Mandatory Convertible Preferred Stock

Security:

5.375% Class B Mandatory Convertible Preferred Stock, Series 1, of the Company, par value \$1.00 per share (the Mandatory Convertible Preferred Stock)

Size:

2,500,000 shares of Mandatory Convertible Preferred Stock (2,875,000 if the underwriters' option to purchase additional Depositary Shares is exercised in full)

Liquidation Preference:

\$500 per Mandatory Convertible Preferred Share

Dividends:

5.375% of the liquidation preference of \$500 per Mandatory Convertible Preferred Share per year (equivalent to \$26.8750 per annum per share of Mandatory Convertible Preferred Stock, corresponding to \$2.6875 per annum per Depositary Share), if declared by the Company's board of directors or an authorized committee thereof, payable in cash or, subject to certain limitations, by delivery of the Company's shares of Common Stock or any combination of cash and Common Stock, as determined by the Company in its sole discretion. The expected dividend payable on the first Dividend Payment Date is approximately \$7.53993 per share of Mandatory Convertible Preferred Stock (equivalent to \$0.753993 per Depositary Share) and will therefore be more than a regular full quarterly dividend. Each subsequent dividend for a full dividend period is expected to be approximately \$6.71875 per share of Mandatory Convertible Preferred Stock (equivalent to \$0.671875 per Depositary Share). If the Company elects to make any such payment of a declared dividend, or any portion thereof, in shares

of Common Stock, such shares shall be valued for such purpose at the average VWAP per share of Common Stock over the five consecutive trading day period ending on the second trading day immediately preceding the applicable Dividend Payment Date (the Average Price), multiplied by 97%. Notwithstanding the foregoing, in no event will the number of shares of Common Stock delivered in connection with any declared dividend exceed a number equal to the total dividend payment divided by the Floor Price. To the extent that the amount of the declared dividend exceeds the product of the number of shares of Common Stock delivered in connection with such declared dividend and the Average Price, the Company will, if it is legally able to do so, pay such excess amount in cash.

Floor Price for Mandatory Convertible Preferred Stock:

\$5.66, subject to adjustment as described in the Preliminary Prospectus Supplement.

Dividend record dates:

The December 15, March 15, June 15 and September 15, immediately preceding the next Dividend Payment Date.

Dividend Payment Dates:

January 1, April 1, July 1 and October 1, commencing on January 1, 2015 and to, and including, the Mandatory Conversion Date.

Dividend period:

The period from and including a Dividend Payment Date to but excluding the next Dividend Payment Date, except that the initial dividend period will commence on and include the issue date of the Mandatory Convertible Preferred Stock and will end on and exclude the January 1, 2015 Dividend Payment Date.

Acquisition Termination Redemption:

Within ten business days following the earlier of (a) the date on which an Acquisition Termination Event occurs and (b) 5:00 p.m. (New York City time) on April 1, 2015, if the Acquisition has not closed on or prior to such time on such date, the Company at its option may mail a notice of acquisition termination redemption to the holders of the Mandatory Convertible Preferred Stock. If the Company mails a notice of acquisition termination redemption, on the Acquisition Termination Redemption Date specified in such notice, the Company will be required to redeem the Mandatory Convertible Preferred Stock, in whole but not in part, for the Acquisition Termination Make-whole Amount described in the Preliminary Prospectus Supplement. The Acquisition Termination Make-whole Amount will be payable in cash, or in certain instances at the Company's election, in cash or shares of Common Stock or a combination of cash or Common Stock. See Description of Mandatory Convertible Preferred Stock Acquisition Termination Redemption in the Preliminary Prospectus Supplement, as supplemented by the information set forth below under Conversion at the Option of the Holder Upon a

Fundamental Change; Fundamental Change Dividend Make-whole Amount and Fundamental Change Conversion Rate.

Mandatory Conversion Date: October 1, 2017 (the Mandatory Conversion Date)

Conversion Rate:

Upon conversion on the Mandatory Conversion Date, the conversion rate for each share of Mandatory Convertible Preferred Stock will be not more than 30.9406 shares of the Company's Common Stock (the Maximum Conversion Rate) and not less than 25.7838 shares of the Company's Common Stock (the Minimum Conversion Rate), depending on the Applicable Market Value of the Common Stock, as described below and subject to certain antidilution and other adjustments that are described in the Preliminary Prospectus Supplement.

The following table illustrates the conversion rate per share of Mandatory Convertible Preferred Stock, subject to certain anti-dilution and other adjustments that are described in the Preliminary Prospectus Supplement.

<u>Applicable Market Value of</u> <u>the Common Stock</u>	<u>Conversion rate (number of</u> <u>shares of Common Stock to</u> <u>be received upon mandatory</u> <u>conversion of each share of</u> <u>Mandatory Convertible</u> <u>Preferred Stock)</u>
Greater than \$19.39	25.7838 shares
Equal to or less than \$19.39 but greater than or equal to \$16.16	Between 25.7838 and 30.9406 shares, determined by dividing \$500 by the Applicable Market Value
Less than \$16.16	30.9406 shares

Conversion at the Option of the Holder:

At any time prior to the Mandatory Conversion Date, other than during a Fundamental Change Conversion Period, holders may elect to convert their Mandatory Convertible Preferred Stock in whole or in part (but in no event less than one share of Mandatory Convertible Preferred Stock) at the Minimum Conversion Rate of 25.7838 shares of Common Stock per share of Mandatory Convertible Preferred Stock. This Minimum Conversion Rate is subject to certain anti-dilution adjustments. Because each Depositary Share represents a 1/10th fractional interest in a share of Mandatory Convertible Preferred Stock, a holder of Depositary Shares may only convert its depositary shares in lots of 10 Depositary Shares.

**Conversion at the Option of the Holder
upon a Fundamental Change;
Fundamental Change Dividend
Make-whole Amount:**

If the Company is the subject of specified Fundamental Changes (as defined in the Preliminary Prospectus Supplement) on or prior to the Mandatory Conversion Date, holders of the Mandatory Convertible Preferred Stock will have the right to convert their Mandatory Convertible Preferred Stock, in whole or in part, into Common Stock at the Fundamental Change Conversion Rate during the period beginning on the effective date of such Fundamental Change and ending on the date

that is 20 calendar days after the effective date (or, if earlier, the Mandatory Conversion Date). The Fundamental Change Conversion Rate will be determined based on the effective date of the transaction (the Fundamental Change Effective Date) and the price (the Fundamental Change Share price) paid per share of Common Stock of the Company in

such transaction (see table below). Holders who convert Mandatory Convertible Preferred Stock within that time frame will also receive: (1) a Fundamental Change Dividend Make-whole Amount equal to the present value (calculated using a discount rate of 5.375% per annum) of all dividend payments on such shares (excluding any accumulated and unpaid dividends for any dividend period prior to the Fundamental Change Effective Date, including for the dividend period, if any, from the Dividend Payment Date immediately preceding the Fundamental Change Effective Date to but excluding the Fundamental Change Effective Date (collectively, the Accumulated Dividend Amount)) for all the remaining full dividend periods and for the partial dividend period from and including the Fundamental Change Effective Date to but excluding the next Dividend Payment Date (the Fundamental Change Dividend Make-whole Amount); and (2) to the extent that there is any Accumulated Dividend Amount, the Accumulated Dividend Amount, in the case of clauses (1) and (2), subject to the Company's right to deliver Common Stock in lieu of all or part of such amounts as described in the Preliminary Prospectus Supplement.

Fundamental Change Conversion Rate: The Fundamental Change Conversion Rate will be determined by reference to the table below and is based on the Fundamental Change Effective Date and the Fundamental Change Share Price. If the holders of the Common Stock receive only cash in the Fundamental Change, the Fundamental Change Share Price shall be the cash amount paid per share. Otherwise the Fundamental Change Share Price shall be the average VWAP of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the trading day preceding the effective date.

The exact Fundamental Change Share Price and Fundamental Change Effective Date may not be set forth in the table, in which case:												

Edgar Filing: ALCOA INC - Form FWP

if the Fundamental Change Share Price is between two Fundamental Change Share Price amounts on the table or the Fundamental Change Effective Date is between two dates on the table, the Fundamental Change Conversion Rate will be determined by straight-line interpolation between the Fundamental Change Conversion Rates set forth for the higher and lower Fundamental Change Share Price amounts and the two dates, as applicable, based on a 365-day year;

if the Fundamental Change Share Price is in excess of \$100.00 per share (subject to adjustment as described above), then the Fundamental Change Conversion Rate will be the Minimum Conversion Rate, subject to adjustment; and

if the Fundamental Change Share Price is less than \$5.00 per share (subject to adjustment as described above), then the Fundamental Change Conversion Rate will be the Maximum Conversion Rate, subject to adjustment.
