**Item 1.01 Entry into a Material Definitive Agreement.**

*Underwriting Agreement related to Common Stock Offering*

On August 11, 2016, Alimera Sciences, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Cowen and Company, LLC, as representative of the several underwriters named therein (collectively, the Underwriters), pursuant to which the Company agreed to issue and sell an aggregate of 18,000,000 shares of its common stock (the Shares) to the Underwriters (the Common Stock Offering). The Shares will be sold at a per share public offering price of \$1.40. Pursuant to the Underwriting Agreement, the Company also granted the Underwriters a 30-day option to purchase up to an additional 900,000 shares of its common stock at the public offering price to cover over-allotments, if any. The Common Stock Offering is expected to close on August 16, 2016.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement and may be subject to limitations agreed upon by the contracting parties. Subject to certain exceptions, the Company and all of the Company's directors and executive officers also agreed to not sell or transfer any common stock of the Company for 90 days after August 11, 2016 without first obtaining the consent of Cowen and Company, LLC.

The Common Stock Offering is being made pursuant to the Company's effective shelf registration statement on Form S-3 (Registration No. 333-198044), including the prospectus dated August 20, 2014 contained therein, as the same has been amended and/or supplemented from time to time.

A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated herein by reference. The foregoing description of the terms of the Underwriting Agreement is qualified in its entirety by reference to such exhibit. A copy of the opinion of Gunderson Dettmer Stough Villeneuve Franklin & Hachigian, LLP relating to the legality of the issuance and Shares in this offering is attached as Exhibit 5.1 hereto.

**Item 8.01 Other Events.**

The Company expects to receive aggregate net proceeds from the sale of the Shares of approximately \$23.9 million, after deducting underwriting fees and commissions and estimated offering expenses.

On August 11, 2016, the Company issued a press release announcing the matters described above. A copy of the press release is filed as Exhibit 99.1 and incorporated herein by reference.
