General Information

The enclosed proxy is being solicited on behalf of the Board of Directors of UniFirst Corporation (the "Company" or "UniFirst") for use at the 2005 Annual Meeting of Shareholders to be held on Tuesday, January 11, 2005 (the "Annual Meeting") and at any adjournment thereof. This Proxy Statement, the enclosed proxy and the Company's 2004 Annual Report to Shareholders are being mailed to shareholders on or about December 6, 2004. Any shareholder signing and returning the enclosed proxy has the power to revoke it by giving notice of its revocation to the Company in writing or in the open meeting before any vote with respect to the matters set forth therein is taken. The shares represented by the enclosed proxy will be voted as specified therein if said proxy is properly signed and received by the Company prior to the time of the Annual Meeting and is not properly revoked. The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, the Directors, officers and employees of the Company may also solicit proxies personally or by telephone without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Board of Directors has fixed the close of business on November 5, 2004 as the record date for the determination of the shareholders entitled to notice of, and to vote at, this Annual Meeting and any adjournments thereof. As of the close of business on that date, there were outstanding and entitled to vote 9,279,879 shares of common stock, par value \$.10 per share ("Common Stock"), and 9,928,144 shares of Class B common stock, par value \$.10 per share ("Class B Common Stock"). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share. All actions submitted to a vote of shareholders are voted on by holders of Common Stock and Class B Common Stock voting together as a single class, except for the election of certain Directors and for the approval of matters requiring class votes under the Business Corporation Act of The Commonwealth of Massachusetts.

1. ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of seven members, divided into three classes of two, two and three directors, respectively. One class is elected each year at the annual meeting of shareholders. The Directors in each class serve for a term of three years and until their successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each annual meeting of shareholders.

At the Annual Meeting, three Class II Directors will be elected to serve until the 2008 annual meeting and until their successors are duly elected and qualified. The Board of Directors has nominated Ronald D. Croatti, Donald J. Evans and Lawrence R. Pugh to be elected by holders of Common Stock and Class B Common Stock, voting together as a single class, to serve as Class II Directors (collectively, the Nominees).

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates FOR the election of the Nominees to the Board of Directors. While the Company has no reason to believe that any of the Nominees will be unable to serve as a Director, in the event any of the Nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy for such other person or persons as they may in their discretion select. A plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect each of the Nominees. Consistent with applicable law, the Company intends to count abstentions and broker non-votes only for the purpose of determining the presence or absence of a quorum for the transaction of business. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes.

REPORT OF COMPENSATION COMMITTEE

During the 2004 fiscal year, the Compensation Committee consisted of Messrs. A. Cohen (Chairman), P. Cohen and Evans, three Directors who are not employees of the Company. The Compensation Committee reviews and approves the Company's executive compensation program.

Compensation Philosophy

The Company seeks to attract and retain executive officers who, in the judgment of the Company's Board of Directors, possess the skill, experience and motivation to contribute significantly to the long-term success of the Company and to long-term stock price appreciation. With this philosophy in mind, the Compensation Committee follows an executive officer compensation program designed to foster the mutuality of interest between the Company's executive officers and the Company's shareholders and to provide senior management additional incentive to enhance the sales growth and profitability of the Company, and thus shareholder value.

The Compensation Committee reviews its compensation policy annually. Compensation of executive officers currently consists of a base salary and, based on the achievement of predetermined corporate performance objectives, a cash bonus. In addition, for fiscal 2004 the Company issued options to purchase a total of approximately 61,800 shares to over 100 officers, non-employee directors, vice presidents, department

directors, general managers and other management personnel. Although the Company's fiscal year ends in August, compensation decisions generally are made on a calendar year basis.

Base Salary

Each year, the Compensation Committee consults with the Chief Executive Officer with respect to setting the base salaries of its executive officers, other than the Chief Executive Officer, for the ensuing year. Annual salary adjustments are determined by evaluating the financial performance of the Company during the prior year, each executive officer's contribution to the profitability, sales growth, return on equity and market share of the Company during the prior year and the compensation programs and levels generally paid to executives at other companies.

Incentive Compensation Plan

Annual cash bonuses for executive officers of the Company are determined in accordance with the Company's incentive compensation plan, the philosophy and substantive requirements of which are reviewed by the Compensation Committee each year. Cash bonuses are determined with reference to, among other things, the Company's financial performance.

Each year, the Compensation Committee confers with the Chief Executive Officer and establishes performance goals. The cash bonuses awarded depend on the extent to which the performance of the Company meets or exceeds the budgeted amounts. In addition, the Compensation Committee establishes minimum achievement thresholds and maximum bonus levels for each of these performance criteria which apply uniformly to the Company's executive officers. Bonuses are determined and paid annually after the end of each fiscal year.

Compensation of Chief Executive Officer

The Compensation Committee established the compensation of Ronald D. Croatti, the Chief Executive Officer, for 2004 using the same criteria applicable to determining compensation levels and bonuses for other executive officers as noted in this report. Such criteria included the financial performance of the Company during the 2003 fiscal year, the compensation levels generally paid to executives of other companies, and Mr. Croatti's contribution to the growth, profitability and overall success of the Company during the 2003 fiscal year and his leadership of the Company. The Compensation Committee determined that Mr. Croatti provided the Company with exceptional leadership, skills and effort and, therefore, increased his salary generally commensurate with increases granted to other executive officers of the Company. Mr. Croatti's 2004 calendar year base salary was established at \$393,744, a 5% increase from the prior year.

We serve in an oversight capacity and are not intended to be part of UniFirst's operational or managerial decision-making process. UniFirst's management is responsible for preparing the consolidated financial statements and its independent registered public accounting firm is responsible for auditing those statements. Our principal purpose is to monitor these processes.

The Audit Committee has, among other things:

Reviewed and discussed the audited financial statements with management and the independent registered public accounting firm.

Reviewed and discussed the quarterly and annual earnings press release and related financial information with management and the independent registered public accounting firm.

Discussed with the independent registered public accounting firm the overall scope and plans for the annual audit, the results of their examination, the evaluation of internal controls and the overall quality of UniFirst's financial reporting.

Discussed with the independent registered public accounting firm the matters required to be discussed by SAS 61, as amended by Statement on Accounting Standards No. 90.

Considered whether the provision of non-audit services is compatible with maintaining the auditors' independence.

Received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, and has discussed with the independent registered public accounting firm the auditors' independence.

Based on the review and discussions above, recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.
