Dear fellow shareholder:

You are cordially invited to attend the 2019 annual meeting of shareholders of MMA Capital Holdings, Inc. to be held on Tuesday, May 21, 2019, at 1:00 p.m. Eastern time, at the offices of Gallagher Evelius & Jones, LLP, 218 N Charles Street, Suite 400, Baltimore, MD 21201.

At the meeting, you will be asked to vote on four matters including the election of directors, an advisory vote on executive compensation, an advisory vote on the frequency of the advisory vote on our executive compensation and the selection of our independent public accounting firm for 2019.

We are pleased to utilize the Securities and Exchange Commission rule allowing companies to furnish proxy materials to their shareholders over the Internet. Consequently, most shareholders will not receive paper copies of our proxy materials. We will instead send shareholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice will also provide information on how shareholders may obtain paper copies of our proxy materials if they so choose. This makes the proxy distribution process more efficient and less costly, and helps conserve natural resources.

I look forward to seeing you at the meeting.

Sincerely,

Francis X. Gallagher, Jr.
Chairman of the Board

YOUR VOTE IS IMPORTANT

In order to ensure your representation at the annual meeting, you may submit your proxy and voting instructions via the Internet or by telephone, or, if you receive a paper proxy card and voting instructions by mail, you may vote your shares by completing, signing and dating the proxy card as promptly as possible and returning it in the enclosed envelope (to which no postage need be affixed if mailed in the United States). Please refer to the section entitled “Voting via the Internet, by Telephone or by Mail” on page ii of the Proxy Statement for a description of these voting methods. Under applicable regulations, if you have not given your broker specific instructions to do so, your broker will NOT be able to vote your shares with respect to the election of directors and executive compensation. If you do not provide voting instructions via the Internet, by telephone or by returning a proxy card or voting instruction card, your shares will not be voted with respect to the election of directors and executive compensation. We strongly encourage you to vote.

If the director nominee is not elected at our annual meeting, or if we are unable to achieve a quorum to transact business at our annual meeting (including any adjournment), then our current directors will continue to serve until their successors have been duly elected and qualified at the next annual meeting or their earlier death, resignation or removal.

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 21, 2019

This proxy statement is furnished in connection with the solicitation on behalf of the Board of Directors ("Board") of MMA Capital Holdings, Inc., a Delaware corporation ("we," "us," "our," "MMA" or the "Company"), of proxies to be voted at our annual meeting of shareholders to be held Tuesday, May 21, 2019, at 1:00 p.m. Eastern time at the offices of Gallagher Evelius & Jones, LLP, 218 N Charles Street, Suite 400, Baltimore, MD 21201, including any and all adjournments or postponements of the meeting.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL SHAREHOLDERS MEETING TO BE HELD ON MAY 21, 2019. This proxy statement, the accompanying proxy card or voting instruction card and our 2018 Annual Report to Shareholders on Form 10-K are available at www.mmacapitalholdings.investorroom.com.

Solicitation, commencing on or about April 11, 2019, will be made by use of the mail, telephone and fax, by employees of Hunt Investment Management, LLC, our external manager ("External Manager"), without additional compensation. Banks, brokers, trustees and nominees will be reimbursed for reasonable expenses incurred in sending proxy materials to the beneficial owners of such shares. The cost of this solicitation of proxies will be borne by us.

Voting Rights

Only holders of record of our common shares on March 26, 2019, the record date, will be entitled to vote at the annual meeting. Each holder of record will be entitled to one vote on each matter for each common share held on the record date. On the record date, there were 5,777,216 common shares outstanding. A majority of the issued and outstanding common shares (or 2,888,609 common shares) must be present or represented by proxy at the annual meeting in order to have a quorum. Persons voting by proxy will be deemed present at the meeting even if they abstain from voting on any or all of the proposals presented for shareholder action. Shares held by brokers who vote such shares on any proposal will be counted present for purposes of establishing a quorum. A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner submits a proxy for the annual meeting but does

not vote on a particular proposal, including in this case the election of directors, the advisory vote on named executive officer compensation and the advisory vote on the frequency of the advisory vote on named executive officer compensation, because that holder does not have discretionary voting power with respect to those proposals if it has not received instructions from the beneficial owner. In contrast, a bank, broker or other holder of record holding shares for a beneficial owner does have discretionary voting power with respect to the ratification of the appointment of the independent registered public accounting firm.

In the election of directors, a nominee will be elected if the votes cast “for” the nominee constitute a majority of the common shares present or represented by proxy and voted at a meeting at which a quorum is present. Shareholders may not cumulate votes in the election of directors. The advisory vote on named executive officer compensation, the advisory vote on the frequency of the advisory vote on named executive officer compensation and the ratification of the appointment of KPMG, LLP (“KPMG”) as our independent registered public accounting firm, also require the affirmative vote of a majority of the common shares present or represented by proxy and voted at a meeting at which a quorum is present. Abstentions and broker non-votes have no effect on the determination of whether a nominee, the advisory votes or the appointment of KPMG has received the vote of a majority of the common shares present or represented by proxy and voting at the meeting.

If the persons present or represented by proxy at the annual meeting constitute the holders of less than a majority of the issued and outstanding common shares as of the record date, the annual meeting may be adjourned to a subsequent

Table of Contents

date for the purpose of obtaining a quorum. The inspector of elections appointed for the annual meeting will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Internet Availability of Proxy Materials

In accordance with Securities and Exchange Commission (“SEC”) rules, we are using the Internet as our primary means of furnishing proxy materials to shareholders for our 2019 annual meeting. Consequently, our shareholders will not receive paper copies of our proxy materials unless they request paper copies by following the instructions in the Notice of Internet Availability of Proxy Materials. On April 11, 2019, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including this proxy statement and our 2018 Annual Report to Shareholders. The Notice of Internet Availability of Proxy Materials also contains instructions for accessing your proxy card to be able to vote via the Internet or by telephone.

Internet distribution of our proxy materials is designed to make the proxy distribution process more efficient and less costly and to help conserve natural resources. However, if you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials contained on such notice.

Admission to Meeting

You are entitled to attend the annual meeting if you were a holder of record or a beneficial owner of our common shares as of March 26, 2019, the record date, or you hold a valid legal proxy for the annual meeting. If you are a holder of record, you may be asked to present valid picture identification, such as a driver’s license or passport, for admission to the annual meeting.

If your shares are registered in the name of a bank or brokerage firm (your record holder), you may be asked to provide proof of beneficial ownership as of the record date, such as a brokerage account statement, a copy of the Notice of Internet Availability or voting instruction form provided by your bank, broker or other holder of record, or other similar evidence of ownership, as well as picture identification, for admission. If you wish to be able to vote in person at the annual meeting, you must obtain a legal proxy from your brokerage firm, bank or other holder of record and present it to the inspector of elections with your ballot at the annual meeting.

Recommendations of the Board of Directors

Our Board of Directors recommends that you vote:

- FOR the nominees of the Board of Directors (Proposal No. 1);
- FOR the non-binding advisory approval of our named executive officer compensation (Proposal No. 2);
- FOR holding the non-binding advisory vote on our named executive officer compensation every three years (Proposal No. 3); and
- FOR the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 4).

Voting via the Internet, by Telephone or by Mail

For holders whose shares are registered in their own names, as an alternative to voting in person at the annual meeting, you may vote via the Internet, by telephone or, for those shareholders who request and receive a paper proxy card in the mail, by mailing a completed proxy card. The Notice of Internet Availability of Proxy Materials provides information on how to access your proxy card, which contains instructions on how to vote via the Internet or by telephone. For those shareholders who request and receive a paper proxy card, instructions for voting via the Internet or by telephone

Table of Contents

are set forth on the proxy card. Those shareholders who request and receive a paper proxy card and voting instructions by mail, and who elect to vote by mail, should sign and return the mailed proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials, and your shares will be voted at the annual meeting in the manner you direct. In the event that you return a signed proxy card (by mail or via the Internet) on which no directions are specified, your shares will be voted FOR the nominees of the Board of Directors (Proposal No. 1), FOR the non-binding advisory approval of our named executive officer compensation (Proposal No. 2), FOR holding the non-binding advisory vote on our named executive officer compensation every three years (Proposal No. 3), and FOR the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal No. 4), and in the discretion of the proxy holders as to any other matters that may properly come before the annual meeting or any postponement or adjournment of the annual meeting.

If your shares are registered in the name of a bank or brokerage firm (your record holder), you will receive instructions from your record holder that you must follow in order for your record holder to vote your shares per your instructions. Many banks and brokerage firms have a process for their beneficial holders to provide instructions via the Internet or over the telephone. If Internet or telephone voting is unavailable from your bank or brokerage firm, please complete and return the voting instruction card supplied by them in the addressed, postage paid envelope provided.

Revocation of Proxies

You may revoke or change a previously delivered proxy at any time before the annual meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to MMA Capital Holdings, Inc.'s Corporate Secretary at our principal executive offices before the beginning of the annual meeting. You also may revoke your proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the annual meeting if you obtain a legal proxy as described under "Admission to Meeting" above.

I. GOVERNANCE OF THE COMPANY

BOARD OF DIRECTORS MATTERS

Board Composition

Our Board of Directors (or alternatively described as the “Board” in this document) currently consists of seven members, six of whom were elected by the Company’s shareholders. Pursuant to the Master Transaction Agreement dated January 8, 2018 (the “MTA”), Hunt Companies, Inc. (“Hunt”) was granted the opportunity to nominate a director to a newly created board seat, subject to the person being approved by our Governance Committee. On June 25, 2018, having completed all requirements of the MTA, our Board appointed the Hunt nominee, James C. Hunt as a member of the Board as part of Class II. The MTA and related transaction are more fully described below under “Related Party and Affiliate Transactions” and “Executive Compensation”.

Corporate Governance Guidelines

We have Corporate Governance Guidelines (“Guidelines”), which are available on our website at www.mmacapitalholdings.com under “Leadership – Governance,” then “Corporate Governance Guidelines.” These Guidelines contain general principles regarding the function of our Board and Board committees. The Guidelines are reviewed on an annual basis by the Governance Committee of the Board, which submits to the Board for approval any changes deemed desirable or necessary.

Independence of Directors

Our Guidelines require that a majority of the Board of Directors be comprised of independent directors. The listing rules of the Nasdaq Stock Market (“Nasdaq”) for director independence are incorporated in our Guidelines, which are used by the Board in making independence determinations. For a director to be considered independent under the Nasdaq listing rules, the Board must affirmatively determine that the director has no relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that the following directors are independent: Messrs. Bloom, Gallagher, Grant and Puddester.

Board Leadership Structure

Our Board leadership structure currently separates the roles of Chairman and Chief Executive Officer (“CEO”). The Board of Directors of the Company has an independent chair, Mr. Gallagher, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Board Chair has substantial ability to shape the work of the Board. The Company believes that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of our External Manager’s performance, increasing accountability and improving the ability of the Board to monitor whether the External Manager’s actions are in the best interests of the Company and its shareholders. As a result, the Company believes that having an independent Board Chair can enhance the effectiveness of the Board as a whole.

Our Chief Executive Officer, Michael L. Falcone (“Chief Executive Officer”), is the sole member of the Board who is also an officer of the Company. Our Board’s role in the Company is to provide general oversight of strategy and operations. Four of our seven directors are independent under Nasdaq listing standards. In assessing director independence, the Board concluded that the independent directors have no conflict that might discourage critical review of the Company’s management and operations. In addition, chairmanship of the various Board committees is held by independent directors and our internal controls are monitored by the Audit Committee, which is comprised entirely of independent directors in accordance with Nasdaq and SEC requirements.

Table of Contents

Role of the Board in Risk Oversight

One of the board's key functions is informed oversight of the Company's risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee monitors the compensation of our named executive officers to the extent reimbursable by the Company and the compensation of the Board. Typically, the entire Board monitors our risks as a Company through a comprehensive risk matrix which is updated by management and reviewed by the Board throughout the year. The matrix details all of our operating, accounting, financial, legal and regulatory risks and assigns a probability and severity analysis to each risk. Significant changes are highlighted and discussed at Board meetings throughout the year. The Board has delegated to the Board's lead independent director, Mr. Gallagher, the responsibility of coordinating between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues.

The foregoing discussion is qualified by reference to the Risk Factors section of our Annual Report on Form 10-K.

Qualification for Board Membership

The Board has the responsibility for nominating candidates for election to the Board and for filling vacancies on the Board as they arise, while the Governance Committee is responsible for identifying and recommending qualified individuals to serve as members of the Board. The Guidelines and the Governance Committee's charter require the Board and the Governance Committee to establish criteria for selecting new directors, which reflects at a minimum a candidate's strength of character, judgment, business experience and specific areas of expertise, in addition to factors relating to the composition of the Board, including its size and structure, and principles of diversity, including age, skills, knowledge and other factors needed to maintain a balance of knowledge, experience and capability on the Board. Further, no director of the Company may serve on the boards of more than three other publicly traded companies in addition to serving on our Board. No director that is also an employee of the External Manager may serve on the board of more than one publicly traded company in addition to serving on our Board. Currently, all directors are in compliance with these requirements and expectations.

Shareholder Recommendations of Potential Director Candidates

The Governance Committee will consider director candidates recommended by shareholders. The Governance Committee applies the same standards in evaluating candidates submitted by shareholders as it does in evaluating candidates submitted by other sources. Shareholders who wish to submit names to be considered by the Governance Committee for nomination for election to the Board of Directors must send written notice to the Secretary of the Company at least 60 days but no more than 90 days prior to the anniversary of the date of the immediately preceding annual meeting of shareholders, provided, that if the date of the annual meeting of shareholders is advanced by more than 30 days or delayed by more than 60 days from the anniversary date, the notice must be delivered not earlier than the 90th day before the annual meeting and not later than the later of the 60th day prior to the annual meeting or the tenth day following the first public announcement of the annual meeting date. The notice should set forth the required information that is specified in our bylaws. Suggestions regarding potential director candidates, together with the supporting information concerning the potential candidate's qualifications, should be submitted in writing to:

*Committee Chairperson

Below is a description of each committee of the Board of Directors.

Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board of Directors has determined that each member of each committee meets the applicable Nasdaq rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

Audit Committee. The Audit Committee of the Board has primary oversight responsibility relating to:

- oversight of the Company’s accounting and financial reporting processes and the audit of the Company’s financial statements;
- the integrity of the financial reporting process and systems of internal controls of the Company;
- the Company’s compliance with legal and regulatory requirements;
- the independence, qualifications and performance of the Company’s independent registered public accounting firm and internal audit function;
- the preparation and approval of the report required to be included in the Company’s annual proxy statement, when filed, as required by rules of the SEC;
- providing an avenue of communication among the independent auditors, management, the internal audit function and the Board;
- the appointment, engagement and performance of our independent registered public accounting firm;
- compliance with our Code of Ethics and Principles of Business Integrity, and legal and regulatory requirements, including our disclosure controls and procedures;
- the allocation by the External Manager to the Company of compensation and benefit expense paid to External Manager’s personnel and reimbursable by the Company to the External Manager under the Management Agreement; and
- oversight and approval of potential related party transactions.

In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the Audit Committee, our independent registered public accounting firm, the internal auditors and our External Manager,

and to resolve any disagreements between the External Manager and the independent registered public accounting firm regarding financial reporting. The Audit Committee also performs other duties and responsibilities set forth in a written

Table of Contents

Charter approved by the Board of Directors. The Charter of the Audit Committee is available on the Company's website at www.mmacapitalholdings.com under "Leadership – Governance," then "Audit Committee Charter."

During 2018, membership on the Audit Committee consisted of Mr. Bloom, Chairman of the Committee, and Messrs. Gallagher, Grant and Puddester. The Audit Committee held five meetings during 2018.

The Board and the Governance Committee have determined that all members of the Audit Committee satisfy the independence requirements of Nasdaq's listing rules and our Guidelines. No member of the Audit Committee is permitted to serve on the Audit Committee of more than three public companies, including our Company. Currently, no member of the Audit Committee serves on the audit committee of any other public company.

The Board has determined that Mr. Puddester qualifies as an "audit committee financial expert" under SEC rules. In accordance with the SEC's safe harbor relating to audit committee financial experts, a person designated as an audit committee financial expert will not be deemed an "expert" for purposes of the federal securities laws. In addition, such designation does not impose on such person any duties, obligations or liabilities that are greater than those imposed on such person as a member of the Audit Committee and Board of Directors in the absence of such designation, and does not affect the duties, obligations or liabilities of any other member of the Audit Committee or Board of Directors.

Compensation Committee. The Compensation Committee of the Board has the following principal duties and responsibilities:

- to the extent management personnel are provided by the Company's External Manager, the Compensation Committee will consult with the External Manager regarding the compensation of executive officers, to the extent some or all of the cost of such compensation is reimbursable by the Company. Effective January 8, 2018, we became externally managed and no longer have employees.
 - prepare any report on executive compensation required by the rules and regulations of the SEC;
 - annually evaluate the compensation of the members of the Board; and
 - annually review the performance of the External Manager and those employees of the External Manager serving as Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and other senior management roles.
- These duties and responsibilities are set forth in a written Charter of the Compensation Committee which has been approved by the Board of Directors and is available on our website at www.mmacapitalholdings.com under "Leadership – Governance," then "Compensation Committee Charter." Pursuant to the Charter, the Compensation Committee has the authority to delegate certain of its responsibilities to a subcommittee.

The Compensation Committee has the authority to administer our equity plans, if any, for the Chief Executive Officer and other executive officers. The Compensation Committee is responsible for all determinations with respect to participation, the form, amount and timing of any awards to be granted to any such participants, and the payment of any such awards.

Compensation Committee Interlocks and Insider Participation

During 2018, membership on the Compensation Committee consisted of Messrs. Puddester, Bloom, Gallagher and Grant. Mr. Puddester served as Chairman for the entire year. All members of the Compensation Committee qualify as independent directors under our Guidelines and the Nasdaq listing rules and as “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act. The Compensation Committee held four meetings during 2018.

During 2018, no member of the Compensation Committee was an officer, employee or former officer or employee of ours, or any of our subsidiaries, or had a relationship that would be considered a Compensation Committee interlock that would require disclosure in this proxy statement pursuant to SEC regulations. None of our named executive officers served as a member of a compensation committee or a director of another entity under the circumstances requiring disclosure in this proxy under SEC regulations.

Table of Contents

Governance Committee. The Governance Committee of the Board is responsible for:

- developing and implementing corporate governance guidelines;
- identifying and recommending qualified individuals to serve as members of the Board;
- evaluating and recommending the size and composition of the Board and its Committees (including making determinations concerning composition of the Board and its Committees under the applicable requirements of the SEC);
- monitoring a process to assess the effectiveness of the Board and its Committees; and
- review with our External Manager, our management succession plan for the Chief Executive Officer and other executive officers and key employees.

The Governance Committee is also responsible for performing other duties and responsibilities set forth in a written Charter approved by the Board of Directors. The Charter of the Governance Committee is available on our website at www.mmacapitalholdings.com under “Leadership – Governance,” in “Governance Committee Charter.”

During 2018, membership on the Governance Committee consisted of Messrs. Grant, Bloom, Gallagher and Puddeste. Mr. Grant served as Chairman for the entire year. The Governance Committee held five meetings during 2018. All members of the Governance Committee qualify as independent directors under our Guidelines and Nasdaq listing rules.

Director Attendance at Meetings

During fiscal year 2018, there were four regular quarterly meetings of the Board. Also, the Board held five (5) special meetings which were conducted as either formal meetings, executive sessions or independent directors’ meetings. Each Director attended at least 75% of the total number of combined meetings of the Board and the Board Committees on which they served. We do not have a policy that requires director attendance at the annual meeting. Three members of the Board were present at the 2018 annual meeting.

RELATED PARTY AND AFFILIATE TRANSACTIONS

In accordance with Company policy the Audit Committee has the responsibility to review any transactions between the Company and any parties that are considered related parties to the Company, a member of the Board or any executive officer of the Company. Any proposed transaction with a related party must be approved by a majority of the disinterested, independent members of the Audit Committee. If the counterparty is related to a member of the Audit Committee that member will recuse themselves from the vote.

Since January 1, 2017 there have been no material related party relationships or transactions to report, other than our relationship with Hunt Companies Inc. and its affiliates (individually and collectively “Hunt”) as described below.

Relationship to Hunt

On January 8, 2018, the Company entered into a series of material definitive agreements with affiliates of the Hunt, in which the Company sold certain business lines and assets to Hunt and converted to an externally managed business model by engaging Hunt to manage the Company. All employees of the Company were hired by Hunt. In consideration for the external management services, the Company agreed to pay base and incentive management fees as described below under “External Management Fees and Expense Reimbursement.” Details of the management agreement (“Management Agreement”) were previously disclosed in the Current Report filed on Form 8-K by the Company on January 9, 2018.

In addition, the terms of the agreements with Hunt granted Hunt the right to nominate a person to our Board. Hunt proposed Mr. James C. Hunt, its Chief Executive Officer, as its nominee. On January 24, 2018, the Company completed its board nominee vetting process and Mr. Hunt was granted non-voting observer status on our Board until Hunt completed its second share purchase as contemplated by such agreements. On June 26, 2018, Hunt completed its second share purchase and Mr. Hunt was appointed to the Board as a Class II director. Mr. Hunt, due to his relationship with our External Manager, is not considered an independent director by the Board and is not eligible for compensation under the 2012 Non-Employee Directors’ Compensation Plan.

The independent members of the Board, through the Audit Committee, will maintain oversight responsibility for transactions by and between the Company and affiliates of Hunt, including investment opportunities governed by our investment guidelines and Hunt’s allocation policy.

External Management Fees and Expense Reimbursement

Commencing on January 8, 2018, we became externally managed pursuant to a Management Agreement between us and the External Manager. Also at that time, all employees of the Company were hired by the External Manager. In consideration for the external management services, the Company agreed to pay the External Manager (i) a base management fee, which is payable quarterly in arrears and is calculated as a percentage of the Company's GAAP common shareholders' equity, with certain annual true-ups and (ii) an incentive fee equal to 20% of the total annual return of diluted common shareholders' equity per share in excess of 7%. For the first and second quarters of 2018, the base management fee was fixed at \$1 million per quarter, with the percentage of GAAP common shareholders' equity calculation beginning with the third quarter of 2018. Additionally, pursuant to the Management Agreement, the Company agreed to reimburse the External Manager for certain allocable overhead costs, including certain salaries and benefits, subject to a cap on compensation expense reimbursement. During the year ended December 31, 2018, the Company recognized \$6.9 million of management fees and expense reimbursements in our Consolidated Statements of Operations (see the Company's Form 10-K for the year ended December 31, 2018). At December 31, 2018, \$1.1 million of management fees and expense reimbursements was payable to the External Manager.

Loan Held for Investment

As consideration for the asset sales occurring on January 8, 2018, Hunt agreed to pay the Company \$57.0 million and to assume certain liabilities of the Company. The Company provided seller financing through a \$57.0 million note receivable from Hunt that has a term of seven years, is prepayable at any time and bears interest at the rate of 5% per annum. On October 4, 2018, the Company's note receivable from Hunt increased to \$67.0 million as part of Hunt's

Table of Contents

settlement of the various agreements relating to the balance of our low income housing tax credit business. The unpaid principal balance on the note will amortize in 20 equal quarterly payments of \$3.35 million beginning on March 31, 2020.

During the year ended December 31, 2018, the Company recognized \$2.9 million of interest income associated with this note receivable in the Consolidated Statements of Operations. At December 31, 2018, no accrued interest remains payable by Hunt.

Loan Held for Sale

During the fourth quarter of 2018, in connection with the settlement of the various agreements relating to the balance of our low income housing tax credit business, Hunt acquired the Company's \$9.0 million loan held-for-sale, that was previously acquired from an affiliate of sellers of the low income housing tax credit business during the first quarter of 2018. Hunt paid the Company \$9.4 million to complete this transfer.

Investment in Partnerships

On November 28, 2018, the Company, our investment partner and Hunt entered into an agreement whereby Hunt was admitted as a partner of SDL solely for the purpose of investment in a specific loan. The maximum principal amount of the loan is \$58.8 million with Hunt and the Company obligated to contribute 30% and 20%, respectively, and our investment partner is obligated to contribute the remaining 50% of the funding commitment of such loan. At December 31, 2018, Hunt had contributed \$10.8 million into SDL to fund its portion of such loan. During the first quarter of 2019 our Board authorized our External Manager to purchase on our behalf the interest of the External Manager's affiliate in this loan using a pricing structure that would cause the Company and such affiliate to each receive the same internal rate of return for their respective holding periods.

Common Shares

In conjunction with the January 8, 2018 agreements, the Company agreed to issue, and Hunt agreed to acquire, 250,000 of the Company's common shares in a private placement at an average purchase price of \$33.50 per share. On March 9, 2018, the Company issued 125,000 common shares to Hunt for \$4.1 million, representing a price per share of \$33.00. On June 26, 2018, the Company issued the remaining 125,000 shares to Hunt for \$4.3 million, or \$34.00 per share.

PROPOSAL 2 -- ADVISORY VOTE ON OUR NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, and Section 14A of the Exchange Act, enable our shareholders to vote, on a non-binding advisory basis, on the compensation of the Company's named executive officers as disclosed in the "Executive Compensation" section of this proxy statement, including the compensation tables and the related narrative.

As a result of the Management Agreement, we no longer determine the compensation payable by our External Manager to our named executive officers. The External Manager and its affiliates determine the salaries, bonuses and other compensation paid to our named executive officers from our External Manager and its affiliates. The External Manager and its affiliates also determine whether, and to what extent, our named executive officers will be provided employee benefit plans.

We reimburse our External Manager for a portion of the compensation paid to our named executive officers, and, as part of its oversight of the External Manager, our Board reviews amounts paid to the External Manager and has the right to audit reimbursable expenses, including the compensation reimbursement.

While this advisory vote on executive compensation is non-binding, the Board and the Compensation Committee will review the voting results and seek to determine the cause or causes of any significant negative voting result. Voting results provide little detail by themselves, and we may consult directly with shareholders to better understand issues and concerns not previously presented. The Board and Compensation Committee understand that it may be useful and appropriate to seek the views of shareholders when considering the design and implementation of the Company's executive compensation program.

The Board of Directors asks you to indicate your support for our named executive officer compensation as described in this proxy statement and as set forth below:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officers, as described in the "Executive Compensation" section of this proxy statement, including the compensation tables and other narrative executive compensation disclosures.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF OUR NAMED EXECUTIVE OFFICER COMPENSATION.

External Management

On January 8, 2018, in connection with a series of other transactions explained more fully above under “Related Party and Affiliated Transactions – Relationship to Hunt Companies, Inc.,” we entered into a Management Agreement with an affiliate of Hunt Companies, Inc., Hunt Investment Management, LLC, which we will refer to as the “External Manager”, under which we hired the External Manager to manage our continuing operations. Under the Management Agreement, the External Manager assumed the remaining term of the employment agreements we had with our NEOs. As a result, Messrs. Falcone, Bjarnason and Montesana are employees of the External Manager but continue to serve as the CEO, CFO and COO of the Company, respectively. Under the terms of the Management Agreement, the External Manager provides all personnel necessary to operate our business. Since January 8, 2018 we have not had

any employees. We will continue to compensate our non-employee directors.

We are obligated to pay or reimburse the External Manager for most of the costs of our operations, including certain general and administrative costs and professional fees incurred by the External Manager for work on behalf of the Company, as well as (i) an allocable share of the costs of non-investment personnel of the External Manager who spend all or a portion of their time managing our operations and reporting as a public company (based on their time spent on such matters) and (ii) the costs associated with our CEO and CFO. The personnel reimbursement is, however, subject to a cap of \$2.5 million through 2019 and \$3.5 million thereafter, until our GAAP common shareholders' equity exceeds \$500 million. After our GAAP common shareholders' equity exceeds \$500 million, we will continue to reimburse the External Manager for costs associated with non-investment personnel and the CFO and such reimbursement will no longer be subject to a cap, but the cost of providing us with a CEO will become an expense of the External Manager. The External Manager is also entitled to receive and retain the administrative expense reimbursements to which our Energy Capital business was previously entitled under the terms of the management agreements of its renewable energy lending ventures.

Under the Management Agreement, the External Manager is paid a quarterly management fee in an amount equal to 0.50% of our first \$500 million of GAAP common shareholders' equity allocable to common shareholders, subject to certain adjustments, and 0.25% of our GAAP common shareholders' equity in excess of \$500 million, as adjusted.

Table of Contents

Specifically, the GAAP common shareholders' equity upon which the quarterly management fee is paid will be adjusted to remove the impact of certain non-cash items, including any future accretion associated with our deferred tax assets. The External Manager will also be eligible to receive an annual incentive management fee equal to 20% of the amount by which the year-over-year change in diluted GAAP common shareholders' equity per share allocable to common shareholders for any given calendar year exceeds 7% of the diluted GAAP common shareholders' equity per share for the prior calendar year, as adjusted for the deferred tax asset and any dividend distributions. Any gain recognized in connection with the Hunt transactions and with the acquisition of Morrison Grove Management, LLC was deemed to have occurred in calendar year 2017 for purposes of calculating the incentive management fee for 2018.

Summary Compensation Table

The External Manager and its affiliates compensate their employees, including our NEOs, in accordance with their respective compensation philosophies. The compensation of senior employees at Hunt and its affiliates, including our NEOs, may include the following elements: i) base salary; ii) variable bonus compensation (included as “Non-Equity Incentive Plan Compensation” in the table below); iii) long-term incentive plan awards (included as “Non-Equity Incentive Compensation” in the table below); and iv) fringe benefits and perquisites, including 401(k) match (included as “All Other Comp” in the table below). Variable bonus compensation and long-term incentive plan awards are completely discretionary and are based on the overall performance of the NEOs in their roles at the External Manager and its affiliates, including as NEOs of the Company, which may be determined, in part, by the performance of the Company and the overall performance of Hunt and the External Manager.

The table that follows provides information regarding expenses incurred by the Company with respect to compensation earned by our NEOs during the fiscal years ended December 31, 2017 and 2018. For 2018 we disclose, on an aggregated basis, the amount of NEO compensation for which we reimbursed the External Manager. NEO compensation expenses that are reported in such table represent that portion of total NEO compensation expenses that were incurred by the External Manager during the fiscal year ended December 31, 2018, and, subject to the aforementioned reimbursement cap, were allocable to the Company for reimbursement based upon the amount of time that NEOs spent during 2018 in support of the management of the Company’s affairs.

There were no stock options held by non-employee directors as of December 31, 2018.

Narrative to the Director Compensation Table

Directors who are employees of either MMA or the External Manager, or affiliates of the External Manager, do not receive additional fees for their service as a director; therefore, Mr. Falcone and Mr. Hunt do not receive any fees for their service as directors.

On August 3, 2017, the Board approved changes to the compensation rate paid under the 2012 Non-Employee Directors' Compensation Plan (the "2012 Plan"), which increased annual director compensation from \$60,000 to \$120,000. No change was made in the requirement under the 2012 Plan that one-half be paid in cash and one-half be paid as an equity award of shares. In addition, the 2012 Plan provides for an additional fee payable to directors that chair a committee of the Board as follows: a \$10,000 fee to be paid for chairmanship of either the Compensation or Governance Committees; a \$15,000 fee payable for chairmanship of the Audit Committee; and a \$20,000 fee payable for chairmanship of the Board. In each case, the additional fee is payable one-half in cash and one-half in equity

awards.

A director may elect to defer his or her annual equity award compensation. The election to defer compensation must be made prior to the start of the calendar year in which the compensation is to be earned. If the director elects to defer the receipt of shares, the director will receive dividends on the shares (to the extent declared by the Board for all common shares) during the deferral period. Director participants may elect that the deferred amounts, plus earnings, be distributed either upon retirement from the Board or on an interim distribution date. If a distribution date is not specified in the election, shares will be settled no more than 90 days after the participant's separation from service on the Board. Distributions are either in a lump sum, or based on the director's election made at the time of the deferral, in two-to-10 year installments. Once a distribution election is made, the election is irrevocable. Notwithstanding the foregoing, a participant may receive any amounts deferred by the participant in the event of an "Unforeseeable Emergency" as defined by the 2012 Plan.

The 2009 and 2010 MMA Capital Management, LLC Non-Employee Directors' Compensation Plans (the "2009 Plan," "2010 Plan," respectively) and the 2012 Plan (collectively with the 2009 Plan and 2010 Plan, the "DSP Plans") serve the interests of the Company and its shareholders by providing a means to attract and retain highly qualified persons to serve as non-employee directors of the Company and to promote ownership by such directors of a greater proprietary interest in the Company, thereby aligning such directors' interests more closely with the interests of shareholders of the Company. Collectively the DSP Plans provide for certain equity awards as part of the general compensation of the directors. For the 2010 Plan, only shares in lieu of other awards, share awards, or restricted shares were permitted. The 2010 MMA Capital Management, LLC Share Incentive Plan ("2010 ESP") serves the interests of the Company and its shareholders by providing a means to attract, retain, and reward executive officers and other key individuals of the Company and its subsidiaries, to link compensation to measures of the Company's performance in order to provide additional share-based incentives to such individuals for the creation of shareholder value, and to promote a greater proprietary interest in the Company, thereby aligning such individuals' interests more closely with the interests of shareholders of the Company. The 2010 ESP provides for up to 600,000 shares to be awarded at the discretion of the Compensation Committee. The types of awards available under the 2010 ESP include non-qualified stock options, stock appreciation rights, restricted shares, deferred shares, and shares granted as a bonus or in lieu of other awards. year. All vesting terms are set at the discretion of the Compensation Committee subject to certain operating provisions of the 2010 ESP, such as the change of control provisions of the plan. Under the rules of the share incentive plans, any plans not approved by shareholders can only issue stock options until approved by shareholders.

**PROPOSAL 3 - ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY
VOTES ON OUR EXECUTIVE COMPENSATION**

As described in Proposal No. 2 above, the Company's stockholders are being provided the opportunity to cast an advisory vote on our executive compensation program as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"). The advisory vote on our executive compensation described in Proposal No. 2 above is referred to as a "say on pay vote."

The Dodd-Frank Act also requires all publicly-traded companies to provide stockholders the opportunity to cast an advisory, non-binding vote on how often we should include a say on pay vote in our proxy materials for future annual shareholder meetings (or any special shareholder meeting for which the company must include executive compensation information in the proxy statement for that meeting). Under this Proposal No. 3, stockholders may vote to have the say on pay vote every one year, every two years or every three years or abstain from voting.

We believe that say on pay votes should be conducted every three years.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE TO HOLD SAY ON PAY
VOTES EVERY THREE YEARS.**

PROPOSAL 4 -- RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has appointed KPMG as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019. Representatives from KPMG are expected to be present at the meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate inquiries.

Before making its recommendation to the Board of Directors for appointment of KPMG, the Audit Committee carefully considered that firm's qualifications as the Company's independent registered public accounting firm, which included a review of KPMG's performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with KPMG in these respects.

The Company is asking its shareholders to ratify the selection of KPMG as the Company's independent registered public accounting firm. Although ratification is not required by our Bylaws or otherwise, the Board of Directors is submitting the selection of KPMG to shareholders for ratification because the Company values its shareholders' views on the Company's independent registered public accounting firm and as a matter of good corporate governance practice. If ratification is not obtained, the Audit Committee intends to continue the engagement of KPMG at least through the end of the 2019 fiscal year but will consider whether it is appropriate to select a different independent registered public accounting firm for 2020. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year or in subsequent years if it determines that such a change would be in the best interests of the Company and its shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE
RATIFICATION OF APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM,
AS SET FORTH ABOVE.

Section 16(a) of the Exchange Act requires our directors and executive officers to file reports of changes in ownership of our equity securities with the SEC. SEC regulations require that directors and executive officers furnish to us copies of all Section 16(a) forms they file. SHAREHOLDERS SHARING THE SAME ADDRESS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Under this procedure, multiple shareholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials, unless the affected shareholder has provided contrary instructions. This procedure reduces printing costs and postage fees.

Once again this year, a number of brokers with account holders who beneficially own our common shares will be “householding” our annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials. A single Notice of Internet Availability of Proxy Materials and, if applicable, a single set of the annual report and other proxy materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Shareholders may revoke their consent at any time by contacting Investor Relations Department, MMA Capital Holdings, Inc., 3600 O’Donnell Street, Suite 600, Baltimore, Maryland 21224.

Upon written or oral request, MMA Capital Holdings, Inc. will promptly deliver a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of proxy materials, you may write or call MMA Capital Holdings, Inc.’s Investor Relations Department at MMA Capital Holdings, Inc., 3600 O’Donnell

Street, Suite 600 St, Baltimore, Maryland 21224, (855) 650-6932 prior to May 9, 2019.

Any shareholders who share the same address and currently receive multiple copies of our Notice of Internet Availability of Proxy Materials or annual report and other proxy materials, who wish to receive only one copy in the future, can contact their bank, broker or other holder of record to request information about householding.
