Trade Date: April 29, 2019

Settlement Date: May 8, 2019 (T+7)

We expect that delivery of the Notes will be made to investors on or about May 8, 2019, which will be the seventh business day following the date of pricing of the Notes (such settlement cycle being referred to as “T+7”). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the date hereof or the next succeeding four business days will be required, by virtue of the fact that the Notes initially settle in T+7, to specify an alternative settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to their date of delivery hereunder should consult their advisors.
