Happy Summer everyone!

I hope you are finding some time to enjoy the weather in your part of the world. It has finally warmed up here in CT and we have enjoyed a few beautiful weekends.

Another thing that has warmed up is our interactions with the team from Medtronic. Mike Dunford met with Carol Surface, Head of HR at Medtronic, a few weeks ago and I had the opportunity to meet with her yesterday. Omar Ishrak (Medtronic CEO), Geoff Martha (Integration lead), Rob Clark (Head of Communications) and Carol were in town to meet with CT business leaders and employees. It was a great opportunity to start to get to know the Medtronic team and for them to get to know us. Overall, the meetings were very positive and it was evident to me how closely aligned our cultures seem to be.

I'd love to know more about what you are hearing and what specific questions you have regarding the deal and the HR organizations. It will take us some time to get details and answers, but I'll do my best to learn more and share with you as quickly as I can. So far so good!

in the industry in which Covidien operates; Covidien's ability to obtain regulatory approval and customer acceptance of new products, and continued customer acceptance of its existing products; and the other risks identified in Covidien's periodic filings including its Annual Report on Form 10-K for the fiscal year ended September 27, 2013, and from time to time in Covidien's other investor communications.
