Item 1.01 Entry into a Material Definitive Agreement

On March 8, 2006, UniFirst Corporation (the Company) restated the UniFirst Corporation Unfunded Supplemental Executive Retirement Plan (the SERP) pursuant to authorization of the Compensation Committee of the Board of Directors. The restatement was meant to bring the SERP into compliance with Internal Revenue Code Section 409A, to provide an increased retirement benefit, and to make other changes. The normal retirement date is the first day of the month in which a participant may retire and receive unreduced social security benefits. A retiree with at least thirty years of service will receive a lifetime pension, with twelve years guaranteed in the event of early death, equal to forty percent of final three year average base compensation, reduced by one hundred percent of primary social security benefits. Benefits are also paid in the event of permanent disability, death, or a change in control as defined in the SERP.
