**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On January 22, 2015, Art's-Way Manufacturing Co., Inc. (the "Company") appointed Amber Murra, age 36, as the Company's new Chief Financial Officer. The Company issued a press release in connection with the appointment on January 26, 2015, the full text of which is set forth in Exhibit 99.1 attached hereto.

Ms. Murra has served as the Company's Director of Finance since May 27, 2014, and previously served as the Company's Director of Finance from April 2007 until December 2010. During her absence from the Company, Ms. Murra worked for Winnebago Industries, Inc., a recreational vehicle manufacturer, as the Finance Manager. Over the years, Ms. Murra's responsibilities have included developing accounting processes and procedures, staff development, budgeting, forecasting, cost analysis, financial statement preparation and presentation, capital planning, and cash management.

Ms. Murra was not appointed pursuant to any arrangement or understanding with any person, and Ms. Murra does not have any family relationships with any directors or executive officers of the Company. Neither Ms. Murra nor any "related person" (as that term is defined under Item 404(a) of Regulation S-K) has had a direct or indirect material interest in any transaction with the Company since the beginning of the Company's last fiscal year, nor is any such transaction currently proposed, that would be reportable under Item 404(a) of Regulation S-K.

In connection with her promotion, Ms. Murra entered into a new employment agreement with the Company on January 27, 2015 (the "Agreement"), which supersedes her existing employment agreement dated May 1, 2014. The Agreement provides for at-will employment and an initial annual base salary of \$115,500. Ms. Murra is also eligible to receive incentive compensation, including cash bonuses and equity awards, in the exclusive discretion of the Board of Directors (or a committee authorized by the Board of Directors), and to participate in any and all other employee benefit plans that are generally available to the Company's employees.

As consideration for her agreement not to compete with the Company or solicit the Company's employees or customers during the term of her employment with the Company or for one year thereafter, and as a retention incentive, on February 13, 2015, Ms. Murra will receive a restricted stock award for 2,000 shares of Company common stock, which will be issued under the Company's 2011 Equity Incentive Plan (the "Plan"). The risks of forfeiture for the restricted stock award will lapse in equal annual installments of 500 shares beginning February 13, 2015, provided that Ms. Murra remains employed by the Company on those dates. The award will be governed by the Plan and the Company's form of restricted stock award agreement.

The Agreement may be terminated at any time by either party. If the Agreement is terminated by the Company without cause (as defined in the Agreement), the Company may be required to pay up to six weeks of compensation and benefits to Ms. Murra, in exchange for her release of any and all claims against the Company and her compliance with the one-year non-competition and non-solicitation provisions of the Agreement. The Agreement also contains confidentiality and assignment of inventions provisions that survive the termination of the Agreement for an indefinite period.

This foregoing summary does not purport to be complete and is qualified in its entirety by reference to the text of the Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
