ITEM 4.01 CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

Previous independent registered public accounting firm

On January 9, 2015, Great West Resources, Inc., formerly Silver Horn Mining, Ltd. (the "Registrant" or the "Company") notified D. Brooks and Associates CPA's. ("Brooks") that it was dismissed as the Registrant's independent registered public accounting firm. The decision to dismiss Brooks as the Company's independent registered public accounting firm was approved by the Company's Board of Directors on December 30, 2014. Except as noted in the paragraph immediately below, the reports of Brooks on the Company's financial statements for the years ended December 31, 2013 and 2012 and for the period April 25, 2011 (date of inception of exploration stage) through December 31, 2013 did not contain an adverse opinion or disclaimer of opinion, and such reports were not qualified or modified as to uncertainty, audit scope, or accounting principle.

The reports of Brooks on the Company's financial statements as of and for the years ended December 31, 2013 and 2012 and for the period April 25, 2011 (date of inception of exploration stage) through December 31, 2013 contained explanatory paragraphs which noted that there was substantial doubt as to the Company's ability to continue as a going concern as the Company has negative working capital, negative cash flows from operations, and operating losses that raises doubt about its ability to continue as a going concern.

During the years ended December 31, 2013 and 2012 and the period April 25, 2011 (date of inception of exploration stage) through December 31, 2013 and through January 9, 2015, the Company has not had any disagreements with Brooks on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to Brook's satisfaction, would have caused them to make reference thereto in their reports on the Company's financial statements for such periods.

During the years ended December 31, 2013 and 2012 and the period April 25, 2011 (date of inception of exploration stage) through December 31, 2013 and through January 9, 2015, there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Books with a copy of this disclosure set forth under this Item 4.01 and was requested to furnish a letter addressed to the Securities & Exchange Commission stating whether or not it agrees with the above statements.

A copy of the letter from Brooks is attached hereto as Exhibit 16.1

New independent registered public accounting firm

On January 9, 2015 (the "Engagement Date"), the Company engaged RBSM LLP ("RBSM") as its independent registered public accounting firm for the Company's fiscal year ended December 31, 2014. The decision to engage RBSM as the Company's independent registered public accounting firm was approved by the Company's Board of Directors.

During the two most recent fiscal years and through the Engagement Date, the Company has not consulted with RBSM regarding either:

1. the application of accounting principles to any specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report was provided to the Company nor oral advice was provided that RBSM concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or
2. any matter that was either the subject of a disagreement (as defined in paragraph (a)(1)(iv) of Item 304 of Regulation S-K and the related instructions thereto) or a reportable event (as described in paragraph (a)(1)(v) of Item 304 of Regulation S-K).

RBSM audited the statements of revenues and cost of sales for the twelve months ended September 30, 2014 and 2013 of certain contracts the Company acquired from World Surveillance Group, Inc. and its wholly owned subsidiary Global Telesat Corp. (the "Globalstar Contracts Statements") as described in the Company's current report on form 8-K filed with the Commission on December 16, 2014. The Company did not consult with Brooks regarding the Globalstar Contracts Statements.
