**Item 8.01. Other Events.**

In connection with the commencement of a continuous equity offering under which CMS Energy Corporation ( CMS Energy ) may sell CMS common stock (the Shares ) having an aggregate sales price of up to \$50,000,000 from time to time in at the market offerings (the Offering ), CMS Energy filed today with the Securities and Exchange Commission (the SEC ) a prospectus supplement dated June 15, 2011 (the Prospectus Supplement ). CMS Energy may sell the Shares in amounts and at times to be determined by CMS Energy from time to time, but has no obligation to sell any of the Shares in the Offering. Actual sales will depend on a variety of factors to be determined by CMS Energy from time to time, including (among others) market conditions, the trading price of CMS Energy s common stock and determinations by CMS Energy of the appropriate sources of funding for CMS Energy.

The Offering will occur pursuant to an equity distribution agreement (the Agreement ) entered into by CMS Energy and Wells Fargo Securities, LLC, as agent for the offer and sale of the Shares (the Agent ). The Agreement provides that CMS Energy may offer and sell from time to time pursuant to the Agreement Shares having an aggregate sales price of up to \$50,000,000 through the Agent. The Agreement provides that the Agent will be entitled to compensation as provided under the terms of the Agreement. Under the Agreement, CMS Energy may also sell Shares to the Agent for its own account.

Sales of the Shares, if any, under the Agreement may be made in transactions that are deemed to be at the market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange, as well as in negotiated or other transactions described in the Prospectus Supplement. CMS Energy has no obligation to sell any of the Shares in the Offering, and may at any time suspend solicitation and offers under the Agreement or terminate the Agreement.

The Shares will be issued pursuant to the Prospectus Supplement and CMS Energy s automatic shelf registration statement on Form S-3 (File No. 333-174906) filed on June 15, 2011, with the SEC (the Registration Statement ), which will expire under SEC rules in three years. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the provisions of the Agreement which is attached hereto as Exhibit 1.1 and incorporated by reference herein.

This Current Report on Form 8-K is being filed to file certain documents in connection with the Offering as exhibits to the Registration Statement.
