The Supplemental Indentures amended the terms of the indentures governing each series of the Convertible Notes to provide that a mandatory conversion event (requiring the Company to convert any outstanding Convertible Notes into shares of its common stock) shall not occur prior to the occurrence of a period of 15 consecutive trading days during which the daily volume weighted average price of the Company's common stock is equal to or greater than the threshold price in effect under the applicable indenture, which 15 consecutive trading day period shall not commence prior to the earlier of (i) October 12, 2018 and (ii) the termination of the Contribution Agreement dated May 9, 2018 among the Company, Arkoma Drilling, L.P. and Williston Drilling, L.P. (the "Contribution Agreement"). The Convertible Notes will continue to be convertible at the option of the holders thereof during this period in accordance with the terms of the respective indenture.
