5.02. OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

On March 26, 2019, the Board of Directors of Northwest Pipe Company (the “Company”), upon the recommendation of the Compensation Committee, approved grants of performance share units (“PSUs”) and restricted stock units (“RSUs”) for the following Named Executive Officers of the Company in the amounts set forth below. Pursuant to these long-term incentive grants, each Named Executive Officer received an award of PSUs and RSUs valued at an amount equal to a specific percentage of his or her respective annual base salary, with 75 percent of each award represented by PSUs and 25 percent of each award represented by RSUs.

The PSUs awarded will vest based on the Company’s Earnings before Interest Expense, Income Taxes, Depreciation, and Amortization Margin before extraordinary or unusual items over the measurement period. The actual number of PSUs which will vest will be determined based on the performance level achieved and may be equal to, greater than, or less than the number of PSUs specified below. Two-thirds of the PSUs will vest on March 31, 2020 and one-third of the PSUs will vest on March 31, 2021. In the event a change in control of the Company (as defined in the PSU agreement) occurs at any time prior to March 31, 2021, the PSUs will be immediately vested, and the amount awarded will be based on the results obtained through the change in control date. The foregoing descriptions of the terms of the PSU awards are qualified by reference to the full text of the form of the agreement, which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

The RSUs awarded will vest in three equal installments on January 15, 2020, January 15, 2021, and January 17, 2022, based upon continued service with the Company on that date. In the event a change in control of the Company (as defined in the RSU agreement) occurs at any time prior to the last vesting date, a pro-rata number of RSUs will be calculated based on time elapsed as of the date of the change in control, and those RSUs will be immediately vested.
