Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

As described below under Item 5.07, on May 2, 2018, stockholders of McDermott International, Inc., a Panamanian corporation (McDermott), approved an amendment (the Amendment) to McDermott s amended and restated articles of incorporation (as amended to date, the Articles) to effect a 3-to-1 reverse stock split (the Reverse Stock Split) of the shares of common stock, par value \$1.00 per share, of McDermott (McDermott Common Stock) with an effective time of 11:59 P.M. (New York City time) (the Effective Time) on the date immediately prior to the date of the occurrence of the Exchange Offer Effective Time, as defined in the joint proxy statement/prospectus (the Joint Proxy Statement/Prospectus) of McDermott and Chicago Bridge & Iron Company N.V., a public company with limited liability incorporated under the laws of the Netherlands (CB&I), dated March 29, 2018, which was first mailed to stockholders of McDermott on or about March 30, 2018. The Amendment was filed with the Public Registry of Panama on May 2, 2018.

The full text of the Amendment is attached hereto as Exhibit 3.1 and incorporated herein by reference.

Upon the effectiveness of the Amendment at the Effective Time and as a result of the Reverse Stock Split, the shares of McDermott Common Stock outstanding immediately prior to such time will be combined into a smaller number of shares, such that a McDermott stockholder will own one share of McDermott Common Stock for each three shares of McDermott Common Stock held by that stockholder immediately prior to the Effective Time, subject to the treatment of fractional share interests described below. Also, as a result of the Reverse Stock Split, the number of shares of McDermott Common Stock that would be issued in the proposed combination between McDermott and CB&I will be reduced to approximately one-third of the number of shares that would be so issued if the Reverse Stock Split had not been effected. Additionally, at the Effective Time, the Amendment will decrease the authorized shares of McDermott Common Stock to 255,000,000 shares.

No fractional shares will be issued if, as a result of the Reverse Stock Split, a holder of record of shares of McDermott Common Stock would otherwise become entitled to a fractional share. Instead, any fractional share interest resulting from the Reverse Stock Split will be rounded up to the nearest whole share.

Item 5.07 Submission of Matters to a Vote of Security Holders.

McDermott held a special meeting of stockholders (the Special Meeting) on May 2, 2018. A total of 219,279,392 shares of McDermott Common Stock, out of a total of 285,899,713 shares of McDermott Common Stock, outstanding and entitled to vote as of the close of business on April 4, 2018 (the record date for the Special Meeting), were present in person or represented by proxy. Set forth below is a summary of the final voting results on each matter submitted to a vote of stockholders at the McDermott Special Meeting. Each proposal is described in more detail in the Joint Proxy Statement/Prospectus.

Proposal 1: McDermott Reverse Stock Split Articles Amendment Resolution

McDermott s stockholders approved a resolution providing for an amendment to McDermott s amended and restated articles of incorporation, as amended to date: (i) to effect the Reverse Stock Split and (ii) to decrease McDermott s authorized shares of McDermott Common Stock to 255,000,000 shares, an amount sufficient to enable the transactions contemplated under the Business Combination Agreement, dated as of December 18, 2017, by and among McDermott, McDermott Technology, B.V. (McDermott Bidco), CB&I and the other parties thereto (as amended or supplemented from time to time, the Business Combination Agreement), following the Reverse Stock Split (the McDermott Reverse Stock Split Articles Amendment Resolution), with the voting results as follows:

Edgar Filing: CHICAGO BRIDGE & IRON CO N V - Form 425

For
209,209,877

Against
9,842,017

Abstentions
227,498

Proposal 2: McDermott Authorized Capital Articles Amendment Resolution

McDermott's stockholders approved a resolution providing for an amendment to the Articles to increase the authorized shares of McDermott Common Stock to 765,000,000 shares, an amount sufficient to enable the transactions contemplated under the Business Combination Agreement without the Reverse Stock Split (the McDermott Authorized Capital Articles Amendment Resolution), provided that, if approved, the McDermott Authorized Capital Articles Amendment Resolution was to become effective only if the McDermott Reverse Stock Split Articles Amendment Resolution had not been approved at the McDermott Special Meeting, with the voting results as follows:

For	Against	Abstentions
204,617,758	14,155,084	506,550

Since the McDermott Reverse Stock Split Articles Resolution was approved, the McDermott Authorized Capital Articles Amendment Resolution did not, and will not, become effective.

Proposal 3: McDermott Stock Issuance

McDermott's stockholders approved the issuance of shares of McDermott Common Stock (the McDermott Stock Issuance) in exchange for all shares of common stock of CB&I, par value EUR 0.01 per share, in connection with the transactions contemplated by the Business Combination Agreement at an exchange ratio of 2.47221 shares of McDermott Common Stock or, if the Reverse Stock Split has occurred, 0.82407 shares of McDermott Common Stock, with the voting results as follows:

For	Against	Abstentions
204,233,218	14,539,799	506,375

Proposal 4: The McDermott Meeting Adjournment

Because the other proposals were approved, it was not necessary to adjourn the Special Meeting to solicit additional votes.

Item 8.01 Other Events.

On May 2, 2018, McDermott and CB&I issued a joint press release announcing the results of the stockholder votes at their respective special meetings. A copy of that press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The press release also announced that, as a result of the stockholders' approval of the McDermott Reverse Stock Split Articles Amendment Resolution and the McDermott Stock Issuance, the effective time of the Reverse Stock Split is expected to be 11:59 p.m. Eastern time on May 9, 2018 and the closing of the combination with CB&I is expected to occur on May 10, 2018, subject to the satisfaction of customary closing conditions. With the receipt of the stockholders' approvals from both McDermott and CB&I, McDermott and CB&I believe that all material conditions to the combination, other than those to be satisfied on the closing date, have been satisfied. Additionally, the press release announced the final exchange offer ratio is 0.82407 shares of McDermott Common Stock for each share of CB&I common stock properly tendered and not withdrawn in McDermott Bidco's offer to exchange (the Exchange Offer) shares of McDermott Common Stock for any and all issued and outstanding shares of common stock of CB&I, upon the terms and subject to the conditions set forth in the exchange offer prospectus filed with the SEC on March 29, 2018, which is scheduled to expire at 12:01 a.m., Eastern time, on May 10, 2018, unless the Exchange Offer is extended or earlier terminated by McDermott Bidco.

If one or more of these risks materialize, or if underlying assumptions prove incorrect, actual results may vary materially from those expected. You should not place undue reliance on forward-looking statements. For a more complete discussion of these and other risk factors, please see each of McDermott's and CB&I's annual and quarterly filings with the Securities and Exchange Commission, including their respective annual reports on Form 10-K for the year ended December 31, 2017 and their respective quarterly reports on Form 10-Q for the quarter ended March 31, 2017.
