Recently, you were mailed proxy materials, along with a proxy card or voting instruction form to cast your vote at the upcoming Annual Meeting of Shareholders to be held on September 18, 2012. The tabulator for the Annual Meeting has yet to receive your vote. Your vote is very important. In order to hold the shareholder meeting, the Fund must obtain a minimum number of voted Fund positions to achieve quorum. Your vote, regardless of how you cast it, will help the Fund achieve that goal.

IF THEY DID NOT RECEIVE PROXY MATERIALS - Help the shareholder obtain the materials he/she requires. If a NOBO, give him/her the 800 number and have them call back when they receive the materials. If registered, we will send the materials directly. In either case, make sure the address is correct, make any necessary corrections, and code the disposition as "14" or "15".

IF YES - The Board of Trustees has approved the proposal and is recommending a vote in favor of the proposal. Would you like to vote your shares as recommended by the Board on the proposal?

Just to confirm, you have voted with the recommendation of the Board on the proposal. Is that correct?

IF YES - Thank you. I've recorded your vote as recommended by the Board in favor of the proposal. We'll send a written confirmation of this vote to you at your address of record which will also provide instructions should you later decide to change your vote.
