PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 19, 2015

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of trustees (the "Board of Trustees" or the "Board") of Ellington Residential Mortgage REIT (the "Company," "EARN," "we," "us," or "our") for use at our 2015 Annual Meeting of Shareholders (the "Annual Meeting") to be held on May 19, 2015, at 11:00 a.m., Eastern Time, at The Hilton Stamford Hotel at One First Stamford Place, Stamford, CT 06902, and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders, and at any adjournments or postponements thereof. This Proxy Statement, the accompanying proxy card and our annual report to shareholders, which includes our Annual Report on Form 10-K with audited financial statements as of and for the year ended December 31, 2014, are first being sent to our shareholders on or about April 7, 2015.

Our "Manager" refers to Ellington Residential Mortgage Management LLC, our external manager, and "EMG" refers to Ellington Management Group, L.L.C. and its affiliated investment advisory firms, including our Manager. In certain instances, references to our Manager and services to be provided to us by our Manager may also include services provided by EMG and its other affiliates from time to time. References to "Blackstone" mean The Blackstone Group LP. The "Blackstone Funds" means the group of funds that are managed by an affiliate of Blackstone and that helped form, and have a substantial investment in, our company.

QUESTIONS AND ANSWERS

Q. How will we solicit proxies for the Annual Meeting?

We are soliciting proxies by mailing this Proxy Statement and proxy card to our shareholders. In addition to solicitation by mail, some of our trustees and officers and certain employees of EMG may make additional A.solicitations by telephone or in person without extra pay. We will pay the solicitation costs and will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners.

We will employ Broadridge Financial Solutions, Inc. to receive and tabulate the proxies.

Q. Who is entitled to vote?

A. All shareholders of record as of the close of business on March 20, 2015, which is the record date, are entitled to notice of and vote at the Annual Meeting.

Q. What is the quorum for the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of a majority of the votes entitled to be cast by the holders of all outstanding common shares of beneficial interest, \$0.01 par value per share, of the Company ("Common Shares") will constitute a quorum for the transaction of business. No business may be conducted at the meeting if a quorum is not present. As of the record date, 9,149,274 Common Shares were issued and outstanding. A.If less than a majority of our outstanding Common Shares entitled to vote are represented, in person or by proxy, at the Annual Meeting, the chairman of the meeting may adjourn or postpone the Annual Meeting to another date, time or place, not later than 120 days after the original record date of March 20, 2015. If a Common Share is deemed present at the Annual Meeting for any matter, it will be deemed present for all other matters. Pursuant to Maryland law, abstentions are treated as present for quorum purposes.

Q.How many votes do I have?

A. You are entitled to one vote for each whole Common Share you held as of the record date. Our shareholders do not have the right to cumulate their votes for trustees.

2

Q.How do I vote?

A. If you are a shareholder of record, meaning that your Common Shares are registered in your name, you have four voting options. You may vote:

By Mail—signed proxy card must be received by May 18, 2015

If you received your proxy materials by mail, you may vote by mail by marking the enclosed proxy card, dating and signing it, and returning it in the postage-paid envelope provided.

Authorizing your proxy by mail will not limit your right to attend the Annual Meeting and vote your Common Shares in person. Your proxy (either one or both of the individuals named in your proxy card) will vote your Common Shares per your instructions.

By Internet—until 11:59 p.m. Eastern Time on May 18, 2015

If you are a shareholder of record, you may follow the instructions and web address noted on your proxy card to transmit your voting instructions up until 11:59 p.m. Eastern Time on May 18, 2015.

By Telephone—until 11:59 p.m. Eastern Time on May 18, 2015

If you are a shareholder of record, you may use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m. Eastern Time on May 18, 2015.

In Person—only at the Annual Meeting on May 19, 2015

If you are a shareholder of record or you hold your shares through an intermediary, you may vote in person at the Annual Meeting as indicated below. If you wish to attend the Annual Meeting in person, please register in advance with Investor Relations by e-mail at info@earnreit.com or by phone at (203) 409-3773. Attendance at the Annual Meeting will be limited to persons that register in advance and present proof of share ownership on the record date and picture identification. If you hold Common Shares directly in your name as the shareholder of record, proof of ownership would include a copy of your account statement. If you hold Common Shares through an intermediary, such as a broker, bank or other nominee, proof of share ownership would include a proxy from your broker, bank or other nominee or a copy of your brokerage or bank account statement. Additionally, if you intend to vote your Common Shares at the meeting and hold your Common Shares through an intermediary, you must request a "legal proxy" from your broker, bank or other nominee and bring this legal proxy to the meeting.

Directions to the Annual Meeting are available by calling (203) 409-3773.

Q.How do I vote my Common Shares that are held by my broker?

If you hold your Common Shares in "street name" through an account with a broker or bank, you may instruct your A.broker or bank to vote your Common Shares or revoke your voting instructions by following the instructions that the broker provides to you. Most brokers allow you to authorize your proxy by mail and on the Internet. Banks and brokers have the authority under New York Stock Exchange, or "NYSE," rules to vote shares for which their customers do not provide voting instructions on routine matters. The proposal to ratify the appointment of our registered independent public accounting firm for 2015 is considered a routine matter under NYSE rules. This means that banks and brokers may vote in their discretion on this matter on behalf of customers who have not furnished voting instructions at least ten days before the date of the Annual Meeting. Unlike the proposal to ratify the appointment of our independent registered public accounting firm, the election of trustees is a non-routine matter for which brokers do not have discretionary voting power and for which specific instructions from their customers are required. As a result, banks and brokers are not allowed to vote any shares held by you in "street name" on this matter on your behalf unless you provide the bank or broker with specific voting instructions. Failure to provide the bank or broker that holds your shares with specific voting instructions on this non-routine matter will result in a "broker non-vote."

Beneficial owners of Common Shares held through the account of a bank or broker are advised that, if they do not timely provide instructions to their broker, their Common Shares will not be voted in connection with the election of trustees.

Q. What am I voting on?

A. You will be voting on:

Proposal 1: The election of the seven trustees nominated and recommended by the Board of Trustees, each to serve until the 2016 Annual Meeting of Shareholders or until such time as their respective successors are elected and qualified; and

Proposal 2: A proposal to ratify the appointment of our registered independent public accounting firm for 2015.

No cumulative voting rights are authorized, and dissenter's rights are not applicable to these matters.

Q. What vote is required to approve the proposals assuming that a quorum is present at the Annual Meeting?

A.

Proposal

Vote Requirement

Proposal 1: Election of Trustees

A plurality of the votes cast for the election of each trustee nominee. The seven nominees who receive the most votes will be elected.

Proposal 2: Ratification of Appointment of Our Registered Independent Public Accounting Firm for 2015

The affirmative vote of a majority of the votes cast on this matter.

Q. How are abstentions and broker non-votes treated?

A. As discussed above, a "broker non-vote" occurs when a bank, broker or other holder of record holding Common Shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Abstentions and broker non-votes will be treated as follows:

Proposal

Treatment of Abstentions and Broker Non-Votes

Proposal 1: Election of Trustees

Abstentions and Common Shares not represented at the meeting will have no effect on the election of trustees. Brokers are not entitled to vote on trustee elections and thus broker non-votes are not treated as votes cast and will have no effect on the election of trustees.

Proposal 2: Ratification of Appointment of Our Registered Independent Public Accounting Firm for 2015

Pursuant to Maryland law, abstentions and broker non-votes are not included in the determination of the Common Shares voting on such matters, but are counted for quorum purposes.

Because this is considered a routine matter under NYSE rules, broker non-votes will not arise in connection with, and thus will have no effect on, this proposal.

Q. Will there be any other items of business on the agenda?

The Board of Trustees does not know of any other matters that may be brought before the Annual Meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for A. election to the Board of Trustees. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matters in accordance with their discretion.

Q. What happens if I submit my proxy without providing voting instructions on one or more proposals?

Proxies properly submitted will be voted at the Annual Meeting in accordance with your directions. If the properly submitted proxy does not provide voting instructions on a proposal, the proxy will be voted, except in the case of a A. broker non-vote, to elect (FOR) each of the trustee nominees listed in "Proposal 1—Election of Trustees," and in favor of (FOR) "Proposal 2—Ratification of the Appointment of Registered Independent Public Accounting Firm for 2015."

As discussed above, a broker non-vote will not be treated as a vote cast in the election of trustees.

Q. Will anyone contact me regarding this vote?

No arrangements or contracts have been made with any solicitors as of the date of this Proxy Statement, although A. we reserve the right to engage solicitors if we deem them necessary. Solicitations may be made by mail, telephone, facsimile, e-mail, or personal interviews.

Q. Who will pay for this proxy solicitation?

A. We will pay the entire expense of preparing, printing, and mailing the proxy materials and any additional materials furnished to shareholders. Proxies may be solicited by our trustees and officers and certain employees of EMG personally or by telephone without additional compensation for such activities. We also will request persons, firms, and corporations holding Common Shares in their names or in the names of their nominees, which are beneficially owned by others, to send appropriate solicitation materials to such beneficial owners. We will reimburse such holders for their reasonable expenses.

Q. May shareholders ask questions at the Annual Meeting?

A. Yes. There will be time allotted at the end of the meeting when our representatives will answer questions from the floor.

Q. What does it mean if I receive more than one proxy card?

A. It probably means your Common Shares are registered differently and are in more than one account. Sign and return all proxy cards, or vote by the methods provided by your broker to ensure that all your Common Shares are voted.

Q. Can I change my vote after I have voted?

A. Yes. A shareholder may revoke a proxy at any time prior to its exercise by filing with our Secretary a duly executed revocation of proxy, by properly submitting by mail a proxy to our Secretary bearing a later date or by appearing at the meeting and voting in person. Attendance at the meeting will not by itself constitute revocation of a proxy.

Q. Can I find additional information on the Company's website?

A. Yes. Our Internet website is located at www.earnreit.com. Although the information contained on our website is not part of this Proxy Statement, you can view additional information on the website, such as our corporate governance guidelines, our code of business conduct and ethics, charters of the committees of our Board and reports that we file with the Securities and Exchange Commission, or "SEC."

We are providing this Proxy Statement for the purpose of soliciting your proxy. The Board of Trustees of Ellington Residential Mortgage REIT requests that you submit your proxy to allow the representation and voting of your Common Shares at our Annual Meeting.

PROPOSAL 1: ELECTION OF TRUSTEES

Identifying and Evaluating Nominees for Trustee

Our Board is pleased to present seven nominees for election to the Board at our Annual Meeting, all of whom currently serve as trustees on our Board and five of whom are considered independent in accordance with the requirements of the NYSE and our Corporate Governance Guidelines. Each trustee elected will serve until our next annual meeting or until such time as his respective successor is elected and qualified. If any nominee is unable to stand for election for any reason, the persons appointed to vote your proxy may vote at our Annual Meeting for another candidate proposed by the Board, or the Board may choose to reduce the size of the Board. For additional information about how we identify and evaluate nominees for trustee, see "Corporate Governance—Information Regarding Our Board and Its Committees—Nominating and Corporate Governance Committee."

Information Regarding the Nominees

To assist you in assessing our Board's nominees, we have set forth below biographical descriptions and certain other information with respect to each nominee for election as a trustee at the Annual Meeting, including the experience, qualifications, attributes or skills of each nominee that led us to conclude that such person should serve as a trustee. Our Board recommends a vote "FOR" all of the nominees listed below for election as trustees (Proposal 1 on the proxy card).

The Audit Committee has appointed PricewaterhouseCoopers LLP ("PwC") as our registered independent public accounting firm to audit the financial statements of our Company and its subsidiaries for the year ending December 31, 2015. Although we seek ratification of the appointment of PwC as our independent registered public accounting firm, the ratification of the appointment of PwC does not preclude the Audit Committee from subsequently determining to change independent registered public accounting firms if it determines such action to be in the best interests of our Company and shareholders. If our shareholders do not ratify and approve this appointment, the appointment will be reconsidered by the Audit Committee and our Board of Trustees.

PwC has advised the Audit Committee that they are an independent accounting firm with respect to our Company and its subsidiaries within the meaning of standards established by the American Institute of Certified Public Accountants (the "AICPA"), the Public Company Accounting Oversight Board (the "PCAOB"), the Independence Standards Board and federal securities laws. All Other Fees. All other fees mostly consist of costs associated with certain on-line subscription services.

Audit Committee Pre-Approval Policies and Procedures

On at least an annual basis, the Audit Committee pre-approves a list of services and sets pre-approval fee levels that may be provided by PwC without obtaining engagement specific pre-approval from the Audit Committee. The pre-approved list of services consists of audit services, audit-related services, tax services and all other services. All requests or applications for PwC audit, audit-related services, tax services or all other services must be submitted to our Chief Financial Officer to determine if the services are included within the pre-approved list of services that have received Audit Committee pre-approval. Any type of service that is not included on the pre-approved list of services must be specifically approved by the Audit Committee or its designee. Any proposed service that is included on the list of pre-approved services but will cause the pre-approved fee level to be exceeded will also require specific pre-approval by the Audit Committee or its designee. The Audit Committee has chosen the Audit Committee Chairman as its designee.

All of the fees paid to PwC in 2014 were pre-approved by the Audit Committee, and there were no services for which the de minimis exception permitted in certain circumstances under SEC rules was utilized.

Our Board recommends a vote "FOR" ratification of the appointment of PwC as our registered independent public accounting firm for 2015 (Proposal 2 on the proxy card).

CORPORATE GOVERNANCE

The Board of Trustees

Our business is managed through the oversight and direction of our Board of Trustees, which has established investment guidelines for our Manager, Ellington Residential Mortgage Management LLC, or "ERMM," to follow in its day-to-day management of our business. ERMM is an affiliate of EMG, a private investment management firm and registered investment advisor that specializes in fixed income strategies, and is responsible for administering our business activities and day-to-day operations. Our Board is currently comprised of seven trustees. The trustees are informed about our business at meetings of our Board and its committees and through supplemental reports and communications. Our independent trustees meet regularly in executive sessions without the presence of our corporate officers.

Our Board has established three standing committees that are comprised solely of independent trustees, the principal functions of which are briefly described below. Matters put to a vote at any one of our three committees must be approved by a majority of the trustees on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the trustees on that committee.

Trustee Independence

Our Board has determined that five of our seven current trustees and nominees are independent trustees as defined by the requirements of the NYSE and our Corporate Governance Guidelines. Our Board has adopted, through its approval of our Corporate Governance Guidelines, the categorical standards prescribed by the NYSE to assist the Board in evaluating the independence of each of our trustees and nominees. The categorical standards describe various types of relationships that could potentially exist between a board member and our Company and sets thresholds at which such relationships would be deemed to be material. Provided that no relationship or transaction exists that would disqualify a trustee under the categorical standards and our Board determines, after taking into account all facts and circumstances, that no other material relationship between our Company and the trustee exists of a type not specifically mentioned in the categorical standards, our Board will deem such person to be independent. A trustee shall not be independent if he or she satisfies any one or more of the following criteria:

A trustee who is, or who has been within the last three years, an employee of our Company or any of its affiliates, or

1. whose immediate family member is, or has been within the last three years, an executive officer of our Company or any of its affiliates.

2. A trustee who has received or who has an immediate family member, serving as an executive officer, who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from our Company (excluding trustee and committee fees, and pension/other forms of deferred compensation for prior service that is not contingent in any way on continued service).

3. (A) A trustee who is or whose immediate family member is a current partner of a firm that is our internal or external auditor; (B) a trustee who is a current employee of such a firm; (C) a trustee who has an immediate family member who is a current employee of such a firm and who personally works on our audit; or (D) a trustee who was or whose immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our audit within that time.

4. A trustee who is or has been within the last three years, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present executives at the same time serves or served on that company's compensation committee.

5. A trustee who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, us for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues (as reported for the last completed fiscal year).

Pursuant to our Corporate Governance Guidelines, our Board also considers a trustee's charitable relationships in determining independence. A trustee who is an officer, director, or trustee of a charitable or non-profit organization will not be considered to have a material relationship with our Company that impairs the trustee's independence so long as our contributions to the entity in any single fiscal year (excluding amounts contributed by our Company under its employee matching gift program) are less than \$100,000 or 2% of such entity's consolidated gross revenues (whichever is greater).

Under these criteria, our Board has determined that the following members of our Board are independent: Robert B. Allardice, III, Menes O. Chee, David J. Miller, Thomas F. Robards and Ronald I. Simon, Ph.D.

Executive Sessions of Our Independent Trustees

In accordance with NYSE requirements and our Corporate Governance Guidelines, the independent trustees of our Board meet in executive session at least quarterly, without management present. Generally, these executive sessions follow after a regularly scheduled quarterly meeting of our Board. In 2014, our Board met in executive session five times without management. Our Chairman, Mr. Robards, presides over such executive sessions of our independent trustees.

Information Regarding Our Board and Its Committees

Trustees are expected to attend all of our regular and special meetings of the Board and all meetings of the committees on which they serve. In 2014, there were ten meetings of the Board, and all of the current trustees attended at least 75% of the meetings of both the Board and committees on which they served.

We have a policy that trustees attend our annual meetings of shareholders. All of our directors attended the 2014 Annual Meeting of Shareholders.

Our Board of Trustees has established three standing committees of the Board: Audit, Compensation, and Nominating and Corporate Governance. The charter for each committee, more fully describing the responsibilities of each committee, can be found on our website at www.earnreit.com under the "For Our Shareholders—Corporate Governance" section. Pursuant to their charters, each of these committees is comprised solely of independent trustees. The table below indicates our current committee membership and the number of times each committee met in 2014.

Trustee Name	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
Robert B. Allardice, III	Chair	Member	Member
David J. Miller	Member	Chair	Member
Thomas F. Robards	Member	Member	Member
Ronald I. Simon, Ph.D.	Member	Member	Chair
Number of Meetings in 2014	7	5	3

Our committees make recommendations to the Board as appropriate and regularly report on their activities to the entire Board.

Audit Committee

Pursuant to its charter, our Audit Committee assists the Board in overseeing (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) the qualifications and independence of our independent auditors; and (4) the performance of our independent auditors and internal audit function.

Each member of the Audit Committee meets the independence requirements of the NYSE and SEC rules and regulations, and each is financially literate. Our Board has determined that Mr. Allardice, the chairman of our Audit Committee, Mr. Robards and Dr. Simon are "audit committee financial experts" as that term is defined by the SEC and that each satisfies the financial expertise requirements of the NYSE.

Compensation Committee

Pursuant to its charter, the Compensation Committee's principal functions are to assist the Board in discharging its responsibilities relating to (1) compensation of our trustees and officers; (2) review, approval and administration of compensation plans and programs and other benefit plans for our trustees, officers, employees, and consultants and other third parties who perform services for us; and (3) compensation of our Manager.

Our Board has determined that each member of the Compensation Committee meets the independence requirements of the NYSE that apply to compensation committee members.

Nominating and Corporate Governance Committee

Pursuant to its charter, the Nominating and Corporate Governance Committee is responsible for identifying, recruiting, considering and recommending to our Board qualified candidates for election as trustees and recommending a slate of nominees for election as trustees at the annual meeting. It also reviews the background and qualifications of individuals being considered as trustee candidates pursuant to attributes and criteria established by the committee and the Board from time to

time. It reviews and makes recommendations on matters involving general operation of our Board and our corporate governance, and annually recommends to our Board nominees for each committee of the Board. In addition, the committee annually facilitates the assessment of our Board's performance as a whole and of the individual trustees and reports thereon to the Board. The committee is responsible for reviewing and approving in advance any related party transactions, other than related party transactions which have been pre-approved pursuant to pre-approval guidelines to address specific categories of transactions, which the committee reviews, evaluates and updates, as appropriate, from time to time.

In selecting candidates to recommend to our Board as trustee nominees, the Nominating and Corporate Governance Committee looks at a number of attributes and criteria, including experience, skills, expertise, diversity of experience, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board. In assessing the needs of the Board, the Nominating and Corporate Governance Committee and our Board review and consider from time to time the requisite skills and characteristics of individual trustees as well as the composition of the Board as a whole. After completing its evaluation of individual trustee nominees and our Board as a whole, our Board concluded that the seven nominees for trustee named in this Proxy Statement collectively have the experience, qualifications, attributes and skills to effectively oversee the management of our Company, including a high degree of personal and professional integrity, an ability to exercise sound business judgment on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing our Company, a willingness to devote the necessary time to board duties, a commitment to representing the best interests of the Company and its shareholders and a dedication to enhancing shareholder value.

The Nominating and Corporate Governance Committee will consider candidates recommended by shareholders for service on our Board. For more information regarding the procedure required for trustee candidates recommended by shareholders, see "General Information—Shareholder Proposals."

Board Leadership Structure

While the roles are currently separated, our Board of Trustees has not established a fixed policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board. Instead, the Board believes this determination is part of the succession planning process and should be considered upon the appointment or re-appointment of a chief executive officer. The Board of Trustees believes that the current separation of the role of Chief Executive Officer and Chairman of the Board is appropriate because it allows our Chief Executive Officer to focus on running our business, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Board Oversight of Risk

Our Board of Trustees believes an effective risk management system will (1) timely identify the material risks that we face; (2) communicate necessary information with respect to material risks to our principal executive officer or principal financial officer and officers of our Manager and, as appropriate, to our Board of Trustees or relevant committee thereof; (3) implement appropriate and responsive risk management strategies consistent with our risk profile; and (4) integrate risk management into management and our Board's decision-making.

Our Manager has an investment and risk management committee that advises and consults with our senior management team with respect to, among other things, our investment policies, portfolio holdings, financing and hedging strategies and investment guidelines. The members of the investment and risk management committee include two of our trustees, Messrs. Vranos and Penn, as well as one of our officers, Mark Tecotzky. The Audit Committee has been designated by our Board to take the lead in overseeing risk management. As part of its oversight function, the Audit Committee receives briefings provided by members of the investment and risk management committee, officers of our Manager and various advisors to our Company regarding the adequacy of our risk management processes. The Audit Committee also regularly receives briefings from our internal auditor. Our Board also encourages our officers and the officers of our Manager to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations and continually works with our officers, the officers of our Manager and our advisors to assess and analyze the most likely areas of future risk for our Company. In addition, our Compensation Committee has reviewed its compensation policies and practices with

respect to certain employees of the Manager who are dedicated or partially dedicated to providing services to the Company taking into consideration risk management practices and risk-taking incentives. Following such review, we determined that our compensation policies and practices for such employees do not create risks that are reasonably likely to have a material adverse effect on us.

Code of Business Conduct and Ethics

Our Board of Trustees has established a Code of Business Conduct and Ethics that applies to our officers and trustees and to our Manager's and certain of its affiliates' officers, trustees and employees when such individuals are acting for or on our behalf. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the Code of Business Conduct and Ethics; and
- accountability for adherence to the Code of Business Conduct and Ethics.

EMG also has its own Code of Ethics with which employees of EMG and our Manager, including officers of our Company, must also comply. Our Code of Business Conduct and Ethics is intended to complement EMG's Code of Ethics. To the extent there is any conflict between our Code of Business Conduct and Ethics and EMG's Code of Ethics with respect to the officers of our Company and the officers, employees and other personnel of EMG and our Manager who perform services for or on our behalf, the provisions of our Code of Business Conduct and Ethics will control, except to the extent that the provisions of EMG's Code of Ethics are more restrictive, in which case the provisions of EMG's Code of Ethics will control. Any waiver of our Code of Business Conduct and Ethics of our executive officers or trustees may be made only by our Board or one of its committees.

We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K relating to amendments to or waivers from any provision of our Code of Business Conduct and Ethics applicable to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions and that relates to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K by posting such information on our website at www.earnreit.com under the, "For Our Shareholders—Corporate Governance" section of the website. Communications with Our Board

Our Board has established a process for shareholders and other parties to communicate with the members of our Board, any trustee (including the Chairman of the Board), non-management members of the Board as a group or any committee. To do so, a shareholder may send a letter addressed to Attention: Secretary, Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870. The Secretary will forward all such communications to our trustees.

Availability of Our Corporate Governance Materials

Shareholders may view our corporate governance materials, including the written charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics, on our website at www.earnreit.com under the "For Our Shareholders—Corporate Governance" section of the website. A copy of any of these documents will be provided free of charge to any shareholder upon request by writing to Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870, Attention: Secretary. Information at or connected to our website is not and should not be considered a part of this Proxy Statement.

TRUSTEE COMPENSATION

Any member of our Board who is also an employee of our Manager, Blackstone, EMG or their respective affiliates does not receive additional compensation for serving on our Board of Trustees.

For the year ended December 31, 2014, each independent trustee received an annual cash retainer of \$40,000. Each independent trustee also received a fee of \$1,000 for each board and committee meeting attended (\$500 if the meeting was attended via telephone), subject to an annual cap of \$15,000 per trustee. The Chairman of our Board and the chairman of each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee of our Board also received an additional annual cash retainer of \$25,000, \$15,000, \$7,500 and \$7,500, respectively. In addition, our independent trustees each received an award of 2,358 restricted Common Shares in 2014 pursuant to our 2013 Equity Incentive Plan and were eligible to receive restricted Common Shares and other share-based awards under our incentive plan. Common Share award grants are expected to be made annually, typically in the second quarter. For 2015, the Compensation Committee made no changes to the compensation practices described above.

We reimburse our trustees for their travel expenses incurred in connection with their attendance at full Board and committee meetings as well as the Annual Meeting of Shareholders and certain trustee education events.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Each of our trustees and trustee nominees and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. The Nominating and Corporate Governance Committee generally reviews any past or proposed transactions between our Company and related persons (as such term is defined in Item 404 of Regulation S-K). If we believe a transaction is significant to us and raises particular conflict of interest issues, the Audit Committee will discuss the matter with legal or other appropriate counsel to evaluate and approve the transaction.

Transactions Effected by EMG and its Affiliates in Respect of Our Portfolio

Mr. Vranos, our Co-Chief Investment Officer and Trustee, Mr. Penn, our Chief Executive Officer, President and Trustee, Mark Tecotzky, our Co-Chief Investment Officer, and Daniel Margolis, our General Counsel, each also serves as an officer of EMG. We may from time to time enter into certain "related party transactions" with EMG and its affiliates including, subject to certain conditions and limitations, cross transactions, principal transactions and the purchase of securities in other accounts of EMG which are described in the written management agreement with our Manager.

Cross Transactions—defined as transactions between us or one of our subsidiaries, on the one hand, and an account (other than us or one of our subsidiaries) managed by EMG or our Manager, on the other hand. It is EMG policy to engage in a cross transaction only when the transaction is in the best interests of, and is consistent with the objectives and policies of, both accounts involved in the transaction. EMG or our Manager may enter into cross transactions where it acts both on our behalf and on behalf of the other party to the transaction. Upon written notice to our Manager, we may at any time revoke our consent to our Manager's executing cross transactions. Additionally, unless approved in advance by a majority of our independent trustees or pursuant to and in accordance with a policy that has been approved by a majority of our independent trustees, all cross transactions must be effected at the then-prevailing market prices. Pursuant to our Manager's current policies and procedures, assets for which there are no readily observable market prices may be purchased or sold in cross transactions (1) at prices based upon third party bids received through auction, (2) at the average of the highest bid and lowest offer quoted by third party dealers, or (3) according to another pricing methodology approved by our Manager's Chief Compliance Officer.

Principal Transactions—defined as transactions between EMG or our Manager (or any related party of EMG or our Manager, which includes employees of EMG and our Manager and their families), on the one hand, and us or one of our subsidiaries, on the other hand. Certain cross transactions may also be considered principal transactions whenever our Manager, EMG (or any related party of EMG or our Manager, which includes employees of EMG and our Manager and their families) have a substantial ownership interest in one of the transacting parties. Our Manager is only authorized to execute principal transactions with the prior approval of a majority of our independent trustees and in accordance with applicable law. Such prior approval includes approval of the pricing methodology to be used, including with respect to assets for which there are no readily observable market prices.

Investment in other EMG accounts—pursuant to our management agreement, although we have not done so to date, if we invest at issuance in the equity of any collateralized debt obligation, or "CDO", that is managed, structured or originated by EMG or one of its affiliates, or if we invest in any other investment fund or other investment for which EMG or one of its affiliates receives management, origination or structuring fees, the base management and incentive fees payable by us to our Manager will be reduced by an amount equal to the applicable portion (as described in the management agreement) of any such management fees, origination fees or structuring fees.

Split price executions—pursuant to our management agreement, our Manager is authorized to combine purchase or sale orders on our behalf together with orders for other accounts managed by EMG, our Manager or their affiliates and allocate the securities or other assets so purchased or sold, on an average price basis or other fair and consistent basis, among such accounts.

To date we have not entered into any cross transactions with other EMG-managed accounts or principal transactions with EMG, or invested in other EMG accounts.

Management Agreement

We entered into a management agreement with our Manager upon our inception in September 2012, pursuant to which our Manager provides for the day-to-day management of our operations. Mr. Vranos, our Co-Chief Investment Officer and Trustee, Mr. Penn, our Chief Executive Officer, President and Trustee, Mark Tecotzky, our Co-Chief Investment Officer, Lisa Mumford, our Chief Financial Officer, and Daniel Margolis, our General Counsel, each also serves as an officer of our Manager. The management agreement requires our Manager to manage our assets, operations and affairs in conformity with the policies and the investment guidelines that are approved and monitored by our Board of Trustees. A description of the

material terms of the management agreement is included in "Business—Management Agreement" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014.

Management Fees

We and our Manager amended the management agreement on December 17, 2014, effective January 1, 2015, solely to revise the definition of "Shareholders' Equity" as set forth therein.

Periods prior to January 1, 2015

Under the management agreement, we pay our Manager a management fee quarterly in arrears in an amount equal to 1.50% per annum of our shareholders' equity, with shareholders' equity being calculated for all periods prior to January 1, 2015, as of the end of any fiscal quarter, as (a) the sum of (1) the net proceeds from any issuances of common shares or other equity securities of our company or Ellington Residential Mortgage LP, our operating partnership subsidiary, which we refer to as our "Operating Partnership," (without double counting) since inception, plus (2) our and our Operating Partnership's (without double counting) retained earnings or accumulated deficit calculated in accordance with U.S. Generally Accepted Accounting Principles, or "U.S. GAAP," at the end of the most recently completed fiscal quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less (b) any amount that we or our Operating Partnership has paid to repurchase our common shares, limited partnership interests in our Operating Partnership, or other equity securities since inception.

Shareholders' equity excludes (1) any unrealized gains, losses or any non-cash equity compensation expenses that have impacted shareholders' equity as reported in our financial statements prepared in accordance with U.S. GAAP, regardless of whether such items are included in other comprehensive income or loss, or in net income (loss), and (2) one-time events pursuant to changes in U.S. GAAP and certain non-cash items not otherwise described above in each case, after discussions between our Manager and our independent trustees and approval by a majority of our independent trustees. Our shareholders' equity, for purposes of calculating the management fee, could be greater or less than the amount of shareholders' equity shown on our financial statements.

Periods after January 1, 2015

For all periods after January 1, 2015, shareholders' equity is calculated, as of the end of any fiscal quarter, as (a) the sum of (1) the net proceeds from any issuances of common shares or other equity securities of our company or our Operating Partnership (without double counting) since inception, plus (2) our and our Operating Partnership's (without double counting) retained earnings or accumulated deficit calculated in accordance with U.S. Generally Accepted Accounting Principles, or "U.S. GAAP," at the end of the most recently completed fiscal quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less (b) any amount that we or our Operating Partnership has paid to repurchase our common shares, limited partnership interests in our Operating Partnership, or other equity securities since inception. Shareholders' equity excludes (1) or non-cash equity compensation expenses that have impacted shareholders' equity as reported in our financial statements prepared in accordance with U.S. GAAP, and (2) one-time events pursuant to changes in U.S. GAAP, and certain non-cash items not otherwise described above in each case, after discussions between our Manager and our independent trustees and approval by a majority of the independent trustees.

Total management fees earned for the year ended December 31, 2014 were \$2.3 million as compared to \$2.1 million for the year ended December 31, 2013.

Services Agreement

Our Manager is party to a services agreement with EMG, pursuant to which EMG provides to our Manager the personnel, services and resources as needed by our Manager to enable our Manager to carry out its obligations and responsibilities under the management agreement. We are a named third-party beneficiary to the services agreement and, as a result, have, as a non-exclusive remedy, a direct right of action against EMG in the event of any breach by our Manager of any of its duties, obligations or agreements under the management agreement that arise out of or result from any breach by EMG of its obligations under the services agreement. The services agreement will terminate upon the termination of the management agreement. Pursuant to the services agreement, our Manager makes certain payments to EMG in connection with the services provided. Our Manager and EMG are under common ownership and control. As a result, all management fee compensation earned by our Manager and all service agreement fees earned by EMG accrue to the common benefit of the owners of our Manager and EMG, namely EMG Holdings, L.P. and VC Investments L.L.C., other than in respect of the special non-voting membership interests that the Blackstone

Funds hold in the EMG affiliate that owns our Manager, which entitle the holders thereof to receive distributions equal to a percentage of the management fees earned by our Manager.

Shareholders' Agreement

We are party to a shareholders' agreement with the Blackstone Funds and affiliates of EMG comprising our initial investors. Pursuant to the terms of the shareholders' agreement, we have agreed to cause up to two individuals designated by EMG and one individual designated by the Blackstone Funds to be nominated for election as trustees from the effective time of the shareholders' agreement until such rights expire in accordance with the agreement. The shareholders' agreement also provides that, while we are required to nominate their designees for election as trustees, EMG and the Blackstone Funds have the exclusive right to designate a nominee to fill any vacancy on our Board of Trustees created by the death, removal or resignation of one of their designees. All remaining individuals nominated for election as trustees will be nominated in accordance with our bylaws in effect from time to time; provided, however, that the composition of our Board of Trustees and each committee thereof must satisfy all listing requirements of the NYSE or such other national exchange on which our common shares are then listed. Pursuant to the shareholders' agreement, EMG's right to designate trustee nominees will expire upon the termination of our Manager (or any of its affiliates) as external manager of our company, while the Blackstone Funds' right to designate a trustee nominee will expire upon the earlier to occur of (i) the Blackstone Funds and its permitted transferees beneficially owning, in the aggregate, 70% or less of the Common Shares that they owned upon the completion of our initial public offering, (ii) their sale or disposition of any of their special non-voting membership interests in the EMG affiliate that owns our Manager or (iii) upon the mutual written agreement of EMG and the Blackstone Funds. Finally, the shareholders' agreement may only be amended with the approval of a majority of the independent trustees of our Board of Trustees.

Registration Rights Agreement

We are a party to a registration rights agreement with an affiliate of EMG and the Blackstone Funds pursuant to which we have granted such EMG affiliate and the Blackstone Funds and each of their permitted transferees and other holders of our "registrable common shares" (as such term is defined in the registration rights agreement) who become a party to the registration rights agreement with certain demand and/or piggy-back registration and shelf takedown rights.

Compensation of Trustees

Our non-independent trustees and our trustee that is employed by Blackstone do not receive compensation for serving on our Board. For information regarding the compensation of our independent trustees, see "Trustee Compensation" above.

Indemnification Agreements

We have entered into indemnification agreements with our trustees and officers that obligate us to indemnify them to the maximum extent permitted by Maryland law and pay such persons' expenses in defending any civil or criminal proceedings in advance of final disposition of such proceeding.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Each of Messrs. Allardice, Miller and Robards and Dr. Simon served as a member of the Compensation Committee during 2014 and none of such members is or has been employed by us. None of our executive officers currently serves, or in the past three years has served, as a member of the board of directors or compensation committee of another entity that has one or more executive officers serving on our Board or Compensation Committee, except that Mr. Vranos is the founder and Chief Executive Officer of EMG and sets the compensation for principals of EMG and its investment advisory affiliates and Mr. Penn is the Vice Chairman of EMG. Neither Mr. Vranos nor Mr. Penn are members of our Compensation Committee and neither receives any compensation from the Company for service as a trustee or as an executive officer of the Company.

Narrative Disclosure to Summary Compensation Table

Objectives of the Company's Compensation Programs

The Company's compensation program is designed to:

- retain and motivate our partially dedicated Chief Financial Officer by providing fair compensation; and
- align management incentives with the long-term interests of our shareholders.

Elements of Compensation

The components of the compensation program for our partially dedicated Chief Financial Officer in 2014 are (1) base salary and (2) a discretionary cash bonus.

Base Salary

Our partially dedicated Chief Financial Officer is an employee of our Manager. Under the terms of her employment arrangement with our Manager, Ms. Mumford earned an annual base salary in 2014 of \$250,000. Since Ms. Mumford is also the partially dedicated Chief Financial Officer for Ellington Financial LLC, we reimburse our Manager for the pro rata portion of her compensation that is allocated to us based on the percentage of her working time and efforts spent on matters related solely to our company. In determining whether the pro rata amount of Ms. Mumford's base salary for 2014 was reasonable and appropriate for reimbursement by our Company, our Compensation Committee considered primarily Ms. Mumford's duties and responsibilities as our partially dedicated Chief Financial Officer, the performance of our Company, and her performance based on both their own observations as members of our Audit Committee and Board and the assessment and recommendation of our Chief Executive Officer and President and our Co-Chief Investment Officer (which takes into account such officers' review of the compensation provided to similar employees of similarly situated companies).

For 2015, we expect that our Compensation Committee will take into account substantially similar criteria in determining whether the pro rata amount of Ms. Mumford's salary to be reimbursed is reasonable and appropriate for reimbursement by our Company.

Discretionary Cash Bonus

In addition, our Compensation Committee approved on December 11, 2014, an incentive cash bonus to Ms. Mumford of \$175,500 subject to deferral of approximately 57% of such cash bonus until December 31, 2015. The deferred portion of Ms. Mumford's cash bonus is subject to forfeiture in the event Ms. Mumford gives notice of her intention to resign her position as Chief Financial Officer of the Company or her employment is terminated for cause prior to December 31, 2015.

In determining whether the pro rata amount of Ms. Mumford's bonus for 2014 was reasonable and appropriate for reimbursement by our Company, our Compensation Committee considered primarily Ms. Mumford's performance, based both on their own observations as members of our Audit Committee and Board and on the assessment and recommendation of our Chief Executive Officer and President and our Co-Chief Investment Officer (which takes into account such officers' review of the compensation provided to similar employees of similarly situated companies), the performance of our Company, the compensation that Ms. Mumford receives for service as the partially dedicated Chief Financial Officer of Ellington Financial LLC, and the percentage of her working time and efforts spent on matters related solely to our Company. Our Compensation Committee also considered the total compensation that Ms. Mumford will earn for 2015 (including compensation received for service as the partially dedicated Chief Financial Officer of Ellington Financial LLC) and whether the amount seemed reasonable and appropriate based on their personal experience and knowledge regarding executive compensation. Taking all of these factors into account, our Compensation Committee determined that reimbursement for a \$175,500 cash bonus would be reasonable and appropriate for Ms. Mumford, provided that a portion of the bonus is deferred and subject to forfeiture restrictions described above. The deferral and forfeiture restrictions are intended, among other things, to create an appropriate retention incentive for Ms. Mumford.

For 2015, we expect that our Compensation Committee will take into account substantially similar criteria in determining whether the pro rata amount of Ms. Mumford's bonus to be reimbursed is reasonable and appropriate for reimbursement by our Company.

Potential Payments Upon Termination or Change in Control

Ms. Mumford is subject to a standard employment contract for the benefit of EMG. If Ms. Mumford were terminated other than for cause or voluntary resignation, the deferred portion of Ms. Mumford's 2014 cash bonus would continue to vest under the terms of her employment contract.

Grants of Plan-Based Awards for Fiscal 2014

We did not grant any equity awards to Ms. Mumford during the year ended December 31, 2014.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our trustees, executive officers and anyone holding 10% or more of a registered class of our equity securities to file reports with the SEC showing their holdings of, and transactions in, these securities. Based solely on a review of copies of such reports we received, we believe that during 2014 all such reporting persons filed such reports on a timely basis.

AUDIT COMMITTEE REPORT

The Audit Committee consists of four members of our Board, each of whom is independent of our Company and management in accordance with the requirements of the NYSE listing standards, our Corporate Governance Guidelines and applicable SEC rules and regulations. Our Board has adopted, and annually reviews, the charter of the Audit Committee, which sets forth the Audit Committee's responsibilities and how it carries out those responsibilities. The Audit Committee oversees our Company's financial reporting process on behalf of our Board, in accordance with the charter of the Audit Committee. Management is responsible for our Company's financial statements and the financial reporting process, including the system of internal controls. Our registered independent public accounting firm, PwC, is responsible for expressing an opinion on the conformity of our Company's audited financial statements with U.S. GAAP.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with management and PwC the audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2014, and discussed with management the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. In addition, the Audit Committee discussed and received the written disclosures and the letter from PwC with respect to the matters required to be discussed by the applicable requirements of the PCAOB. Moreover, the Audit Committee discussed with PwC their independence from management and the Audit Committee and the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the PCAOB in Rule 3200T. In addition, we have evaluated and concluded the non-audit services provided by PwC to our Company comply with SEC independence rules.

Based on the reviews and discussions referred to above, prior to the filing of the Company's Annual Report on Form 10-K for the year ended December 31, 2014 with the SEC, the Audit Committee recommended to our Board (and our Board approved) that the audited financial statements be included in such annual report for filing with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the registered independent public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with U.S. GAAP or that PwC is in fact "independent."

For a proposal of a shareholder to be presented at the Company's 2016 Annual Meeting of Shareholders, other than a shareholder proposal included in the Company's Proxy Statement pursuant to Rule 14a-8, it must be received at the principal executive offices of the Company no earlier than November 9, 2015, and no later than 5:00 p.m., Eastern Time on December 9, 2015. If the 2016 Annual Meeting of Shareholders is scheduled to take place before May 19, 2016 or after July 18, 2016, then notice must be delivered no earlier than the 150th day prior to the 2016 Annual Meeting of Shareholders and not later than 5:00 p.m., Eastern Time on the 120th day prior to the 2016 Annual Meeting of Shareholders or the tenth day following the day on which public announcement of the date of the 2016 Annual Meeting of Shareholders is first made by the Company. Any such proposal should be mailed to: Ellington Residential Mortgage REIT, 53 Forest Avenue, Old Greenwich, Connecticut 06870, Attn: Secretary.

Our amended and restated bylaws establish an advance notice procedure for shareholder proposals to be brought before an annual meeting of shareholders, including proposed nominations of persons for election to the board of trustees. Householding of Proxy Statements and Annual Reports

The SEC rules allow for the delivery of a single copy of an annual report to shareholders and a proxy statement to any household at which two or more shareholders reside, if it is believed the shareholders are members of the same family. This delivery method, known as "householding," will save us printing and mailing costs. Duplicate account mailings will be eliminated by allowing shareholders to consent to such elimination, or through implied consent, if a shareholder does not request continuation of duplicate mailings. Brokers, dealers, banks or other nominees or fiduciaries that hold our Common Shares in "street" name for beneficial owners of our Common Shares and that distribute proxy materials and annual reports they receive to beneficial owners may be householding. Depending upon the practices of your broker, bank or other nominee or fiduciary, you may need to contact them directly to discontinue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee or fiduciary.

If you hold our Common Shares in your own name as a holder of record, householding will not apply to your Common Shares. Also, if you own our Common Shares in more than one account, such as individually and also jointly with your spouse, you may receive more than one set of our proxy statements and annual reports to shareholders. To assist us in saving money and to provide you with better shareholder services, we encourage you to have all of your accounts registered in the same name and address. You may do this by contacting the Company's transfer agent, American Stock Transfer & Trust Company, LLC by telephone at (800) 937-5449 or in writing at American Stock Transfer & Trust Company, LLC, Operations Center, 6201 15th Avenue, Brooklyn, NY 11219.

Additional Matters

The Board of Trustees does not know of any matters other than those described in this Proxy Statement that will be presented for action at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the best judgment of the proxy holders.
