MATERIAL FACT

COMPANHIA SIDERÚRGICA NACIONAL ("Company") in continuity with the information disclosed in the material fact of August 28th, hereby announces the following:

- Due to the unexpected decision of the Federal Court of São Paulo, which resulted in the blocking of the distribution of dividends declared on August 17, even though the fiscal execution referred to in the decision was duly guaranteed, the Board of Directors has decided, well informed, to cancel said dividends;
- The Company states that it intends to use the undistributed resources to pay short-term debt that, with the payment of dividends, would have lengthened our financial obligations according to the Material Fact of 08/17/2018;

The Company reiterates its confidence in the rapid continuity of the extension of its financial liabilities, through its ongoing divestment program and constant operational improvement.

São Paulo, Aug 29th 2018.

Marcelo Cunha Ribeiro

Chief Financial and Investor Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
