ITEM 1. SECURITY AND ISSUER:

This Amendment No. 2 to Schedule 13D relates to the common stock, \$0.001 par value per share (the "Shares"), of Workflow Management, Inc., a Delaware corporation ("Workflow"). The principal executive offices of Workflow are located at 240 Royal Palm Way, Palm Beach, Florida 33480. This Amendment No. 2 amends and supplements the Schedule 13D initially filed jointly by Pacific Coast Investment Partners LLC, Pacific Coast Investment Fund, L.P. and Jonathan J. Ledecy (collectively, the "Reporting Persons") on March 24, 2004, and the amendment No.1 filed on March 26, 2004. The items of the Schedule 13D are further amended and supplemented as set forth below.

ITEM 4. PURPOSE OF TRANSACTION:

In an Amendment No.1 to Schedule 13D filed on March 29, 2004, the Reporting Persons disclosed that they had identified LaSalle Business Credit to provide Workflow with \$115 million in financing to replace the previously proposed Bank of America financing facilities in the identical amount (see Exhibit G to Amendment No. 1 to Schedule 13D).

On March 29, 2004, the Reporting Persons were informed that LaSalle Business Credit was withdrawing its financing proposal as a result of a non-disclosure agreement that prohibits La Salle from participating in any refinancing of Workflow's existing credit facility. The Reporting Persons are currently investigating all facts involved in the withdrawal of the financing proposal by LaSalle Business Credit, and are evaluating the legal remedies and responses the Reporting Persons may have against any of the involved parties.

The Reporting Persons have secured a new proposal from a new institutional lender (Ableco Finance LLC) to provide Workflow with a new senior revolving credit facility and term loan in the maximum combined amount of \$175 million to replace the previously proposed LaSalle Business Credit financing facilities. The Ableco proposal letter is attached hereto as Exhibit J, which is incorporated herein by reference.

As set forth more fully in the letter dated April 1, 2004 from PCI Partners to the Board of Directors of Workflow, a copy of which is attached hereto as Exhibit K and is incorporated herein by reference, the Reporting Persons informed the Board that they:

- o Secured a new institutional financing proposal in the amount of \$175 million
- o Amended its proposal to arrange the purchase of \$30 million of newly issued common at a price of \$5.375 per share from the previously announced \$4.87 per share
- o Provided support for Workflow's fair market value at no less than \$6.58 per share
- o Demanded that the Board withdraw its support of the going-private transaction
- o Provided indications that Workflow's Canadian subsidiary on a stand-alone basis may well have a current fair market implied

Edgar Filing: WORKFLOW MANAGEMENT INC - Form SC 13D/A

equity value of approximately \$8.92 per Workflow share

- o Believes the Workflow Board breached its fiduciary obligations by refusing to consider and pursue its alternative financing transaction and supporting the higher bid from WF Holdings, Inc. announced on March 30th as it provides insufficient consideration to Workflow shareholders

Page 5 of 7

CUSIP No. 98137N109

- o Reiterated its belief that Workflow can significantly grow revenues under the leadership of Pacific Coast's new proposed Directors and Chief Executive Officer

The Reporting Persons pointed out to the Board that they have been able to obtain three different financing proposals for Workflow in less than one week and urged the Workflow Board to work with the Reporting Persons to timely refinance and recapitalize the company prior to the scheduled maturity date of its existing bank debt and to withdraw its support of the proposed Agreement and Plan of Merger dated as of January 30, 2004 by and among Workflow, WF Holdings, Inc. and WFM Acquisition Sub, Inc., as amended.

The Reporting Persons continue to believe that Proposed Merger is not in the best interests of Workflow and its shareholders and intend to continue to oppose it. The Reporting Persons believe that a refinancing and recapitalization of Workflow is easily available and a better alternative to the proposed merger.

The Reporting Persons filed a press release on April 1, 2004 to announce the new financing proposal and the other events listed above. A copy of the press release is attached hereto as Exhibit L and is incorporated by reference herein.
