ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

As previously reported, Ashford Hospitality Trust, Inc. (the “Company”) has formed Ashford Hospitality Select, Inc. (“Ashford Select”), a new privately-held company dedicated to investing primarily in existing premium branded, upscale and upper-midscale, select-service hotels, including extended stay hotels, in the United States. The Company intends to contribute or sell to Ashford Select a high-quality, geographically diverse portfolio of 16 hotels, located in ten states, comprised of 2,560 total guestrooms and operated under upscale or upper-midscale premium brands affiliated with Marriott International, Inc.

On February 18, 2015, Ashford Hospitality Limited Partnership (“Ashford Trust OP”), the Company’s operating partnership, entered into four agreements for the contribution or sale of the portfolio of 16 select-service hotels to Ashford Select and its subsidiaries, including its operating partnership Ashford Hospitality Select Limited Partnership (“Ashford Select OP”), for aggregate consideration of approximately \$321.0 million, which will be payable through the assumption of approximately \$232.5 million of aggregate property level debt, the payment of approximately \$66.4 million in cash and the issuance of approximately \$22.1 million in equity interests of Ashford Select. The material terms of the agreements are summarized below.

Consummation of the transactions contemplated by each of the agreements described below is contingent upon, among other factors, the negotiation of certain definitive agreements, the availability of acceptable financing, the receipt of all necessary third-party consents (including lender consents), and other customary closing conditions. Accordingly, the Company can give no assurance that all or part of the transactions will be consummated or that, if consummated, what the terms or timing of any such transaction will be.

Pursuant to the Manchester Contribution Agreement, Ashford Trust OP has agreed to contribute to Ashford Select OP a 100% membership interest in Ashford IHC LLC and an 84.9% limited partnership interest in Ashford IHC Partners LP, which together represent an 85% indirect ownership interest in each of the Courtyard Manchester, Connecticut and the Residence Inn Manchester, Connecticut and the related operating lessees. The contribution consideration for these entities will be comprised of \$5,254,044 in cash, \$12,021,750 in debt assumption and \$1,359,540 in equity interests in Ashford Select. The transfer of the equity interests is intended to be governed by Section 721(a) of the Internal Revenue Code (the “Code”); however, the portion of the consideration payable in cash or equity interests will be treated as a sale for federal income tax purposes.
