**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Item 5.02(e)

On May 13, 2015, at the 2015 Annual Meeting of Shareholders of Southwest Airlines Co. (the Company), the Company's Shareholders approved the Southwest Airlines Co. Amended and Restated 2007 Equity Incentive Plan (the Plan). The Plan provides for grants of stock options, restricted stock, restricted stock units, unrestricted shares of common stock, stock appreciation rights, and phantom shares, including grants in the form of performance awards (collectively, Awards). The Plan has been designed to allow for Awards to satisfy the performance-based compensation exception provided for under Section 162(m) of the Internal Revenue Code (the Section 162(m) Exception).

The Plan must be administered by the Board of Directors of the Company or by a committee of the Board whose members satisfy the independence criteria established by the Plan. The Board or committee, as applicable, will be referred to as the committee. Awards may be granted to any employee or advisor of the Company and any member of the Company's Board of Directors. The committee generally has the authority to grant Awards on such terms and conditions as the committee, in its discretion, may from time to time determine; however, (i) no Awards may be granted under the Plan after March 18, 2025, and no stock option or stock appreciation right may be exercisable after the expiration of ten years from the date of its grant; (ii) the per share exercise price of any stock option or stock appreciation right may not be less than the fair market value of a share of the Company's common stock on the date of grant; (iii) in no event may an award of restricted stock or restricted stock units that has a vesting schedule based on the passing of time have (or be accelerated such that it has) a vesting schedule of less than three years from the date of grant, and no more than 33-1/3 percent of any such Award may vest (or be accelerated such that it vests) on each anniversary of the date of grant; and (iv) in no event may an award of restricted stock or restricted stock units that is structured as a performance award vest (or be accelerated such that it vests) in under one year from the date of grant. Notwithstanding the foregoing, in the event of the termination of a participant's service as a result of death or disability, any of the participant's outstanding shares of restricted stock and/or restricted stock units that have not yet vested will fully vest as of the date of termination. The Plan also prohibits repricing of stock options and stock appreciation rights, unless approved by the Company's Shareholders.

The number of shares of common stock that may be issued under the Plan with respect to all types of Awards in the aggregate may not exceed 31.5 million (the Plan Limit), which is an increase of 13.5 million over the 18 million shares previously reserved for issuance under the Plan. The number of shares of common stock with respect to which stock options, stock appreciation rights, and any other types of awards designed to satisfy the Section 162(m) Exception may be granted in the aggregate to any participant during any calendar year may not exceed one million (regardless of whether settled in cash or shares of common stock). In addition, the number of shares of common stock with respect to which unrestricted shares of common stock, stock-settled phantom shares, and awards to non-employee members of the Board may be granted during the term of the Plan may not exceed five percent of the Plan Limit.

The foregoing summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the complete text of the Plan, which has been filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated into this Item 5.02 by reference. The Plan is also described in detail in the Company's proxy statement filed with the Securities and Exchange Commission on April 6, 2015.
