all shares are voted, please vote each account over the Internet or by telephone, or sign and return by mail all proxy cards and voting instruction forms. We encourage you to register all shares in the same name and address by contacting our transfer agent, Computershare, at 1-800-577-0177. If you hold your shares through an account with a bank or broker, you should contact your bank or broker and request consolidation.

AVAILABILITY OF ANNUAL REPORT AND PROXY STATEMENT TO SHAREHOLDERS

Only one copy of the Notice or this Proxy Statement and the 2012 Annual Report is being delivered to shareholders sharing an address unless the Company has received contrary instructions from one or more of the shareholders. Shareholders sharing an address who wish to receive separate copies of the Notice or this Proxy Statement and the 2012 Annual Report, or who wish to begin receiving a single copy of such materials, may make such request as follows:

Registered shareholders sharing an address who elect to receive a single copy of the Notice or this Proxy Statement and the 2012 Annual Report will continue to receive separate proxy cards.

You may also elect to receive the Notice or this Proxy Statement and the 2012 Annual Report via e-mail by contacting Broadridge if you are a registered shareholder, by contacting your bank or broker if you are a beneficial owner, or by visiting our website at <http://reports.homedepot.com>.

at <http://ir.homedepot.com>.

WHERE AND WHEN WILL I BE ABLE TO FIND THE VOTING RESULTS?

You can find the official results of the voting at the Meeting in our Current Report on Form 8-K that we will file with the Securities and Exchange Commission (the SEC) within four business days after the Meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

BOARD OF DIRECTORS INFORMATION

Our Board currently has ten members: F. Duane Ackerman, Francis S. Blake, Ari Bousbib, Gregory D. Brenneman, J. Frank Brown, Albert P. Carey, Armando Codina, Bonnie G. Hill, Karen L. Katen and Mark Vadon. In addition, Ronald L. Sargent served as a director during the fiscal year ended February 3, 2013 (Fiscal 2012) until November 15, 2012. Each director who served during Fiscal 2012 was, and each current director continues to be, independent other than Mr. Blake, our Chairman and Chief Executive Officer (CEO).

BOARD LEADERSHIP

We believe that having a combined Chairman and CEO, Board committees comprised entirely of independent directors and an independent Lead Director currently provides the best Board leadership structure for The Home Depot. This structure, together with our other strong corporate governance practices, provides robust independent oversight of management while ensuring clear strategic alignment throughout the Company. Specifically, Mr. Blake proposes strategic priorities to the Board (with input from the Lead Director), communicates the Board's guidance to management, and is ultimately responsible for implementing the Company's key strategic initiatives.

Our Lead Director is an independent director who is elected annually by the independent members of the Board. Bonnie G. Hill, a director since 1999, currently serves as our Lead Director. Our Lead Director:

Chairs Board meetings when the Chairman is not present, including presiding at executive sessions of the Board (without management present) at every regularly scheduled Board meeting;

Works with management to determine the information and materials provided to Board members;

Approves Board meeting agendas, schedules and other information provided to the Board;

Consults with the Chairman on other matters that are pertinent to the Board and the Company;

Has the authority to call meetings of the independent directors;

Is available for direct communication and consultation with major shareholders upon request; and

Serves as liaison between the Chairman and the independent directors.

RISK OVERSIGHT

In accordance with NYSE requirements and our Audit Committee charter, our Audit Committee has primary responsibility for overseeing risk assessment and management, including the Company's major financial exposures and the steps management has taken to monitor and control such exposures. The Audit Committee stays apprised of significant actual and potential risks faced by the Company in part through review of quarterly reports from our Enterprise Risk Council (the ERC) and detailed presentations, at least annually, from the chair of the ERC regarding the Company's risk assessment and management process. The Audit Committee then reports to the Board at each quarterly Board meeting.

Our ERC is composed of leaders from the functional areas of the Company and meets at least quarterly to coordinate information sharing and mitigation efforts for all types of risks. The chair of the ERC, who is also our Vice President of Internal Audit and Corporate Compliance, reports the ERC's risk analyses to senior management regularly and attends each Audit Committee meeting.

Edgar Filing: HOME DEPOT INC - Form DEF 14A

The Audit Committee also receives quarterly reports from our FCPA Oversight Committee, which oversees enterprise-wide compliance with the U.S. Foreign Corrupt Practices Act and the anti-bribery laws of the other jurisdictions in which we conduct business. The FCPA Oversight Committee, which is chaired by our Executive Vice President, General Counsel and Corporate Secretary, is comprised of representatives from each non-U.S. division, the business functions responsible for administration of our policies, and the business functions that manage our transactions outside of the U.S.

Our other Board committees also consider significant risks within their areas of responsibility. As discussed in the Compensation Discussion and Analysis beginning on page 32, our LDC Committee oversees risks related to our compensation programs, including an annual review and risk assessment of the Company's compensation policies and practices for all associates, and monitors the independence of its compensation consultant. Our Nominating and Corporate Governance Committee oversees risks related to our governance policies and practices, including review and approval of any related-party transactions and relationships involving our directors and executive officers. Our Finance Committee,

Table of Contents

BOARD OF DIRECTORS INFORMATION

created by the Board effective May 1, 2012, oversees risks related to our capital structure, financial resources and related financial matters. Effective May 1, 2012, the Board approved the dissolution of our Infrastructure Committee, and risks related to our infrastructure that were previously overseen by the Infrastructure Committee are now overseen by the Audit Committee and the Finance Committee, as applicable to their particular areas of responsibility. Each of our committees reports to the Board at each quarterly Board meeting.

In addition, the Board and each committee receive presentations throughout the year from management regarding specific potential risks and trends as necessary. At each Board meeting, the Chairman and CEO addresses in a directors-only session matters of particular importance or concern, including any significant areas of risk requiring Board attention. Annually, through dedicated sessions focusing exclusively on corporate strategy, our full Board reviews in detail the Company's short- and long-term strategies, including consideration of significant risks facing the Company and their potential impact. We believe that the practices described above and our current leadership structure facilitate effective Board oversight of our significant risks.

DIRECTOR INDEPENDENCE

The Director Independence Standards in the Company's Corporate Governance Guidelines exceed the independence standards adopted by the NYSE. Our independence standards are attached as Appendix A to this Proxy Statement, and our Corporate Governance Guidelines are available at <http://ir.homedepot.com> under Corporate Governance > Corp. Governance Overview and in print upon request. Pursuant to these guidelines, the Board and the Nominating and Corporate Governance Committee reviewed the independence of each director in February 2013. During this review, the Board and the Nominating and Corporate Governance Committee considered all relevant facts and circumstances related to transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationship or transaction would prohibit a director from being independent under SEC rules, the NYSE listing standards and the Company's Director Independence Standards.

Based on this review and the recommendation of the Nominating and Corporate Governance Committee, the Board affirmatively determined that all of the directors nominated for election to the Board at the Meeting are independent except Francis S. Blake, because of his position as our Chairman and CEO.

The Company has purchase, sale and other transactions and relationships in the normal course of business with companies with which certain Company directors are associated, but which our Board determined are not material to the Company, the directors or the companies with which the directors are associated. All of these transactions were reviewed and considered by the Board and the Nominating and Corporate Governance Committee in determining the independence of Company directors. In particular, the Board and the Nominating and Corporate Governance Committee took into account the following transactions during Fiscal 2012:

Mr. Ackerman served as a director of United Parcel Service, Inc., from which we purchased freight services, and as a director of The Allstate Corporation, from which we purchased insurance coverage;

Mr. Brenneman served as a director of Automatic Data Processing, Inc., from which we purchased payroll and tax services, and as the Chairman of CCMP Capital Advisors, LLC, which manages funds that have an equity interest in ARAMARK Corporation, from which we purchased food services and uniform apparel, and in Generac Power Systems, Inc., from which we purchased generators and related merchandise;

Mr. Brown served as Managing Director and Chief Operating Officer of General Atlantic LLC, which manages funds that have an equity interest in Bazaarvoice, Inc., from which we purchased software; Facebook, Inc., from which we purchased social media marketing services; Genpact Ltd., from which we purchased business process and technology consulting services; Mu Sigma Inc., from which we purchased data analytics consulting services; and Web.com Group, Inc., from which we purchased online marketing services;

Edgar Filing: HOME DEPOT INC - Form DEF 14A

Mr. Carey served as Chief Executive Officer of PepsiCo Americas Beverages, from which we purchased food and beverage products;

Ms. Hill served as a director of YUM! Brands, Inc., from which we purchased food products;

Table of Contents

BOARD OF DIRECTORS INFORMATION

Ms. Katen served as a director of Air Liquide, from which we purchased industrial gases; and

Mr. Sargent served as Chief Executive Officer and a director of Staples, Inc., from which we purchased office products and related services, and as a director of The Kroger Co., to which we paid shopping center maintenance fees.

In each instance described above, the amount of payments made and received by each entity represented an immaterial percentage of the Company's and the other entity's revenues. The Board and the Nominating and Corporate Governance Committee believe that all of the transactions and relationships during Fiscal 2012 described above were on arm's-length terms that were reasonable and competitive and that the directors did not participate in or personally benefit from these transactions.

SELECTING NOMINEES TO THE BOARD OF DIRECTORS

The Nominating and Corporate Governance Committee is responsible for considering candidates for the Board and recommending director nominees to the Board. All members of the Nominating and Corporate Governance Committee have been determined to be independent by the Board pursuant to SEC rules, NYSE listing standards and the Company's Director Independence Standards. The Nominating and Corporate Governance Committee's charter, as well as the charters for the Audit Committee, LDC Committee and Finance Committee, are available on the Company's website at <http://ir.homedepot.com> under Corporate Governance > Committee Members & Charters.

The Nominating and Corporate Governance Committee considers candidates for nomination to the Board from a number of sources. Current members of the Board are considered for re-election unless they have notified the Company that they do not wish to stand for re-election and provided they have not reached age 72 by the calendar year-end immediately preceding the Company's next annual meeting of shareholders. The Nominating and Corporate Governance Committee may also consider candidates recommended by current members of the Board, members of management and shareholders, as discussed below under Director Candidates Recommended by Shareholders. Mr. Vadon, who was appointed to our Board in September 2012, was recommended by one of our institutional shareholders.

From time to time, the Nominating and Corporate Governance Committee engages independent search firms to assist in identifying potential Board candidates. Services provided by the search firms include identifying and assessing potential director candidates meeting criteria established by the Nominating and Corporate Governance Committee, verifying information about the prospective candidate's credentials, and obtaining a preliminary indication of interest and willingness to serve as a Board member. During Fiscal 2012, the Nominating and Corporate Governance Committee engaged Russell Reynolds Associates to assist it in identifying and assessing potential director candidates.

The Nominating and Corporate Governance Committee evaluates all candidates, regardless of who recommended the candidate, based on the same criteria. The criteria and the process by which director nominees are considered and selected are discussed further below under Election of Directors.

DIRECTOR CANDIDATES RECOMMENDED BY SHAREHOLDERS

The Nominating and Corporate Governance Committee will consider all candidates recommended by a shareholder (or group of shareholders) who owns at least one percent of the Company's outstanding shares of common stock and who has held such shares for at least one year as of the date of the recommendation. We refer to a shareholder (or group of shareholders) who meets these requirements as an Eligible Shareholder. If the shareholder is not an Eligible Shareholder, the Nominating and Corporate Governance Committee may, but is not obligated to, evaluate the candidate and consider him or her for nomination to the Board. A shareholder wishing to recommend a candidate must submit the following documents to the Corporate Secretary, The Home Depot, Inc., 2455 Paces Ferry Road, N.W., Building C-22, Atlanta, Georgia 30339 not less than 120 calendar days prior to the anniversary of the date on which the Company's Proxy Statement was released to shareholders in connection with the previous year's annual meeting of shareholders:

A recommendation that identifies the candidate and provides contact information for that candidate;

The written consent of the candidate to serve as a director of the Company, if elected; and

Documentation establishing that the shareholder making the recommendation is an Eligible Shareholder. If the candidate is to be evaluated by the Nominating and Corporate Governance Committee, the Corporate Secretary will request from the candidate a detailed résumé, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check. These documents must be received from the candidate before the first day of February preceding the annual meeting of shareholders.

COMMUNICATING WITH THE BOARD

Shareholders and others who are interested in communicating directly with members of the Board, including those wishing to express concerns relating to accounting, internal controls, audit matters, fraud or unethical behavior, may do so by e-mail, at HD_Directors@homedepot.com, or by writing to the directors at the following address:

Correspondence relating to accounting, internal controls or auditing matters is brought to the attention of the Company's internal audit department and, if appropriate, to the Audit Committee. All communications are treated confidentially.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board met five times during Fiscal 2012. The number of times that each standing committee of the Board met in Fiscal 2012 is shown below. Each incumbent director attended at least 75% of the meetings of the Board and of the standing committees of which he or she was a member during Fiscal 2012. Company policy provides that all directors are expected to attend annual shareholder meetings, absent extraordinary circumstances. Every director serving on our Board at the time of the 2012 Annual Meeting of Shareholders attended that meeting.

Table of Contents**BOARD OF DIRECTORS INFORMATION**

During Fiscal 2012, the Board had standing Audit, Nominating and Corporate Governance and LDC Committees. Effective May 1, 2012, the Board approved the creation of the Finance Committee and also approved the dissolution of the Infrastructure Committee, which held only one meeting during Fiscal 2012 before its dissolution. The current members of our committees, the principal functions of each committee and the number of meetings held in Fiscal 2012 are shown below. Each member of each committee during Fiscal 2012 was, and each current member continues to be, independent under our Director Independence Standards and applicable SEC and NYSE rules.

ELECTION OF DIRECTORS

(ITEM 1 ON THE PROXY CARD)

The Nominating and Corporate Governance Committee, when considering the composition of our Board, focuses on ensuring a mix of directors that collectively possess the expertise and experience appropriate for a retailer of our size and geographic scope. The Company is the world's largest home improvement specialty retailer, with more than 2,250 retail stores in the United States, Canada and Mexico, and our business involves all facets of retail, including finance, marketing, information technology, e-commerce, supply chain, real estate and strategic management. The Nominating and Corporate Governance Committee evaluates each director candidate on the basis of the length and quality of the candidate's business experience, the applicability of the candidate's skills and expertise to the Company and its business, the perspectives that the candidate would bring to the entire Board and the personality or fit of the candidate with existing members of the Board and management.

The Nominating and Corporate Governance Committee seeks directors who can:

Demonstrate integrity, accountability, informed judgment, financial literacy, creativity and vision;

Be prepared to represent the best interests of all Company shareholders, and not just one particular constituency;

Demonstrate a record of professional accomplishment in his or her chosen field; and

Be prepared and able to participate fully in Board activities, including membership on at least two committees.

The Nominating and Corporate Governance Committee recognizes the importance of selecting directors from various backgrounds and professions in order to ensure that the Board as a group has a wealth of experiences to inform its decisions. Consistent with this philosophy, after focusing on the skills and experience necessary to meet the core needs of the Company, as well as the basic qualifications set forth above, the Nominating and Corporate Governance Committee considers the personal attributes of individual nominees, including ethnic, racial and gender diversity. The Nominating and Corporate Governance Committee assesses the composition of the Board at least once a year and more frequently as needed, particularly when considering potential new candidates.

After evaluating the performance and experience of each of the current directors and the composition of the full Board, the Nominating and Corporate Governance Committee has recommended all ten current Board members for election. Each of the ten individuals nominated for election to the Board would hold office until the 2014 Annual Meeting of Shareholders and until his or her successor is elected and qualified. Each nominee has agreed to serve as a director if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board.

The ten nominees for election to the Board are set forth below.

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

SAY-ON-PAY

(ITEM 3 ON THE PROXY CARD)

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act, the Company provides its shareholders with the opportunity each year to vote to approve, on an advisory basis, the compensation of our named executive officers. The Company recommends that you vote for the approval of the compensation of our named executive officers as described in this Proxy Statement. Accordingly, you may vote on the following resolution at the Meeting:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables and the related narrative disclosure in the Company's Proxy Statement for the 2013 Annual Meeting of Shareholders.

As described in our Fiscal 2012 Executive Compensation Report Card and the Compensation Discussion and Analysis beginning on page 32, the Company's compensation philosophy is to align executive pay with Company performance. We believe that this alignment motivates our executives to achieve our key financial and strategic goals, creating long-term shareholder value.

Our executive compensation program links pay to performance as follows:

Approximately 88.5% of our CEO's target compensation and approximately 79.6% of the target compensation for our other named executive officers is variable and is paid based upon attainment of our pre-determined corporate performance objectives or the performance of our common stock.

Approximately 67.8% of our CEO's compensation and approximately 59.8% of the compensation of our other named executive officers is equity-based and paid in a balanced mix of performance-based restricted stock, options and performance shares.

Our named executive officers do not receive tax reimbursements (also known as gross-ups), supplemental executive retirement plans, defined benefit pension plans, guaranteed salary increases or guaranteed bonuses and have limited perquisites. For 2013, we also discontinued the Supplemental Executive Choice Program, which provided an annual allowance to each named executive officer for financial planning, automobile, medical and insurance-related expenses.

We employ a number of mechanisms to mitigate the chance of our compensation programs encouraging excessive risk-taking, including an annual review and risk assessment of all elements of compensation by the LDC Committee, a compensation recoupment policy and stock ownership guidelines.

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the LDC Committee or the Board. Because we value our shareholders' views, however, the LDC Committee and the Board will consider the results of this advisory vote when formulating future executive compensation policy. As noted on page 36 in the Compensation Discussion and Analysis, the LDC Committee considered the result of last year's vote, in which over 98% of the shares voted were voted in support of the compensation of the Company's named executive officers. Your advisory vote serves as an additional tool to guide the LDC Committee and the Board in continuing to align the Company's executive compensation program with the interests of the Company and its shareholders and is consistent with our commitment to high standards of corporate governance.

This vote is not intended to express a view on any specific element of pay, but rather the overall compensation program and philosophy for our named executive officers described in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related

Edgar Filing: HOME DEPOT INC - Form DEF 14A

narrative disclosure as set forth in the Executive Compensation section of this Proxy Statement. We encourage you to carefully review these disclosures and to indicate your support for our named executive officer compensation program.

WE RECOMMEND THAT YOU VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS PRESENTED IN THIS PROXY STATEMENT.

APPROVAL OF THE MATERIAL TERMS OF OFFICER PERFORMANCE GOALS UNDER THE MANAGEMENT INCENTIVE PLAN

(ITEM 4 ON THE PROXY CARD)

We are asking for your approval of the material terms of the officer performance goals under the MIP. In order to preserve the Company's ability to continue to grant fully tax-deductible performance-based awards under the MIP, the material terms of the performance goals, including the list of permissible business criteria for performance objectives under the plan, must be approved by the shareholders at least every five years. The MIP is not being amended or changed, and shareholders are not being asked to approve the MIP itself.

Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), prevents a publicly-held corporation from claiming income tax deductions for compensation in excess of \$1,000,000 paid to certain senior executives. Compensation is exempt from this limitation if it qualifies as performance-based compensation under Section 162(m). Awards under the MIP are intended to qualify as fully-deductible performance-based compensation, so long as certain requirements, such as shareholder approval of the material terms of the performance goals, are met.

The Company's shareholders previously approved the material terms of officer performance goals under the MIP at the 2008 annual meeting. Section 162(m) requires that the material terms of the performance goals for qualified performance-based awards be approved every five years, so we are asking for your approval of these terms at the Meeting. However, shareholder approval of the material terms of officer performance goals under the MIP is only one of several requirements under Section 162(m) that must be satisfied for amounts realized under the MIP to qualify for the performance-based compensation exemption under Section 162(m), and shareholder approval of the material terms of the officer performance goals of the MIP does not alone ensure that all compensation paid under the MIP will qualify as tax-deductible compensation. In addition, nothing in this proposal precludes the Company from granting awards that do not meet the requirements for tax-deductible compensation under Section 162(m).

For purposes of Section 162(m), the material terms of the performance goals include (i) the associates eligible to receive compensation under the MIP, (ii) a description of the performance objectives on which performance goals may be based, and (iii) the maximum amount of compensation that may be paid under the MIP to any one participant in any year. Each of these aspects of MIP is discussed below.

ELIGIBILITY AND PARTICIPATION

The MIP is administered by the LDC Committee. Awards may be granted under the MIP to officers and other associates of the Company and its subsidiaries. Non-employee directors are not eligible to participate in the MIP. There are approximately 16,000 associates and officers who are eligible to participate in the MIP. Selection of participation in any given year is at the discretion of the LDC Committee and not determinable in advance. For the Fiscal 2012 MIP, the LDC Committee selected approximately 16,000 participants, including our seven executive officers (including each of the NEOs) and 113 other officers.

PERFORMANCE OBJECTIVES

MIP awards that are intended to be exempt from Section 162(m) will be based on one or more of the following performance objectives, which may be described in terms of Company-wide objectives or objectives that are related to the performance of the individual participant or the subsidiary, division, department or function within the Company or subsidiary in which the participant is employed:

MIP awards are generally made for each fiscal year. For Fiscal 2012, MIP awards for officers at the Senior Vice President level or higher were based on an annual performance period, and MIP awards for officers below the Senior Vice President level were based on two six-month performance periods. The LDC Committee selects the key associates eligible to participate in the MIP and establishes the performance objectives that pertain to each participant's awards. The target and maximum bonus payout levels are determined as a percentage of the participant's base salary. The LDC Committee may provide for a threshold level of performance below which no compensation will be paid and a maximum level of performance above which no additional compensation will be paid, and it may provide for the payment of differing amounts of compensation for different levels of performance.

Edgar Filing: HOME DEPOT INC - Form DEF 14A

The LDC Committee establishes the specific terms of the awards within the first 90 days of the performance period and before expiration of 25% of the performance period and, within 90 days after the end of each fiscal year, certifies the level of performance that has been attained and any resulting payouts. In the case of awards that are intended to qualify as performance-based compensation under Section 162(m), the LDC Committee does not have discretion to pay more than the level of compensation corresponding to the level of performance attained, as specified in the formula approved by the LDC Committee at the beginning of the performance period. All amounts payable under the MIP will be paid as soon as practicable after the LDC Committee's certification, unless the associate has made a timely election to defer payment under the Company's nonqualified deferred compensation plan.

MAXIMUM GRANTS UNDER THE MIP

The maximum amount of compensation that may be paid under the MIP to any participant in any one fiscal year is 0.3% of the Company's net income for such fiscal year. This limitation may not be increased without shareholder approval.

GENERAL

The foregoing description addresses limited aspects of the MIP, primarily the material terms of the performance goals, including the list of permissible business criteria for performance objectives, that may apply to a grant of qualified performance-based awards. It is qualified in its entirety by reference to the full text of the MIP, a copy of which was filed with the SEC on May 28, 2008. Requests for copies may also be made in writing as follows: Assistant Secretary, The Home Depot, Inc., 2455 Paces Ferry Road, N.W., Building C-20, Atlanta, Georgia, 30339.

BOARD'S RECOMMENDATION

We believe that it is in the best interests of the Company and its shareholders to enable the Company to implement compensation arrangements that qualify as fully tax-deductible performance-based compensation under the MIP. We are therefore asking you to approve, for Section 162(m) purposes, the material terms of the officer performance goals, including the eligibility criteria, the maximum annual compensation limit, and the list set forth above of permissible business criteria for performance objectives, for awards under the MIP.

APPROVAL OF THE AMENDED AND RESTATED 2005 OMNIBUS STOCK INCENTIVE PLAN

(ITEM 5 ON THE PROXY CARD)

We are asking you to approve The Home Depot, Inc. Amended and Restated 2005 Omnibus Stock Incentive Plan, or the Amended and Restated 2005 Plan. The Board of Directors adopted the Amended and Restated 2005 Plan on February 28, 2013. The 2005 Omnibus Stock Incentive Plan, or the 2005 Plan, was originally approved by our shareholders on May 26, 2005.

SUMMARY OF AMENDMENTS TO THE 2005 PLAN

The primary purpose of the amendments to the 2005 Plan is to extend the expiration date to May 23, 2023, although there are other amendments to modernize the plan as described below. We are not seeking approval to increase the number of shares available for grant under the 2005 Plan.

In addition to extending the term, the Amended and Restated 2005 Plan amends the 2005 Plan by:

Expanding the types of awards that may be granted to include restricted stock units, performance units, and other stock-based awards;

Providing that grants to non-employee directors may be made only pursuant to a policy or program approved by the LDC Committee from time to time, and that, other than awards made pursuant to such policy or program, there shall be no discretionary grants made to non-employee directors;

Imposing an annual limit on grants to non-employee directors;

Specifying that awards made under the plan are subject to any compensation recoupment or clawback policy adopted by the Company from time to time;

Documenting the policy adopted previously by the LDC Committee of prohibiting payment of dividends or dividend equivalents with respect to a performance-based award until the performance condition is satisfied;

Documenting our current policy of not applying liberal share counting for the plan;

Expanding the current prohibition on repricing of options and stock appreciation rights;

Expanding the possible methods of exercising stock options to include net exercise as permitted under current accounting standards;

Revising the list of permissible performance objectives for performance-based awards; and

Adding provisions to facilitate compliance with Section 409A of the Internal Revenue Code.

In addition, in connection with the approval of the Amended and Restated 2005 Plan, the LDC Committee adopted a revised form of grant agreement that provides for double-trigger vesting of awards in the event of a change in control of the Company. In other words, vesting would accelerate only if the grantee's employment were involuntarily terminated within 12 months after a change in control, rather than upon the occurrence of a change in control alone.

IMPORTANT PROVISIONS

The Amended and Restated 2005 Plan contains a number of provisions that we believe are consistent with the interests of shareholders and sound corporate governance practices, including:

Fungible share pool. The plan uses a fungible share pool under which each stock option and stock appreciation right, or SAR, counts as one share against the plan share reserve and each stock-based full-value award (which includes any stock-based or stock-settled award other than options or SARs) counts as 2.11 shares against the plan share reserve.

No liberal share counting. The plan prohibits the reuse of shares withheld or delivered to satisfy the exercise price of an option or SAR or to satisfy tax withholding requirements. The plan also prohibits net share counting upon the exercise of options or SARs.

No repricing of stock options or SARs. The plan prohibits the repricing of stock options or SARs without shareholder approval.

No discounted stock options or SARs. All stock options and SARs must have an exercise price or base price equal to or greater than the fair market value of the underlying common stock on the date of grant.

Limit on awards to non-employee directors. The plan imposes a maximum value of awards (\$500,000) that may be granted to any one non-employee director in any calendar year.

No dividends on unearned performance-based awards. The plan prohibits the current payment of dividends or dividend equivalent rights on unearned performance-based awards.

Compensation recoupment policy. Awards under the plan will be subject to any compensation recoupment policy that the Company may adopt from time to time.

Reasonable burn rate . Our 3-year annual grant rate under the plan as of February 3, 2013 (the last day of Fiscal 2012), referred to as the burn rate, calculated using the methodology published by Institutional Shareholder Services, or ISS, was 1.26%, which is well below the burn rate cap of 3.93% that ISS has applied to our industry for 2013.

SUMMARY OF THE 2005 PLAN AS AMENDED AND RESTATED

The following is a summary of the provisions of the 2005 Plan, as amended and restated. This summary is qualified in its entirety by the full text of the Amended and Restated 2005 Plan, which is attached to this Proxy Statement as Appendix B.

Eligibility

Our associates and non-employee directors are eligible for selection by the LDC Committee to receive awards under the plan. As of March 1, 2013, there are approximately 17,800 individuals eligible for awards under the plan, including our seven executive officers and nine non-employee directors.

Administration

The Amended and Restated 2005 Plan will continue to be administered by the LDC Committee, but our full Board of Directors may at any time act on behalf of the LDC Committee. Subject to the terms of the plan, the LDC Committee has the discretion to determine the terms of each award. The LDC Committee may delegate to one or more of our officers the authority to grant awards to participants who are not directors or executive officers, within parameters specified by the LDC Committee.

Permissible Awards

The Amended and Restated 2005 Plan authorizes the grant of awards in any of the following forms:

Options to purchase shares of common stock, which may be nonqualified stock options or incentive stock options (ISOs). The exercise price of an option granted under the plan may not be less than the fair market value of the Company s common stock on the date of grant. Stock options granted under the plan will have a term of not more than ten years.

SARs, which give the holder the right to receive the excess, if any, of the fair market value of one share of common stock on the date of exercise, over the base price of the SAR. The base price of a SAR may not be less than the fair market value of the Company s common stock on the date of grant. SARs granted under the plan will have a term of not more than ten years.

Restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the LDC Committee.

Restricted stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property) in the future, based upon the attainment of stated vesting or performance goals set by the LDC Committee.

Edgar Filing: HOME DEPOT INC - Form DEF 14A

Deferred stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property) in the future, which may be with or without any additional vesting or performance restrictions.

Performance awards, which may be performance shares (denominated in shares of stock) or performance units (denominated in cash) and which, in either case, are contingent upon performance-based vesting conditions.

Other stock-based awards in the discretion of the LDC Committee, including unrestricted stock grants.

Cash-based awards.

All awards will be evidenced by a written award agreement between the Company and the participant, which will include such provisions as may be specified by the LDC Committee. Dividend equivalent rights, which entitle the participant to payments in cash or shares of common stock calculated by reference to the amount of dividends paid on the shares of stock underlying an award, may be generally granted with respect to awards. However, options and SARs may not provide for dividends or dividend equivalent rights.

Shares Available and Limitations on Awards

When adopted in 2008, there were 255 million shares authorized for grant under the 2005 Plan. As of March 1, 2013, an aggregate of approximately 154.1 million shares remain available for future grant. As noted above, we are not requesting approval of additional shares under the Amended and Restated 2005 Plan. Subject to the anti-dilution adjustment

(ITEM 5 ON THE PROXY CARD)

provisions of the plan, (a) no more than 50 million shares of the total share reserve may be issued upon exercise of ISOs; (b) no one participant may be granted awards representing more than 1 million shares in any one calendar year; (c) no one participant may be granted cash-denominated performance units in excess of \$5 million in any one calendar year; and (d) the maximum dollar value of awards that may be granted to any non-employee director in any one calendar year is \$500,000.

Share Counting

As noted above, the plan uses a fungible share pool under which each stock option and SAR counts against the share reserve on a one-for-one basis, and each full-value award that is settled in stock counts against the plan share reserve as 2.11 shares for each share covered by such award. Shares subject to awards that terminate or expire unexercised, or are cancelled, forfeited or lapse for any reason, and shares underlying awards that are ultimately settled in cash, will become available for future grants of awards under the plan. In addition, to the extent that the full number of shares subject to a full-value award is not issued for any reason, including by reason of failure to achieve performance goals, the unissued shares originally subject to the award will become available for future grants of awards under the plan.

The plan specifies that the following shares of common stock may not again be made available for issuance as awards under the plan: (a) shares of common stock not issued or delivered as a result of the net settlement of an outstanding option or SAR, (b) shares tendered or withheld to pay the exercise price or base price an outstanding option or SAR or in satisfaction of tax withholding obligations, or (c) shares repurchased on the open market with the proceeds of the exercise price of an option.

Repricing Prohibited

Without the prior approval of our shareholders, (a) the option exercise price or the base price of a SAR may not be reduced, directly or indirectly; (b) an option or SAR may not be cancelled in exchange for cash, other awards or options or SARs with an option exercise price or base price that is less than the option exercise price or base price of the original award; and (c) we may not repurchase an option or SAR for value if the current fair market value of the shares underlying the option or SAR is lower than the option exercise price or base price per share of the original award.

Deductibility under Section 162(m)

The Amended and Restated 2005 Plan is designed so that grants of options and SARs under the plan, and other awards that are conditioned on performance goals as described below, may be excluded from the \$1 million deduction limit under Internal Revenue Code Section 162(m). While the LDC Committee believes it is important to preserve the deductibility of compensation under Section 162(m) generally, there is no guarantee that the performance-based compensation exemption would be available in any particular circumstance, and the Board and the LDC Committee reserve the right to grant or approve awards or compensation that is non-deductible.

Performance Objectives

The LDC Committee may designate any award as a qualified performance-based award in order to make the award deductible without regard to the \$1 million deduction limit under Section 162(m). If an award other than an option or SAR is so designated, the LDC Committee must establish objectively determinable performance goals for the award. Performance goals for such awards will be based on one or more of the following criteria, which performance goals may be expressed in terms of Company-wide objectives or objectives that are related to the performance of the individual participant, subsidiary, division, department or function within the Company or subsidiary in which the participant is employed:

Performance goals with respect to the above-listed business criteria may be specified in absolute or relative terms, as well as measured relative to the performance of a group of comparator companies or by a financial market index, as the LDC Committee deems appropriate. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). The LDC Committee may provide in any qualified performance-based award, at the time the performance objectives are established, that any evaluation of performance will exclude or otherwise objectively adjust for any specified circumstance or event that occurs during a performance period.

Anti-Dilution Adjustments

In the event of an equity restructuring that causes the per share value of our common stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the share authorization limits under the plan will be adjusted proportionately, and the LDC Committee must make such adjustments to the plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction.

Transferability

Except as provided in the following sentence, no award under the Amended and Restated 2005 Plan may be transferred by a participant other than by will or the laws of descent and distribution. An award agreement (other than for an ISO) may allow limited transfers to certain family members or affiliated entities, other than transfers for value.

Amendment

The Amended and Restated 2005 Plan may be amended by the Board, but without further approval by our shareholders, no amendment may increase the limitations on the number of shares that may be issued under the plan or any of the limitations on awards to individual participants. The Board may condition any amendment on the approval of the shareholders if such approval is necessary or deemed advisable with respect to the applicable listing or other requirements of any securities exchange or other applicable laws, policies or regulations.

Termination

Subject to shareholder approval on May 23, 2013, the Amended and Restated 2005 Plan will terminate on

May 23, 2023, the tenth anniversary of the date it is approved by shareholders, and no award will be granted under the Amended and Restated 2005 Plan after that date.

CERTAIN FEDERAL TAX EFFECTS

The following discussion is limited to a summary of the U.S. federal income tax provisions relating to the grant, exercise and vesting of awards under the Amended and Restated 2005 Plan and the subsequent sale of common stock acquired under the plan. The tax consequences of awards may vary depending upon the particular circumstances, and it should be noted that income tax laws and regulations and interpretations thereof change frequently. Participants should rely upon their own tax advisors for advice concerning the specific tax consequences applicable to them, including the applicability and effect of state, local, and foreign tax laws.

Options/SARs

A participant will not recognize income at the time a nonqualified stock option or SAR is granted. Upon exercise, the participant will recognize ordinary income equal to the difference between the option exercise price or base price of the SARs and the fair market value of the shares on the date of exercise. Any appreciation (or depreciation) in the value of the acquired shares after the date of exercise generally will be treated as capital gain (or loss) when the shares are sold.

ISOs

A participant will not recognize taxable income upon the grant or exercise of an ISO. If the shares acquired upon exercise of an ISO are held for the longer of two years after the grant date or one year after exercise (the ISO holding period), then upon the sale of the shares any amount realized in excess of the option exercise price generally will be taxed to the participant as long-term capital gain. If shares acquired upon the exercise of an ISO are disposed of prior to the expiration of the ISO holding period, the participant generally will recognize ordinary income in the year of disposition equal to any excess of the fair market value of the shares at the time of exercise (or, if less, the amount realized on the disposition of the shares) over the exercise price paid for the shares. Any further gain (or loss) realized by the participant generally will be taxed as short-term or long-term capital gain (or loss) depending on the holding period.

Restricted Stock

Unless a participant makes an election to accelerate recognition of income to the date of grant, the participant will not recognize income at the time a restricted stock award is granted, provided that the award is subject to restrictions on transfer and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock).

Stock Units

A participant generally will not recognize taxable income at the time a stock unit award is granted. Upon receipt of shares of common stock (or the equivalent value in cash) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the common stock or other property as of that date.

Cash-Based Awards

A participant generally will not recognize income at the time a cash-based award is granted (for example, when performance goals are established). Upon receipt of cash in settlement of the award, a participant will recognize ordinary income equal to the cash received.

Company Tax Deduction

Edgar Filing: HOME DEPOT INC - Form DEF 14A

To the extent that a participant recognizes ordinary income in the circumstances described above, the Company or subsidiary for which the participant performs services will generally be entitled to a corresponding federal income tax deduction, provided that, among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code, and is not disallowed by the \$1,000,000 limitation on certain executive compensation under Section 162(m).

SHAREHOLDER PROPOSAL REGARDING EMPLOYMENT DIVERSITY REPORT

(ITEM 6 ON THE PROXY CARD)

Benedictine Sisters, Boerne, Texas, located at 285 Oblate Drive, San Antonio, Texas 78216, are the beneficial owners of more than \$2,000 in shares of the Company's common stock and have submitted the following resolution as lead proponent along with other co-proponents:

WHEREAS: Equal employment opportunity (EEO) is a fair employment practice and an investment issue. We believe that companies with good EEO records have a competitive advantage in recruiting/retaining employees. We believe Home Depot customers are increasingly diverse. A diverse work force is more likely to anticipate and respond effectively to consumer demand.

EEO practices have economic relevance. Home Depot annually files an EEO-1 report with the Equal Employment Opportunity Commission. This information could be made available to shareholders at a minimal additional cost. In 2001, Home Depot began providing EEO information to investors upon request. Since then, Home Depot reversed policy on disclosure of this information.

Allegations of discrimination in the workplace burden shareholders with costly litigation or fines which can damage a company's reputation.

Home Depot has paid out more than \$100 million to settle discrimination lawsuits in the last 16 years. The most costly EEOC settlement was \$87 million in 1997. In 2004, Home Depot agreed to pay \$5.5 million to settle charges of class-wide gender, race and national origin discrimination at 30 Colorado stores. In 2006, Home Depot paid \$125,000 to settle a racial harassment and retaliation lawsuit that alleged Home Depot subjected a former lumberman/forklift operator to a racially hostile work environment and fired him in retaliation for complaining. In 2009, Home Depot paid \$84,750 to settle retaliation charges related to a 2004 discrimination suit. In 2012, Home Depot paid \$100,000 to settle a disability discrimination lawsuit filed by EEOC charging failure to provide reasonable accommodation for a worker diagnosed with cancer.

RESOLVED: Shareholders request that Home Depot prepare a diversity report, at reasonable cost and omitting confidential information, available to investors by September 2013, including the following:

1. A chart identifying employees according to their gender and race in each of the nine major EEOC-defined job categories for the last three years, listing numbers or percentages in each category;
2. A summary description of any affirmative action policies and programs to improve performance, including job categories where women and minorities are underutilized;
3. A description of policies and programs oriented toward increasing diversity in the workplace.

SUPPORTING STATEMENT:

In 2009, the U.S. Equal Employment Opportunity Commission reported racial minorities comprised 34.6% of the private industry workforce, but just 11.7% of executives and managers. Likewise, women represented 48.0% of the workforce, but just 28.7% of executives and managers. Employment and advancement barriers persist.

We agree with a recommendation of the 1995 bipartisan Glass Ceiling Commission that public disclosure of diversity data—specifically data on the most senior positions—is an effective incentive to develop and maintain innovative, effective programs to break the glass ceiling barriers. Home Depot has demonstrated leadership on many corporate social responsibility issues. We ask the company to again demonstrate leadership in diversity by committing to EEO disclosure.

RESPONSE TO PROPOSAL REGARDING EMPLOYMENT DIVERSITY REPORT

The Company recommends that you vote against this shareholder proposal. Shareholders of the Company have rejected this proposal at eleven previous annual meetings. One of the Company's core values is Respect for All People, and we are committed to diversity and equal opportunity. This commitment is evidenced by: (1) the Company's U.S. Division Diversity and Inclusion Council, which focuses on best practices and strategies that advance diversity and inclusion in our stores; (2) a team of associates led by our Vice President Talent Management and Diversity who provides focused leadership in developing an inclusive work environment in which all associates are valued, respected and supported to do their best work; and (3) a hotline to promote the anonymous reporting of concerns regarding the Company's Business Code of Conduct and Ethics. The Company's commitment to diversity is further evidenced through affirmative action programs covering all U.S. associates.

In March 2013, the Company published a Diversity and Inclusion report that illustrates our commitment and highlights the diversity of our associates and our efforts to create an environment where people are valued and respected for their unique perspectives and contributions. The report is available on the Company's website at https://corporate.homedepot.com/Associates/Documents/THD_Diversity_Report.PDF. In addition, the Company prepares and files its EEO-1 report with the Equal Employment Opportunity Commission each year. The Company does not believe adoption of this proposal would enhance its commitment to equal opportunity in any meaningful way.

SHAREHOLDER PROPOSAL REGARDING STORMWATER MANAGEMENT POLICY

(ITEM 7 ON THE PROXY CARD)

Mr. David Brook is the beneficial owner of more than \$2,000 in shares of the Company's common stock and has submitted the following resolution. The Company will provide the proponent's address promptly upon receipt of an oral or written request.

REDUCING ENVIRONMENTAL HARM AND INCREASING PROFITABILITY BY CONTROLLING CONTAMINATED STORMWATER RUNOFF

Home Depot has made a commitment to operating in an environmentally responsible fashion. Through its environmental principles Home Depot works to reduce waste, increase recycling, source products responsibly, transport goods more efficiently and reduce its environmental impact.

Water pollution creates adverse impacts to the environment, since it harms the streams and rivers that people and wildlife rely upon for enjoyment and survival. Home Depot sells lawn and garden chemicals, which contain chemical fertilizers and herbicides designed to promote growth and to kill weeds and insect pests. These chemicals if released to streams cause harm in the form of increased nutrient loading and adverse impacts to fish and other aquatic organisms. Home Depot also operates equipment rental centers which wash returned equipment.

Home Depot displays some of its products where they are exposed to rain and the elements. Accidents happen and broken bags or bottles of lawn and garden fertilizers and chemicals when exposed to precipitation cause the release of these chemicals to the environment. Home Depot also washes some returned rental equipment and if the drains below these washing locations are not connected to sanitary sewers, this operation can also cause environmental discharges and harm.

State and Federal Environmental Agencies have implemented laws and programs to control the discharge of contaminated stormwater runoff. These programs focus on the establishment of Best Management Practices as the means to prevent and minimize stormwater pollution. Non-compliance can result in penalties assessed for violations and Home Depot has already paid penalties in one state for alleged non-compliance.

Home Depot has no written policy for the control of contaminated stormwater which originates from its 2,248 stores and warehouses. Home Depot needs to establish a formal written policy, since it will save money on the loss of rain damaged products, reduce waste disposal costs, reduce contaminated runoff, reduce environmental harm, reduce the potential for fines by regulatory agencies for the discharge of chemical contaminants and it will increase profitability.

Therefore, Be It Resolved, the Shareholders of Home Depot request the Board establish a written Stormwater Management Policy, applicable to all locations, including warehouses, which will:

Identify all sources of operations for which Home Depot may generate contaminated stormwater, including trucking operations, lawn and garden chemicals, tool rental and other storage of all vulnerable chemical products, and,

Prepare and publish, at reasonable cost, excluding proprietary information, a stormwater management status report by September 2013, from all Home Depot locations, addressing all chemical product storage, transportation, rental and other potential sources of contaminated stormwater runoff which are presently and/or could be exposed to precipitations events or discharge, and then,

Implement Best Management Practices or comparable prevention practices for all potential materials and operational sources of contaminated stormwater which either prevents such runoff, by eliminating the storage of contaminating products where they are subject to precipitation or runoff or minimizes the potential for such contaminated runoff.

I, therefore, urge Shareholders to vote **FOR** this proposal.

Table of Contents

RESPONSE TO PROPOSAL REGARDING STORMWATER MANAGEMENT POLICY

The Company recommends that you vote against this shareholder proposal. Shareholders of the Company overwhelmingly rejected this proposal at the 2012 annual meeting, with less than 4% voting in favor of the proposal. The Company has a strong commitment to environmental stewardship. We maintain a website (<http://corporate.homedepot.com/corporateresponsibility/environment>) that outlines the Company's environmental and sustainability initiatives. The Company is vigilant about compliance with all applicable environmental laws and regulations and updates its environmental compliance policies, practices and procedures as applicable laws and regulations change. As part of our commitment to the environment and the communities in which we operate, we often go beyond what the law technically requires.

The Company has a comprehensive program to address environmental issues, including stormwater management, that is incorporated into the written standard operating procedures (SOPs) that govern how our associates do their jobs on a day-to-day basis. The SOPs and related checklists are tailored to specific store departments and other areas of operations, including the Garden Center, Tool Rental, Receiving and the parking lot and front apron of the store. This program includes procedures for identifying hazardous materials sold or used in the Company's operations, handling damaged containers or spilled hazardous materials, preventing stormwater contamination and, if necessary, remediation of spills. We believe that incorporating our environmental compliance policies and procedures into our SOPs and making them part of the daily operation of our stores and facilities is the most effective way to implement them. This year, as an additional measure, the Company enhanced its outdoor product placement plan and related procedures to emphasize the need to store fertilizer under cover or in a manner that protects it from environmental exposure and damage.

We believe that our existing policies and procedures address the concerns raised by the proponent, and in fact are more effective than a separate standalone policy because they are integrated into our daily operations.

Our executive compensation program aligns pay with performance. Specifically, approximately 88.5% of our CEO's target compensation for Fiscal 2012 (approximately 79.6% on average for our other named executive officers, or NEOs) was tied to the achievement of corporate performance objectives and share price performance. The components of total target compensation for Fiscal 2012 were:

Fiscal 2012 Company Business Objectives and Performance

Our strategic framework focuses on four core principles aimed at driving shareholder return and a sustainable competitive advantage:

Passion for customer service;

Being the product authority for home improvement;

Disciplined capital allocation driving productivity and efficiency; and

Interconnected retail, aimed at delivering a best-in-class, multichannel retail experience, allowing customers to buy how, when and where they want.

By executing against the strategic initiatives that support these principles, our business again performed well in an economic environment that remained challenging despite some indications of improvement in the housing market. Highlights of the Company's Fiscal 2012 performance include the following:

Increased net sales by 6.2% to \$74.8 billion;

Increased operating income by 16.6% to \$7.8 billion (not including adjustments);

Increased inventory turns from 4.3 times to 4.5 times;

Increased diluted earnings per share by 21.5% to \$3.00;

Generated \$7.0 billion in operating cash flow; and

Increased return on invested capital (ROIC) from 14.9% to 17.0% (not including adjustments for share repurchases and dividend increases). As a result of our significant cash flow from operations and disciplined capital allocation, we were also able to return value to our shareholders through a 50% increase in our stock price, \$1.7 billion in dividends, and \$4.0 billion in share repurchases during Fiscal 2012.

Compensation Philosophy and Objectives: Pay for Performance

We designed our compensation program with the intent to align pay with performance. By doing so, we seek to enhance associate performance and morale, which drives superior customer service. This philosophy applies to the compensation programs for all of our associates. Aligning pay with performance motivates our associates to achieve our performance goals, which we believe creates long-term shareholder value.

Edgar Filing: HOME DEPOT INC - Form DEF 14A

The principal elements of our compensation program for executive officers are base salary, annual incentives, long-term incentives and benefit programs. The amount of incentive compensation paid, if any, is determined by our performance against our Fiscal 2012 business plan, a plan intended to be challenging in light of prevailing economic conditions, yet attainable through disciplined execution of our strategic initiatives.

The following features of our compensation program for executive officers illustrate our philosophy of making compensation performance-based:

100% of annual incentive compensation under our Fiscal 2012 Management Incentive Plan (MIP) was tied to performance against pre-established specific, measurable financial performance goals;

25% of Fiscal 2012 equity compensation was in the form of a three-year performance share award with payout contingent on achieving pre-established average ROIC and operating profit targets over the three-year performance period;

Our performance-based restricted stock awards, which comprised 37.5% of Fiscal 2012 equity compensation, were forfeitable if operating profit for the year of grant had been less than 80% of the MIP target. Dividends on performance-based restricted stock grants are accrued and not paid out to executive officers unless and until the performance goal is met;

Approximately 88.5% of our CEO s total target compensation was tied to the achievement of corporate performance objectives and share price performance; and

We do not provide tax reimbursements, also known as gross-ups, to executive officers; we have limited perquisites; and we do not have any supplemental executive retirement plans (SERPs), defined benefit pension plans, guaranteed salary increases or guaranteed bonuses. In addition, in mid-2012, the Company adopted a policy that prohibits all associates and directors from entering into hedging or monetization transactions designed to limit the financial risk of ownership of Company stock.

EXECUTIVE COMPENSATION

Non-management associates participate in our Success Sharing bonus program, which provides semi-annual cash awards for performance against our business plan, including sales plan and productivity goals. In addition, these associates are eligible to earn awards for superior performance and customer service at the individual, store, regional and divisional levels.

Impact of Fiscal 2012 Business Results on Executive Compensation

The compensation earned by our named executive officers in Fiscal 2012 reflects our corporate performance for the fiscal year, as well as the impact of the challenging economy:

The LDC Committee approved salary increases for the named executive officers based on its assessment of individual performance and other factors, as discussed in more detail below, although our CEO again declined any increase in his base salary, and therefore it remained the same as his Fiscal 2010 base salary;

Reflecting our execution against our business plan and strategic initiatives, our MIP paid out in excess of the target performance level;

The performance condition on the performance-based restricted stock granted in Fiscal 2012 was satisfied, although the shares still remain subject to service-based vesting requirements; and

The named executive officers earned approximately 132% of their 2010-2012 performance share award because we achieved average ROIC and operating profit over the three-year performance period of 12.8% and \$6.74 billion, respectively, reflecting performance in excess of the target level for each metric.

Fiscal 2012 Non-Management Compensation

Compensation of our non-management associates in Fiscal 2012 aligned with our philosophy of taking care of our store associates and motivating superior customer service. Due to the outstanding performance of our non-management associates in Fiscal 2012, we made substantial payouts under our Success Sharing program, with 100% and 99% of stores qualifying for Success Sharing in the first and second halves of Fiscal 2012, respectively. This resulted in total Success Sharing bonus payments to our non-management associates of approximately \$195 million for Fiscal 2012 performance. We also provided a 2.5% merit increase budget for our associates in Fiscal 2012, and we continued to make matching contributions under the FutureBuilder 401(k) Plan and to provide a variety of recognition and teambuilding awards to recognize and reward top performing store associates and support store morale, which drives customer service.

Key Compensation Program Changes for Fiscal 2013

To further align pay with performance, the LDC Committee has approved several changes in the executive compensation program for Fiscal 2013:

The performance hurdle for the performance-based restricted stock granted in Fiscal 2013 has been increased to 90% of the MIP operating profit target (from the previous 80%).

The mix of equity compensation has been changed for Fiscal 2013 to one-third performance shares, one-third performance-based restricted stock and one-third options (from the prior 25%, 37.5% and 37.5%, respectively).

The Supplemental Executive Choice Program (SECP), described in more detail under Perquisites below, has been eliminated starting in 2013.

As described in Proposal 5 above, in connection with the adoption of the Amended and Restated 2005 Plan, the LDC Committee adopted a new form of equity award agreement that eliminates the accelerated vesting of equity triggered solely by a change in control of the Company.

Opportunity for Shareholder Feedback

The LDC Committee carefully considers feedback from our shareholders regarding executive compensation matters. Shareholders are invited to express their views or concerns directly to the LDC Committee or the Board in the manner described above under Communicating with the Board on page 7 of this Proxy Statement.

Named Executive Officers

Our named executive officers for Fiscal 2012 were:

Francis S. Blake, Chairman and Chief Executive Officer (CEO);

EXECUTIVE COMPENSATION

Carol B. Tomé, Chief Financial Officer and Executive Vice President – Corporate Services (CFO);

Craig A. Menear, Executive Vice President – Merchandising;

Marvin R. Ellison, Executive Vice President – U.S. Stores; and

Matthew A. Carey, Executive Vice President and Chief Information Officer.
The named executive officers (other than the CEO) all report directly to the CEO.

COMPENSATION DETERMINATION PROCESS

Role of LDC Committee

The LDC Committee determines the compensation of our named executive officers other than the CEO. Although it may delegate its responsibilities to subcommittees, the LDC Committee did not delegate any of its authority with respect to the compensation of any executive officer for Fiscal 2012. The LDC Committee makes recommendations regarding CEO compensation, but all decisions with respect to the compensation of the CEO are made by the independent members of the Board, who include all Board members other than the CEO.

Role of Executive Officers in Compensation Decisions

The Executive Vice President – Human Resources (EVP-HR) makes recommendations to the LDC Committee as to the amount and form of executive compensation for executive officers other than the CEO and himself. Recommendations as to the amount and form of CEO compensation are made by the LDC Committee’s independent compensation consultant. The CEO has input on the recommendations to the LDC Committee with respect to the compensation of all of our executive officers (other than himself). At the request of the LDC Committee, both the EVP-HR and the CEO regularly attend LDC Committee meetings, excluding executive sessions where their respective compensation and other matters are discussed.

Compensation Consultant

In February 2012, the LDC Committee engaged Pay Governance LLC as its independent compensation consultant for Fiscal 2012 to provide research, market data, survey information and design expertise in developing executive and director compensation programs. Pay Governance provides consulting services solely to compensation committees.

A representative of Pay Governance attended LDC Committee meetings in Fiscal 2012 and advised the LDC Committee on all principal aspects of executive compensation, including the competitiveness of program design and award values and specific analyses with respect to the Company’s executive officers. The compensation consultant reports directly to the LDC Committee, and the LDC Committee is free to replace the consultant or hire additional consultants or advisers at any time.

Pursuant to the independent compensation consultant policy adopted by the LDC Committee, its compensation consultant provides services solely to the LDC Committee and is prohibited from providing services or products of any kind to the Company. Further, affiliates of its compensation consultant may not receive payments from the Company that would exceed 2% of the consolidated gross revenues of the compensation consultant and its affiliates during any year. Pay Governance provided services solely to the LDC Committee in Fiscal 2012, and none of its affiliates provided any services to the Company. In addition, under the independent compensation consultant policy, the LDC Committee assessed Pay Governance’s independence and whether its work raised any conflict of interest, taking into consideration the

Edgar Filing: HOME DEPOT INC - Form DEF 14A

independence factors set forth in applicable SEC rules. Based on that assessment, including review of a letter from Pay Governance addressing each of those factors, the LDC Committee determined that Pay Governance was independent and that its work did not raise any conflict of interest.

Benchmarking

We do not target any specific peer group percentile ranking for total compensation or any particular component of compensation for our named executive officers. The LDC Committee considers each executive's compensation history and peer group market position as reference points in awarding annual compensation. For our CEO, the LDC Committee considered data from the Fortune 50 companies, excluding certain financial services companies due to their unique compensation structure.¹ This data was provided to us by Pay Governance from the Towers Watson Executive

¹ The excluded companies were American International Group, Inc., Bank of America Corporation, Berkshire Hathaway Inc., Citigroup Inc., Fannie Mae, Freddie Mac, the Goldman Sachs Group, Inc., JP Morgan Chase & Co., State Farm and Wells Fargo & Company.

Compensation Database. For our CEO, the LDC Committee also used retail peer data provided by Pay Governance. This peer group, which is listed below, consists of retailers with revenues greater than \$10 billion and reflects companies in the retail industry with whom we compete for executive talent.

<u>Retail Peer Group</u>	
AutoNation, Inc.	Office Depot, Inc.
Best Buy Co., Inc.	Penske Automotive Group, Inc.
Costco Wholesale Corporation	Rite Aid Corp.
CVS Caremark Corp.	Safeway, Inc.
Dollar General Corporation	Sears Holding Corporation
Gap Inc.	Staples, Inc.

J. C. Penney Company, Inc.	Target Corporation
Kohl's Corporation	The Kroger Co.
Limited Brands, Inc.	TJX Companies Inc.
Lowe's Companies, Inc.	Walgreen Co.
Macy's, Inc.	Wal-Mart Stores, Inc.
Nordstrom, Inc.	Whole Foods Market, Inc.

Our revenues and our CEO's target total compensation ranked at the following percentiles compared to each of these peer groups:

Category	Percentile Rank	
	Fortune 50	Retail Peers
Company Revenue ⁽¹⁾	37%	80%
CEO Target Total Compensation	20%	73%

⁽¹⁾ Based on fiscal 2011 revenue as reported in SEC filings.

For our CFO, the LDC Committee considered data from the Fortune 50 companies provided to us by Hewitt Associates. The LDC Committee uses the Fortune 50 data for the CEO and CFO positions because the Fortune 50 represents companies of size similar to us with whom we compete for executive talent.

For our other named executive officers, the LDC Committee considers data from the Hay Group's Retail Executive and Management Total Remuneration Survey, which provides information and comparisons on compensation for executive and industry specific positions at the corporate and division level of retail companies. This survey data helps the LDC Committee understand the competitive market for the industry in which the Company principally competes for retail-specific talent and for customers.

Mitigating Compensation Risk

In November 2012, the LDC Committee undertook a broad-based review and risk assessment of the Company's compensation policies and practices for its associates. Based on that assessment, the LDC Committee determined that our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company. In reaching that conclusion, management and the LDC Committee evaluated

Edgar Filing: HOME DEPOT INC - Form DEF 14A

each key element of our compensation plans and practices for our executive officers and associates against the following factors identified as part of our risk assessment process:

Performance/payment time horizons are appropriate and not overweight in short-term incentives;

The relationship between the incremental achievement levels and corresponding payouts in our incentive plans is appropriate, and all incentives, other than equity incentives that are tied to growth in our share price, have payout caps;

Programs employ a reasonable mix of performance metrics and are not concentrated on a single metric;

Criteria for payments are closely aligned with our strategic goals and shareholder interests;

Payout curves are reasonable and do not contain steep cliffs that might encourage unreasonable short-term business decisions to achieve payment thresholds;

Equity for officers is paid in a balanced mix of performance-based restricted stock, performance shares and stock options; other associates receive equity in the form of service-based restricted stock;

Bonus and equity awards to executive officers are subject to a recoupment policy, as described below on page 41, to discourage manipulation of incentive program elements; and

Stock ownership guidelines are in place to further align the interests of shareholders and executive officers, as described below on page 41.

Consideration of Last Year's Advisory Shareholder Vote on Executive Compensation

At our annual meeting of shareholders on May 17, 2012, over 98% of the shares voted were voted in support of the compensation of the Company's

Table of Contents**EXECUTIVE COMPENSATION**

named executive officers. Since then, as part of our regular interaction with our largest shareholders, we have continued to request input on our compensation practices. In considering the results of the 2012 advisory vote on executive compensation and feedback from these shareholders, the LDC Committee concluded that the compensation paid to our executive officers and the Company's overall executive pay practices have strong shareholder support and therefore determined to maintain the current compensation structure, with the few changes discussed above for Fiscal 2013.

At our 2011 annual meeting, our shareholders expressed a preference that advisory votes on executive compensation occur every year, as recommended by our Board. Consistent with this preference, the Board implemented an annual advisory vote on executive compensation until the next advisory vote on the frequency of shareholder votes on executive compensation, which will occur no later than the Company's annual meeting of shareholders in 2017.

ELEMENTS OF OUR COMPENSATION PROGRAMS

The principal elements of our compensation programs are discussed below.

Base Salaries

We provide competitive base salaries that allow us to attract and retain a high-performing leadership team. Base salaries for our named executive officers are reviewed and generally adjusted annually based on a comprehensive management assessment process. In January 2012, based upon a review of competitive market data, the Company's high level of performance in Fiscal 2011 despite challenging economic conditions, and assessments of anticipated economic conditions in Fiscal 2012, the LDC Committee approved a Company-wide 2.5% merit increase budget.

In establishing the actual base salaries for the named executive officers for Fiscal 2012, the LDC Committee considered total compensation, scope of responsibilities, performance over the previous year, experience, internal pay equity, potential to assume additional responsibilities, and the competitive marketplace. As a result of this assessment, the named executive officers other than the CEO received annual salary increases in April 2012 ranging from 3.2% to 4.5%, as set forth below. Mr. Blake again declined any increase in base salary. His salary, therefore, remained unchanged from Fiscal 2010. Mr. Blake's base salary falls below the 50th percentile for the retail peer group and below the 25th percentile for the Fortune 50 peer group.

Name	2012	2011	Percent
	Base Salary	Base Salary	Increase
Francis S. Blake	\$1,066,000	\$1,066,000	0.0%
Carol B. Tomé	\$ 975,000	\$ 945,000	3.2%
Craig A. Menear	\$ 752,000	\$ 723,000	4.0%
Marvin R. Ellison	\$ 700,000	\$ 670,000	4.5%

Matthew A. Carey
Annual Incentive

\$ 660,000 \$ 634,000 4.1%

All named executive officers participate in the MIP, our cash-based annual incentive plan. The Fiscal 2012 MIP payout was contingent on the achievement of financial performance goals set by the LDC Committee at the beginning of the Fiscal 2012 performance period. The LDC Committee bases the payout on achievement of financial metrics to more directly align MIP goals with shareholder value creation and achievement of the Company's business plan.

Performance Goals. Set forth below are the MIP financial performance measures and the threshold, target and maximum Company achievement levels selected by the LDC Committee for Fiscal 2012 (dollars in billions):

Measure	Weighting	Fiscal 2012 Performance Measures			Target		Maximum	
		Goal	Threshold % of Target	% of Target Payout	Goal	Goal	% of Target	% of Target Payout
Sales	40%	\$69.54	95%	10%	\$73.20	\$95.15	130%	250%
Operating Profit	40%	\$ 6.56	90%	10%	\$ 7.29	\$ 9.48	130%	200%
Inventory Turns	20%	3.98	90%	10%	4.42	5.30	120%	250%

The operating profit threshold must be met for any MIP payout to occur. The relative weighting among the goals was determined by the LDC Committee with input from the CEO and the EVP-HR to reflect the Company's priorities for Fiscal 2012. The LDC Committee aligned the weighting of the sales and operating profit goals to emphasize top line sales growth balanced with the Company's continued focus on profitability as a means to drive bottom line results for shareholders. The pre-established definitions of sales and operating profit under the MIP provided for adjustments for the impact of acquisitions or dispositions of businesses with annualized sales of

Table of Contents

EXECUTIVE COMPENSATION

\$1 billion or more and, for operating profit, nonrecurring charges and write-offs exceeding \$50 million in the aggregate for specified types of strategic restructuring transactions in Fiscal 2012. The LDC Committee adopted these definitions for plan purposes because it believes these types of strategic decisions support the long-term best interests of the Company and should not adversely affect incentive opportunities.

For achieving the target level of performance for the Fiscal 2012 MIP, executive officers receive 100% payout. The target performance level was consistent with our 2012 business plan and the forecast disclosed at the beginning of Fiscal 2012. For Fiscal 2012, the LDC Committee set the threshold performance levels at 95%, 90% and 90% of the performance targets for the sales, operating profit and inventory measures, respectively. The threshold performance level encourages incremental performance even when achievement of the target appears to be unlikely. The change in the threshold performance levels (which had been set at prior year actual results for the 2011 MIP) was designed to moderate the steep payout curve between threshold and target performance and thereby discourage excess risk taking to achieve a payout. At the same time, the LDC Committee lowered the threshold payout to 10% of target, commensurate with the lower threshold performance level.

The LDC Committee also maintained the payout for maximum achievement at 250% of target for the sales and inventory turns goals and 200% of target for the operating profit goal and set the maximum performance goals at levels that require extraordinary performance. The maximum performance level rewards participants for above-target performance while at the same time capping payouts to avoid windfalls due to a better than expected external environment.

The Company uses interpolation to determine the specific amount of the payout for each named executive officer with respect to the achievement of financial goals between the various levels. The LDC Committee does not have discretion to increase the MIP payout earned by a named executive officer, but it may decrease the payout even if the performance goals are achieved.

The annual target payout levels are determined as a percentage of base salary: 200% for the CEO, 125% for the CFO and 100% for the other NEOs. For Messrs. Blake and Carey and Ms. Tomé, payouts for achievement of the performance goals were based on overall Company performance. For Messrs. Menear and Ellison, payouts were based upon performance of the portion of the Company's business for which they were accountable. The specific performance levels for the portions of the Company's business for which Messrs. Menear and Ellison were responsible are not critical to an understanding of the Company's compensation program, and we do not believe disclosure of this information would be meaningful to shareholders since it would not be apparent how this information correlates to our consolidated financial statements.

MIP Results. For Fiscal 2012, for purposes of determining the achievement of MIP awards, sales were \$74.75 billion, operating profit was \$7.91 billion and inventory turns were 4.47 times, exceeding the target level for each of the Company's performance goals. Pursuant to the pre-established definition of operating profit under the MIP, operating profit was adjusted by \$145 million, reflecting the charges incurred in connection with the closing of seven of the Company's stores in China in Fiscal 2012 due to the Company's change in strategy with respect to the China market. Actual operating profit without this adjustment was \$7.77 billion, which also exceeded the target performance level for operating profit under the MIP.

Based on performance in Fiscal 2012 against the performance goals, the following were the target and actual MIP awards for Fiscal 2012 for each of the named executive officers:

Name	At Target Performance		At Actual Performance	
	% of Base	Dollar	% of Base	Dollar
Francis S. Blake	200%	\$2,132,000	234%	\$2,499,386
Carol B. Tomé	125%	\$1,218,750	147%	\$1,428,765

Table of Contents**EXECUTIVE COMPENSATION****Long-Term Incentives**

For Fiscal 2012, we awarded the named executive officers annual long-term incentives consisting of the following:

Award Type	% of Total 2012 Long-Term Incentives
Performance Shares	25%
Stock Options	37.5%
Performance-Based Restricted Stock	37.5%

The LDC Committee believed that this mix of equity components provided an appropriate balance of mid- and long-term performance measures and retention incentive, without promoting excessive risk-taking. The LDC Committee also believed that the mix was consistent with its focus on pay for performance and alignment with longer-term shareholder interests. The total value of awards granted was determined by the LDC Committee after considering the value of equity grants of officers with similar responsibilities at peer group companies described under **Benchmarking** in the **Compensation Determination Process** section above and individual performance relating to financial management, leadership, talent management and operational effectiveness, as well as retention risk. Mr. Blake again declined any increase in his total equity value. His equity award value, therefore, remained unchanged from Fiscal 2010. For Fiscal 2012, the annual equity award for the CEO at the target level was 657% of base salary. For the other named executive officers, the target equity value ranged from 288% to 357% of base salary.

Performance Shares. The Fiscal 2012-2014 performance share award provides for the grant of shares of our common stock at the end of a three-year period based on the achievement of average ROIC and operating profit goals over that period, as follows (dollars in billions):

Fiscal 2012-2014 Performance			
Shares	Threshold	Target	Maximum
Three-Year Average ROIC	12.1%	15.1%	18.1%
Three-Year Average Operating Profit	\$6.29	\$7.87	\$9.44
Percent of Target Payout	25%	100%	200%

For results between these levels, the number of shares is determined by interpolation. There is no payout for results below the threshold level. Each performance measure is separately determined and equally weighted. The pre-established definition of operating profit provides for adjustments for the impact of acquisitions or dispositions of businesses with annualized sales of \$1 billion or more and non-recurring charges and write-offs exceeding \$50 million in the aggregate in any one fiscal year for specified types of strategic restructuring transactions. The pre-established definition of ROIC (a measure of after-tax operating income over the average of beginning and ending equity and long-term debt for the fiscal year) provides for adjustments for share repurchase activity, dividend increases above a specified level and the impact of acquisitions or dispositions of businesses with annualized sales of \$1 billion or more. Dividend equivalents accrue on the performance share awards (as reinvested shares) and will be paid upon the payout of the award based on the actual number of shares earned.

In Fiscal 2011 and the fiscal year ended January 30, 2011 (Fiscal 2010), the LDC Committee also granted performance share awards that were structured similarly to the Fiscal 2012-2014 award. The Fiscal 2011-2013 and Fiscal 2010-2012 awards each provide for the grant of shares of our common stock at the end of the respective three-year period based on the achievement of average ROIC and operating profit goals over that period, as follows (dollars in billions):

Fiscal 2011-2013 Performance			
Shares	Threshold	Target	Maximum
Three-Year Average ROIC	10.9%	13.6%	16.3%
Three-Year Average Operating Profit	\$5.56	\$6.95	\$8.34
Percent of Target Payout	25%	100%	200%

Edgar Filing: HOME DEPOT INC - Form DEF 14A

Fiscal 2010-2012 Performance

Shares	Threshold	Target	Maximum
Three-Year Average ROIC	9.8%	12.2%	14.6%
Three-Year Average Operating Profit	\$4.99	\$6.24	\$7.49
Percent of Target Payout	25%	100%	200%

Operating profit and ROIC are defined in the same manner as under the Fiscal 2012-2014 award. Dividend equivalents accrue on the performance share awards (as reinvested shares) and will be paid upon the payout of the award based on the actual number of shares earned.

Table of Contents**EXECUTIVE COMPENSATION**

The performance period for the Fiscal 2010-2012 performance share awards ended on February 3, 2013. Over the three-year period, the Company achieved an average ROIC of 12.8% and average operating profit of \$6.74 billion. As a result, the named executive officers earned approximately 132% of their 2010-2012 performance share award, reflecting performance in excess of the target level for each metric. Pursuant to the pre-established definitions of operating profit and ROIC, operating profit was adjusted by \$145 million due to charges incurred in connection with the closing of the China stores, and ROIC was adjusted for share repurchases and dividend increases above the dividend level at the time the award was granted. Average ROIC and operating profit over the three-year period without the adjustments were 14.9% and \$6.76 billion, respectively. The named executive officers earned the following shares under the award, which include reinvested accrued dividends:

(2) Reflects the value based upon the closing stock price of \$67.30 on February 1, 2013.

Stock Options. In Fiscal 2012, we granted stock options with an exercise price equal to the fair market value of our stock, which is defined as the market closing price on the date of grant. Options vest 25% on each of the second, third, fourth and fifth anniversaries of the grant date. Option re-pricing is expressly prohibited by our 2005 Plan without shareholder approval.

Performance-Based Restricted Stock. In Fiscal 2012, we granted performance-based restricted stock awards that were forfeitable if operating profit was less than 80% of the MIP target for Fiscal 2012. The performance goal was met at the end of Fiscal 2012. As a result, the restricted stock will vest 50% on each of the 30 and 60 month anniversaries of the grant date. Dividends on the restricted stock awards were accrued and not paid out unless the performance goal was met. Once the performance goal is met, dividends are then paid currently on the shares of restricted stock.

Deferred Compensation Plans

In addition to the FutureBuilder 401(k) Plan (a broad-based tax-qualified plan), we have two nonqualified deferred compensation plans for our management and highly compensated associates, including executive officers:

The Deferred Compensation Plan for Officers (solely funded by the individuals who participate in the plan); and

The FutureBuilder Restoration Plan (the Restoration Plan), which provides a Company matching contribution equal to 3.5% of the amount of salary and annual cash incentive earned by a management-level associate in excess of the IRS limits for tax-qualified plans, payable in shares of common stock of the Company upon retirement or other employment termination.

Edgar Filing: HOME DEPOT INC - Form DEF 14A

The plans are designed to permit participants to accumulate income for retirement and other personal financial goals. The Deferred Compensation Plan for Officers and the Restoration Plan are described in the notes to the Nonqualified Deferred Compensation for Fiscal 2012 table on page 53. Deferred compensation arrangements are common executive programs, and we believe that these arrangements help us in the recruitment and retention of executive talent; however, we do not view nonqualified deferred compensation as a significant element of our compensation programs. None of these plans provides above-market or preferential returns.

Perquisites

We do not view perquisites as a significant element of our compensation program. We do not provide tax reimbursements, or gross-ups, on perquisites.

Our named executive officers participated in the SECP, which for Fiscal 2012 provided an allowance of \$125,000 on a calendar year basis for the CEO and \$85,000 for the other NEOs. Each executive could use his or her allowance to pay for financial planning services, medical services or expenses, automobile and related expenses, life and disability insurance, excess personal liability coverage, and/

EXECUTIVE COMPENSATION

or to contribute to a retiree health savings plan, up to a maximum of \$25,000 for any one category. *We discontinued this program starting in 2013.*

Our named executive officers participate in a death-benefit-only program, under which they are entitled to a \$400,000 benefit upon death if they are employed by the Company at that time. In addition, the benefit is continued for life for executive officers with ten years of service with the Company. Currently, Mr. Blake, Ms. Tomé, Mr. Menear and Mr. Ellison have met this service requirement and are entitled to lifetime death benefit coverage. *In Fiscal 2009, we discontinued this benefit for any new executive officers.*

The Company permits Mr. Blake to travel by Company aircraft, including travel for personal reasons, and we also permit non-business use of Company aircraft by other named executive officers on a more limited basis.

Other Benefits

Our named executive officers have the option to participate in various employee benefit programs, including medical, dental, disability and life insurance benefit programs. These benefit programs are generally available to all associates. We also provide all associates, including our named executive officers, with the opportunity to purchase our common stock through payroll deductions at a 15% discount through our Amended and Restated Employee Stock Purchase Plan (the ESPP), a nondiscriminatory, tax-qualified plan. All associates, including our named executive officers, are also eligible to participate in our charitable matching gift program through the Home Depot Foundation.

MANAGEMENT OF COMPENSATION-RELATED RISK

We employ a number of mechanisms to mitigate the chance of our compensation programs encouraging excessive risk-taking, including those described below.

Annual Risk Assessment

As discussed above under Mitigating Compensation Risk on page 36, our LDC Committee undertakes an annual review and risk assessment of our compensation policies and practices.

Compensation Recoupment Policy

Pursuant to the executive compensation clawback policy set forth in our Corporate Governance Guidelines, if the Board determines that any bonus, incentive payment, equity award or other compensation awarded to or received by an executive officer was based on any financial results or operating metrics that were achieved as a result of that officer's knowing or intentional fraudulent or illegal conduct, we will seek to recover from the officer such compensation (in whole or in part) as the Board deems appropriate under the circumstances and as permitted by law.

Stock Ownership and Retention Guidelines

Our Executive Stock Ownership and Retention Guidelines require our named executive officers to hold shares of common stock with a value equal to the specified multiples of base salary indicated below. This program assists in focusing executives on long-term success and shareholder value. Shares owned outright, restricted stock and shares acquired pursuant to the ESPP, the FutureBuilder 401(k) Plan and the Restoration Plan are counted towards this requirement. Unearned performance shares are not counted toward this requirement. Newly hired and promoted executives have four years to satisfy the requirements.

As of March 1, 2013, all of our named executive officers complied with the stock ownership and retention guidelines and held the following multiples of base salary (rounded to the nearest whole multiple):

Name	Multiple of Base Salary	
	Current Ownership	Guideline
Francis S. Blake	46x	6x
Carol B. Tomé	45x	4x
Craig A. Meneer	14x	4x
Marvin R. Ellison	23x	4x
Matthew A. Carey	12x	4x

Anti-Hedging Policy

Effective August 1, 2012, the Company adopted a policy that prohibits all associates and directors from entering into hedging or monetization transactions designed to limit the financial risk of ownership of Company stock. These include prepaid variable forward contracts, equity swaps, collars, exchange funds and other similar transactions, as well as speculative transactions in derivatives of the Company's securities, such as puts, calls, options (other than those granted under a Company compensation plan) or other derivatives.

EXECUTIVE COMPENSATION

Equity Grant Procedures

Company-wide equity grants, including equity grants to named executive officers, are awarded annually effective as of the date of the March meeting of the LDC Committee, which is generally scheduled at least a year in advance. Throughout the year, equity awards are made to new hires, promoted employees, and, in rare circumstances, as a reward for exceptional performance. In all cases, the effective grant date for these mid-year awards is the date of the next regularly scheduled quarterly LDC Committee meeting. The exercise price of each of our stock option grants is the market closing price on the effective grant date.

SEVERANCE AND CHANGE IN CONTROL ARRANGEMENTS

We have a limited severance arrangement with Ms. Tomé. When Ms. Tomé's employment arrangement was adopted in 2001, the severance provisions reflected the terms provided to our other executives at that time and were consistent with the terms provided in the competitive market for executive talent. This severance arrangement is discussed below under "Potential Payments Upon Termination or Change in Control—Termination Without Cause or For Good Reason" on page 54. We do not have a severance arrangement with our CEO or any of our other NEOs.

We do not have any change in control agreements with our executives. However, our equity awards granted prior to Fiscal 2013, including those granted to the named executive officers, provide for accelerated vesting on a change in control. This type of vesting can be an effective means to retain associates through completion of a value-creating transaction, especially for more senior executives for whom equity represents a significant portion of total compensation. In the event the value of such accelerated vesting constitutes an "excess parachute payment," the executive would be subject to a 20% excise tax on such amount, and the amount would not be tax deductible by the Company. In Fiscal 2013, in connection with the adoption of the Amended and Restated 2005 Plan described in Proposal 5 above, the LDC Committee adopted a new form of equity award agreement, effective for awards granted in Fiscal 2013, that eliminate this accelerated vesting of equity triggered solely by a change in control of the Company.

TAX DEDUCTIBILITY CONSIDERATIONS

Section 162(m) of the Internal Revenue Code generally denies a corporate tax deduction for annual compensation exceeding \$1 million paid to the chief executive officer and the three other most highly compensated executive officers of a public company, other than the chief financial officer. The limitation does not apply to compensation based on achievement of pre-established performance goals if certain requirements are met. Our 2005 Plan, and the stock options, performance-based restricted stock, and performance shares granted under this plan, as well as the annual cash incentive award under the MIP, are intended to permit such awards to qualify as performance-based compensation to maximize the tax deductibility of these awards. However, the LDC Committee reserves the discretion to award compensation that is not exempt from the deduction limits of Section 162(m).

The following table sets forth the compensation during the last three fiscal years paid to or earned by the Company's (1) CEO, (2) CFO and (3) the three other most highly compensated executive officers who were serving as executive officers as of the end of Fiscal 2012 (collectively, the named executive officers).

⁽¹⁾ Amount of salary actually received in any year may differ from the annual base salary amount due to the timing of payroll periods and the timing of changes in base salary, which typically occur in April. In addition, Fiscal 2012 contained 53 weeks, compared to 52 weeks in Fiscal 2011 and 2010, so Fiscal 2012 salary amounts include one more week of pay than Fiscal 2011 and 2010.

⁽²⁾ Amounts set forth in the Stock Awards and Option Awards columns represent the aggregate grant date fair value of awards granted in Fiscal 2012, Fiscal 2011 and Fiscal 2010 computed in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 718 (FASB ASC Topic 718). The assumptions made in the valuation of the awards are set forth in Note 1 to the Company's consolidated financial statements included in the Company's Annual Report on Form 10-K as filed with the SEC on March 28, 2013 (the 2012 Form 10-K). The valuation of restricted stock awards is based on the closing stock price on the grant date. There were no equity award forfeitures by the named executive officers during Fiscal 2012.

(3) Amounts reflect the grant date fair value of performance share and performance-based restricted stock awards granted to named executive officers during Fiscal 2012, Fiscal 2011 and Fiscal 2010, plus the value of share equivalents under the Restoration Plan in Fiscal 2012 and Fiscal 2011, as set forth in the table below. Fiscal 2012 contributions to the Restoration Plan reflect contributions for two plan years, since the January 31, 2012 and January 31, 2013 allocation dates both fell within Fiscal 2012. No contributions to the Restoration Plan are shown for Fiscal 2010 because the January 31, 2011 allocation date fell within Fiscal 2011.

The grant date fair value of the performance shares reflected in the table above is computed based upon the probable outcome of the performance goals as of the grant date, in accordance with FASB ASC Topic 718, excluding the effect of estimated forfeitures. For all performance-based awards other than the performance shares granted in Fiscal 2012, Fiscal 2011 and Fiscal 2010, this value is the same as the value calculated assuming the maximum level of performance under the awards. The value of the performance share awards granted in Fiscal 2012, Fiscal 2011 and Fiscal 2010 as of the grant date, assuming that the maximum level of the performance goals will be achieved, is as follows for each of the named executive officers:

(4) Incremental cost of perquisites is based on actual cost to the Company. The incremental cost of personal use of Company aircraft is based on the average direct cost of use per hour, which includes fuel, maintenance, crew travel and lodging expense, landing and parking fees, engine restoration cost and any lost tax deduction in connection with personal use. Any applicable deadhead flights are allocated to the named executive officers. No incremental cost for personal use of the Company aircraft was attributed to a named executive officer where the plane was already traveling to the destination for business reasons. Since our aircraft are used primarily for business travel, we do not include the fixed costs that do not change based on usage, such as crew salaries, depreciation, hangar rent and insurance. In addition to the incremental cost of personal aircraft use reported in the All Other Compensation column and in footnote 5 below, we also impute taxable income to the named executive officers for any personal aircraft use in accordance with Internal Revenue Service regulations. We do not provide tax reimbursements, or gross-ups, on these amounts.

(5) The following identifies the perquisites and other compensation for Fiscal 2012 that are required to be quantified by SEC rules. The SECP provides that participants may allocate their annual allowance to pay for financial planning services, medical services or expenses, automobile and related expenses, life and disability insurance, excess personal liability coverage, and coverage under a retiree health savings plan, with a maximum allocation of \$25,000 for any one category. In Fiscal 2012, each of the named executive officers allocated a

portion of his or her allowance to every category, except that Ms. Tomé did not select any allocation for medical services or expenses and Mr. Ellison did not select disability insurance. Amounts received by the named executive officers under the SECP in Fiscal 2012 are set forth below. As noted above in the Compensation Discussion and Analysis, the SECP has been discontinued beginning in 2013. In addition, the Company made matching contributions to charitable organizations on behalf of each of the named executive officers, as shown below. Other perquisites and personal benefits for Fiscal 2012 were long-term disability and accidental death insurance premiums, nominal gifts from an executive business conference, personal use of Company tickets to entertainment events for Mr. Carey, security for Mr. Blake, and incremental amounts accrued during Fiscal 2012 under the death-benefit-only program. For Fiscal 2012, the accrued amounts under the death-benefit-only program for Messrs. Blake and Ellison were \$104,993 and \$40,126 respectively, reflecting the fact that both reached their tenth year of service with the Company in Fiscal 2012 and, as a result, the program now provides them with a lifetime benefit. We do not provide tax gross-ups on any of these perquisites or personal benefits.

MATERIAL TERMS OF NAMED EXECUTIVE OFFICER EMPLOYMENT ARRANGEMENTS

This section describes employment arrangements in effect for the named executive officers during Fiscal 2012. All of these arrangements are at-will arrangements set forth in the offer letters provided to the named executive officers at the time of hire or promotion, as applicable. These offer letters have no set duration and consequently no renewal or extension provisions. The offer letters are all filed as exhibits to the 2012 Form 10-K.

The offer letters state each named executive officer's initial base salary and annual MIP target as a percentage of base salary, payout of which is subject to the achievement of pre-established goals. Both the base salary and MIP target are subject to adjustment upon future review by the LDC Committee, or independent members of the Board in the case of Mr. Blake. The Fiscal 2012 base salary and MIP target as a percentage of base salary for each named executive officer are set forth above in the Compensation Discussion and Analysis. In addition, the offer letters provide that each of the named executive officers is eligible to receive benefits available to all salaried associates and to participate in the Company's executive officer programs, including the (a) death-benefit-only insurance program, (b) SECP and (c) Restoration Plan. As noted above in the Compensation Discussion and Analysis, the SECP has been discontinued beginning in 2013. Any provisions in the letters regarding termination of employment are discussed below in the section entitled "Potential Payments Upon Termination or Change in Control" beginning on page 54.

Mr. Blake's letter also states that the Company has requested that he travel by Company aircraft. However, to the extent Mr. Blake or his family uses Company aircraft for personal reasons, the Company will not provide a tax gross-up for any imputed compensation.

(1) All awards were granted under the 2005 Plan, other than MIP awards, which were granted under the MIP.

(2) The Fiscal 2012 MIP is based on achievement of pre-established performance goals as described in the Compensation Discussion and Analysis. The amount in the Threshold column for the 2012 MIP reflects the minimum possible payout based upon assumed achievement of the threshold performance levels as discussed below under Terms of Plan-Based Awards Granted to the Named Executive Officers for Fiscal 2012 2012 MIP.

(3) Awards under the 2005 Plan were approved at the February 23, 2012 meeting of the LDC Committee (or by the independent Board members on that date for the CEO) but were effective as of March 21, 2012. See discussion under Equity Grant Procedures on page 42 in the Compensation Discussion and Analysis above.

(4) Amounts represent the grant date fair value of awards granted in Fiscal 2012 computed in accordance with FASB ASC Topic 718. The assumptions made in the valuation of the awards are set forth in Note 1 to the Company's consolidated financial statements as filed with the SEC in the 2012 Form 10-K. The valuation of restricted stock awards is based on the closing stock price on the grant date. There were no equity award forfeitures by the named executive officers during Fiscal 2012.

Table of Contents**EXECUTIVE COMPENSATION****TERMS OF PLAN-BASED AWARDS GRANTED TO NAMED EXECUTIVE OFFICERS FOR FISCAL 2012**

The LDC Committee approved the Fiscal 2012 annual grants of performance shares, performance-based restricted stock and stock options under the 2005 Plan for the named executive officers other than Mr. Blake. Mr. Blake's awards were approved by the independent members of the Board.

Performance Shares

For Fiscal 2012, 25% of the equity compensation provided to named executive officers was in the form of performance shares. The terms and conditions of the awards are described under "Long-Term Incentives" in the Compensation Discussion and Analysis above. In the event of death, disability or retirement at or after age 60 with at least five years of continuous service ("retirement"), the executive or his or her estate will be entitled to receive any performance shares ultimately earned, and in the event of death or disability before retirement, a pro rata portion of any shares ultimately earned. Because Mr. Blake has reached age 60 and has more than five years of service, he is "retirement eligible," and his performance share award is non-forfeitable, although payout is based on achievement of the performance goals. Upon a change in control, the executive would be entitled to a pro rata portion of performance shares based on actual performance for the portion of the performance period before a change in control, plus a pro rata portion of the target performance shares for the portion of the performance period after a change in control. Dividend equivalents accrue on performance share awards (as reinvested shares) and are paid upon the payout of the award based on the actual number of shares earned.

Annual Stock Grants

For Fiscal 2012, 37.5% of the equity compensation provided to named executive officers was in the form of performance-based restricted stock, which was forfeitable if operating profit was less than 80% of the MIP target for Fiscal 2012. If the performance target is met, as it was for Fiscal 2012, the awards are then subject to time-based vesting. The annual restricted stock grants vest 50% on each of the 30th month and 60th month anniversaries of the grant date, subject to continued employment through the vesting date, or, if sooner, upon change in control or termination due to death or disability. In addition, if the performance target is met, the restricted stock becomes non-forfeitable once the executive reaches retirement eligibility but is not transferable before the time-based vesting dates. Mr. Blake's award became non-forfeitable when the performance condition was met for Fiscal 2012 because he was retirement eligible at that time. Dividends on the restricted stock are accrued (as cash dividends) and not paid out to executive officers unless the performance target is met. Once the performance target is met, dividends are then paid currently on the shares of restricted stock.

Annual Stock Option Grants

For Fiscal 2012, 37.5% of the equity compensation provided to named executive officers was in the form of nonqualified stock options. The stock option awards vest 25% per year on the second, third, fourth and fifth anniversaries of the grant date, or, if sooner, on termination due to death or disability or upon a change in control. In addition, the stock option awards become non-forfeitable once the executive becomes retirement eligible but are not exercisable before the time-based vesting dates. Generally, stock options may be exercised, once vested, over the remainder of the ten-year option term. Mr. Blake's option award is non-forfeitable because he is retirement eligible but is not exercisable until the time-based vesting dates.

2012 MIP

Each of the named executive officers participated in the Fiscal 2012 MIP, the Company's annual cash-based incentive plan. The Fiscal 2012 MIP payout was based upon achievement of pre-established financial performance goals, as described above in the Compensation Discussion and Analysis. The pre-established definitions of the sales and operating profit goals provided for adjustments for the impact of acquisitions or dispositions of businesses with annualized sales of \$1 billion or more and, for operating profit, nonrecurring charges and write-offs in Fiscal 2012 exceeding \$50 million in the aggregate for specified types of strategic restructuring transactions. The LDC Committee believes that these types of strategic actions support the long-term best interests of the Company and adopted these definitions for plan purposes so that such strategic actions do not adversely affect incentive opportunities. As noted above in the Compensation Discussion and Analysis, for Fiscal 2012, operating profit as defined under the MIP was adjusted by \$145 million, reflecting the charges incurred in connection with the closing of the Company's stores in China.

Table of Contents**EXECUTIVE COMPENSATION**

The Committee approved threshold, target and maximum payout levels for Fiscal 2012 for the named executive officers under the MIP. The threshold, target and maximum potential payouts under the MIP for the named executive officers reflect the following percentages of base salary at the end of Fiscal 2012:

Name	Percentage of Base Salary		
	Threshold	Target	Maximum
Francis S. Blake	8%	200%	460.0%
Carol B. Tomé	5%	125%	287.5%
Craig A. Menear	4%	100%	230.0%
Marvin R. Ellison	4%	100%	230.0%
Matthew A. Carey	4%	100%	230.0%

Because the operating profit threshold must be met for any payout to occur, the threshold percentage above reflects the minimum possible payout based upon assumed achievement of that threshold. The actual amounts earned based on achievement of Fiscal 2012 MIP performance goals are reported in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

(a) These shares became nonforfeitable and are reflected net of withholding tax obligations incurred when the performance condition on the shares was met, but the shares remain restricted until the time-based vesting dates are reached.

(3) The named executive officers' performance share awards vest upon certification of earned amounts by the LDC Committee following the completion of the three-year performance periods ending February 3, 2013, February 2, 2014 and February 1, 2015. The vesting of the awards is based on achievement of pre-established average ROIC and operating profit goals, as described above in the Compensation Discussion and Analysis under Long-Term Incentives Performance Shares. These performance share awards vest sooner in the event of a change in control of the Company. The number of shares vesting upon a change in control is determined based on actual results achieved through the date of the change in control, prorated based on the number of days in the performance period before the change in control, plus the target award amount, prorated based on the number of days in the performance period after the change in control. Dividend equivalents accrue on the performance shares (as reinvested shares) and will be paid upon the payout of the award based on the actual number of shares earned. For the Fiscal 2010-2012 award, the shares reported are the actual amount earned based on the performance level met as of February 3, 2013, as certified by the LDC Committee on February 28, 2013, and include dividend equivalents accrued on the award. For the Fiscal 2011-2013 award and the Fiscal 2012-2014 award, the reported number of shares includes dividend equivalents accrued through February 3,

Edgar Filing: HOME DEPOT INC - Form DEF 14A

Deferred Compensation Plan For Officers earnings represent notional returns on participant-selected investments. Restoration Plan earnings represent an increase in the value of the underlying Company stock during Fiscal 2012 plus dividends that are credited at the same rate, and at the same time, that dividends are paid to all shareholders.

- (4) For the Restoration Plan, amounts in the aggregate balance for Messrs. Blake, Menear, Ellison and Carey and Ms. Tomé of \$432,871, \$143,137, \$116,105, \$34,460 and \$484,772, respectively, were previously reported in the Summary Compensation Table. For the Deferred Compensation Plan For Officers, \$638,902 of the aggregate balance amount for Mr. Menear and \$1,256 for Mr. Ellison were previously reported in the Summary Compensation Table.
- (5) The Restoration Plan, an unfunded, nonqualified deferred compensation plan, provides management-level associates with a benefit equal to the matching contributions that they would have received under the Company's FutureBuilder 401(k) Plan if certain Internal Revenue Code limitations were not in place. On January 31st of each year, the plan makes an allocation to participant accounts in an amount equal to the participant's taxable wages during the prior calendar year minus the Internal Revenue Code limit (\$250,000 for 2012) multiplied by 3.5%. This amount is then converted to units representing shares of the Company's common stock. Stock units credited to a participant's account are also credited with dividend equivalents at the same time, and in the same amount, as dividends are paid to shareholders. Participant account balances vest at the same time their account in the Company's tax-qualified FutureBuilder 401(k) Plan vests, which provides for 100% cliff vesting after three years of service. A participant's vested account balance is payable in shares of common stock on retirement or other employment termination. In-service withdrawals are not permitted.

Table of Contents**EXECUTIVE COMPENSATION**

(6) The Deferred Compensation Plan For Officers is an unfunded, nonqualified deferred compensation plan that allows officers and other highly compensated associates to defer payment of up to 50% of base salary and up to 100% of annual incentive compensation until retirement or other employment termination. The Company makes no contributions to the Deferred Compensation Plan For Officers. Participants may also elect an in-service distribution during a designated calendar year or upon a change in control. Payment is made, at the participant's election, in a single sum or equal annual installment payments over a period of not less than ten years commencing at retirement after age 60 or one year thereafter, provided that distribution in a single sum is automatically made on termination for reasons other than retirement or disability. Participants elect to invest their account balances among an array of mutual funds, and notional earnings are credited to participant accounts based on fund returns. Accounts are 100% vested at all times.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**Termination Without Cause or For Good Reason**

Messrs. Blake, Menear, Ellison and Carey's employment arrangements do not entitle them to any severance payments upon employment termination. They would, however, be entitled to any vested benefits under Company plans in which they participate.

The following table sets forth the estimated value of benefits that Ms. Tomé would be entitled to receive, assuming a termination of employment by the Company without cause or by Ms. Tomé for good reason as of February 3, 2013, the last day of Fiscal 2012. She would also be entitled to any vested benefits under Company plans in which she participates, including any vested amounts under the Restoration Plan as set forth in the Nonqualified Deferred Compensation table on page 53 of this Proxy Statement. Ms. Tomé is not entitled to payment of any benefits upon termination for cause or resignation without good reason other than for accrued compensation earned prior to employment termination and any vested benefits under Company plans in which she participates.

		Vesting on Termination (\$)	Total (\$)
Carol B. Tomé	1,950,000	17,112,467	19,062,467

Under Ms. Tomé's employment arrangement, pursuant to provisions that were adopted in 2001, in the event her employment is terminated by the Company without cause, or by Ms. Tomé for good reason, the Company will continue to pay her base salary for 24 months in accordance with the Company's normal payroll practices, subject to any delay necessary to comply with the requirements of Internal Revenue Code Section 409A. Also, vesting will be accelerated on her outstanding restricted stock and stock option awards that would otherwise have vested during the salary continuation period (331,671 options with an intrinsic value of \$11,826,725 and 78,540 shares of restricted stock with an intrinsic value of \$5,285,742 at the end of Fiscal 2012, based upon the closing stock price of \$67.30 on February 1, 2013). Any unvested equity at the end of the salary continuation period will be forfeited.

Termination for cause by the Company under this arrangement generally means that the executive: (a) has engaged in conduct that constitutes willful gross neglect or willful gross misconduct with respect to employment duties that results in material economic harm to the Company, subject to certain conditions, (b) has been convicted of a felony involving theft or moral turpitude, or (c) has violated Company policies. Termination of employment for good reason by the executive generally means the occurrence of certain events without the executive's consent, including: (a) the assignment of a principal office outside of the Atlanta metropolitan area, (b) decrease in base salary or failure to pay the

agreed-upon compensation, or (c) cessation of a direct reporting relationship to the CEO.

Table of Contents**EXECUTIVE COMPENSATION**

In exchange for the foregoing severance payments, Ms. Tomé agreed that during the term of her employment and for 24 months thereafter, she will not, without the prior written consent of the Company, be employed by or otherwise participate in the management of competitors of the Company. During the 36-month period following termination, she also agreed not to solicit any employee of the Company to accept a position with another entity. Each named executive officer is also subject to confidentiality restrictions on employment termination, and Messrs. Menear, Ellison and Carey are subject to non-competition and non-solicitation restrictions for 24 months and 36 months post-termination, respectively.

Change in Control

The Company does not maintain change in control agreements for its executives. However, equity awards made prior to Fiscal 2013 to salaried associates, including the named executive officers, generally provide for accelerated vesting of the award upon a change in control of the Company. As noted above in Proposal 5, the LDC Committee adopted a new form of award agreement in February 2013 that no longer provides for automatic acceleration of vesting of awards solely upon a change in control. The following table sets forth the estimated value of benefits that the named executive officers would be entitled to receive due to accelerated vesting of outstanding awards assuming a change in control of the Company as of February 3, 2013. If Ms. Tomé's employment is terminated in connection with a change in control, she would also be entitled to the termination benefits described in the preceding table.

DIRECTOR COMPENSATION

Our philosophy with respect to director compensation is to align the interests of non-employee directors with the interests of our shareholders. To implement this philosophy, our Corporate Governance Guidelines provide that the annual retainer for non-employee directors must be at least two-thirds equity. The Company presently provides 82% of each director's annual retainer in Company equity. Furthermore, consistent with our Corporate Governance Guidelines, director equity awards stipulate that shares of Company stock must continue to be held until the director retires from the Board or for one year after Board service ends for any reason other than ordinary Board retirement (at or after age 72), death, disability or a change in control of the Company.

Each non-employee director who was a Board member during Fiscal 2012 received an annual retainer of \$280,000 as of the date of the 2012 annual meeting, or, in the case of Mr. Vadon, upon joining the Board in September 2012. The retainer was paid in the following manner:

\$230,000 in the form of deferred shares granted under the 2005 Plan; and

\$50,000 in the form of cash or deferred stock units under the Directors Plan, at the election of the director.

The deferred shares and deferred stock units, together with dividend equivalents that accrue thereon, are payable in shares of the Company's common stock following termination of Board service. Director compensation is paid for the twelve-month period commencing with each annual meeting of shareholders. A pro rata portion of annual director compensation is paid to directors who become Board members after the annual meeting as follows: 100% for appointments before the six-month anniversary of the annual meeting, 50% after the six-month but not later than the nine-month anniversary of the annual meeting, and 25% after the nine-month anniversary of the annual meeting.

Each non-employee director who served as Chair of a Board committee also received \$10,000, except for the Chair of the Audit Committee, who received \$15,000. Board committee Chair retainers were payable in cash or deferred stock units under the Directors Plan, at the election of the director.

In addition to the annual retainers and applicable committee Chair retainers described above, the Lead Director also receives \$80,000 in the form of cash or deferred stock units under the Directors Plan. At least 12% of the Lead Director's cash retainers must be paid in the form of deferred stock units under the Directors Plan pursuant to the equity requirement in the Corporate Governance Guidelines, with the remainder paid in the form of cash or deferred stock units under the Directors Plan, at the election of the Lead Director. For Fiscal 2012, our Lead Director elected to receive 100% of her committee Chair retainer and 20% of each of her annual cash Board retainer and Lead Director retainer in deferred stock units under the Directors Plan.

The Company also pays (or provides for reimbursement of) the travel and accommodation expenses of directors and, when requested by the Company, their spouses to attend Board meetings, conduct store visits and participate in other corporate functions.

The Company maintains a program through which it will match up to \$10,000 of charitable donations made by each director, including the Chairman, for each calendar year. Mr. Blake's All Other Compensation reported in the Summary Compensation Table includes \$10,000 in matching contributions made under the program for Fiscal 2012. The directors do not receive any financial benefit from this program because the charitable deductions accrue solely to the Company. Donations under the program are not made to any charity from which the director (or a party related to the director) directly or indirectly receives compensation.

⁽¹⁾ Fees earned or paid in cash vary because, in addition to the \$50,000 annual retainer, they include retainers for Chair and Lead Director positions. Messrs. Ackerman, Bousbib, Brenneman, Brown, Carey, Codina, Sargent and Vadon deferred 100% and Ms. Katen deferred 50% of their annual cash Board retainers under the Directors Plan, which retainers were converted into stock units that are payable in shares of Company common stock following termination of Board service. Messrs. Ackerman and Bousbib and Ms. Hill deferred 100% of their committee Chair retainers, and Ms. Hill deferred 20% of each of her annual cash Board retainer and Lead Director retainer. Dividend equivalents are credited on stock units in the Directors Plan at the same rate, and at the same time, that dividends are paid to shareholders.

⁽²⁾ Amounts set forth in the Stock Awards column represent the aggregate grant date fair value of awards granted in Fiscal 2012 computed in accordance with FASB ASC Topic 718.

The grant date fair value of the deferred share award granted during Fiscal 2012 is set forth in the following table, computed in accordance with FASB ASC Topic 718 based on the closing stock price on the grant date. There were no deferred share forfeitures by the directors during Fiscal 2012.

Table of Contents**GENERAL****CERTAIN RELATED PERSON TRANSACTIONS**

The Nominating and Corporate Governance Committee, which is comprised of independent directors, reviews all related-party transactions and relationships involving a Board member or officer of the Company subject to Section 16 of the Exchange Act. To help identify related-party transactions and relationships, each director and executive officer completes a questionnaire that requires the disclosure of any transaction or relationship that the person, or any member of his or her immediate family, has or will have with the Company. Our General Counsel also conducts an independent investigation by reviewing the Company's financial systems to determine if a director or executive officer, or a company with which he or she is affiliated, engaged in transactions or had a relationship with the Company during the fiscal year. The Company's procedures with respect to review and approval or ratification of related-party transactions are set forth in the Nominating and Corporate Governance Committee's charter.

The Nominating and Corporate Governance Committee reviews and approves, ratifies or rejects any transaction or relationship with a related party that is identified. In approving, ratifying or rejecting a related-party transaction or relationship, the Nominating and Corporate Governance Committee considers such information as it deems important to determine whether the transaction is on reasonable and competitive terms and is fair to the Company. Transactions and relationships that are determined to be directly or indirectly material to the Company or a related person are disclosed in the Company's Proxy Statement.

The Nominating and Corporate Governance Committee has identified the following related-party transactions and relationships:

Francis S. Blake, who is the son of Frank Blake, the Company's Chairman and CEO, has been a district manager for the Company since March 2009. In addition to this compensation and customary employee benefits, Mr. Blake continues to be eligible to participate in bonus and equity compensation plans based on his performance as well as the performance of the Company. Mr. Blake's compensation is within the established range paid to district managers.

The Company, principally through The Home Depot Foundation, has supported Habitat for Humanity since 1991. In Fiscal 2012, the Foundation also made cash grants and gift card donations of approximately \$1.4 million and product donations of approximately \$2.7 million in retail value to various affiliates of Habitat.

grant of Restricted Stock Units shall constitute an unsecured promise to deliver Shares (or the equivalent value in cash or other property if the Committee so provides) in the future, which right is subject to certain restrictions and to a substantial risk of forfeiture.

7.2 Consideration. Each grant may be made without additional consideration from the Participant or in consideration of a payment by the Participant that may be less than the Fair Market Value on the Grant Date.

7.3 Dividends, Voting and Other Ownership Rights. Unless otherwise determined by the Committee, an award of Restricted Shares shall entitle the Participant to dividend, voting and other ownership rights during the period for which such substantial risk of forfeiture is to continue. Except as otherwise determined by the Committee, a Participant shall have none of the rights of a stockholder with respect to Restricted Stock Units until such time as Shares are delivered in settlement of such Awards. Any grant of Restricted Stock Units may provide for payment of dividend equivalents. The Committee may on or after the Grant Date authorize the payment of dividend equivalents in cash or additional Shares on a current, deferred or contingent basis. In no event shall dividends or dividend equivalents with respect to Restricted Shares or Restricted Stock Units that are subject to performance-based vesting be paid or distributed until the performance-based vesting provisions of such Awards lapse. Any grant may require that any or all dividends, dividend equivalents or other distributions paid on the Restricted Shares or Restricted Stock Units during the period of such restrictions be automatically sequestered and reinvested on an immediate or deferred basis in additional Shares, which may be subject to the same restrictions as the underlying Award or such other restrictions as the Committee may determine.

7.4 Restrictions on Transfer. Each grant of Restricted Shares shall provide that, during the period for which such substantial risk of forfeiture is to continue, the transferability of the Restricted Shares shall be prohibited or restricted in the manner and to the extent prescribed by the Committee on the Grant Date. Any grant of Restricted Shares or Restricted Stock Units may specify the conditions for the early vesting of such Award in the event of a change in control of the Company or other similar transaction or event.

7.5 Performance-Based Restricted Shares and Restricted Share Units. Any grant or the vesting thereof may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 9 regarding Performance Shares and Performance Units.

7.6 Award Agreement. Each grant shall be evidenced by an Award Agreement containing such terms and provisions as the Committee may determine consistent with this Plan.

8. Deferred Shares. The Committee may authorize grants of Deferred Shares to Participants upon such terms and conditions as the Committee may determine in accordance with the following provisions:

8.2 Consideration. Each grant may be made without additional consideration from the Participant or in consideration of a payment by the Participant that may be less than the Fair Market Value on the Grant Date.

8.3 Deferral Period. Each grant shall provide that the Deferred Shares covered thereby shall be subject to a Deferral Period, which shall be fixed by the Committee on the Grant Date, and any grant or sale may specify the conditions for the earlier termination of such period in the event of a change in control of the Company or other similar transaction or event.

8.4 Dividend Equivalents and Other Ownership Rights. During the Deferral Period, the Participant shall not have the right to transfer any rights under the subject Award, shall not have any rights of ownership in the Deferred Shares and shall not have any right to vote such shares, but the Committee may on or after the Grant Date authorize the payment of dividend equivalents on such shares in cash or additional Shares on a current, deferred or contingent basis.

8.5 Performance Objectives. Any grant or the vesting thereof may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 9 regarding Performance Shares and Performance Units.

Table of Contents

8.6 Award Agreement. Each grant shall be evidenced by an Award Agreement containing such terms and provisions as the Committee may determine consistent with this Plan.

9. Performance Shares and Performance Units. The Committee may authorize grants of Performance Shares and Performance Units, which shall become payable to the Participant upon the achievement of specified Performance Objectives, upon such terms and conditions as the Committee may determine in accordance with the following provisions:

9.1 Number of Performance Shares or Units. Each grant shall specify the number of Performance Shares or Performance Units to which it pertains, which may be subject to adjustment to reflect changes in compensation or other factors.

9.2 Performance Period. The Performance Period with respect to each Performance Share or Performance Unit shall commence on the Grant Date, and any grant may specify the conditions for early termination in the event of a change in control of the Company or other similar transaction or event.

9.3 Performance Objectives. Each grant shall specify the Performance Objectives that are to be achieved by the Participant. The Committee may provide in any Qualified Performance-Based Award, at the time the Performance Objectives are established, that any evaluation of performance shall exclude or otherwise objectively adjust for any specified circumstance or event that occurs during a Performance Period. To the extent such inclusions or exclusions affect Qualified Performance-Based Awards, they shall be prescribed in a form that meets the requirements of Code Section 162(m).

9.4 Threshold Performance Objectives. Each grant may specify in respect of the specified Performance Objectives a minimum acceptable level of achievement below which no payment will be made and may set forth a formula for determining the amount of any payment to be made if performance is at or above such minimum acceptable level but falls short of the maximum achievement of the specified Performance Objectives.

9.5 Payment of Performance Shares and Units. Each grant shall specify the time and manner of payment of Performance Shares or Performance Units that shall have been earned, and any grant may specify that any such amount may be paid by the Company in cash, Shares or any combination thereof and may either grant to the Participant or reserve to the Committee the right to elect among those alternatives.

9.6 Maximum Payment. Any grant of Performance Shares may specify that the amount payable with respect thereto may not exceed a maximum specified by the Committee on the Grant Date. Any grant of Performance Units may specify that the amount payable, or the number of Shares issued, with respect thereto may not exceed maximums specified by the Committee on the Grant Date.

9.7 Dividend Equivalents. Any grant of Performance Shares or Performance Units may provide for the payment to the Participant of dividend equivalents thereon in cash or additional Shares on a current, deferred or contingent basis. No dividend equivalents shall be earned, paid or provided to a Participant in respect of an Award that is conditioned upon the attainment of one or more Performance Objectives until the Committee, or its designee with respect to an Award that is not a Qualified Performance-Based Award, certifies that the specified Performance Objectives have been achieved.

9.8 Adjustment of Performance Objectives. The Committee, with respect to any Award that is not a Qualified Performance-Based Award, may adjust Performance Objectives and the related minimum acceptable level of achievement if, in the sole judgment of the Committee, events or transactions have occurred after the Grant Date that are unrelated to the performance of the Participant and result in distortion of the Performance Objectives or the related minimum acceptable level of achievement. In addition, the Committee has the right, in connection with any Award for which the grant, vesting or payment is conditioned upon the attainment of one or more Performance Objectives, to exercise negative discretion to determine that all or a portion of the Award actually earned, vested and/or payable shall be less than the portion that would be earned, vested or payable based solely upon application of the relevant Performance Objectives.

9.9 Award Agreement. Each grant shall be evidenced by an Award Agreement containing such terms and provisions as the Committee may determine consistent with this Plan.

Table of Contents

10. Other Stock-Based Awards. The Committee may, consistent with the Plan and any limitations pursuant to applicable law, grant to Participants Other Stock-Based Awards on such terms and conditions as determined by the Committee.

11. Transferability.

11.1 Transfer Restrictions on Awards. Except as provided in Section 11.2, no Award granted under this Plan shall be transferable by a Participant other than by will, by beneficiary designation, or the laws of descent and distribution, and Options and Stock Appreciation Rights shall be exercisable during a Participant's lifetime only by the Participant or, in the event of the Participant's legal incapacity, by his or her guardian or legal representative acting in a fiduciary capacity on behalf of the Participant under state law. Any attempt to transfer an Award in violation of this Plan shall render such Award null and void.

11.2 Limited Transfer Rights. The Committee may expressly provide in an Award Agreement (or an amendment to an Award Agreement) that a Participant may transfer such Award (other than an Incentive Stock Option), in whole or in part, to a spouse or lineal descendant (a Family Member), a trust for the exclusive benefit of Family Members, a partnership or other entity in which all the beneficial owners are Family Members, or any other entity affiliated with the Participant that may be approved by the Committee, but no such transfer shall be a transfer for value. Subsequent transfers of Awards shall be prohibited except in accordance with this Section 11.2. All terms and conditions of the Award, including provisions relating to the termination of the Participant's employment or service with the Company or a Subsidiary, shall continue to apply following a transfer made in accordance with this Section 11.2.

11.3 Transfer Restrictions on Shares. Any Award made under this Plan may provide that all or any part of the Shares that are (i) to be issued or transferred by the Company upon the exercise of Options or Stock Appreciation Rights, upon the termination of the Deferral Period applicable to Deferred Shares or upon payment under any grant of Performance Shares, Performance Units or Other Stock-Based Awards, or (ii) no longer subject to the substantial risk of forfeiture and restrictions on transfer referred to in Section 7, shall be subject to further restrictions upon transfer.

11.4 Beneficiaries. The Committee may permit a Participant to designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan, any applicable Award Agreement, and to any additional conditions deemed appropriate by the Committee. If no beneficiary has been designated or survives the Participant, any payment due to the Participant shall be made to the Participant's estate.

12. Adjustments. In the event of any stock dividend, stock split, spinoff, rights offering, extraordinary cash dividend, combination or exchange of Shares, recapitalization or other change in the capital structure of the Company constituting an equity restructuring within the meaning of U.S. generally accepted accounting principles, the Committee shall make or provide for such adjustments in the (a) number of Shares covered by outstanding Options, Stock Appreciation Rights, Deferred Shares, Restricted Shares, Restricted Stock Units, Performance Shares, Performance Units and Other Stock-Based Awards granted hereunder, (b) prices per share applicable to such Options and Stock Appreciation Rights, and (c) kind of Shares covered thereby (including shares of another issuer), as the Committee in its sole discretion may in good faith determine to be equitably required in order to prevent dilution or enlargement of the rights of Participants. In the event of any merger, consolidation or any other corporate transaction or event having a similar effect, the Committee in its sole discretion may take any action described in the preceding sentence, and, moreover, it may (i) provide in substitution for any or all outstanding Awards under this Plan such alternative consideration as it may in good faith determine to be equitable under the circumstances and may require in connection therewith the surrender of all Awards so replaced, (ii) provide that Awards will be settled in cash rather than Shares, (iii) provide, in the event that Awards are not substituted or settled in cash, that Awards will become immediately vested and non-forfeitable and exercisable (in whole or in part) and will expire after a designated period of time to the extent not then exercised, (iv) provide that Performance Objectives and Performance Periods for Awards for which the grant, vesting or payment is conditioned upon the attainment of one or more Performance Objectives will be modified, consistent with Code Section 162(m) where applicable, or (v) any combination of the foregoing. The Committee shall also make or provide for such adjustments in each of the limitations specified in Section 3 as the Committee in its sole discretion may in good faith determine to be appropriate in order to reflect any transaction or event described in this Section 12. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated.

Table of Contents

13. Fractional Shares. The Company shall not be required to issue any fractional Shares pursuant to this Plan. The Committee may provide for the elimination of fractions by rounding up or down or for the settlement thereof in cash.

14. Withholding Taxes. To the extent that the Company is required to withhold federal, state, local or foreign taxes in connection with any payment made or benefit realized by a Participant or other person under this Plan, it shall be a condition to the receipt of such payment or the realization of such benefit that the Participant or such other person make arrangements satisfactory to the Company for payment of all such taxes required to be withheld. At the discretion of the Committee, such arrangements may include relinquishment of a portion of such payment or benefit.

15. Certain Terminations of Employment, Hardship and Approved Leaves of Absence. Notwithstanding any other provision of this Plan to the contrary, in the event of termination of employment by reason of death, disability, normal retirement, early retirement with the consent of the Company or leave of absence approved by the Company, or in the event of hardship or other special circumstances, of a Participant who holds an Option or Stock Appreciation Right that is not immediately and fully exercisable, any Restricted Shares or Restricted Stock Units as to which the substantial risk of forfeiture or the prohibition or restriction on transfer has not lapsed, any Deferred Shares as to which the Deferral Period is not complete, any Performance Shares or Performance Units that have not been fully earned, any Shares that are subject to any transfer restriction pursuant to Section 11.3, or any Other Stock-Based Award that is not vested, the Committee may in its sole discretion take any action that it deems to be equitable under the circumstances or in the best interests of the Company, including, without limitation, waiving or modifying any limitation or requirement with respect to any Award under this Plan. Notwithstanding any provisions of this Section 15, the Committee's exercise of its discretion under this Section shall not cause any Award to lose its status as a Qualified Performance-Based Award under Code Section 162(m) or for any Award that constitutes Non-Exempt Deferred Compensation, as defined in Section 22.4, to be subject to accelerated taxation and/or tax penalties under Code Section 409A.

16. Foreign Participants. In order to facilitate the making of any grant or combination of grants under this Plan, the Committee may provide for such special terms for Awards to Participants who are foreign nationals, or who are employed by or perform services for the Company or any Subsidiary outside of the United States of America, as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Committee may approve such supplements to, or amendments, restatements or alternative versions of, this Plan as it may consider necessary or appropriate for such purposes without thereby affecting the terms of this Plan as in effect for any other purpose, provided that no such supplements, amendments, restatements or alternative versions shall include any provisions that are inconsistent with the terms of this Plan, as then in effect, unless this Plan could have been amended to eliminate such inconsistency without further approval by the stockholders of the Company.

17. Grants to Non-Employee Directors. Awards to Non-Employee Directors shall be made pursuant to a policy or program approved by the Committee from time to time, and other than Awards made pursuant to such policy or program, there shall be no discretionary grants made to Non-Employee Directors.

18. Amendments and Other Matters.

18.1 Plan Amendments. This Plan may be amended from time to time by the Board, but no such amendment shall increase any of the limitations specified in Section 3, other than to reflect an adjustment made in accordance with Section 12, without the further approval of the stockholders of the Company. The Board may condition any amendment on the approval of the stockholders of the Company if such approval is necessary or deemed advisable with respect to the applicable listing or other requirements of any securities exchange or other applicable laws, policies or regulations.

18.2 Award Deferrals. The Committee may permit Participants to elect to defer the issuance of Shares or the settlement of Awards in cash under the Plan pursuant to such rules, procedures or programs as it may establish for purposes of this Plan and to the extent that such deferral shall not subject any Award to accelerated taxation and/or tax penalties under Code Section 409A. In the case of an award of Restricted Shares, the deferral may be effected by the Participant's agreement to forego or exchange his or her award of Restricted Shares and receive an award of Deferred Shares. The Committee also may provide that deferred settlements include the payment or crediting of interest on the deferral amounts, or the payment or crediting of dividend equivalents where the deferral amounts are denominated in Shares.

Table of Contents

18.3 Conditional Awards. The Committee may condition the grant of any award or combination of Awards under the Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or any Subsidiary to the Participant.

18.4 Repricing Prohibited. Except as otherwise provided in Article 12, without the prior approval of the stockholders of the Company: (i) the Option Price or Base Price of an Option or Stock Appreciation Right may not be reduced, directly or indirectly, (ii) an Option or Stock Appreciation Right may not be cancelled in exchange for cash, other Awards, or Options or Stock Appreciation Rights with an Option Price or Base Price that is less than the Option Price or Base Price of the original Option or Stock Appreciation Right, or otherwise, and (iii) the Company may not repurchase an Option or Stock Appreciation Right for value (in cash or otherwise) from a Participant if the current Fair Market Value of the Shares underlying the Option or Stock Appreciation Right is lower than the Option Price or Base Price per share of the Option or Stock Appreciation Right.

18.5 No Employment Right. This Plan shall not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary and shall not interfere in any way with any right that the Company or any Subsidiary would otherwise have to terminate any Participant's employment or other service at any time. In consideration of any Award granted under this Plan, the Participant agrees that all Awards are subject to applicable clawback policies that shall be adopted by the Committee from time to time.

18.6 Tax Qualification. To the extent that any provision of this Plan would prevent any Option that was intended to qualify under particular provisions of the Code from so qualifying, such provision of this Plan shall be null and void with respect to such Option, provided that such provision shall remain in effect with respect to other Options, and there shall be no further effect on any provision of this Plan.

18.7 Share Trading Restrictions. All Shares issuable under the Plan are subject to any stop-transfer order and other restrictions as the Committee deems necessary or advisable to comply with federal, state or foreign securities laws, rules and regulations and the rules of any securities exchange on which the Shares are listed, quoted or traded.

19. Effective Date. This Amended and Restated 2005 Omnibus Stock Incentive Plan is effective February 28, 2013 upon its approval by the Board; provided, however, that (i) the amendments to Section 2.21 and Section 20 and (ii) ratification of the eligible participants under Section 2.20 and award limits in Section 3.4 are effective May 23, 2013 upon stockholder approval.

20. Termination. This Plan shall terminate on May 23, 2023 or the tenth anniversary of the date upon which it is approved by the stockholders of the Company, and no Award shall be granted after that date.

21. Limitations Period. Any person who believes he or she is being denied any benefit or right under the Plan may file a written claim with the Committee. Any claim must be delivered to the Committee within forty-five (45) days of the specific event giving rise to the claim. Untimely claims will not be processed and shall be deemed denied. The Committee, or its designated agent, will notify the Participant of its decision in writing as soon as administratively practicable. Claims not responded to by the Committee in writing within ninety (90) days of the date the written claim is delivered to the Committee shall be deemed denied. The Committee's decision is final and conclusive and binding on all persons. No lawsuit relating to the Plan may be filed before a written claim is filed with the Committee and is denied or deemed denied, and any lawsuit must be filed within one-year of such denial or deemed denial or be forever barred.

22. Code Section 409A.

22.1 General. To the extent applicable, it is intended that the Plan comply with or be exempt from the requirements of Code Section 409A and any related regulations or other guidance promulgated thereunder. Accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered to be in compliance with Code Section 409A, and if any provision of the Plan or any term or condition of any Award would otherwise conflict with this intent, the provision, term or condition will be interpreted or deemed amended so as to avoid this conflict. Any reservation of rights or any discretion reserved to the Committee or the Company regarding the timing of a payment of any Award subject to Code Section 409A will only be as broad as is permitted by Code Section 409A.

Table of Contents

22.2 **Separation from Service and Separate Payments.** Notwithstanding anything herein or in any Award Agreement to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Code Section 409A, amounts that would otherwise be payable and benefits that would otherwise be provided to a Participant during the six-month period immediately following the Participant's separation from service (within the meaning of Code Section 409A) shall instead be paid on the first business day after the date that is six (6) months following the Participant's separation from service (or death, if earlier). In addition, if the Participant is entitled to a series of installment payments, each amount to be paid to a Participant pursuant to the Plan or any Award Agreement shall be construed as a separate identified payment for purposes of Code Section 409A.

22.3 **Other.** Service providers of any Subsidiary of the Company may be granted Options or Stock Appreciation Rights only if the Subsidiary qualifies as an eligible issuer of service recipient stock within the meaning of §1.409A-1(b)(5)(iii)(E) of the regulations under Code Section 409A. Notwithstanding the foregoing provisions of this Section 22, the tax treatment of the payments or benefits provided under the Plan or any Award is not warranted or guaranteed. Neither the Company, its Subsidiaries nor any of their respective directors, officers, employees or advisors (other than in his or her capacity as a Participant) shall be held liable for any taxes, interest, penalties or other monetary amounts owed by any Participant or other taxpayer as a result of the Plan or any Award.

22.4 **Definitional Restrictions.** Notwithstanding anything in the Plan or in any Award Agreement to the contrary, to the extent that any amount or benefit that would constitute non-exempt deferred compensation for purposes of Code Section 409A (Non-Exempt Deferred Compensation) would otherwise be payable or distributable under the Plan or any Award Agreement by reason of the occurrence of a change in control, or the Participant's disability or separation from service, such Non-Exempt Deferred Compensation will not be payable or distributable to the Participant, unless the circumstances giving rise to such change in control, disability or separation from service meet any description or definition of change in control event , disability or separation from service , as the case may be, in Code Section 409A and the applicable regulations.

22.5 **Timing of Release of Claims.** Whenever an Award conditions a payment or benefit on the Participant's execution and non-revocation of a release of claims, such release must be executed and all revocation periods shall have expired within 60 days after the date of termination of the Participant's employment, failing which such payment or benefit shall be forfeited. If such payment or benefit is exempt from Code Section 409A, the Company may elect to make or commence payment at any time during such 60-day period. If such payment or benefit constitutes Non-Exempt Deferred Compensation, then, (i) if such 60-day period begins and ends in a single calendar year, the Company may make or commence payment at any time during such period at its discretion, and (ii) if such 60-day period begins in one calendar year and ends in the next calendar year, the payment shall be made or commence during the second such calendar year (or any later date specified for such payment under the applicable Award), even if such signing and non-revocation of the release occur during the first such calendar year included within such 60-day period. In other words, a Participant is not permitted to influence the calendar year of payment based on the timing of signing the release.

22.6 **Permitted Acceleration.** The Company shall have the sole authority to make any accelerated distribution permissible under Treas. Reg. Section 1.409A-3(j)(4) to Participants of deferred amounts, provided that such distribution(s) meets the requirements of Treas. Reg. Section 1.409A.

23. **Governing Law.** The validity, construction and effect of this Plan and any Award hereunder will be determined in accordance with (i) the Delaware General Corporation Law, and (ii) to the extent applicable, other laws (including those governing contracts) of the State of Georgia.
