## Item 1.01 Entry into a Material Definitive Agreement

### *Agreement and Plan of Merger*

On October 21, 2013, Devon Energy Corporation, a Delaware corporation (the *Company*) entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Devon Gas Services, L.P., a Delaware limited partnership and an indirect wholly-owned subsidiary of the Company (*Devon Gas Services*), Acacia Natural Gas Corp I, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of the Company (*New Acacia*), Crosstex Energy, Inc., a Delaware corporation (*Crosstex*), New Public Rangers, L.L.C., a Delaware limited liability company and an indirect wholly-owned subsidiary of Devon Gas Services (*New Public Rangers*), Boomer Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of New Public Rangers (*Devon Merger Sub*), and Rangers Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of New Public Rangers (*Crosstex Merger Sub*). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Crosstex Merger Sub will merge with and into Crosstex, with Crosstex surviving and becoming a wholly-owned subsidiary of New Public Rangers (the *Crosstex Merger*), and Devon Merger Sub will merge with and into New Acacia, with New Acacia surviving and becoming a wholly-owned subsidiary of New Public Rangers (the *Devon Merger*, and together with the Crosstex Merger, the *Mergers*).

At the effective time and as a result of the Crosstex Merger, each share of common stock, par value \$0.01 per share, of Crosstex, issued and outstanding immediately prior to the effective time of the Crosstex Merger will be converted into and become exchangeable for one common unit of New Public Rangers and will receive a pro rata cash distribution calculated by dividing \$100 million by the number of Crosstex shares issued and outstanding immediately prior to the effective time. As of the date of the Merger Agreement, the value of the cash distribution would be approximately \$2.00 per share. At the effective time and as a result of the Devon Merger, the sole issued and outstanding share of common stock, par value \$0.01 per share, of New Acacia will be converted into the right to receive 115,495,669 Class B common units of New Public Rangers (*New Public Rangers Class B Common Units*).

The New Public Rangers Class B Common Units will be identical to the New Public Rangers common units except that (i) they will not receive any distributions with respect to any calendar quarter completed prior to closing, (ii) they will receive a quarterly distribution with respect to the first calendar quarter in which the New Public Rangers Class B Common Units are outstanding that is prorated for the portion of the quarter that they were outstanding, and (iii) they will automatically convert into New Public Rangers common units the business day following the record date for the distribution with respect to the calendar quarter in which the Mergers close. The issuance of the New Public Rangers Class B Common Units will be made in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the *Securities Act*), under Section 4(2) of the Securities Act.

As a result of the Mergers, Devon Gas Services will be the sole member of New Public Rangers Manager, L.L.C., a Delaware limited liability company and the sole managing member of New Public Rangers (*New Public Rangers Manager*).

Pursuant to the Merger Agreement, prior the effective time of the Mergers, Devon Gas Services, as the sole member of New Public Rangers Manager, shall take all action necessary to elect as directors of New Public Rangers Manager effective upon the consummation of the Mergers (i) three (3) persons who are independent directors mutually agreed upon by the Company and Crosstex, (ii) Barry E. Davis, Chief Executive Officer and President of Crosstex, and (iii) five (5) persons selected by the Company (who, together with the persons in (i) and (ii) shall be the sole directors of New Public Rangers Manager).

The Company and Crosstex have made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants (i) that the Company will conduct its midstream business and Crosstex will conduct its business in the ordinary and usual course during the interim period between the execution of

the Merger Agreement and consummation of the Mergers, (ii) not to engage in certain kinds of transactions during such period, (iii) that Crosstex will convene and hold a meeting of its stockholders to consider and vote upon the Crosstex Merger and the adoption of the Merger Agreement and the approval of the transactions contemplated thereby, (iv) that, subject to certain exceptions, the Board of Directors of Crosstex will recommend adoption of the

Merger Agreement and approval of the transactions contemplated thereby, and (v) not to (a) solicit or knowingly facilitate inquiries or proposals relating to alternative business combination transactions or (b) subject to certain exceptions, engage in discussions or negotiations regarding, or provide any non-public information in connection with, alternative business combination transactions.

In the Merger Agreement, the Company and Crosstex have committed to use their reasonable best efforts to take all actions necessary to consummate the Mergers, subject to the terms and conditions of the Merger Agreement. Consummation of the Mergers is subject to customary conditions, including, (i) absence of certain laws or orders prohibiting the closing, (ii) expiration or early termination of the waiting period applicable to the consummation of the Mergers under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iii) declaration of the effectiveness by the Securities and Exchange Commission of the Registration Statement on Form S-4 to be filed by New Public Rangers and (iv) concurrent consummation of the Contribution (as defined below). Each party's obligation to consummate the Mergers is subject to certain other conditions, including (a) subject to certain exceptions, the accuracy of the representations and warranties of the other party, (b) performance in all material respects of the other party of its obligations and (c) that there has been no Material Adverse Effect (as defined in the Merger Agreement) on the other party.

The Merger Agreement contains certain termination rights for both the Company and Crosstex, including the right of Crosstex to terminate the Merger Agreement in order to enter into an agreement for an alternative business combination transaction that constitutes a Superior Proposal (as defined in the Merger Agreement) if Crosstex complies with certain notice and other requirements set forth in the Merger Agreement, including paying the Company a termination fee of \$33,000,000 and, in certain circumstances, reimbursing the Company for its expenses, subject to an agreed upon cap. The Merger Agreement further provides that upon termination of the Merger Agreement under other specified circumstances, including if Crosstex's stockholders fail to approve the transactions contemplated by the Merger Agreement, Crosstex may be required to pay the Company a termination fee of \$33,000,000 and/or reimburse the Company for its expenses, subject to an agreed upon cap.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference.

Pursuant to the Contribution Agreement, Devon Gas Services will contribute to Crosstex Energy Services 100% of the outstanding membership interests in Devon Midstream Holdings GP, L.L.C., a Delaware limited liability company and an indirect wholly-owned subsidiary of the Company and, together with Southwestern Gas, a 50% limited partner interest in Devon Midstream Holdings, L.P., a Delaware limited partnership and an indirect wholly-owned subsidiary of the Company. In exchange for the contributions, the Partnership will issue to Devon Gas Services and Southwestern Gas consideration of 120,542,441 Class B common units (Class B Units) of the Partnership (the Contribution).

The Class B Units will be identical to the Partnership's common units except that (i) they will not receive any distribution for quarters completed prior to their issuance, (ii) they will receive a quarterly distribution for the first calendar quarter in which the Class B Units are outstanding that is prorated for the portion of the quarter that they

were outstanding, and (iii) they will automatically convert into the Partnership's common units the first business day following the record date for the distribution with respect to the calendar quarter in which the Contribution closes. The issuance of the Class B Units will be made in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), under Section 4(2) of the Securities Act.

Consummation of the Contribution is subject to customary conditions, including, without limitation, (i) the expiration or early termination of the waiting period applicable to the consummation of the Contribution under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (ii) the absence of any law, order or injunction prohibiting the Contribution and the related transactions and (iii) the completion of the Mergers. The foregoing description of the Contribution Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Contribution Agreement, a copy of which is attached hereto as Exhibit 2.2 and the terms of which are incorporated herein by reference.

The Merger Agreement and the Contribution Agreement have been included to provide investors and security holders with information regarding their terms. They are not intended to provide any other financial information about the Company, Crosstex, the Partnership or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Merger Agreement and the Contribution Agreement were made only for purposes of those agreements and as of specific dates; were solely for the benefit of the parties to the Merger Agreement and Contribution Agreement; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement and Contribution Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Crosstex, the Partnership or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement and Contribution Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company, Crosstex and the Partnership.

#### *Voting Agreement*

The Voting Agreement terminates upon the earliest to occur of (1) the termination of the Merger Agreement in accordance with its terms; (2) the date the Crosstex Merger becomes effective; (3) a change in recommendation of the Mergers by the board of directors of Crosstex in accordance with the Merger Agreement; (4) 5:00 p.m., Dallas, Texas time on June 30, 2014; and (5) such date and time as any amendment or change to any of the transaction agreements is effected without the Stockholder's consent which amendment or change adversely affects the Stockholder, including, without limitation, any amendment or change that

decreases the merger consideration received in the Crosstex Merger. In addition to the Voting Agreement, the Company simultaneously entered into similar voting agreements with certain of Crosstex's officers and directors, in their capacities as stockholders of Crosstex (together with the Stockholder, the Supporting Stockholders).
