Item 1.01 Entry into a Material Definitive Agreement

Underwriting Agreement

On January 4, 2017, Helix Energy Solutions Group, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Credit Suisse Securities (USA) LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters listed on Schedule A thereto (collectively, the Underwriters), in connection with an underwritten public offering (the Offering) of 23,000,000 shares of the Company's common stock, no par value (the Common Stock), at a public offering price of \$8.65 per share of Common Stock. In addition, the Company granted the Underwriters a 30-day option to purchase up to 3,450,000 additional shares of Common Stock at the same price. On January 5, 2017, the Underwriters exercised in full their option to purchase additional shares. The Company expects the Offering to close on or about January 10, 2017, subject to the satisfaction of various customary closing conditions.

The Company estimates that the net proceeds from the Offering will be approximately \$219.6, after deducting underwriting discounts and commissions and estimated Offering expenses. The Company intends to use the net proceeds from the Offering for general corporate purposes, which may include debt repayment, capital expenditures, working capital, acquisitions or investments in its subsidiaries.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company, and customary conditions to closing, obligations of the parties and termination provisions. The Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the Securities Act).

Certain of the Underwriters or their respective affiliates have, from time to time, performed, and may in the future perform, various commercial and investment banking services, trust services and financial advisory services for the Company and its affiliates, for which they received, or will receive, customary fees and expenses. Affiliates of certain of the Underwriters are agents and/or lenders under the Company's credit agreement dated June 19, 2013, as amended. To the extent the Company uses proceeds from the Offering to repay indebtedness under its credit facility, such affiliates may receive proceeds from the Offering.

The Offering was made pursuant to the Company's effective automatic shelf registration statement on Form S-3 (File No. 333-214259), as supplemented by the Preliminary Prospectus Supplement and the Prospectus Supplement both dated January 4, 2017 relating to the Common Stock, filed with the Securities and Exchange Commission (the SEC) pursuant to Rule 424(b) of the Securities Act on January 4, 2017 and January 5, 2017, respectively.

The foregoing summary of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement. The Underwriting Agreement is attached as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.
