

MICT, Inc.
Form 425
August 15, 2018

• • Second Quarter 2018 Financial Results • Conference Call

• • Statement s • Forward Looking • This presentation contains express or implied forward - looking statements within the Private Securities Litigation Reform Act of 1995 and other U . S . federal securities laws . These forward - looking statements include, but are not limited to, those statements regarding the proposed series of transactions, and timing of certain events associated therewith, with BNN Technologies PLC, or BNN, and an unnamed third party, the timing of the certification of our next generation LTE certification, our belief that the marketplace is materializing for our products, the timing of the launch of our back - office and commercial website, our belief that the signed memorandum of understanding with a leading advanced driver assistance systems service provider will produce recurring revenue from software licensing, joint lead generation and marketing efforts and our building of a foundation to address VARS and distribution channels by launching marketing efforts in Europe . Such forward - looking statements and their implications involve known and unknown risks, uncertainties and other factors that may cause actual results or performance to differ materially from those projected . The forward - looking statements contained in this presentation are subject to other risks and uncertainties, including those discussed in the "Risk Factors" section and elsewhere in the Company's annual report on Form 10 - K for the year ended December 31 , 2017 and in subsequent filings with the Securities and Exchange Commission . Except as otherwise required by law, the Company is under no obligation to (and expressly disclaims any such obligation to) update or alter its forward - looking statements whether as a result of new information, future events or otherwise . • 2
