Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a) Series H Convertible Preferred Stock.

On March 24, 2006, the Registrant filed with the Delaware Secretary of State, a Certificate of Designation of the Relative Rights and Preferences of the Series H Convertible Preferred Stock (the "Series H Certificate"), thereby creating out of the authorized shares of the preferred stock, par value \$0.0001 per share (the "Preferred Stock"), of the Registrant, a series of Preferred Stock designated as the Series H Convertible Preferred Stock (the "Series H Preferred Stock"). The Series H Preferred Stock consists of 2,000 shares. The conversion price of the Series H Preferred Stock is \$0.15 per share, subject to certain adjustments.

Rank: Upon the liquidation, dissolution or winding up of the affairs of the Registrant, the Series H Preferred Stock shall rank (a) prior to the Registrant's Common Stock, Series A Junior Participating Preferred Stock, Series I Convertible Preferred Stock, and all other classes and series of the Registrant's capital stock hereafter created that, by their terms, rank junior to the Series H Preferred Stock (the "Series H Junior Stock"); (b) *pari passu* with the Series G Convertible Preferred Stock and all classes and series of the Registrant's capital stock hereafter created that, by their terms, rank on parity with the Series H Preferred Stock (the "Series H *Pari Passu* Stock"); and (c) junior to the Registrant's Series E Convertible Preferred Stock, Series F Convertible Preferred Stock, and all classes and series of the Registrant's capital stock hereafter created that, by their terms, rank senior to the Series H Preferred Stock (the "Series H Senior Stock"). The Series H Preferred Stock shall be subordinate to and rank junior to all indebtedness of the Registrant now or hereafter outstanding.

Dividends: Whenever the Board of Directors declares a dividend on the Common Stock each holder of record of a share of Series H Preferred Stock, or any fraction of a share of Series H Preferred Stock, on the date set by the Board of Directors to determine the owners of the Common Stock of record entitled to receive such dividend (the "Record Date") shall be entitled to receive, out of any assets at the time legally available therefor, an amount equal to such dividend declared on one share of Common Stock multiplied by the number of shares of Common Stock into which such share, or such fraction of a share, of Series H Preferred Stock could be converted on the Record Date.

Voting Rights: The holders of the Series H Preferred Stock shall have the right to vote as a separate class, as set forth in the Series H Certificate. So long as any shares of the Series H Preferred Stock remain outstanding, the Registrant shall not, without the affirmative vote or consent of the holders of at least three-fourths (3/4) of the shares of the Series H Preferred Stock then outstanding, given in person or by proxy, either in writing or at a meeting, in which the holders of the Series H Preferred Stock vote separately as a class: (i) amend, alter or repeal the provisions of the Series H Preferred Stock so as to adversely affect any right, preference, privilege or voting power of the Series H Preferred Stock; or (ii) effect any distribution with respect to any Series H Junior Stock.

Except with respect to transactions upon which the Series H Preferred Stock shall be entitled to vote separately as a class, and except as otherwise required by the Delaware General Corporation Law, the Series H Preferred Stock shall not have any voting rights. The Common Stock into which the Series H Preferred Stock is convertible shall, upon issuance, have all of the same voting rights as any other shares of issued and outstanding Common Stock of the Registrant.

Liquidation Preference: In the event of the liquidation, dissolution or winding up of the affairs of the Registrant, whether voluntary or involuntary, after payment or provision for payment of the debts and other liabilities of the Registrant and after payment or provision for payment of all amounts due to the holders of Series H Senior Stock (if any), the holders of shares of the Series H Preferred Stock then outstanding shall be entitled to receive, out of the assets of the Registrant, whether such assets are capital or surplus of any nature, an amount

equal to \$1,000.00 per share (the "Series H Liquidation Preference Amount") of the Series H Preferred Stock before any payment shall be made or any assets distributed to the holders of any Series H Junior Stock. After payment of the full Series H Liquidation Preference Amount to which each holder is entitled, such holders of shares of Series H Preferred Stock will not be entitled to any further participation as such in any distribution of the assets of the Registrant.

Conversion: After issuance of the Series H Preferred Stock, the holders of Series H Preferred Stock may elect to convert their shares of Series H Preferred Stock into Common Stock of the Registrant. In the event that the number of shares of Common Stock beneficially owned by the holder amount to less than 4.99% of the shares of Common Stock outstanding at such time, the Registrant may, at its option, compel such holder to convert such portion of the Series H Preferred Stock owned by such holder into shares of Common Stock such that the total number of shares of Common Stock beneficially owned by such holder after such conversion shall equal up to 4.99%, but not more, of the shares of Common Stock outstanding after such conversion.

The Registrant intends to issue shares of the Series H Preferred Stock in connection with the consummation of the merger with WaveRider Communications Inc.

(b) Series I Convertible Preferred Stock.

The Series I Preferred Stock shall be subordinate to and rank junior to all indebtedness of the Registrant now or hereafter outstanding.

Dividends. Whenever the Board of Directors declares a dividend on the Common Stock each holder of record of a share of Series I Preferred Stock, or any fraction of a share of Series I Preferred Stock, on the date set by the Board of Directors to determine the owners of the Common Stock of record entitled to receive such dividend (the "Record Date") shall be entitled to receive, out of any assets at the time legally available therefor, an amount equal to such dividend declared on one share of Common Stock multiplied by the number of shares of Common Stock into which such share, or such fraction of a share, of Series I Preferred Stock could be converted on the Record Date.

Voting Rights. The Series I Preferred Stock shall have the following class voting rights. Except with respect to transactions upon which the Series I Preferred Stock shall be entitled to vote separately as a class, and except as otherwise required by the Delaware General Corporation Law, the Series I Preferred Stock shall have no voting rights. The Common Stock into which the Series I Preferred Stock is convertible shall, upon issuance, have all of the same voting rights as other issued and outstanding Common Stock of the Registrant.

Conversion: After issuance of the Series I Preferred Stock, the holders of Series I Preferred Stock may elect to convert their shares of Series I Preferred Stock into Common Stock of the Registrant. In the event that the number of shares of Common Stock beneficially owned by the holder amount to less than 4.99% of the shares of Common Stock outstanding at such time, the Registrant may, at its option, compel such holder to convert such portion of the Series I Preferred Stock owned by such holder into shares of Common Stock such that the total number of shares of Common Stock beneficially owned by such holder after such conversion shall equal up to 4.99%, but not more, of the shares of Common Stock outstanding after such conversion.
